Notice of Annual General Meeting 2012

Notice is hereby given that the 2012 Annual General Meeting of Terrigal Surf Life Saving Club Incorporated will be held in Terrigal Surf Life Saving Club function room on Sunday June 17, 2012, commencing at 4pm. All 2011-2012 Financial Members are invited to attend.

Agenda of AGM:

1. Apologies.
2. Adoption of minutes of the 2011 Annual General Meeting.
3. Business Arising from the Minutes.
4. Inward and Outward Correspondence.
5. Adoption of the 87th Annual Report & Financial Statement.
6. Any Notice of Motion.
7. Election of Office Bearers for the 2012-13 season.
8. Election/confirmation of Honorary Positions
9. Any urgent business.

Self-nomination in writing for the following positions will close with the undersigned on Friday 1st June 2012. Note due to the adoption of the revised constitution on 7 September 2008, only half the positions become vacant each year and the positions are nominally a 2-year term.

Position descriptions are available to members who are interested in applying for any of the above roles. Applications must include your name, position applied for, statement of claim (why you want the role and what you will bring to the role?). Names of applicants will be published in Blues News if more than one person applies for a role.

1. **Nomination for the Election of Directors (Item 7 of Agenda)**

President
Director of Lifesaving
Director of Junior Activities
Director of Competition
Director of Sponsorship
And any other position declared vacant by the premature resignation of the sitting director:
Director of Member Services

2. **Nomination for the Election of Special Sub Committee Positions (Item 8 of Agenda)**

Club Captain (*To nominate a member must hold the Bronze Medallion*)
Vice Club Captain (*To nominate a member must hold the Bronze Medallion*)
Youth Committee Chairperson (*must be between the ages of 14 and 21*)
Boat Captain
Board & Ski Captain
IRB Competition Captain
Life Saving Competition Captain
Beach Competition Captain
Trustees Life Members Fund x 3*
Judiciary Committee (Life Members x 5)*
* Nominated by Life Members, ratified by membership at AGM

3. **Election of Club Patrons and Honorary Positions.**

If a position is not nominated for in writing, that position will remain vacant until a later date. NO NOMINATION WILL BE ACCEPTED FROM THE FLOOR. Persons standing for the positions MUST BE FINANCIAL at the time of nomination, ie a financial member of 2011.12 season.

A CLOSED BALLOT will be held for the positions irrespective of the number of candidates. This ensures that the membership has a vote on the suitability of that candidate.

To vote a member must be financial before the Meeting is declared open and be over the age of 15 years; an Associate/General Member must have also been a member for the previous three seasons.

Brett Larkin
Director of Administration

COMMITTEE POSITIONS

President	Mardi Love
Director of Administration	Brett Larkin

Duke of Edinburgh Participants 2011.12

PRESIDENTS REPORT

Season 2011-12 has flown by in a whirlwind of activity at Terrigal. Once again our club membership broke the 1000 mark, including 340 junior members (a 12% increase on last season), 347 active members (4% increase) and 294 associate members. It is a huge task to manage and develop a membership of this size so I thank each and every person who contributes to the organisation of our many diverse club activities.

In Lifesaving this season our club members have amassed over 8011 patrol hours and 739 water safety hours supporting the beach going public and club training and education. Our 16 patrols were ably led by a team of very experienced patrol captains who have encouraged the development and continuing education of all patrol members, especially our new Rookies and Bronze holders.

On patrol, Terrigal lifesavers completed 6818 preventative actions, performed 35 rescues, managed 135 minor marine stings (a very slow summer at Terrigal!), 142 minor first aids, 7 major incidents, 5 fractures, 1 spinal incident and 1 resuscitation. They also found several lost children and many lost adults. Joanne Jameson and Amelia Cole achieved 10 years patrol service, Cathy Cole and Greg Elfick achieved 15 years of patrol service and 81 members achieved 100% patrol attendance.

On the Education front, new Junior Surf Education trainers Maureen Reynolds and Toni Jones put our 340 juniors through their respective SLSA awards and our expanding team of trainers and assessors under the leadership of Greg King (Director of Education) enabled club members to achieve 197 new SLSA awards and requal over 400 others. This is a huge undertaking given the number of hours it takes to train and assess each award. Thank you to all members of the education team.

In Competition, Terrigal had perhaps its' most successful season ever, achieving 4th place at the Australian Titles, 2nd place at the Senior State Titles, 3rd at the Australian Pool Rescue and 1st at the NSW Pool Rescue Titles. 26 Terrigal athletes were represented in the Central Coast High Performance Squad, 15 in the Central Coast Interbranch Team, 8 representatives in the NSW High Performance Squad and 8 in the NSW Interstate Team (with an additional 2 athletes drafted to the Northern Territory team).

The National High Performance Squad also comprises several Terrigal athletes, Rachelle King and Tim Schofield in the Elite Squad and Jack Moyes, Jack Waddell, Keelan Bridge, Amy Nurthen, Alicia Bain and Elyssia Gasparotto in the Development Squad and Rachelle King and Keelan Bridge were part of the Australian Team to compete at the German Cup.

This strength of Terrigal in competition is a testament not only to the skill and dedication of the elite athletes mentioned above, but to all competitors in Terrigal, who train alongside each other all season, developed and encouraged by our outstanding club coaches, and who provide inspiration, comradeship and most of all competition depth that allows us to achieve the results it does as a club.

A couple of competition highlights this season include: Jack Moyes, only the 6th person ever to make both the Open and U19 Ironman finals at Aussies, Gold and Bronze in the U19 Female Board Relay at Aussies, Saxon Lumsden achieving successive Board Riding Titles at Aussies and State Medals in Lifesaving, IRB Racing and Beach Events. I would also like to take this opportunity to wish Amy Nurthen continued success as she moves to Queensland to continue her surf life saving competitive career.

I would like to thank several of our Directors who have contributed so much to our club over the last few years. Firstly Greg Rippon who has managed the Junior Activities portfolio for the last 3 years, driving the strategic direction of our Nippers program and delivering on outstanding initiatives such as Rescue Day and Lifesaving Day. Secondly to Glenn Bowles, who has achieved a great deal in the two years he has been in charge of Lifesaving, raising our patrol standards and leading our club to a win in the 2010.11 Branch Patrol Competition. Thirdly to Marc Gunasinghe who has developed and managed our Sponsorship portfolio, driving and developing our corporate relationships including the new Nipper sponsorships. Each of these Directors has contributed greatly to the management and success of our club not only in their own portfolios but to the overall success of our club along with Greg King (Education), Clayton Schofield (Competition), Debi Barnes (Finance) and Brett Larkin (Administration).

Apart from our core business of lifesaving and education, nippers and competition, Terrigal continues to contribute to our local community in many ways. This season our club has been involved in many causes and events including promotional days at Erina Fair, performing and assisting at Carols on the Beach, a rock concert, Anzac Day ceremonies and of course several carnivals including the East Coast Surf Festival, a Nipper carnival, a round of the

IRB Premiership and the Terrigal Ocean Swim. Members of the club have also raised funds for Transplant Australia and the Salvation Army. Many members have also undertaken leadership and development opportunities, including the Duke of Edinburgh Award, Youth Opportunity Makers and Branch programs such as the 13-14 camp and 15-17 Leadership program. It is this community contribution that I believe sets us apart and gives our members opportunities far beyond club life.

I'd like to thank our major sponsors PKF Chartered Accountants and Business Advisors, Crowne Plaza Terrigal, Goodgear, Metal by the Metre and CSR Roofing. It is through the continued support of these organisations, as well as our wonderful patrol, competition and nipper sponsors and other supporters that we are able to achieve the high standards and success that we do.

Congratulations must go to our major award winners this season, Glenn Bowles – Clubperson of the Year, Anthony (AJ) Jones – Young Clubperson, Toni Jones – Patrolperson of the Year, Max Baker – Young Patrolperson, Debi Barnes – Volunteer, David Mansfield - Instructor of the Year and our Junior Clubpeople Annie Jones and Claudia Rodwell. I also want to thank our Club Captains for the season Joshua Cole and Jenna Harrod for their contributions to leading our club.

I would also like to thank several “hidden” contributors to our club, Kate Pfeiffer who delivers Blues News every week, Rachel Bernauer who contributes to the website and Sandra Senator who volunteers time in the office each and every week. Every club member benefits from the contributions you make to our club.

Thankyou also to the Central Coast Branch, Chad and the staff, all Directors and office bearers, for their continued support and assistance in helping us achieve our goals. We wish Chad well as he moves on and welcome Chris Parker in the role of CEO of Branch.

Finally I want to also thank all members of our dedicated and skilled patrolling force, our devoted instructors and examiners who develop our youngest nippers through to our highly skilled lifesavers, our wonderful age managers who support our nippers through fun, skill development and education and our committed coaches who continue to produce quality athletes in competition, as well as everyone who contributes in small and large ways to our club.

I am confident that our club will continue to work together towards excellence in all areas with everyone doing their part to support each other and taking on new challenges and opportunities. It is the willingness of our members to step up when needed that helps us look keenly to the future, to continue to develop our club, to foster opportunities and improvements that result in ongoing success in all facets of our club's life.

Mardi Love
President

ADMINISTRATION REPORT

I took on the role of Director of Administration after the 2011 Annual General Meeting (AGM) of TSLSC and being my first year in the role, it has taken some time to familiarize myself with all the responsibilities of the position. These include supervising the office, registrations and the preparation of the Annual Report, calling and documenting monthly board meetings and the AGM, and finally ensuring that the club house is kept well maintained. With the assistance of the other board members and Beris Meldrum these have all proceeded without any major issues.

Over the year, the upstairs section of the club house has had a new PA system installed, new carpet laid, downlights installed and doors painted. Downstairs there has been continual maintenance work on the change rooms and the outside doors replaced.

I look forward to continuing in this role for the next few years.

Brett Larkin
Director of Administration

SPONSORSHIP REPORT

The 2011/2012 season has been very productive and successful for the club - it could not have been achieved without the support of our sponsors and the hard work of all our volunteers.

Our major sponsors PKF Chartered Accountants and Business Advisors and Crowne Plaza Terrigal have again been extremely generous in their financial support to the club along with Lendlease - Erina Fair, The Freemasons, COSI Orthopaedics, Metal by the Metre, Goodgear, EBIZ Print and Sea Fm.

The generosity of our sponsors represents a significant portion of our annual income and enables the club to operate and perform our essential lifesaving duties.

This season we were fortunate to have in place ten Patrol Sponsors and six Junior Sponsors. The financial support that these sponsors provide means that we can purchase quality equipment for our Lifesavers and Nippers to develop their skills.

As part of our Nipper program we were supported by:

Little's Surf Centres, HPA Training, Indoor Outdoor Spas Worthington BMW, Erina Fair, Central Coast Confectionary

Our Lifesaving patrols were supported by

Eagles Plumbing Plus, Little's Surf Centres, Adams Smash Repairs, Wiz ID, Sheather & Merrigan, Bendigo Bank, Mitre 10, Optus Business Erina, Computer Networks, Cold Rock

The club was involved in the Christmas Parade and Santa's arrival at Erina Fair in December. As Santa sat in the IRB our Nippers, Red and Yellow army and March Past team led him in and then later walked him up through the Centre to his throne. It was a wonderful partnership with Lend Lease Erina Fair and provided a great community event.

Our website has continued to grow and have become an excellent medium for keeping our members and sponsors up to date with the latest information on what happening in the club. It displays all of our sponsors and where appropriate it links to their websites and is a vital part of our communication process.

Our annual Ocean Swim day in April was sunny and successful.

It's been a great year for Terrigal Surf Club with many achievements possible only through hard work, support and partnerships. We are fortunate to have a Board of Directors who provides direction and guidance-thank you to our President Mardi Love and all of our Directors for their support and encouragement. Thank you to ALL of our Sponsors -your support and generosity is crucial to our club and we are immensely appreciative.

Marc Gunasinghe
Director of Sponsorship

LIFESAVING REPORT

Terrigal SLSC has again this season maintained its perfect record of no lives lost within the flag area. This is a proud ongoing achievement since 1925. I would like to thank all our patrolling members for a job well done throughout the season.

In terms of rescues, the Central Coast and our club has had a relatively quiet season. This year Terrigal completed 28 surf rescues compared to 103 in the previous season. However, there are 3 things that I would like to highlight.

The first is that the NSW SLS statistics show that Terrigal had the 2nd highest ratio of preventatives compared to the number of rescues completed. We show 243 preventatives to every 1 rescue, which was closely behind Stockton with 254 to 1. Our 6,818 preventative actions throughout the season assisted in reducing the number of actual rescues. This shows that we are actively watching out for risks and hazards and are proactive in taking quick action.

Secondly when we have been called upon to assist in an emergency, as we have with several major incidents this year, including the tragic and unfortunate death of a diver off The Skillion, our teams have performed admirably. The courage, skill and commitment demonstrated by our members, and especially the younger patrol members, is something that we should all be very proud of.

A further example was the afterhours rescue by Jo & Darren Jameson that saved the lives of 2 young girls.

The positive feedback that we regularly receive from people outside our club is incredible. You only had to witness the Terrigal Ocean Swim this year to see how competent our patrol members are. We were challenged by big and dangerous surf, with a few large sharks arriving for the Sheather & Merrigan 'Dash for Cash' to make things a bit more interesting. While other swim events along the coast were cancelled that day, we proceeded with confidence (after the sharks left) knowing that our water safety was more than capable of managing the safety of all competitors.

And the 3rd thing I would like to highlight was that after our awards night last year, we were named winners of the Central Coast Patrol Competition for the 2010/2011 season. We were clear winners and this was the first time that we took the title in many years. This was a marvelous achievement!

I would like to thank all the people that support our core business of Surf Lifesaving, including the Patrol Captains, our fantastic Sponsors, the amazing Education Team that contribute so much of their time and skill, Matt Robinson & Toni Jones for their support with the First Aid Room, Josh Cole for making sure we have radios and they work, John Giffney for his weekly 'conditions update', Beris who knows almost everything and everybody, and Steve Graham for doing so much to keep the IRB operations in such great shape.

I would also like to acknowledge the hard work and dedication of all my fellow Board Members, and especially Mardi Love, who have been a great support to me over the past 3 years.

This concludes my term as Director of Lifesaving for Terrigal SLSC, a position that I am honored to have held. Terrigal is truly a great Surf Lifesaving Club and we should all be proud of the positive impact that we have upon each other and our community.

Glenn Bowles
Director of Lifesaving

New Lifesavers in Training

EDUCATION REPORT

2011/2012 was another busy season for Education at Terrigal. I stepped into the Director of Education role sometime after the season started so it was pretty much a case of just getting the basics done and take notes for improvement along the way. As always, we commenced the season with the challenge of patrol member proficiencies and as always with a large club like Terrigal that process consumed a huge chunk of resources. However we still managed to deliver 2 full Bronze Medallion courses, 2 'fast track' Bronze Medallion courses and 2 Surf Rescue Certificate courses along with First Aid, ARTC, Irb and ATV skilling throughout the season. This crucial education activity was delivered by a very small core group of people who continue to be the backbone of our team and who volunteer countless hours for very little recognition. Seeing the smiles of joy on participant's faces after successfully completing an assessment or gaining a new award is priceless to us educators.

Terrigal SLSC has "set the bar" as far as Bronze medallion education and assessment is concerned; our new recruits in the full course now undertake a rigorous 9-10 weeks of education which generally includes face to face sessions, homework, ongoing assessments, scenarios, optional board practice and on patrol experience. The end result is that we are delivering at least 60 high quality lifesavers to swell our patrol numbers and push towards making us the largest and best educated club across the coast!

At this point I would also like to thank and commend those members that have started on the training and or assessment path this last season and already have done some hands on work with our groups. We look forward to working closely with you all and fostering a fruitful career in education at Terrigal SLSC.

Many of my season notes and discussions with a broad range of the club membership have lead me to believe that maybe education and its recognition can be undervalued in a surf club of our status. I think It is important to reemphasis and acknowledge that the movement we are part of was founded on the core principles of supplying a safe place for the ocean going public to swim. That meant learning how to save lives, maintaining those lifesaving skills and then teaching others how to do the same. Competitions and other surf activities were then developed as a reward and recreation activity to be engaged in outside of the core lifesaving duties and to help maintain fitness. My feedback clearly shows that these original concepts need to be more clearly show cased through our education of new lifesavers from next season onwards. I think that will help instil a bit of history to our new lifesavers and also help them focus on the core job ahead.

Of course there is a core team of people to thank for their awesome contribution this season. Dave Mansfield who is our patriarch and the seasons Instructor of the Year has delivered yet another amazing year of education and assessing, Andrew Davison who qualified this year as a Trainer has also delivered a massive contribution this year and we are fortunate to have both of these top blokes on our team. Toni Jones has also stepped up this season to give the benefit of her extensive medical knowledge to our trainees-as the seasons Patrol Person of the Year and a volunteer for every event, Toni has such a broad experience which she willingly shares. Sarah Kelly provided administration and photography support and the team was also well supported by Andrew Reid, Steve Reid, Megan Reid, Beris Meldrum, Graham Baty and Mardi Love. Steve Graham, Glenn Bowles and Josh Cole took care of the ATV and IRB skilling and that nearly completes the regular education team.

Kaye Kelly – gets a very special mention. This inspiring woman never ceases to amaze me with the ongoing commitment and support she willingly gives to Terrigal SLSC and myself. Her brutal honesty certainly doesn't let me get too far ahead of myself and at the same time Kaye is always there to sort a last minute report or email or make a call to a trainee or manage through the multitude of challenges that I throw her way nearly daily. Thank you so much Kaye.

There have been of course many other helpers that do water safety or have assisted with set ups and pack ups or even hands on group help whilst their children have been learning from us ,so thank you so much to all of you.

The education team has very big plans for the next couple of seasons and I feel we have laid a solid foundation to grow from. I thank all club members for whatever contribution big or small they have made to our education of lifesavers at Terrigal SLSC. I would lastly like to thank our president and current board of directors for their help and guidance this last season whilst I endeavoured to navigate through the many and varying situations that arise when managing such a pivotal club position.

Greg King
Director of Education

AWARDS ATTAINED AT TERRIGAL 2011-2012

Bronze Medallion

Chantelle Badaway	Chelsea Bax	David Allen	Jesse Allen	Des Asbury
Jarred Brown	Brady Casey	Dale Bax	Ryan Bromfield	Bridget Brosnan

DIRECTOR OF COMPETITION REPORT

Congratulations to all the Competitors from Terrigal Surf Club! 2012 has been an outstanding year in regards to Competition – possibly one of the best in Terrigal's history.

We finished 4th in **AUSTRALIA** at the Australian Championships, 2nd in the NSW State Championships and won the Central Coast Branch titles. Pool Rescue tops the State and 3rd in Australia. It may not sound like much to many of you, but to finish 4th in Australia against the likes of many of the mighty Queensland Clubs and a lot of the much bigger Sydney clubs is something that is worth thinking about. I believe it is due to not only the skills of the Athletes, but to the many that make up "Team Terrigal". All these are outstanding achievements the whole club can be proud of.

Our Coaching team is the envy of many of the bigger clubs. In Board & Ski our Team is headed by "The 3 Pauls" and ably supported by their understudies Tim Schofield & Amanda White with the odd sessions run by the senior competitors base. In Boats, by Dennis Gee, supported by Kristina and the various sweeps and in the IRB by Steve Graham and his motley crew of helpers

Each section of the Competition whether it be IRB racing, Lifesaving, Board & Ski, Beach or Boats have many people under this growing coaching team, helping to make us 1 of THE clubs in terms of Competition in Australia. This team has amassed a wealth of knowledge – we have former Australian Coaches, World, Australian and State Champions and all have a vast knowledge of the Ocean, Training Skills and what is needed to "get the best out of someone" *and* all of this is done for their love of the sport, and wanting to put back into OUR club - nothing more. No huge contracts or financial support such as you would find in some of the Queensland clubs. They are here 1,2 maybe 6 or 7 days a week, just putting in.

Our competition team (and in this I group everyone Board & Ski, Boats, IRB – known as "Team Terrigal") continue to compete with the sportsmanship, courage, team work and good humour that we have become very well known for. The IRB's are ½ way through their competition and we wish them all the best for the rest of the winter series.

There are people within "Team Terrigal" that need to be thanked for their time, effort, and assistance during the year. Firstly to Beris, I keep saying it, a never ending source of information, her willingness to help both with information and official duties – thank you.

To the "competition captains" of each section – Kristina in the Boats, Stephen in the IRB, Nick and all the seniors in Board & Ski – thank you, another successful season.

To those that do the computer entries into carnivals – Karina in Board & Ski, Beris & Reggie for the Masters, Kristina in Boats, Steve & Lorraine in IRB. This is a very thankless task. Many of you don't realise the hours that go into entering competitors on line (providing that the website hasn't crashed), chasing entries, finding information, changing teams at carnivals. There is so much behind the scenes work that goes on. My hat goes off to you – I know what's involved and it drives me nuts – so thank you very much.

To those that tow gear, erect tents, move gear from this spot to that spot on the beach and sometimes back again or even move gear *from* beach to beach. These types of things appear to be "magical" to the competitors, but again there is a great deal of "behind the scenes" work that goes on. A big thank you to all those that assisted throughout the season. A big thank you to Peter Perkins & Greg Smith – 1st to put their hands up and last to leave. John Bellato in IRB and Masters and again Kristina in boats.

To those that regularly sign on at carnivals to official or do water safety. As you all know there is a ratio for the amount of officials or water safety at carnivals and as our club grows larger this number increases. There are those who regularly sign on and travel to carnivals far afield, just so that the competitors can compete – a huge thank you to them. Special mention Richard Hudson, Beris Meldrum & Mark Power, Masters and Pool rescue in Canberra.

Thanks to our sponsors again.

Our major sponsor PKF Chartered Accountants who have again supported the club and the board and ski section. The Boats were supported by the Ebiz Print Management, CSR and the recent Freemasons Grant for new oars together with many other small sponsors.

The major IRB race sponsors were COSI Orthopaedics & Terrigal's Crowne Plaza and others such as John Meldrum's umbrella supplies to the public.

There is also another Competitor/Director/Sponsor from Goodgear and Gunweb Systems. He would sell shirts to anyone and doesn't hold back in attracting sponsors. Their contributions towards these sections of the club are most appreciated.

Thank you to the Board at Terrigal Surf Club, for their help and assistance in the competition side of things and for listening to me whinge each month.

To my wife and family – to Jenny (the cause of your Junk box filling up on the computer) for her assistance behind the scenes. To the rest of my family, who are also roped into packing trailers, carrying gear, helping set up and having to leave for carnivals early, just so that I can be there – Thanks.

Finally to “Team Terrigal’s” Competitors, thank you and congratulations on your outstanding success. From those that maybe didn’t make a NSW or Australian final to those that ARE Australian Champions – you are all part of “Team Terrigal”, your dedication to the Sport of Surf Life Saving through your input into the club is truly valued.

Clayton Schofield

Terrigal Awards of Excellence Competition Winners

- Under 15 Competitor of the Year – Alessandra Gasparotto
- Under 17 Competitor of the Year – Karlee Nurthen
- U19 Cometitor of the Year – Rachelle King/Jack Moyes
- Open Competitor of the Year – Tim Schofield
- Masters Competitor of the Year – Paul Lemmon
- IRB Competitor of the Year – Robert Bellato
- Boat Rower of the Year – Christopher Bridge
- Team of the Year – Under 19 – Alicia Bain & Lauren Stone

Surf Life Saving Central Coast Awards of Excellence – Competition Winners

- Young Athlete of the Year – Rachelle King
- Masters Athlete of the Year – Paul Lemmon

NSW Awards of Excellence

- Young Athlete of the Year – Rachelle King
- Masters Athlete of the Year – Paul Lemmon

TERRIGAL AWARDS OF EXCELLENCE AWARD WINNERS

MacArthur Onslow Memorial Clubperson of the Year - Glenn Bowles

Glenn is a strong leader who encourages all club members to develop and take on new challenges in lifesaving. He has earned the respect of all club members by being positive and friendly and actively contributes to the management of the club. Glenn is an inaugural member of the night operations IRB team and a trainer and IRB competitor delivering ATV inductions to over 50 club members, completed many hours of patrol including subs for loads of people over the Christmas period, and led our club to win the 2011 Patrol Competition at Branch. Congratulations Glenn.

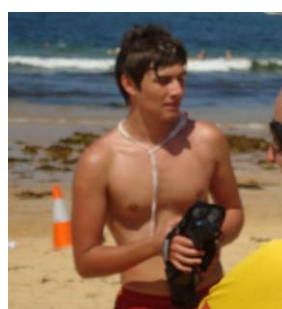

Richard Bridge Memorial Young Club Person of the Year – Anthony Jones

Anthony has completed 87 hours of patrol and has assisted at many Terrigal club events this year including Carols on the Beach, carnivals and club promotional events. In fact it is hard to find an area of club life AJ hasn't been involved with this year. He has assisted with water safety, completed his Bronze Duke of Edinburgh award and embraced many young leadership opportunities this season including representing the club at the 15-17 leadership program and branch at the NSW Youth Opportunity Makers workshop. He has assisted with nippers, providing beach coaching and mentoring several agegroups and has great potential as a future leader of our club.

Harry Vickery Memorial Patrol Person of the Year – Toni Jones

Toni is an integral and invaluable member of our club, not only giving over 120 hours of patrol including 47 sub hours Christmas Day patrol and numerous water safety hours, she has also developed as a trainer, delivering Surf Ed and SRC courses. Toni has also helped out at many events this year including Carols on the Beach, Ocean Swim and Terrigal carnivals. A very deserving patrol person of the year.

Richard Bridge Memorial Young Patrol Person of the Year – Max Baker

Max gained his bronze in February 2011 and completed 52 hours of patrol including 15 hours of substitutes this season. Max has made the transition this season from junior patrol member to someone who demonstrates great leadership potential. He has taken on greater responsibilities on patrol especially with the IRB since gaining his crew certificate and is a reliable and steady influence on the younger members of patrol.

John Burgess Memorial Volunteer of the Year – Debi Barnes

Debi is an outstanding role model for surf lifesaving, she has taken on an enormous workload for Terrigal and yet always manages to have a smile and a kind word for everyone. She has completed 123 patrol hours, including 53 water safety and 28 as a substitute for other members. Debi has assisted at numerous club events including Carols on the Beach, Ocean Swim, set up and pack up of carnivals and any other time help was requested. She is extremely dedicated, reliable and a true professional in all her endeavours. Taking on just one role in surf lifesaving shows true commitment, this year Debi's roles across patrolling, administration and water safety are truly deserving of the volunteer award.

Gordon Lambert Memorial Club Rookie of the Year – Andrea Ryden

Andrea is a quiet and sensible young patrol person having completed here bronze medallion late last year. This season she has completed her IRB crewmans, ATV, Apply First Aid and is training for her IRB drivers and completing her Trainers certificate. She has achieved her 100% attendance this season and is endlessly enthusiastic about patrol, arriving early to help set up, staying back to pack up. Andrea has also been helping by working behind the bar, selling raffle tickets and volunteering when needed. She intends to continue developing her skills and assisting with training especially juniors.

Instructor of the Year – David Mansfield

David was nominated by several club members. He is passionate and ensures all are trained to the highest standards. David's strength lies in his quiet support, encouragement and patience with all candidates, leading by example and always encouraging best practice. The resounding quality written about David in the nominations is his development and mentorship of other trainers within the club. He is truly an outstanding mentor, trainer and assessor for our club.

Patrol of the Year – Patrol 12 captained by Richard Northey

Sheather & Merrigan Rookie of the Year – Annalise Jones

Annalise has had an outstanding season. In her final year as a nipper Annie has completed 48 hours of patrol and has immersed herself in multiple facets of club life. She has represented our club at all junior carnivals, at the Raising of the Flags and at the Rookie Challenge. Annie has also helped out at numerous club events including Carols on the Beach and the Ocean Swim. A very deserving winner.

Honour Blazer – Justin Kaesar

JUNIOR ACTIVITIES

This year is my last year in the Directors role. I believe passionately that a strong nippers program in our club is a critical ingredient in the recipe of success for our club in the short and long term. I am very pleased and proud to report that through the tireless efforts of many people we have achieved one of the best nippers programs in any club, anywhere. It is well accepted that nippers is one of the best recruitment avenues for a surf life saving club, however it is important to note that we build the social capital of our young people and help them to become great young citizens in our community. There is NO other young children's activity that offers the breadth of development across competition, education on how to save lives, confidence in and out of the water, healthy and family oriented lifestyle.

In 2009 we set out to deliver the nippers three year strategic plan working towards longer term objectives for nippers. As this plan is now completed I would like to report on the achievements we have made in the past three years against our strategic objectives.

Strategic Objective 1 - "Systemise" Nippers into a repeatable process - there has been too much re-work, reinvention, and instability in the running and administration of nippers resulting in enormous workloads. This will be reduced in three years through this objective.

Achievements – We have documented a well-balanced program, special nippers days, and changes to the nippers by-laws.

Strategic Objective 2 - Improve our competitive capabilities and are respected for our team spirit and integrity - We have great capabilities in the competitive arena but can always strive to do better.

Achievements

- a) Introduction of a beach coaching role for the past three years to develop our beach competitors. Special thanks to Chris Jones for his fantastic efforts the past three years. The clubs competitive presence in beach events is now very strong and continuing to improve.
- b) Introduction two years ago of a new Beachy Award to support the coaching efforts to develop our clubs beach competition capabilities. Thanks to Anthony and Kerry Clarke for their continued sponsorship of these awards in Donnica's honour.
- c) Nippers Competition coaching Day – The past two years we have successfully run a coaching day where our nippers coaches and the senior coaches conducted age specific competition coaching that include practical skills development as well as how competitors should prior to and during a competition. Special thanks to Paul Broadbent, Daniel Lockwood, Chris Jones, Matt Rodwell and Paul Lemmon and the Open Competitors who gave their time to help.

Strategic Objective 3 - Develop our coaching capabilities including succession and training systems - our coaching is great but was reliant on individuals and prone to significant risk in the event of loss of volunteer personnel so we looked at coaching in a more holistic sense and include linkages from nippers coaching into the senior club.

Achievements –

- a) Each year before season commencement we sit down and do a planning session with nippers and Opens coaches to develop ideas and programs.
- b) We have been lucky to secure the services of some of our Opens competitors to help us in our coaching including Jack Moyes, Joanna Baxter and Matt Reynolds.
- c) We need to continue to strive to improve this area and have been lucky to secure the services of many outstanding people in the past three years.

Strategic Objective 4 - To get back to red and yellow basics - Each year we have on average 100-120 competitors compete at carnivals and yet if you exclude the U6-7 age group that doesn't compete, we have a further 120-140 nippers who don't compete. We MUST provide a pathway for these nippers. We are a surf life saving club and therefore nippers should have access to a pathway to become the lifesavers of the future.

Achievements

- a) For the past three years we have run our award winning Nippers Rescue Day that was originally conceived to teach our nippers how to be rescued and experience this in a practical, yet controlled way. In the event of our nippers requiring a real rescue they will know exactly what to do, how to call for help, and how to be rescued in real life. This day has become a fantastic way to end the season.
- b) For the past two years we have successfully introduced and run a Life Saving Day to teach our nippers how to perform a rescue in various simulated real-life scenarios. This day is unique and not run anywhere else to our knowledge and it teaches our nippers how to save lives. This is a great practical way to conclude our surf education program each season.

Special thanks to areas of our club that help run these days in particular our folk from lifesaving, education and IRB.

Strategic Objective 5 - To improve the nippers experience – our program needs to engage children in healthy, fun and safe activities around surf lifesaving. To move from a static program to an interesting and balanced program.

Achievements

- a) Each year we have a “welcome tunnel” for nippers transitioning from Hiltons care into the U8s Age Managers care. Each year we also hold a “farewell tunnel” for our U14s passing onto the senior areas of the clubs where we say goodbye and the rest of the club welcomes the U14s.
- b) Age managers discretion days – on these days’ age managers plan their own activities to develop their age groups skills across all facets of nippers.
- c) InterClub fun day – For the past two years we have initiated and run a very successful day with neighbouring clubs, North Avoca and Wamberal. The purpose is to run fun activities and to promote interclub cooperation and goodwill. All clubs involved have reported that it has been extremely successful and should continue.
- d) Twilight nippers – For the past two years we have run an afternoon session of nippers on a Saturday. This year we followed it up with a social function at the club that was well patronised.
- e) For the past two years we have successfully conducted completion of the SRC for U13s in nipper’s time instead of running it on separate days.
- f) For the past two years we have offered a new club award, the Spirit of Terrigal Award to recognise club spirit and passion. The basis of this award is Pride in our Club, Passion for nippers, Presentation, Proactive helpers, Performance, and Positive Participation.
- g) For two of the three years we have extended the season to run for two weeks past State to allow for a fun end to the season for all nippers.
- h) We have purchased 11 new boards and a new jumping pontoon for use by nippers.
- i) Club camping trip – trialled and successfully run this season by James Purcell. Congratulations and thanks to James for this initiative and we hope it can develop into an annual event.

Strategic Objective 6 - To support the beachface - our age managers - the age managers are the frontline of our nippers who interface with the parents, the nippers and the rest of the SLS organisation. We need to develop and support our age managers much better than in the past.

Achievements

- a) All age managers have the opportunity to participate in season planning each season.
- b) We have introduced a system that is demonstrably fair (and reviewed by all of the clubs coaching staff) and based on nippers performance for team selections that means age managers are not exposed to complaints of favouritism. Previously for many years, age managers did team selections and in frequent cases this lead to dispute and tension between parents and age managers. Since the system has been introduced, the number of queries has dropped to only one this past season, and in all cases over the past three years every parent query has been resolved to their satisfaction through presentation of the performance facts. Age managers no longer have to deal with this source of stress.
- c) On the initiative of Tony O’Mara, this year a parent session was run to help parents of U7 nippers understand the transition from littlies to the next step in U8s. Thanks so much to Tony for his efforts.

Other significant achievements

Terrigal carnivals – For two out of three years we have hosted a Junior carnival. This has been acknowledged as innovative, well organised and very successful by Branch and other clubs.

Budget – for the three years we have created and worked to a budget that has emphasised funding the presentation where funds are allocated to as many awards for nippers as we can afford. Through hosting of carnivals, the great involvement of Tremblers in our BBQ, and special events, we have achieved a financial position where we are self-funding and also able to invest in equipment to further our programs. We also contribute to the running of the club.

Award review – we have conducted an initial award review and are moving towards a structure where we recognise the behaviours and achievements we want of our nippers. A full review of awards including complementing the club award structure will be an important task early in the next three years.

Nippers Spring Ball – In an effort to bring nippers parents together socially prior to the season we held our inaugural Nippers Spring Ball. A team of nipper’s mums put on one of the best social events I have ever seen at our club. Special thanks to Sue Hayes for leading the team including Vicki Purcell, Kim Baxter, Kristen Hartz, Allison Smith and Bronwyn Clark. They raised over \$4000 that was spent on a new pontoon for nippers.

Membership – our achievements in this area have resulted in maintaining and slightly growing our direct membership of nippers at around 340 nippers. We have introduced a nippers brochure to try and further attract nippers, and this year have introduced a family membership to encourage both parents to join the Club that will hopefully pay dividend in the long term, and in the short term ensure our parent helpers are covered by insurance.

Rookie Challenge – our team of Annie Jones, Claudia Rodwell, Courtney Sheaves, Zak van Dartel, David Rippon and Reilly Searson came second in the Central Coast Branch. Thanks to the coach, Beck Rodwell.

The Nippers management team is responsible for our success.

We cannot run such an excellent program without the help and support of so many people and the following is dedicated to those people. I would like to say a special thanks to Beck Rodwell who has been the Deputy Director for the past three years. She is an extremely talented and generous person who has made a massive difference to our success in nippers. I do not think it would offend anyone who is involved in nippers to acknowledge Beck as our most valuable asset in nippers through her knowledge as an official, administrator, recorder, awards night organiser and so many other jobs that need doing. She is driven by kindness and an unquestionable integrity in everything she does. She is a great role model and I know you will all thank her for everything she does and stands for.

A **BIG Thankyou** to all of the following people.

Coaches - Daniel Lockwood our head water Coach, ably assisted by Matt Rodwell, Jack Moyes, Joanna Baxter, Greg Smith, Matt Reynolds and Tony Brosnan, and to Chris Jones our head beach Coach ably assisted by Anthony Jones this year.

This year is Daniel Lockwood's last year as head water coach. He has served nippers for many years and gives extensively of his time and skills when he doesn't have children in nippers (yet!). On behalf of the Club we thank him for everything he has done and wish him the best for the future. Who knows, in a few years he may be back as a nipper parent.

Chris Jones is also stepping down from his role as head coach due to work commitments but will still be available from time to time and to help the new coach. Chris, thanks so much for your highly skilled and effective training regime from all at nippers. The beachies competition results clearly demonstrate your commitment and skill.

Age Managers - Our age managers work tirelessly to develop their age group, thanks.

Hilton Farquhar – U6-7s

Craig Pollington, Tony O'Mara – U9s

Sue Hayes/Craig Sheaves, Greg Hobson – U11s

Peter McGowen, Tim Graham/Andrew Pryde - U13s

Monica Tuckwell, Ben Ziekenheiner – U8s

John Deacon, Wes Pettiford – U10s

Matt Rodwell, Des Johns - U12s

Beck Rodwell, Greg Rippon - U14s

Surf Educators – Maureen Reynolds and Toni Jones, two highly skilled and dedicated people.

Officials - we had many people help when the situation was desperate and are very grateful to the following people who officiated many times above and beyond the call. Beris Meldrum, Chris Jones, Richard Hudson, Beck Rodwell, Peter McGowen, Mick Van Dartel, Michelle Johns, Steve Clarke, Maureen Reynolds and Clare Sheaves. Please forgive me if I have left you off the list.

Water safety - To all of you we express our gratitude. We cannot put our nippers in the water without you. In particular we thank Debi Barnes as water safety coordinator and Josh Cole for their tireless efforts. After three years of service, Debi will be standing down from her position. Her energy and enthusiasm to coordinate this essential function will be missed and we thank you for all your efforts.

The water safety helpers do an extremely important job of looking after our nippers in the water, and there have been many who have helped so I won't name everyone here. Rest assured though, that your contribution is significant and vital for us to be able to run our successful program and compete at carnivals.

Recorders - David Allen and Beck Rodwell

Gear/towing - Greg Smith and Christian McKeon

Junior Club Captains – Claudia Rodwell and Zak van Dartel

Junior vice Club Captains – Grace Smith and Caleb De'Athe

BBQ – Terrigal Tremblers and Alf Salter. Without the funds from our BBQ we cannot offer such a comprehensive nippers award presentation.

Carnival Entries – Amanda Barrale

State Team Managers – Michelle Johns and Wes Pettiford

Also thanks to all of the parents who committed to help us out this past year. Without your support we simply cannot offer a great experience to our nippers through the many programs we run.

Nippers is about the nippers, not parents. The adults are simply the support act. Our role is to provide a safe and healthy environment in which our nippers can learn water safety, skills and knowledge on how to save lives and first aid through our Surf Education programs, develop competition skills and a sense of good sportsmanship, and become great citizens in our club, community and society as the progress through leadership development.

It has been my pleasure to serve my part of this support act. I wish Terrigal nippers all the very best for the future and hope that everyone continues to offer the same support I have received to the next Director.

Finally, Always remember... **A strong Nippers = a strong future for the Club**

Greg Rippon
Director of Junior Activities

2011-12 NIPPER AWARDS

Junior Clubperson of the Year – awarded jointly to Annie Jones and Claudia Rodwell

Junior Competitor of the Year – Jazmyn Rodwell

Sub Junior Competitor of the Year – Keaton Pollington

Outstanding Competitor Award – Bailey Johns

Life Members Report

The financial report has disclosed that the Life Members Fund enjoys a credit balance of \$52,181.56 (fifty two thousand one hundred and eighty one dollars 56c). These funds are held at National Australia Bank A/c #53878-3225 (\$947.30) and Term Deposit #12-236-0215 (\$51,234.26). This term deposit is due to mature on 29th October, 2012. The deposit and interest due to \$1,735.30 will be rolled over for a further term.

The Life Members fund has seen an increase of \$5,285.00 over the past year. The majority of this is interest of \$2,613.80 and the net proceeds of the Melbourne Cup Function of \$3,573.00. In addition to the net proceeds from this function, there was a further \$190.00 donated directly to the Surf Club income. In addition, gross bar takings of \$2,136.00 were received of which the surf club would have received approximately \$1,000 plus in net profit. The Life Members fund also covered the cost of \$901.80 for the past two years Awards of Excellence jackets on those nights.

During the financial year the Life Members fund has directly and indirectly contributed in excess of \$2,091.80.

Donations to the Surf Club have now exceeded \$12,000 since the Fund was established in 1983. The vision for the establishment OF THE Fund was to create a "Future Fund" for the enhancement of the Club's growth in the ensuing years. The Fund is not there for the utilization by any committee or committees. The Fund is fully run by the Life Members and is conducted on a perpetual basis.

Below is a short summary of the history of the Life Members Fund –

- Foundation of the Life Members Fund during 1983. Foundation members were Life Member Mark Power and Life Member Peter Wyllie.
- Fund established for future members to receive the benefit of the past and present members of the club.
- Fund to be conducted on a perpetual basis and continue to remain this way.
- Core assets to be retained to ensure the future of the Trust.
- An amount of up to 80% of the interest earned to be donated to the Club at the discretion of the trustees on an annual basis. Thus a minimum amount of the remaining 20% of interest income will be retained to ensure future growth of the Fund.
- The Fund will not intentionally impede on the Club's fund raising efforts and all funds raised in the name of the Fund to be retained by the Fund.
- Life Member Jack Tennent made a donation from his estate in 1989-1990 season of the sum of \$1,000.
- First objective target of the Fund was \$10,000 and this was achieved in the 1992-1993 season.
- Funds in excess of \$12,000 have been donated to the Club since the Fund was established in 1983. This amount has been made up of direct cash donations and the value of the jackets which are presented on the Awards of Excellence nights.
- The vision of this Fund is that in the future the Fund will be able to provide one or more scholarships/sponsorships for the members of the Club on an annual basis. These awards will take the form of educational funding or direct sporting cost funding. This, however, will not occur until the Fund achieves sufficient capital to make this possible.

The Trustees have received several enquiries with regard to legacies to the Fund. A Trust Deed is in the process of being prepared to meet the wishes of these donors.

Through the fund all donations are making a serious investment towards the training and resourcing of our volunteer lifesavers. Legacy gifts will ensure that the next generation of up and coming lifesavers will be prepared to take on critical lifesaving tasks in the future.

The Life Members are happy to answer any enquiries on the principal function and direction of the Fund at any time. We will also be grateful for any meaningful input on future fund raising opportunities or direct contribution to the Fund.

The present Trustees of the Life Members Fund are Mark Power, Paul Hawkins and Ron Stone.

On 15th April the Life Members held a meeting and conducted an election for the 2012-2013 season. Life Members Mark Power and Ron Stone were re-elected for a further term. Life Member Paul Hawkins has stood down as he will be moving with his family in the future to the North Coast. We thank Life Member Paul for his valued contribution to the Fund and wish him and his family all the best in the future. Life Member David Mansfield was elected as the third Trustee. These Life Members names will be forwarded for ratification at the forthcoming Annual General Meeting.

At this meeting the Life Members passed a vote and recommended the approval of the "Honour Blazer" to be awarded to Justin "Archie" Kaeser. This award was presented to Justin on the night of the Awards of Excellence.

Justin is a worthy recipient of the Honour Blazer and is only one of 11 members to receive this award. The awarding of the Honour Blazer to Justin carries the best wishes of the Life Members.

Mark A Power
Trustee Life Member

AUDITORS' REPORT TO THE MEMBERS OF TERRIGAL SURF LIFESAVING CLUB INC.

Scope

We have audited the financial report, being a special purpose financial report, of the Terrigal Surf Lifesaving Club Inc. which comprises the statement of financial position as at 30 April 2012, the income and expenditure statement, and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The Committee of Terrigal Surf Life Saving Clun Inc. is responsible for the preparation of the financial report and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporations Act NSW and is appropriate to meet the needs of the members. The committee's responsibilities also include such internal control as the committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical requirements.

Audit Opinion

In our opinion, the financial report of Terrigal Surf Lifesaving Club Inc. presents fairly, in all material respects the financial position of Terrigal Surf Lifesaving Inc. as at 30 April 2012 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the Associations Incorporations Act NSW

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Terrigal Surf Lifesaving Club Inc to meet the requirements of the Associations Incorporations Act NSW. As a result the financial report may not be suitable for another purpose.

NOTE 1 - ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Plant & Equipment Depreciation

Plant and equipment are recorded at cost and are depreciated on a straight line basis over their estimated useful lives.

The depreciation rates used for each class of assets are:

Building improvements:	4% to 20%
Surf equipment:	33%
Function room plant & fittings	20%
Office equipment:	20%

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

(b) GST Units

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

(c) Income Tax

The Club is exempt from income tax and accordingly no liability is recorded.

(d) Inventories

Inventories are measured at the lower of cost or net realisable value.

(e) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Club will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

(f) Revenue

Revenue is recognised as follows:

- Members income, donations and sponsorship revenue is recognised on receipt and recording in the books of the Surf Club.
- Income from the sale of merchandise and product from the canteen is recognised when the merchandise or product from the canteen is supplied to the customer.
- Income from hire of the club house (hall hire) is recognised at the time the club house is provided to the customer.

	2012	2011
NOTE 2 – CASH AND CASH EQUIVALENTS	\$	\$
Cash in hand	2,475	4,753

Cash at bank	272,253	257,076
Term deposit	132,546	135,477
	<u>407,274</u>	<u>397,306</u>

NOTE 3 – TRADE RECEIVABLES

Trade receivables	<u>13,387</u>	<u>8,466</u>

Net cash provided by operating activities	<u>62,154</u>	<u>196,472</u>

The Surf Club has no credit stand-by or financing facilities in place.

There were no non-cash financing or investing activities during the period.

NOTE 17 – COMMITMENTS AND CONTINGENT LIABILITIES

The estimated maximum amount of commitments not provided for in the financial statements as at 30 April 2012 are:

a) Operating Lease Commitments

	2012	2011
	\$	\$
Due not later than one year	2,266	2,493
Due later than 1 year but not later than 5 years	<u>3,363</u>	<u>5,402</u>
	<u>5,629</u>	<u>7,895</u>

The above relates to the photocopier. In addition to the above, a charge of one cent per black and white copy and ten cents per colour copy is chargeable.

b) Insurance Coverage

The Club is covered for all public liability claims under the public liability policy established by the NSW Surf Lifesaving Association. Policies covering damage to or theft of property and workers compensation have also been taken out directly by the Club. Accordingly the Committee believes that its insurance coverage is adequate to cover contingencies in these instances.
