## **PRESIDENTS REPORT**

My first year as President in the midst of the COVID pandemic has had its obvious and many challenges however the resilience shown by our membership and the positive attitude to continue the support of the community has ultimately resulted in a successful and from the Boards' perspective a rewarding one on all fronts.

In August 2020 there was much uncertainty for the season ahead and I must firstly thank the Board Members – Paul Quick (Lifesaving), Beris Meldrum (Finance) Julie Redfern (Membership) Tim Pittolo (Education) Ben Hibberd (Sponsorship) Joel Green (Competition) Wendy Walsh (Administration) and Richard Green (Nippers) for their effort and support during the year.

By any measure the commitment from the Club's patrolling members during the busiest of seasons at Terrigal has been outstanding. Terrigal exceeded 9,000 patrolling hours. I would like to pass on my appreciation and commend the 65 members with 100% patrol record. The Education team, headed by Tim Pittolo - 228 equals and 28 new bronze awards along with numerous other qualification – total training hours exceeds 500 hours – an enormous contribution to the Club and to Lifesaving.

We are extremely fortunate at Terrigal to have a strong JAC headed by Richard Green and Paul Broadbent. As said previously so much uncertainty at the start of the season there was plenty of doubt would nippers even run? Through the excellent work of the JAC & Age Managers our Nippers program was a success, this was extremely positive for nippers themselves to be engaged and for the community to see the nippers on the beach.

One thing was to have a nippers program but to have carnivals was another question all together. The JAC push ahead with the first nippers Carnival of the season was held at Terrigal in October, a huge amount of work was done behind the scenes to ensure the Carnival operated safely under strict COVID protocols.

The positive attitude undertaken by our members continued throughout the season and I thank everyone who contributed to Terrigal hosting Nippers & Opens carnivals, Rookie challenge, Ocean Swim and the first State IRB carnival since 2019. Through these efforts Terrigal SLSC continues to set the standard for community leadership and engagement. Too all our coaches for the effort and time put into improving the skills of the competitors – strong results at Carnivals for Nippers, Opens, Boats & Masters throughout the season with particular focus on the excellent performances at State & Aussies by Nippers, Opens & Masters.

Congrats to Nippers who finished overall 17<sup>th</sup> at the State Titles, Opens had plenty of success at State titles over placing 16<sup>th</sup> Beris 20 years officially at Aussies.

A few more people to acknowledge – Tarah Bryers and Mason Holliday who represented the Club at the Branch JLOTY won the Central Coast Junior Life Saver of the year, Tarah came along to the last Board meeting , an impressive young person.

Julie Redfern enormous contribution to the Club has been invaluable ensuring the ever changing COVID protocols were followed, always looking to promote our members – Australia Day awards & Life members nominations. Central Coast council Australia day awards nominees Beris Meldrum , Richard Green and Paul Lemmon , congrats to Paul who won the Central Coast Sportman of the year.

Natalie our Functions manager who under extremely difficult conditions- was only allowed to reopen the doors to the Club in September and has done a tremendous job in turning a profit for the Club.

Wendy Walsh is stepping down after 5 years as a Board Director, a strong contributor in a number of areas for Terrigal SLSC – we must acknowledge Wendy's 100% commitment to Officially for our Club , Wendy has driven the Ocean Swim committee for a number of years – this year not only dealing with the impact of COVID but the floods in the Hawkesbury caused a lot of doubt but in the end the Terrigal Ocean Swim was a huge positive for the Club in terms of community engagement and raised \$10,000 for Club. Thanks Wendy for your contribution to Terrigal Surf Club.

Ben Hibberd our sponsorship director did an amazing job, particularly given the economic environment this last twelve months. Ben secured over \$60,000 in sponsorship for the Club. Quite an achievement.

Tim Pittolo Director of Education for 5 years is also stepping down – Thanks Tim for your outstanding contribution to the Club and was justly rewarded with Terrigal SLSC Club Person of the years and at Central Coast Awards for Excellence took out the Trainer of the Year.

Kevin Porter  
President

## DIRECTOR OF ADMINISTRATION REPORT

Firstly I would like to thank the membership for their understanding and support as we have done our best to negotiate this past difficult season. A season which saw a drop in our membership, the ongoing difficulties associated with celebrating our 100 Years, disruption to our regular activities and competitions, along with our determination to reach the best outcomes for our members. To our dedicated patrolling members, a huge shout out for looking out for the many visitors to our beach, this also with Covid-19 associated difficulties.

We were able to continue our traditional ANZAC Day service, although a little different to previous years. We had approximately 3,500 guests for the Dawn Service. Thank you Kim

Petley for taking the reigns on this, along with a band of helpers, Craig & Keaton Pollington, Eric Hutchins, Gemma Cooper-Remington, Cath Wilson and Toni Jones and Alison Smith for First Aid. Sorry if I have missed anyone, your assistance was greatly appreciated.

With a lot of deliberation and communication were able to pull off our Annual Ocean Swim. There was a lot of work completed in a very short time frame. I was privileged to work with such a dedicated team who managed to get this event over the line. Thank you Kaye Kelly, Ray Moore (Accom Property), Brett Larkin, Beris Meldrum. Thank you to all our sponsors, with special mention to Peter Harris, Gosford Hotel for the supply of our beautiful medals. This year, we went with ankle tag timing devices through HEvents which proved very successful. We also welcomed Jill Ashby Photography on board and along with TC, produced some amazing photos of our day. Along for the ride on the PA was Glenn Bowles who gave us a running commentary and interviews on the day. Thank you to the wonderful team for your time: Flor Adorno, Jill Ashby, Jack Baker, Glenn Bowles, Lachlan Duggan, Rox Earthrowl, Greg Elfick, Lionel Fargher, Kyle Graham, Nick Green, Kye Green, Richard Green, Ryan Green, Marc Gunasinghe, Cohen Hall, Luke Hall, George Hardie, James Johnson, Toni Jones, Kaye Kelly, Brett Larkin, Beris Meldrum, Chris Mensforth, Rose Merriman, Ray Moore, Bruce Moy, TC Ngyuen, Kim Petley, Keaton Pollington, Kevin Porter, Ryan Quick, Jack Quick, Paul Quick, Jayden Redfern, Danielle Rippon, John Robb, Lucy Roper, Clayton Schofield, Rebecca Scott, Cath Scully, Allison Smith, Greg Smith, Kellie Snelling, Roger Stimson and Carolyn White. Hopefully we can all do it again in 2022.

I would like to take this opportunity to thank Tim Pittolo, who along with myself, will not be standing for re-election at this AGM. We have both completed 5 years on the Board and wish the incoming board members all the best for this new season.

As we continue to follow the guidelines set out by our governing Bodies, Central Coast Branch, Surf NSW, Surf Australia and the Health Department, we look forward to best season possible. Please stay with us during this journey as we continue to do the best for our members.

Be kind ... stay safe ... and swim between the flags.

Wendy Walsh  
Director of Administration

## DIRECTOR OF MEMBER SERVICES REPORT

2020-2021 has been a season to remember at Terrigal Surf Lifesaving Club and for the world in general. With the COVID-19 pandemic there were many changes that had to be made to our club in order to keep our members safe and to meet regulatory requirements. This included planning, preparation and lodgement of numerous COVID-safe plans, signing in with every visit, implementation of cleaning and social distancing practices amongst others. The club acknowledges the pandemic has resulted in a stressful time for many of our members and the general public. Many senior club members have completed COVID-safe training, we have 8 current Member Protection and Information Officers and we continue to continue to institute

strong Safeguarding Children protocols. A new Gym Policy was also developed and ratified by the Board of Directors. It was also great to see our education team members Cathy Cole and Tim Pittolo volunteering to participate in the SLSNSW 2020 'Beach to Bush' program.'

Despite the pandemic, most club activities continued (although often in a modified format). Our members were involved in competition, lifesaving, education, recognition and events across the sphere of surf life saving activities. 2020 marks the 40th anniversary of women's involvement in active surf lifesaving duties. We are fortunate to have a strong and active group of female members (373/831, 45% of membership) who support our club across all areas. Recently, 4 of our members (Mardi Love, Emma Gunasinghe, Danielle Rippon, Toni Jones) represented our club at the SLSCC Women in Lifesaving Lunch. Thank you to all for your service and contribution.

This season we have endeavoured to have an active and positive social media presence. Our primary social media channels have very active followings 'Terrigal Surf Life Saving Club Facebook Page' (2857 followers) and 'Terrigal Nippers' Facebook page (830 followers) and @terrighalslsc Instagram account (1397 followers). There are also numerous other private groups for training and other areas of the club (e.g., training, IRB and pool rescue groups). Directors and Nipper Age Managers also utilise communication platforms such as 'What's App' in addition to club email addresses. These pages are an excellent way of linking with other clubs and promoting and sharing activities at Terrigal SLSC. All are closely monitored and are an efficient communication source that supplements regular communication with members via BluesNews.

In our Nippers area there were 4 great leaders elected as role models this year. The Captains for 2019-20 were Zoe Pope and Will Baker. Vice Captains were Emma Broadbent, Tarah Bryers and Nate Vaughan. All 4 leaders represented themselves, their families and the club with great enthusiasm and pride throughout the season. Several of our juniors attended the SLSCC Development session and presented ideas to the Board early in the season. Congratulations to all our junior leaders. Youth activities include several Members (Jayden Redfern, Trent Pantle, Jack Quick, Callum Hobson) joining the Wamberal SLSC Duke of Edinburgh group. Jayden Redfern was also part of the SLSCC Youth Development program and visited Rescue30, Surfcom and various other activities with the group. Keaton Pollington was a facilitator for the younger program. We are thankful to SLSCC for their ongoing youth development programs.

This year our Terrigal nominees for SLSCC Junior Lifesaver of the Year (JLOTY) were Tarah Bryers and Mason Holliday. They both represented our club proudly and did a fantastic job. Both practiced and were very diligent in their preparation with the support and mentorship of previous JLOTY Jayden Redfern. Tarah went on to win the SLSCC JLOTY for 2021-2021 and this is an outstanding achievement – well done Tarah.

Terrigal also had 4 nominations for the Central Coast Australia Day Awards as follows

- Terrigal SLSC- Community Service
- Beris Meldrum – Community Service Citizen
- Richard Green – Volunteer of the Year
- Paul Lemmon – Sportsperson of the Year

This year a structured process was written up and implemented to select our award winners and nominees for the Club and SLS Branch Awards. This process included, a club-wide online survey for all members to make nominations. The nominees were collated and detail added based on patrols, competition outcomes, volunteer-contributions and other club assistance/leadership. A sub-committee was formed to select the eventual winners. The sub-committee comprised Kevin Porter (President), Julie Redfern (Director of Member Services), Beris Meldrum (Life Member), Tim Pittolo (Director of Education), Stuart Bennett (member representative), Greg Elfick (Life Member). Coaches were consulted for various awards relevant to their area. Conflicts of interest were managed and winners were kept confidential and

announced at an in-person afternoon presentation held on 23<sup>rd</sup> May 2021 where over 150 people attended. The club provided food and a free drink to all in attendance. A list of winners is provided below.

## **DIRECTOR OF EDUCATION REPORT**

Well, where do we start with the 2020-2021 season. This year the education team started preparing for the new season before the old one was finished with the introduction of the 35<sup>th</sup> edition of the Public Safety Aquatic Rescue Manual which forms the basis of the Bronze Medallion Course. Not only did we get a new manual, but we also got a completely revamped Bronze Medallion Course with the inclusion of the treatment of Severe life-threatening Bleeding and more training around Spinal Management and the removal of Oxygen from the course. This meant a large change in how the course is delivered and assessed. On top of these changes do I need to mention that we were in the middle of a world wide pandemic which was changing life as we knew it by the week and as September and the open weekend of the season rolled around we were faced with more question than answers and our usual pre season routines of attending meetings and training sessions to upskill the trainers and assessors in the changes that had come in for the upcoming season were either cancelled or moved online which life seemed to be going at that moment in time we spoke to each other more online than face to face and some of these meetings were changing with less than 48hrs notice.

For those who were not involved with the management of the club and trying to get things up and running you would not appreciate the efforts that all the directors have put in this year. It seemed like in the months between July and September were a blur of question like “Can we Patrol?”, “Can we deliver Training?”, “Why on top of Covid are we delivering a new Course?” then once we started to get on top of these question it was the questions of “How do we safely deliver courses?” which involved work shopping sessions amongst the Education team with the support documentation from both SLSNSW and SLISA to work out methods that we could safely deliver the training programs for the season then writing the safety plans which the government and SLS required us to do before we could put any courses on the calendar.

Roll around the opening weekend of the season and it was all systems go with a src to bronze medallion course, full bronze medallion course and multiple ART course on the go. While all of this is going on we had to deal with the matter of the annual proficiency testing of all our existing members and how do we safely deliver that with some more brain storming and workshopping we came up with some solutions for these issues and questions as well which lead to some interesting outcomes like for the first time in as long as most people can remember there was no need to do a practical CPR test as it was deemed too much work to ensure that the manikins were hygienically cleaned between uses etc.

Over the past couple of season I have been reporting the education statistics to the members and this year on top of all the dramas of Covid-19 the numbers of awards and proficiencies

processed by the education team have been on par if not greater than previous years. This year we have had a total of 145 awards issued to our members, 27 of these are for awards trained and assessed by branch. The education team has also assisted our neighbouring club to train 47 of their members in either Bronze Medallion, ART or IRB awards, we have requalified 414 awards for our members on the beach and delivered 549 hrs of training on top of our patrolling hours. If you combine the patrol and training hours of the education team the 15 members of the team have delivered in excess of 1,200 hours of volunteer service to the club which is a phenomenal effort for all involved.

After 5 years as Director of Education at Terrigal I have decided that it's time to hand over the reins to someone else. I would like to thank all the Presidents and fellow directors that I have worked with over my time in the role as well as all the members of the Education Team, I know at times it has been frustrating and we have felt like no one has our backs but just remember there is no patrols or competition without the work that we do as trainers and assessors. I wish to thank all the current and past members of the education team for the support and assistance that they have given me over the past 5 years and wish the team well into the future. At the time of writing this report there are plans been formed on how the education space within the club will look and be managed into the future as the role of the Director of Education has grown to the point that in a club the size of Terrigal it has become unsustainable to be managed by a single person.

Tim Pittolo  
Director of Education

**DIRECTOR OF COMPETITION REPORT**

The 2020/21 surf season was a very successful season for Team Terrigal. Despite the previous season finishing very abruptly and the entire off season being unsettled as a result of the unknown ahead with Covid restrictions and regulations, the Central Coast Surf Life Saving competition season started out in a very positive way. Thank You to Surf Life Saving Central Coast for your dedication and commitment to the competition program on the Central Coast in a very trying period, seeing more local carnivals being undertaken then there has been for a long time.

Unfortunately, as a result of the Covid lockdown restrictions, both the 2020 NSW and Australian Pool Rescue Championships as well the entire IRB season were cancelled.

Thank you to the current Terrigal Board of Directors for their support throughout the season and their attitude to participate and assist at all events and carnivals, including officiating, water safety, set ups/ pack ups and generally their positive support of the competition team.

Thank you to all the parents, grandparents, and supporters of the team throughout the season, all of you do a wonderful job supporting your children and the team, without your support it would be very difficult to compete.

I big thank you must go to the coaches and team captains, these guys dedicate so much time to all our competitors both on and of the competition field, without the dedication, guidance and your 'leave no stone unturned' attitude, we would not have the success we have:

## BOAT CAPTAINS REPORT

Terrigal boaties this season competed in the U23 female, Reserve women's and Master's men 200 years division. We had a fairly interrupted season but handled it very well in the Streets series with the COVID restrictions. A number of carnivals were either cancelled, rescheduled or downsized due to severe surf conditions. Our two-day carnival away to Scotts Head was perfect on the Saturday but had to be cancelled after the first round on Sunday to huge surf. NSW State titles were cancelled due to severe storm conditions and then reschedule weeks later, but unfortunately a number of our rowers were unavailable for that date.

At the conclusion of the **Streets series 7 rounds**, the **U23 females** finished in 3<sup>rd</sup> place. The **reserve women** were relegated to 4<sup>th</sup> (by 1 point) due to missing the last round. **Masters men** finished in 8<sup>th</sup>. At the **C Coast Branch championships** conditions were raining, good swell and a howling southerly. We had three crews who doubled up racing in 5 divisions, some rowers doing 8-9 races. **Masters' men** won GOLD and gained 4<sup>th</sup> in Reserves division. **Reserve women** placed 5<sup>th</sup>. **U23 women** placed 2<sup>nd</sup> in their division and 3<sup>rd</sup> in the Open women's division. A great day for the crews.

Congratulations to our Boat Rower of the year, Eden Duddy. Eden only in her second year of rowing as U19 has taken to the sport amazingly and loves catching waves, helping fellow crews and gained her 100% patrol award. A big thank you to our officials that spend all day on the beach in all conditions supporting Terrigal, Kim Petley, Lyn Waters and Dennis Gee. Thanks to our fellow sweep/coach Mel Smith for his time and dedication. Terrigal is on the build next season, so if you wish to come and have a try at surfboat rowing, keep your ears and eyes peeled to social media for dates to have a try and bring a friend. The adventures and skills learned are rewarding.

Paul Quick.  
Boat Captain.

### DIRECTOR OF JUNIOR ACTIVITIES

The 2020-2021 nippers season was an extremely challenging but successful year for the Terrigal Club. With COVID restrictions enforced we had to split our age groups up into separate time slots each Sunday. The U6's-U7's started at 8am and the U8's, U10's, U12's and U14's started at 9am and the U9's, U11's and U13's started at 11am.

Our Nippers were divided into three separate covid safe areas each Sunday – water area 1, water area 2 and the sand area. Each area had a covid safe check in. We were still able to successfully run our BBQ each week in a COVID safe manner, thanks to Trevor and Sandra Husk.

Once again, the expertise of our coaches, effort and enthusiasm of our Age Managers who had to complete a covid safe course prior to the nippers season commencing and the support of parents led to a great season with all nippers having fun, gaining confidence and improving their skills.

Active encouragement and participation of all nippers on Sunday's has assisted Terrigal in growing into a strong and competitive club both at Branch and State levels. This season Terrigal placed third at the Branch Championships.

This season we were unfortunately unable to run any club presentations after carnivals. Nippers and parents should be congratulated on how they adapted in these challenging times with the 'new normal'. Their attitude towards competition, sportsmanship and the respect they show towards their team mates and other competitors is to be commended. It is sometimes easy to forget this is a volunteer organisation, fortunately at Terrigal we are lucky to have the commitment of so many parents, grandparents, friends and extended family of

both nippers and Terrigal Surf Club in general. To all those people, thank you for your wonderful support and assistance throughout the season.

I would like to thank some dedicated people who helped and gave up a lot of their time this season:

Wes Pettiford, Nicole Baker, Julie Redfern, Mandy Eyles, Samone Green, Paul Broadbent, Trevor and Sandra Husk.

Our qualified Officials – Stuart Bennett, Beris Meldrum, Wendy Walsh, Chris Hall and Craig Pollington.

Our Age Managers and the JAC - without these dedicated groups of people, we simply do not have nippers. Thank you for your commitment both on and off the beach during nippers and after hours. I realise these roles are often thankless. Your commitment and dedication never goes unnoticed and is always appreciated.

Thank you to our awesome coaching staff for the 2020-2021 season, namely Paul Broadbent, Danielle Rippon, David Rippon, Richard Green, Emmy Pettiford, Chloe Hoy, Craig Massey, Mark Cameron, Scott Roberts, Mitchell Clayton and our beach coach Emelyn Wheeler.

Once again, our annual Colour Run was a huge success! Raising \$8 101 for the Club. Thanks to Mandy Eyles for organising this event.

Congratulations must go to Tarah Bryers – being awarded the Central Coast Branch Junior Lifesaver of the Year, a wonderful achievement.

Also congratulations must go to our one and only nipper selected in the Interbranch Team – Zahra Green.

Special thanks must go to our Club Captains and Vice Captains for the 2019-2020 season:

<b>Vice Captain</b>	Nate Vaughan

## **DIRECTOR OF SPONSORSHIP**

The past season has been an incredible success for sponsorship with many challenges due to the covid-19 pandemic. We welcomed new and returning sponsors who wanted to align their companies and show their community support with Terrigal Surf Life Saving Club. At the end of the season, we had a total of \$65,555 worth of sponsorship assets this was 85% in cash and 15% in kind.

This enabled the club to have a very strong season financially, we were able to purchase essential lifesaving and training equipment e.g. due to covid-19 we weren't able to conduct human patient rescue training with the rescue board, tube and IRB. We were able to purchase a water manikin to enable our members to continue to train and develop their rescue techniques.

I would like to thank all 24 sponsors who have given generously to Terrigal SLSC and always offered to help in any way they can. Our sponsors are a very integral part of our great club, and we look forward to many more season with their continuous support. I would like to encourage everyone to continue to support our sponsors where possible so they can continue supporting us.

## LIFE MEMBERS REPORT

This season, regrettably Mark Power has decided, for health reasons to step down as a Trustee of the Life Members Fund. Mark has served the Club staunchly and faithfully in this capacity for many decades and his presence in this capacity will be missed.

In the 2018 Annual Report Mark wrote a description of how the Life Members Fund Operates. Although the controllers are called "trustees", the fund is not a trust fund as such, but invested funds. The fund exists to supply the club with some extra money for various awards on an annual basis, and can in an emergency provide funds for the Club activities (and has done so in the past). A specific aim was to not overlap or impede fundraising from other areas of the Club.

So it can continue to do so, the fund needs to be preserved and grown as much as reasonable. If the money is removed it is not available for future use.

Activities of the Life Members Fund have been affected by recent events (Covid, shutdown, Economic conditions) in much the same way as the General Club activities and finances. While generally healthy, opportunities for increases have been limited. The Financial figures are reported below.

David Mansfield, Beris Meldum and Gregory Elfick were elected during a Life Members meeting in March and these names will be forwarded to the Annual General Meeting for ratification.

We have audited the financial report of Terrigal Surf Life Saving Club Inc. which comprises the statement of financial position, the income and expenditure statement, and statement of cash flows as at 30 April 2021, and notes to the financial statements, including a summary of significant accounting policies, and the Terrigal Surf Life Saving Club Inc. Statement by Members of the Committee.

In our opinion the financial report of Terrigal Surf Life Saving Club Inc. has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act ("ACNC Act") 2012*, and the *Associations Incorporations Act NSW* including:

- (a) giving a true and fair view of the registered entity's financial position as at 30 April 2021 and of its financial performance for the year ended 30 April 2021; and
- (b) complying with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

##### **Basis for opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Terrigal Surf Life Saving Club Inc. financial reporting responsibilities under the ACNC Act and Associations Incorporations Act NSW. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

##### **Responsibility of the Committee for the Financial Report**

The committee are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the Associations Incorporations Act NSW. The committee's responsibility also includes such internal control as the committee determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, committee is responsible for assessing Terrigal Surf Life Saving Club Inc.'s ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intend to liquidate Terrigal Surf Life Saving Club Inc. or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the Terrigal Surf Life Saving Club Inc. 's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by committee.
- Conclude on the appropriateness of the committees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the Terrigal Surf Life Saving Club Inc. to express an opinion on the financial report. We remain solely responsible for our audit opinion.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on Other Legal and Regulatory Requirements**

In accordance with the requirements of the *Charitable Fundraising Act 1991 (NSW)*, we report that:

- a. the financial report gives a true and fair view of the financial result of fundraising appeal activities for the financial year ended 30 April 2020;
- b. the financial report and associated records of Australian Gynaecological Cancer Foundation have been properly kept during the year ended 30 April 2020 in accordance with the *Charitable Fundraising Act 1991 (NSW)*;

#### NOTE 1 - ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of Division 60 the Australian Charities and Not-for-profits Commission Act 2012 and the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets. The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

##### (a) Plant & Equipment Depreciation

Plant and equipment are recorded at cost and are depreciated on a straight line basis over their estimated useful lives.

The depreciation rates used for each class of assets are:

Building improvements: 4% to 20%

Surf equipment: 33%

Function room plant & fittings 20%

Office equipment: 20%

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

##### (b) GST Units

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

##### (c) Income Tax

The Club is exempt from income tax and accordingly no liability is recorded.

##### (d) Inventories

Inventories are measured at the lower of cost or net realisable value.

##### (e) Leases

The Club leases the land on which the Club premises are erected from a trust pursuant to the Crown Lands Act. A license has been provided to another entity to operate a café on part of those premises (refer note 18). As the Club is a not for profit entity the value of the lease of the premises has not been estimated. License fees from the sub-lease are taken up as income on an accruals basis.

##### (f) Revenue

Revenue is recognised as follows:

- Members income, donations and sponsorship revenue is recognised on receipt and recording in the books of the Surf Club.
- Income from the sale of merchandise and product from the canteen is recognised when the merchandise or product from the canteen is supplied to the customer.
- Income from hire of the club house (hall hire) is recognised at the time the club house is provided to the customer.
