Terrigal Nippers perform at the Terrigal Christmas Carols

PRESIDENTS REPORT

Well 2018-19 has certainly proven to be a season of change for Terrigal SLSC. I came into the role of President over a month after the 2018 AGM and with 5 new Board members as well as the task of replacing our longstanding administration officer, there was a lot to get on with.

Our Board priorities for the year have been twofold, to manage the operational aspects of the club, get our patrols on the beach, train our membership, provide the nipper program etc etc and also to have a really good look at the strategic management of our club and try to pull together a direction that we are capable of delivering with our membership and the present and future challenges of our organisation.

I would like to thank our Board Members, Cathy Cole (Membership), John Deacon (Lifesaving), Greg Elfick (Competition), Richard Green (Juniors), Marc Gunasinghe (Sponsorship), Beris Meldrum (Finance), Tim Pittolo (Education), Wendy Walsh (Administration) for their tireless efforts over the past 12 months, for the long meetings and tough decisions that have been made. I would especially like to thank our two Board members who are not continuing: Greg and Cathy, for their service to our club, not only in the past 12 months but over several years.

I would like to honour our club Patron and elder Life Member Peter Wyllie who was honoured this season for 75 years of service to Terrigal SLSC, and also Mark Power, another Life Member, who achieved his 50th year of patrol for our club, outstanding achievements which I don't think will be achieved again in my lifetime.

Once again, in our 99th season with no loss of life between the flags, Terrigal lifesavers have achieved 9453 hours of patrol, performed 11 rescues, prevented 1953 rescues and completed over 250 first aid incidents. Our focus this season has been to increase the visibility of our patrol force, by providing new uniforms for all patrol members and increasing water's edge management and engaging the community. Many of our members have also assisted other clubs on the Central Coast.

Our education team continue to provide excellence in training and assessment, with over 90 new awards trained and assessed, as well as over 350 junior awards and several hundred requals. Several of our assessors are currently upgrading their VET qualifications so they can continue to provide the high volume of assessments that are completed at Terrigal annually.

The Nipper program at Terrigal continues to prove very popular and it is especially pleasing to see the high numbers being retained into the senior club. I want to thank all our Age Managers for their commitment to developing the skills, confidence and engagement of these children and their parents in the Nipper program. We have a fabulous group of committed parents that are also driving fun social events such as the sleepovers, the upcoming female Hydrothon event and lots of other activity.

In Competition, our Pool Rescue Team continued their outstanding performances at the State and National Titles, with our Youth team winning the State Championship and our Open and Master's Teams in 3rd place at the Australian Championships in 2018.

Our IRB Team continues to grow both in size and skill, developing some really talented drivers and crew across all age groups. They picked up an awesome Bronze medal at the World Championships in Adelaide after a really strong 4th in the NSW Premiership Season. We also continue to develop on the beach, with our Nippers and Seniors performing well at State and National Championships, including an Aussie Gold to Emmy Wheeler in the U14 Flags.

A special mention to Paul Lemmon, who was inducted into the Australian Masters Sportsperson Hall of Fame this year during the Australian Titles, a well deserved honor for an amazing competitor and role model for our sport.

Over the past year, we have also had many notable honors for our club members including Emmy Pettiford who was recently a finalist in the Sport NSW Young Coach of the Year Awards, and Emmy, Callum Sutton (Junior Sportsperson), Rachele King (Coach) and Paul Lemmon (Masters Sportsperson) who were finalists for the 2018 Central Coast Sports Awards, with Paul taking out the title of Masters Sportsperson of the Year again!

In 2019-20, Terrigal SLSC celebrates 100 years of lifesaving service to the community of Terrigal. We will have many celebratory events that will honor not only our current membership, but everyone who has served our club over the past 100 years. We look forward to celebrating this milestone with our community and members.

Mardi Love

ADMINISTRATION REPORT

I find it hard to believe that it is time for the AGM and the beginning of a new year at Terrigal SLSC. What a year it will be as we celebrate 100 years of patrols at this amazing location. A lot of planning has gone into making this a very memorable year indeed and I take my hat off to the hours and hours of work put in by Cathy Cole, Kaye Kelly and a full team of supporters. I can't wait to be a part of it.

Once again, the weather was on our side for our 19th Annual Ocean Swim. Attendance was a bit down on last year but hopefully we can have record numbers for our 20th Swim and Centenary celebrations next year. Thanks to Mardi Love, Kaye Kelly, Kellie Snelling, Marc Gunasinghe, Brett Larkin, Beris Meldrum and the band of recorders and water safety, we cannot do this without you. Also huge thanks Mandy Amies, Toni Jones, Alison Sharkey, Kim Petley, Terrigal Trotters for the loan of the time clock, GoodGear, Central Coast Confectionary for the water, Harris Farm for the beautiful fresh fruit and all our local business for their generous donations.

There is so much work which is done behind the scenes and often goes unrecognised. To the group of helpers who were at the Club at dark o'clock on ANZAC Day to prepare food etc, thank you so much. To the Boaties who put on such a great show, it is spectacular to see them on the water at the crack of dawn. ANZAC Day was, and always will be, a great day for our Club and we should all stand proud of our achievements on the day.

Since filling the shoes of our Functions Manager, I have found 2 particular members who I believe deserve a shout out for all the assistance they have given me. To Pete Connelly and Kim Petley, I take my hat off to you. The amount of work that you both accomplish around the Club is amazing. We wouldn't get through the week without you. I am indebted.

Lots of exciting things ahead for our Club and I look forward to taking part and meeting more of our members. Be kind, stay safe and swim between the flags.

Wendy Walsh
Director of Administration

LIFESAVING REPORT

The Patrol Season status summary:

- Over this season during our weekend and public holiday patrol hours we had approximate 150000 members of the public attend Terrigal Beach.
- Volunteer Patrol Hours for the season – 9453 hrs
- Number of Incidents / First Aid Treatments total 148, Fractures / Dislocation 1, Major wounds 2, Minor cuts / Abrasions 33, Minor marine stings 102, Major marine stings 1, Other 9
- Number of Rescues total 11: No Gear 1, Rescue tube 4, Rescue board 5, IRB 1.
- Number of Prevention actions – 1953

Patrol Report:

Terrigal Beach had amazing, inviting weather conditions this 2018/2019 season resulting in a higher than normal attendance from the public staying longer at the beach and vicinity. Our club responded delivering a safe and successful service to our community and members.

On behalf of the TSLSC Board we would like to give a big thank-you to all patrolling members for your fantastic work in attending and actively patrolling the beach to ensure no lives lost between the flags and outside the flag area at Terrigal Beach and the support of our surrounding clubs.

Our major focus areas for this seasons patrol were on:

- Strong communication within our patrols through Captains briefings and delegation
- High visibility patrolling at the water's edge and working on preventions
- Focusing on skills and re-qualifications within the patrols
- Engaging the community
- Succession planning
- Delivering safety, calmly.

Our focus areas for the 2019-2020 season:

- Continuing the momentum from the previous season's success
- Delivering the new SLS service contract (commencing this season)
- Restructuring the patrolling teams to provide a better blend of skills across the patrol roster
- Developing a strong mentor program with the 'Cadet/Rookies' for their patrols
- Increase the participation of active reserve and long service members to the roster
- Support Central Coast Lifesaving with services to other clubs requiring patrolling assistance
- Engaging our community even more.

Proposed is to:

- Run a total of 12 Patrols
- Rebalance the number of members for patrol and blend the expertise to ensure we have the highest level of skills for every patrolling day
- Bring through a balance of succession into the roster including mentoring for new PC's, VC's
- Refine the land and water-based proficiencies starting as early as practical in the new season
- Supply a minimum of 6 full patrol days to another club (this would equate to ½ day per patrol of our 12 patrol teams) to support their operations
- Utilise the Surfguard online Patrol Application as the primary source for patrol logs
- Increase the education/pathways for our Patrolling members.

All the best until next season
John Deacon

DIRECTOR OF MEMBER SERVICES

As we close out this season our Terrigal Surf Lifesaving Club approaches 100 years of patrolling Terrigal Beach.

In February of 1920 our surf club members had the materials on the ground and were waiting for Erina Shire Council (as the Central Coast Council was known at the time) to identify where the club could begin construction of our first club house. The Council gave a grant of 90£ for the building and the construction was carried out by club members.

And, most importantly, this club has proudly achieved 100 years of service since then with no deaths between the flags. That is a record few, if any, clubs could boast.

Our club has a proud history and a strong present-day membership position of just under 900 members which is a far cry from the few men that started patrolling back in 1919.

We now have strength in our Juniors, in our Active members, our Associates, supportive Life Members and strength throughout all the various areas of competition available through the Surf Life Saving Movement.

In our Nippers area there were 4 great leaders elected as role models this year. The Captains for 2018-19 were Susannah Palmer and Jack Quick and the Vice Captains Charli McDonald and Jayden Redfern.

This year our Terrigal nominees for SLSCC Junior Lifesaver of the Year were Teysha Tasker and Jayden Redfern. They both represented our club proudly and Jayden came out of the selection process as the male Central Coast Junior Lifesaver of the Year. Congratulations to both young leaders.

And, at the SLSCC Awards of Excellence, from a very strong contingent of Terrigal nominees, it was congratulations to Paul Lemmon Masters Competitor of the year, David Smith, Co Rescue of the month, Jayden Redfern Junior Lifesaver of the Year, TSLSC Overall Competition Point Score Winners.

Branch, State & Australian recognition of the Honouring Event won the SLSA Innovation of the Year, an extremely prestigious award that is not given out each year, but only to initiatives that have been deemed to, "significantly improve a facet of surf lifesaving in Australia."

Paul Lemmon covered himself in glory as one of the first intake into the SLSA Hall of Fame, for Masters Legends. There could never have been a more appropriate nominee.

In Member Services, early on in this season, a new specially designed Terrigal Surf Club swimwear range was introduced, and this was adopted widely and enthusiastically. Buying online has made this process very easy for the club. And a new 'online shop' will be introduced on our website for club clothing purchases in the near future. These changes are allowing the club to provide branded clothing without the storage issues of past years.

A new initiative of Youth Pizza night was trialled with the aim to create peer linkages within the 13-17 age groups. Not a speck of pizza was left at the end and all participants indicated that they had fun, learned and wanted a repeat night.

SLSA instituted strong Safeguarding Children protocols this year after the Royal Commission. Terrigal already had strong procedures in this area, with 7 trained Member Protection Information Officers within the club. More effort was made to ensure our club was compliant with all new requirements to keep our young club members confident and safe.

Congratulations to the following club members for achieving SLSA recognition awards.

Another new initiative leading on from the 'Honouring our First Female Lifesavers' event is the Inheritors Program. Developed from the interest shown by young club members involved in the event for our patrolling women of WWII, a group of 15 youth members are being trained in Media and interviewing the older/more experienced members of the club to 'save their surf stories'. This Youth Retention program engages with our present and former members and results in biographies and stories to preserve our club's history. Everyone in the program is enjoying telling or listening to the great stories of Terrigal's past and one of the aims is to develop a DVD.

Terrigal Youth Committee is developing its role within the club and thank you to David Fawkes, Liam Renney and Lily Egan for their leadership in this area.

A new Alliance is being developed between TSLSC and Terrigal 50's+. Surf club members are volunteering to teach first aid/CPR to the group and the Terrigal 50+ members in turn are being encouraged to join Terrigal Surf Club as First Aid or Radio Award Members to bolster patrols.

And the club is still involved with many community initiatives such as the 5 Lands Walk, Lighthouse to Skillion Walk, Bay to Bay run, Terrigal Carols by Candlelight and the ANZAC Day March-Dawn Service and Terrigal's upstairs function for the Veterans and their families. We could not maintain our respected part in the community without providing service to these and many other events throughout the year. Congratulations to all who have been involved with them.

As we count down the days to our 100th Anniversary of lifesaving service to Terrigal Beach we look forward to a season of celebrations, from whole club novelty carnivals to community 'come and try days' to Centenary Balls. The Board of Terrigal Surf Club looks forward to seeing every member at the various activities in our Centenary Year.

EDUCATION REPORT

The 2018-2019 season was a very busy one for the education team. Not only did we have the usual training schedule of Bronze Medallions, SRC, ART and IRB courses we have had a busy year dealing with the changes to the VET sector and its consequences and changed requirements to maintain our ability to Train and Assess our members. These changes have meant that 4 of our trainers have spent over 170 hours undertaking training to renew their qualifications these hours have been spent on top of their regular patrolling hours and time spent doing other activities within the education team and The Club in general.

The remainder of the education team has not been slacking off either with 107 candidates been trained and 16 of these been for clubs other than Terrigal as some of our neighbouring clubs have struggled to either meet the demands of their clubs or had the resources to run the courses.

Terrigal members have undertaken a wide variety of training in the awards on the right.

The education team has also been expanding their skills with both Tim Pittolo and David Golightly gaining their Assessor Bronze Medallion. Toni Jones, Beris Meldrum, and Allison Sharkey Completing their upgrades to the Cert IV in Training and Assessment with Tim also completing the Design and Develop Assessment Tools Unit. During the season we also welcomed Amelia Cole, David Fawkes, and Tanhi DeAthe into the Team as subject matter experts with the hopes that they may take steps to become fully qualified trainers within our Club.

This year we have started the process of recording and recognising the time that trainers and assessors spend undertaking activities in the Education portfolio of the Surf Club. These hours are broken down into two main categories, training and assessing, and professional development. Throughout the 2018-2019 season, the Education Team spent 811 hrs delivering training or undertaking professional development.

I wish to thank the Education team for their help and support during the season as the work we do tends to go unnoticed and underappreciated by some within the Club, but at the end of the day, there is no lifesaving or competition without Education.

DIRECTOR OF COMPETITION REPORT

This season has been a time of transition. No surf club is constant in its membership, or competitors. Young competitor's mature, leave, and sometimes return as mature competitors in Masters or as parents of the next generation of surf lifesavers. Directors change. Policies and goals change. This is one such time. But there are many things to look forward to in a time of renewal.

The season started with the World Championships, LWC 2018 in South Australia, and ended with the Australian Championships on the Gold Coast.

World IRB Team Medallists: Georgia Moy, Charlie Phillips, Josh Stevens and Alix Smith

In LWC2018, our Masters team blazed the way with many Pool victories and some world records, then moving onto the surf events in a similar fashion. Our Women's Masters Boat rowers achieved a silver medal, an awesome achievement in the difficult conditions at the time. Our IRB team was also down at Adelaide, and won a breakthrough Bronze Medal, the first IRB World Medal for Terrigal SLSC.

The Australian championships at the Gold Coast ended in 2 years of disappointment for the club, with the 2019 Gold Coast Championships cancelled because

of the weather, and the 2018 at Scarborough being out of reach for many. Notable achievements are the Youth team especially, Emelyn Wheeler on the beach, and the elevation of a legend, with Masters Competitor Paul Lemmon, being inducted into the SLSA Hall of Fame. A well deserved recognition.

Our Pool rescue teams and IRB competitors go from strength to strength. They are the winter competitors, the pool rescue competitors spending many hours of practice in the pool under the watchful eye of Rachelle King, and the IRB many hours in wet suits in testing conditions on the beach.

The camaraderie and team spirit of the IRB crews is an inspiration and has contributed to their growing success under the guidance of Roger Stimson and Bruce Moy.

No season could be accomplished without a huge amount of input from Coaches, First Aid Officers, Patrolling members, IRB crew, Parents, and other helpers of all types. To them I express my utmost gratitude.

Our outstanding Pool Rescue Team

2018 finished an extraordinary period of effort by the previous Director, Clayton Schofield, and the behind the scenes effort of all the Schofield family at one time or another. Such periods of stability are rare in the modern era. Although Clayton and his family are now addressing the many items that got put on the back burner while they devoted years to the club, they have not forgotten it. I would like to thank the assistance of "Team Schofield" during this season.

I would especially like to thank Tim Schofield for his patience and behind the scenes work during this season.

Finally, this Director of Competition was part of a Board which has been very understanding and constructive. Thank you to a wonderful and dedicated group of people who put in so many hours which are never seen or recognised.

JUNIOR ACTIVITIES

The 2018-19 nippers season was another very successful year.

This season we spent a lot of time up on the bend due to lack of sand on our beach but with the help of our members we were able to make it run smoothly.

Once again, the expertise of our coaches; effort and enthusiasm of our Age Managers and the support of parents led to a great season with all nippers having fun, gaining confidence and improving their skills.

Active encouragement and participation of all nippers on Sunday's has assisted Terrigal in growing into a strong and competitive club both at Branch and State levels.

This season Terrigal placed first in two of the local carnivals and second at the Branch Championships.

We had record numbers of children attending all carnivals, hopefully this will continue over next season and we will be able to achieve our goal of winning the Branch Championships.

The amazing attendance we had at all carnival presentations shows our great club spirit. Nippers and parents should be congratulated on their attitude towards competing and the sportsmanship and respect shown to their team mates and other competitors.

It is sometimes easy to forget this is a volunteer organisation, fortunately at Terrigal we are lucky to have the commitment of so many parents, grandparents, friends and extended family of both nippers and Terrigal Surf Club in general. To all those people, thank you for your wonderful support and assistance through the season.

I would like to thank some dedicated people who helped out and gave up a lot of their time this season: Kelli Bryers, Wes Pettiford, Nicole Baker, Julie Redfern, Mandy Eyles and Samone Green.

I would also like to thank our amazing sponsors Coastal Providores, Vital First Aid Training Services, Chemist Outlet.

Our Age Managers and the JAC - without these dedicated groups of people, we simply do not have nippers. Thank you for your commitment both on and off the beach during nippers and after hours. I realise these roles are often thankless. Your commitment and dedication never goes unnoticed and is always appreciated.

Thank you to our awesome coaching staff for the 2018-19 season, namely Rachelle King, Ryan Quick, Danielle Rippon, David Rippon, Emmy Pettiford, Chloe Hoy, Joel Green, Paul Broadbent, Cathy Cole and Nathan Smith

Congratulations must go to Jayden Redfern – being awarded the Central Coast Junior Lifesaver of the Year.

Special thanks must go to our Club Captains and Vice Captains for the 2018-19 season;

Captain	Jack Quick	Vice Captain	Jayden Redfern
Captain	Susanna Palmer	Vice Captain	Charli McDonald

LIFE MEMBERS REPORT 30 April, 2019

The financial report has disclosed that the Life Members Fund enjoys a credit balance of \$72,566.87 (Seventy two thousand, five hundred and sixty six dollars and 87 cents). These funds are held at National Australia Bank A/c #53878-5225 (\$438.15) and Term Deposit #12-236-0215 (\$72,128.72). This Term Deposit is due to mature on 26th September, 2019. The deposit and interest due to \$725.64 will be rolled over for a further term.

The Life Members Fund has seen an increase of \$1,854.82 over the past year. The majority of the increase was interest of \$1,804.82 and a donation by the Club's Masters of \$50.00.

Donations to the surf club have now exceeded \$30,940 since the Fund was established in 1983. The vision for the establishment of the Fund was to create a "Future Fund" for the enhancement of the Club's growth in the ensuing years. The Fund is not there for the utilization by any committee or committees. The Fund is fully run by the Life Members and is conducted on a perpetual basis.

Below is a short summary of the history of the Life Members Fund –

- Foundation of the Life Members Fund during 1983. Foundation members were Life Member Mark Power and Life Member Peter Wyllie.
- Fund established for future members to receive the benefit of the past and present members of the Club.
- Fund to be conducted on a perpetual basis and continue to remain this way.
- Core assets to be retained to ensure the future of the Trust.
- An amount of up to 80% of the interest earned to be donated to the Club and members and their families in the need of financial assistance at the discretion of the trustees on an annual basis. Thus, a minimum amount of the remaining 20% of interest income will be retained to ensure future growth of the Fund.
- The Fund will not intentionally impede on the Club's fund raising efforts and all funds raised in the name of the Fund to be retained by the Fund.
- Life Member Jack Tennent made a donation from his estate in 1989/1990 season of the sum of \$1,000.
- First objective target of the Fund was \$10,000 and this was achieved in the 1992/1993 season.
- Funds in excess of \$30,940 have been donated to the Club since the Fund was established in 1983. This amount has been made up of direct cash donations and the value of the jackets which are presented on the Awards of Excellence Night. Funds have also been allocated to a patrolling member to assist with medical costs.
- The vision for this Fund is that in the future the Fund will be able to provide one or more scholarships/ sponsorships for the members of the Club on an annual basis. These awards can take the form of educational funding or direct sporting cost funding. This, however, will not occur until the Fund achieves sufficient capital to make this possible.

The Trustees have received several enquiries with regard to legacies to the Fund. A Trust Deed is in the process of being prepared to meet the wishes of these donors.

Through the Fund, all donations are making a serious investment towards the training and resourcing of our volunteer lifesavers. Legacy gifts will ensure that the next generation of up and coming lifesavers will be prepared to take on critical lifesaving tasks in the future.

The Life Members are happy to answer any enquiries on the principal function and direction of the Fund at any time.

We will also be grateful for any meaningful input on future fundraising opportunities or direct contribution to the Fund.

It is with sadness that the passing of the following occurred during the year.

Patrick Walsh on 25/10/18 – husband of Director Wendy Walsh

Margie Thorpe October 2018 – an associate member and long term supporter of the Club for many years.

Alan Parry 15/11/18 – Life Member

The present Trustees of the Life Members Fund are Mark Power, David Mansfield and Ron Stone.

The Life Members held a meeting and conducted an election for the 2019-2020 season. Life Members Mark Power, David Mansfield and Ron Stone were elected for a further term. These Life Members names will be forwarded for ratification at the forthcoming Annual General Meeting.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Terrigal Surf Life Saving Club Inc. financial reporting responsibilities under the ACNC Act and Associations Incorporations Act NSW. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibility of the Committee for the Financial Report

The committee are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the Associations Incorporations Act NSW. The committee's responsibility also includes such internal control as the committee determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, committee is responsible for assessing Terrigal Surf Life Saving Club Inc.'s ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intend to liquidate Terrigal Surf Life Saving Club Inc. or to cease operations, or have no realistic alternative but to do so.

The committee is responsible for overseeing the Terrigal Surf Life Saving Club Inc.'s financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by committee.
- Conclude on the appropriateness of the committees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the Terrigal Surf Life Saving Club Inc. to express an opinion on the financial report. We remain solely responsible for our audit opinion.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the *Charitable Fundraising Act 1991 (NSW)*, we report that:

TERRIGAL SURF LIFE SAVING CLUB INC.
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

NOTE 1 - ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

a) Plant & Equipment Depreciation

Plant and equipment are recorded at cost and are depreciated on a straight line basis over their estimated useful lives. The depreciation rates used for each class of assets are:

- Building improvements: 4% to 20%
- Surf equipment: 33%
- Function room plant & fittings 20%
- Office equipment: 20%

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

b) GST Units

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

c) Income Tax

The Club is exempt from income tax and accordingly no liability is recorded.

d) Inventories

Inventories are measured at the lower of cost or net realisable value.

e) Leases

The Club leases the land on which the Club premises are erected from a trust pursuant to the Crown Lands Act. A license has been provided to another entity to operate a café on part of those premises (refer note 18). As the Club is a not for profit entity the value of the lease of the premises has not been estimated. License fees from the sub-lease are taken up as income on an accruals basis.

At the date of commencement of the lease of the air conditioning unit (refer note 17) the value in use and lease liability was determined as the present value of lease payments and taken as an asset and liability respectively. Subsequently the air conditioning unit has been measured at cost and depreciated (refer note "1a"). Lease payments are allocated between the reduction in lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, of low value are charged as expenses in the period in which they are incurred.

f) Revenue

Revenue is recognised as follows:

- Members income, donations and sponsorship revenue is recognised on receipt and recording in the books of the Surf Club.
- Income from the sale of merchandise and product from the canteen is recognised when the merchandise or product from the canteen is supplied to the customer.
- Income from hire of the club house (hall hire) is recognised at the time the club house is provided to the customer.
