PRESIDENTS REPORT

It is with pleasure, tinged with a little sadness, that I write this report, my last as President of Terrigal SLSC after 6 years at the helm. I would firstly like to thank all of the members for their support and encouragement over the past years, I have been privileged to work alongside you all over this time. I would also like to give great thanks to the many Board members over the years who have worked tirelessly (often behind the scenes) to drive and develop our club. I feel that we have made great strides forward in governance, management and development and I am sure that our club will continue to tackle the many opportunities and challenges that face the lifesaving movement.

Season 2013-14 was a year of great achievement for both individual club members and teams across many facets of surf life saving. Congratulations firstly to Team Terrigal, who took out the Australian Pool Rescue Championships in 2013, I believe the first time our club has ever topped the table at an Australian Championships. Congratulations also to Tim Schofield, selected in the Australian Team for Rescue 2014, the World Championships to be held in the south of France in October, and also to Jack Moyes, who battled all summer long to win a place in the NutriGrain Series for 2014-15, we are very proud of your achievements and look forward to watching you in action. And finally, no competition congratulations would be complete without mentioning Paul Lemmon, the Central Coast Sports Federation, CC Surf Life Saving and NSW Sports Federation Masters Athlete of the Year, who inspires us all.

More great achievements have to be mentioned.....Jackson Heinze, who after taking out the Branch JLOY title, went on to win the NSW Junior Lifesaver of the Year Award, an outstanding achievement for a young man with a big future in lifesaving. We would also like to congratulate Catherine Wilson, the Branch SurfCom operator of the Year and finally Kyle Stimson, who has recently been honoured with the John Lincoln Youth Community Service Award by the NSW Branch of the Order of Australia.

We would also like to congratulate our major club award winners for this season, Toni Jones our Clubperson of the Year for the second year in a row, Annie Jones - Young Clubperson, Ruby Porter - Junior Clubperson, John Robb - Patrolperson, Sam Tancred - Young Patrolperson, Clayton Schofield – Volunteer, Tim Pittolo – Rookie and Rachelle King – Instructor of the Year. Patrol 6 was our Patrol of the Year and Jazmyn Rodwell our Junior Rookie, congratulations also to our Competitors of the Year.

All of the achievements by teams and individuals however, are the result of the everyday services, programs and opportunities that we provide at Terrigal. From our youngest “little Nipper” members, through an extremely professional education team, to our senior patrolling ranks and coaching development of our athletes, it is the role of and dedication of many, many club members who help our club succeed.

I would like to take this opportunity also to thank all of our sponsors, many of whom have supported our club for many years, your support of our organisation shows your dedication to both lifesaving and your local community and allows us the opportunities to develop and grow our membership. Thank you.

Our patrolling strength remains strong, with up to 50 new Bronze and SRC holders trained each season by our wonderful Education team, providing enthusiastic new patrol members to work with our experienced teams. Terrigal has the largest number of active lifesavers on the Central Coast and we strive to continue the development of our lifesaving membership. Many of our members also assist Branch Support Services in RWC operations, SurfCom and out of hours/night operations teams

Our Nipper program is fantastic. Terrigal Nippers receive a varied, fun and educational program, designed to develop and retain outstanding lifesavers of the future. We are also producing some excellent competitors both on the beach and in the water, and looking to branch out into lifesaving competition to create further opportunities for our youngest members.

Terrigal remains at the forefront of competition, providing opportunities for competition across all disciplines of surf life saving, with a dedicated coaching staff across all disciplines, who lead, inspire and develop our athletes into disciplined, dedicated and enthusiastic Team Terrigal members. I would especially like to mention Roger Stimson, who has taken over the IRB team management and IRB Captains roles, doing a fantastic job ensuring our IRB craft are in excellent condition and ready for any contingency.

We are also very grateful for the programs, services and support offered by Branch, from the member development programs through to the support and assistance provided by the staff and Branch Council, we know we are well looked after and part of a Branch that strives for excellence.

To the wonderful members of Terrigal SLSC, who contribute to our club in so many different ways, small or large, your participation is always valued and makes our club the community it is. I am proud to be associated with all of you.

Finally I would like to thank the Board of 2013.14 and support teams of administration (Beris) and functions (Natalie, Pete and staff) of our club, who contribute many, many hours to the “business” of our club, which supports our core roles of lifesaving, education and membership development. As individuals you have always been supportive and as a team you have always had the big picture and best interests of our club at the forefront and I couldn’t have done it without you all. Thankyou.

ADMINISTRATION REPORT

The Director of Administration’s role includes supervising the office, registrations and the preparation of the Annual Report, calling and documenting monthly board meetings and the AGM, and finally ensuring that the club house is kept well maintained.

As gear has often been borrowed from the club for legitimate purposes and yet there has been no record of who borrowed it and who approved the loan, this year, we have established a loan register with the assistance of Mick van Dartel. Anyone who needs to take club gear away from Terrigal Club or beach is asked to get approval from Mick, Beris Meldrum, the Club Director of Administration or the Club President and to fill out the loan registry which is held in the tower room.

During the year, the club has purchased and installed a Point of Sale (POS) system for recording all bar sales from the club. It is hoped that over time it will be extended for the sale of club clothing and merchandise. The POS system both enables the club to keep a closer track of monies and stock.

The main work done on the club house this year has been:

- replacement of a number of the doors, door locks and handles
- tinting of the Northern windows of the club house
- installation of a new radio microphone system for the upstairs function room

The club has been in the process of upgrading the club website so that it becomes the central source of information for both lifesaving and competition.

Not strictly the role of the Director of Administration, but this year Debi Barnes and myself ran the annual Terrigal Ocean Swim. This year we decided to hold it on Easter Saturday to encourage participation from holiday makers and swimmers from Sydney. It was very successful with over 270 swimmers compared to only 190 the previous year. From sponsorship, entries, merchandise and BBQ it raised nearly \$9000 for the club. Due to the success of this date we intend on making it a regular Easter Saturday event.

Brett Larkin
Director of Administration

LIFESAVING REPORT

This season we had over 300 active patrolling members made up into 16 patrols including an Active Reserve patrol.

Congratulations to all patrol captains and patrols having no lives lost once again between the flags, over 1,100 preventative actions and only 21 rescues. This is a very good indication of pro active patrolling from all patrols. Terrigal is a very busy beach with thousands of beachgoers spreading right along the beach from the rock pool to the Terrigal Lagoon creating quite a deal of planning for the captain and team work amongst the patrol.

The patrols gained 32 new bronze medallion members this season and many of our patrolling members also upskilled their qualifications with 39 attaining their Advanced Resuscitation Techniques Certificate, 10 attaining IRB crew and 12 their Silver Medallion IRB Drivers giving us a very good spread of skills in all patrols. Thanks must go to the education team who worked tirelessly throughout the season to teach these awards.

We continue to have lots of nippers coming through the rookie program with 32 gaining their Surf Rescue Certificate this season and learning to be part of a patrol team with lots of patrol activities and fun.

Thanks must go to Roger Stimson for his continued responsibility for the IRBs and motors, quite a job to keep them all in good working order and available for patrols. Thanks also to Matt Robinson and Toni Jones for their commitment to keeping the first aid room well stocked, clean and tidy, a not inconsiderable job with the number of people using the room. Peter Connelly took on the radios this year and has done a wonderful job of making sure they are all charged up and in good working order. Graham Baty has been ensuring the jetski helmet and radio are all charged and available for all RWC drivers using the RWC out of the Terrigal shed, well done.

Thanks to all for your commitment to your patrols, the club and the beach going public.

Look forward to seeing you again next season.

Mike Peat Marathon Row

On Saturday 22 March 2014, an intrepid band of rowers and support crew set out from Rose Bay in Sydney Harbour to row for Mike Peat, longtime member and U23 male and female boat sweep, who has a rare form of kidney cancer. Meanwhile back at Terrigal, the party began with rides, face painting and many community activities.

The rowers did it tough, it was a long, hard 60km slog in the conditions, but with grins (or grimaces?) and plenty of blisters, they eventually made it to Terrigal to a rousing reception, with over \$20,000 raised for Mike and his family.

We congratulate the organisers, rowers and support crews and thank all members and the local community for their incredible support and assistance to make this feat a reality.

EDUCATION REPORT

It has been a great year for education at the club. We had some large bronze and SRC groups that went through this year as well as IRB groups and also a lot of people upskilling with the courses offered by the club and also branch.

A big thank you to all the trainers and assessors that have helped run the courses this year and all the other people who helped with the courses and proficiency this year, they all give up a lot of time to make sure we end up with highly skilled patrol members.

I would also like to thank a small group that have helped make my job a lot easier to do. Toni Jones, Allison Sharkey Smith, Dave Mansfield, Karen Phillips and Beris Meldrum thank you all, like I said made it a lot easier to do.

So we look forward to another great year for education and training in the club.

DIRECTOR OF COMPETITION REPORT

2013-2014 has once again been a very busy and successful year in regards to competition across all areas of the club. All competitors play a *very important* role within the club not only in regards to highlighting our excellent coaching programs and keeping "Team Terrigal" in the spotlight, but each and every one of you *volunteer* your time and effort into patrolling our local beaches throughout the season.

Our coaches and coaching programs continue to improve and encourage healthy competition and thanks must be given to our coaches across all the fields – boats, irb, lifesaving (I hope that this continues to build) board & ski and pool rescue.

In brief some of this year's highlights:

- Our IRB team continues to grow and the team travels far and wide for competition – Darwin in the Northern Territory and up and down the coast of NSW. This competition develops high level skills in IRB driving and crewing and quick response rescuing which is needed across all our patrols. The friendly competition within the group brings out the best in all and their regular "talk-it-up" awards, possibly the highlight of their weekends. A big thank you to Roger and his crew and their main sponsors Crowne Plaza Terrigal, COSI Orthopaedics and The Freemasons, who together supply Terrigal SLSC with top class equipment for our patrols and competition.
- Team Terrigal dominated all pool rescue this year winning the NSW Pool Rescue Championships and then taking out the Australian Pool Rescue Championships in Brisbane – it's been awhile since NSW took this honour away from the Queensland clubs.
- Our Board & Ski team travelled to Western Australia for Aussies and performed outstandingly against the best competition in Australia. Highlighted by GOLD in the Open Womens Rescue tube Rescue and the Under 17 Male Board relay. Some of our team also travelled Interstate for a number of races throughout the season with some great results.
- The Masters section of the club has continued to increase in size and thanks to the guidance of Reggie Northey and Greg Elfick and continue to "train the house down". They are also a very competitive team and enjoy travelling together to the various competitions. The after party seemingly the main attraction.
- Our boat section continued to perform throughout the year at branch and state and successfully held a round of the Street's boat series, which is one of the best rounds of the series. Thanks to Dennis Gee, Paul Quick and Peter Ives for their continued efforts throughout the year
- And finally we had a number of our competitors selected into various teams during the year.
 - Sanyo Bussan Cup in Japan.
 - NSW Development team to the New Zealand Pool Rescue Championships.
 - Trans Tasman Team
 - Interbranch and Interstate where Tim Schofield & Rachelle King were named Captains, both also travelled in the Australian team to the German & NeBu Cup in Germany & Amsterdam.
 - Tim Schofield selected into the Australian Open Team for Rescue 2014 and Jack Moyes *fighting* his way into next seasons Nutrigrain series with some great results in the Surf Ironman Qualifying Series.
 - We also have the likes of Paul Lemmon who continues to outshine most of the competition in the Masters section

Every year there are people within the club that also need to be thanked for their time, effort and assistance. Heading the list from me personally. Firstly Jenny Schofield, Karina Brown and Beris, for all their behind the scenes organising. All of our officials who help at every carnival, who without their help we would not be competing. To our water safety, again a very important role carried out there. To those who do all the entries for carnivals, draw up teams and shuffle papers endlessly and to all those that are willing to pitch in and lend a hand when towing gear, erecting tents, organising teams and all the other horrible jobs that ensure the smooth running of the club.

Thank you all for this season and hope you are all back smiling next year
Clayton Schofield

TERRIGAL AWARDS OF EXCELLENCE AWARD WINNERS

MacArthur Onslow Memorial Clubperson of the Year – Toni Jones

Toni has once again had an outstanding year with a finger in very many pies, she is our club first aid officer, done countless hours of patrols and subs, been an integral part of our Education Team across both nippers and seniors, mentored our two Junior Lifesaver of the Year applicants, attained her Advanced First Aid, Spinal management, Training Officer and Assessor awards. She has also been involved at Branch level in Age Manager education, as well as assessing the JLOY at Branch and State panels.

Richard Bridge Memorial Young Club Person of the Year – Annalise Jones

Annalise has this season completed here IRB crew person certificate and consequently joined the IRB team, her ARTC, First Aid and Spinal Awards. Annie also completed her Junior Officials course and officiated at many carnival including State. She also joined SurfCom as an operator and completed the 15-17s leadership course at Branch and was selected by SLSCC to attend the Youth Opportunity Makers camp

Harry Vickery Memorial Patrol Person of the Year – John Robb

John is captain of one of the smallest patrol teams in our club and to add to this they lost their IRB driver at the end of last season so over the off season John quietly joined the IRB drivers course at Copa and obtained his silver medallion, loving it so much he has now joined the IRB race team. He has also completed his Spinal management course and kept his patrol going over the season.

Richard Bridge Memorial Young Patrol Person of the Year – Sam Tancred

Sam has achieved 100% attendance over the 5 years he has been a member of our club, has attained his IRB crew and driver awards, ARTC and First Aid. He is an extremely reliable member of his patrol and helps out in many other ways around the club, such as Anzac Day, etc.

John Burgess Memorial Volunteer of the Year – Clayton Schofield

Clayton puts countless hours into our club each season both on and off the beach. Co-ordinating of competition in a club the size of Terrigal is no easy feat, especially when you have to organise Aussies across the country. Clayton is often to be found trailing along at board and ski sessions during the week, making sure that the younger and less experienced competitors are not left behind or spooked by anything in the water. He puts out countless fires throughout carnivals and fixes everything from holed boards to club showers and toilets.

Gordon Lambert Memorial Club Rookie of the Year – Tim Pittolo

Tim has really embraced all things surf lifesaving since completing his bronze in 2013. He has completed numerous awards including IRB crewperson, spinal management, IRB drivers, done 106 patrol hours here at Terrigal and become a SurfCom member, completing many more hours over there, as well as helping out wherever possible. We can't wait to see what he can fit in next season!

Instructor of the Year – Rachelle King

Rachelle has had an extremely busy year, coaching throughout winter in pool rescue competition, along with Tim, guiding Team Terrigal to State and National Pool Rescue titles. She then took on a junior coaching role throughout the summer, helping teach and mentor many future competitors. She is also the self appointed social director of the board sand ski team, organising several functions and team bonding events. All this while being an outstanding competitor herself, representing Australia, captaining NSW and the Central Coast.

Patrol of the Year – Patrol 6 captained by Greg Hobson

Patrol 6 faced adversity a couple of seasons ago under the guidance of Greg Hobson in his first year as captain, and this really strengthened their team camaraderie and their commitment to develop their skills. They are a very reliable and professional patrol team who are regularly upgrading their skills and knowledge. The club regularly receives praise from the public when this team are managing incidents.

Colourworks Rookie of the Year – Jazmyn Rodwell

This award is presented to a 13 or 14 year old nipper club member who has completed all aspects of the Rookie Program. This includes patrol attendance and Rookie events. Jazmyn has had an outstanding year, both in competition and in patrolling duties but wanted to do more, so had the idea to fundraise. Through events such as cake pop selling, Cinema under the Stars and BBQ;s, this Rookie and the Rookie team raised over \$800 for the Education team of the club to purchase new training equipment.

Branch and State Junior Lifesaver of the Year – Jackson Heinze

The Junior Lifesaver of the Year Award is contested by a male and female representative from each club. It is a gruelling process involving a written nomination of 3-4 pages, then an interview day at Branch including practical assessment and interview by a panel. Jackson Heinze and Ruby Porter represented Terrigal this year and both were outstanding, Ruby by all accounts just missed out on winning and Jackson was named the JLOY for Central Coast. He then went on to represent Central Coast at the State camp and assessment. At the conclusion of the camp, Jackson was named the NSW Junior Lifesaver of the Year – a truly outstanding feat fitting for an outstanding young man.

JUNIOR ACTIVITIES

It is pleasing to report another successful year for Terrigal Nippers in all areas of junior activities, being education, surf lifesaving, competition, fund raising and community involvement. Importantly as a volunteer based organisation nippers would not be possible without the assistance of parents, grandparents and members in many roles including Age Mangers (and assistants), Water Safety, Officials, Education, First Aid, Recording, Carnival Entries, Clothing, BBQ Duty, IRB, Rookies, Coaching, plus much more. To all those that have assisted this year thank you. In particular I acknowledge the contribution of the JAC Executive, Craig Pollington (Nippers), Wes Pettiford (Deputy) and Kevin Porter (Finance) and our Club Secretary Beris Meldrum for their efforts and commitment.

In 2013/14 Terrigal had 255 nippers registered with an average attendance of 195. Importantly 90% of all nippers completed their education proficiencies.

At the beginning of the season the JAC looked at how we could improve and assist in the development of our nippers. New initiatives introduced include an Iron person pre-season squad for the 11- 13 conducted by Jack Moyes. A four week introduction to surf and board conducted for the 9's and beginners at Des Johns Swim Centre as well pre season competencies and an introduction day for new nippers. In addition beginners' board sessions were scheduled each Saturday morning to assist in nippers gaining greater confidence in the water.

Our regular nippers Sundays, provided a mix of skills and fun sessions underpinned by surf education combined with the popular Rescue Day and the Australia Day weekend twilight nippers and *Little's* Disco, as well as our Club Championship Rounds. Every age group was required to assist twice per season in BBQ and beach set up to ensure the smooth running of our nippers' days.

The Rookie program seen our older nippers step up and actively fundraise and be involved community activities, as well as undertake patrols for the first time.

The Sunday BBQ and proceeds from hosting the second junior SLSCC junior carnival were the main source of revenue for nippers offsetting the presentation night costs, the purchase and upkeep of junior equipment as well as the acquisition of additional items such as the mini marquees for carnivals.

In competition Terrigal competed in four local carnivals and State Age Championship at Umina where we were placed 10th, as well as successfully competing in events at Forster, Newcastle Permanent Junior Ironperson Series, Manly Nipper Nationals, and Bennett, Kracka and Gardner Iron person, Interbranch, Cooks Hill Classic and the Australian Pool Rescue Championships.

Importantly whilst Terrigal does have individual champions, it has been in team events where the club has excelled. Our thanks again, to all our coaches who have worked to develop the skills of our nippers throughout the season.

Jackson Heinze

Major award winners for 2013/14 were:

- Junior Club Person of the Year Ruby Porter
- Junior Competitor of the Year Lucy Hayes
- Sub Junior Competitor of the Year Emerlyn Wheeler

Terrigal also had two outstanding nippers Jackson Heinze and Ruby Porter represent our club in the Junior Life Saver of the Year. Jackson went on to win not only Branch Junior Life Saver of the Year, but also to be named New South Wales Junior Life Saver of the Year, the award recognises and rewards outstanding younger members of the surf lifesaving movement who show an advanced level of maturity and leadership potential, congratulations Jackson.

The JAC would like to acknowledge the contribution to juniors over many years by the Rodwell (Beck and Matt) and Johns (Michelle and Des) families. With their nippers now moving into seniors their contribution to over many years has been enormous and will be missed. With the transition it does provided the opportunity for new families to step up and follow the example that they have set.

To the Board of Terrigal Surf Life Saving Club thank you for your support in particular Mardi Love who has made an outstanding contribution as President.

LIFE MEMBERS REPORT

The financial report has disclosed that the Life Members Fund enjoys a credit balance of \$59,051.21 (Fifty nine thousand and fifty one dollars 21¢). These funds are held at National Australia Bank A/c # 53878-3225 (\$530.30) and Term Deposit #12-236-0215 (\$58,520.91). This Term Deposit is due to mature on 29th August, 2014. The deposit and interest due of \$2,304.84 will be rolled over for a further term.

The Life Members fund has seen an increase of \$848.19 over the past year. This amount was solely due to interest received on the term deposit. This amount was equal to only 4 months of interest at 4.4%. The term deposit was then rolled over on 29th August, 2013 for a further term of 12 months at 4.00% and is due to mature on 29th August, 2014. A total of \$2,340.84 will be added to the deposit on this date.

No fund raising was conducted during the year due to the absence of the writer. However a Melbourne Cup function has been booked in for the coming year. Together with the interest due and proceeds from this function, it is hoped in excess of \$5/6,000 will increase the balance of the fund.

Donations to the Surf Club have exceeded in excess of \$14,000 since the Fund was established in 1983. The vision for the establishment of the Fund was to create a "Future Fund" for the enhancement of the Club's growth in the ensuing years. The fund is not there for the utilization by any committee or committees. The Fund is fully run by the Life Members and is conducted on a perpetual basis.

Below is a short summary of the history of the Life Members Fund –

- Foundation of the Life Members Fund during 1983. Foundation members were Life Member Mark Power and Life Member Peter Wyllie.
- Fund established for future members to receive the benefit of the past and present members of the Club.
- Fund to be conducted on a perpetual basis and continue to remain this way.
- Core assets to be retained to ensure the future of the Trust.
- An amount of up to 80% of the interest earned to be donated to the Club at the discretion of the trustees on an annual basis. Thus a minimum amount of the remaining 20% of interest income will be retained to ensure future growth of the Fund.
- The Fund will not intentionally impede on the Club's fund raising efforts and all funds raised in the name of the Fund to be retained by the Fund.
- Life Member Jack Tennent made a donation from his estate in 1989-1990 season of the sum of \$1,000.
- First objective target of the Fund was \$10,000 and this was achieved in the 1992/1993 season.
- Funds in excess of \$14,000 have been donated to the Club since the Fund was established in 1983. This amount has been made up of direct cash donations and the value of the jackets which are presented on the Awards of Excellence Night.
- The vision for this Fund is that in the future the Fund will be able to provide one or more scholarships/sponsorships for the members of the Club on an annual basis. These awards will take the form of educational funding or direct sporting cost funding. This, however, will not occur until the Fund achieves sufficient capital to make this possible.

The Trustees have received several enquiries with regard to legacies to the Fund. A Trust Deed is in the process of being prepared to meet the wishes of these donors.

Through the fund all donations are making a serious investment towards the training and resourcing of our volunteer lifesavers. Legacy gifts will ensure that the next generation of up and coming lifesavers will be prepared to take on critical lifesaving tasks in the future.

The Life Members are happy to answer any enquiries on the principal function and direction of the Fund at any time.

We will also be grateful for any meaningful input on future fund raising opportunities or direct contribution to the Fund.

The present Trustees of the Life Members Fund are Mark Power, David Mansfield and Ron Stone.

On 4th May, 2014 the Life Members held a meeting and conducted an election for the 2014-2015 season. Life Members Mark Power, David Mansfield and Ron Stone were re-elected for a further term. These Life Members names will be forwarded for ratification at the forthcoming Annual General Meeting.

NOTE 1 - ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Plant & Equipment Depreciation

Plant and equipment are recorded at cost and are depreciated on a straight line basis over their estimated useful lives.

The depreciation rates used for each class of assets are:

Building improvements:	4% to 20%
Surf equipment:	33%
Function room plant & fittings	20%
Office equipment:	20%

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

(b) GST Units

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

(c) Income Tax

The Club is exempt from income tax and accordingly no liability is recorded.

(d) Inventories

Inventories are measured at the lower of cost or net realisable value.

(e) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any

guaranteed residual values. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Club will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

(f) Revenue

Revenue is recognised as follows:

- Members income, donations and sponsorship revenue is recognised on receipt and recording in the books of the Surf Club.
- Income from the sale of merchandise and product from the canteen is recognised when the merchandise or product from the canteen is supplied to the customer.
- Income from hire of the club house (hall hire) is recognised at the time the club house is provided to the customer.
