DIRECTOR OF ADMINISTRATION

It is with pleasure that I present the Annual Report to the members of Terrigal Surf Life Saving Club. This season was one in which I realised how critical administration activities are in the behind the scenes running of the Club. Processes and many areas of improvement were identified and continue to be worked on throughout the off-season.

Registration Days are important events in our club calendar and require many processes to be followed with the assistance of club members. The registration and welcoming of new and existing members, collection of fees, the stock take and sale of club clothing and promotion of club activities are all busy activities that take place before anyone steps onto the beach for the coming season. Many improvements have been identified in this area and are being implemented to ensure members are supported in an efficient and effective manner.

Function management is another area where we as a club can step up and promote our facilities to the community. We have one of the best locations for weddings and conferences on the Central Coast. As such, many opportunities exist to strengthen this area in order to increase the financial return on our facilities. Areas that are being improved include the marketing of the Club as a wedding and conference venue, improved wine lists and the painting, cleaning and maintenance of the function, bar and kitchen areas.

This season saw cleaning contractor ACS engaged for the cleaning of the downstairs member shower and toilet facilities. Although this service provides cleaning on a daily basis to high use areas, the upstairs areas also require cleaning on a regular basis. I wish to thank Lorraine Bellato and Neil White for ensuring that our club is presented clean and tidy to visiting groups and members alike.

Prior to the Annual General Meeting on the 20 June 2010, the Annual Reports for the previous three seasons were professionally printed and made available to all members. SNAP Printing in Gosford provided this printing, as they do for several other surf clubs on the coast. Due to their excellent customer service, product quality and understanding of surf clubs, it is intended to again use SNAP Printing for ongoing Annual Reports.

As you will be aware, office administration is always available to assist. I'd like to thank Beris for her unquestionable commitment to the Club, working through the year, not only during the beach season. She assisted with activities such as Boardies Day, Twilight Carols on the Beach not to mention endless competition and life saving support roles.

Finally, I'd like to thank Mardi Love for her management and guidance of the Club throughout the 2009-10 season and look forward to continuing our work together in many seasons to come.

Catherine Wilson

Sponsors Networking Evening – May 2010

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 2010 Annual General Meeting of Terrigal Surf Life Saving Club Incorporated will be held in Terrigal Surf Life Saving Club function room on Sunday June 20, 2010, commencing at 10.00am. All 2009-2010 Financial Members are invited to attend.

Agenda of AGM:

1. Apologies
2. Adoption of minutes of the 2009 Annual General Meeting
3. Business Arising from the Minutes
4. Inward and Outward Correspondence
5. Adoption of the 86th Annual Report and Financial Statement
6. Any Notice of Motion
7. Election of Office Bearers for the 2010-2011 Season.
8. Election/confirmation of Honorary Positions
9. Any urgent business

Self nomination in writing for the following positions will close with the undersigned on Friday 4th June 2010. Note due to the adoption of the revised constitution of 7 September, 2008 only half the positions become vacant each year and the positions are nominally a 2-year term.

Position descriptions are available to members who are interested in applying for any of the above roles. Applications must include your name, position applied for, statement of claim (why you want the role and what you will bring to the role). Nominations will be published in Blues News.

1. Nomination for the Election of Directors (Item 7 of Agenda)

President
Director of Lifesaving
Director of Junior Activities
Director of Competition
Director of Sponsorship

And any other position declared vacant by the premature resignation of the sitting director:

Director of Member Services

2. Nomination for the Election of Special Sub Committee Positions (Item 8 of Agenda)

Club Captain (To nominate a member must hold the Bronze Medallion)
Vice Club Captain (To nominate a member must hold the Bronze Medallion)
Youth Committee Chairperson (must be between the ages of 14 and 21)
Boat Captain
Board & Ski Captain
IRB Competition Captain
Lifesaving Competition Captain
Beach Competition Captain
Trustees Life Members Fund x 3*
Judiciary Committee (Life Members x 5)*

*Nominated by Life Members, ratified by membership at AGM

3. Election of Honorary Positions

Hon. Solicitors
Hon. Medical Officers
Hon. Auditors
Others who provide special services to the club

If a position is not nominated for in writing, the position will remain vacant until a later date.

NO NOMINATIONS WILL BE ACCEPTED FROM THE FLOOR. Persons standing for the positions MUST BE FINANCIAL at the time of nomination.

A CLOSED BALLOT will be held for the positions irrespective of the number of candidates. This ensures that the membership has a vote on the suitability of that candidate. To vote a member must be financial before the Meeting is declared open and be over the age of 15 years; an Associate/General Member must have also been a member for the previous three seasons.

Catherine Wilson
Director of Administration.

COMMITTEE POSITIONS 2009-2010

President	Mardi Love
Director of Administration	Catherine Wilson
Director of Finance	Gregory Elfick
Director of Lifesaving	Greg King/Glenn Bowles

Terrigal Masters Mens Crew at the World Masters Games – Sydney October 2009

PRESIDENTS REPORT

It is with great pleasure that I present this report for season 2009.10. Terrigal has had another very successful year, with no lives lost between the flags, the introduction of several new initiatives that continue to educate and develop our membership, and continued success in competition.

I'd like to start by thanking our major sponsors PKF Chartered Accountants and Business Advisors, Crowne Plaza Terrigal, Goodgear, Ebisprint and new sponsor Metal by the Metre. It is through the support of these organisations, our wonderful patrol sponsors, competition sponsors and other supporters that we are able to achieve the high standards and success that we do.

In Lifesaving this year, we welcome a new Director Glenn Bowles, who has provided excellent leadership and professionalism in tackling this role. Our members were decked out in their new uniforms with the assistance and organisation of Michael Hickey and once again gained valuable insight and experience by providing patrol assistance at The Entrance and Wamberal beaches when required. I would like to thank our Patrol Captains and Vice Captains for their continued leadership, professionalism and development of our lifesaving teams, and all patrolling members for their dedication. With our major lifesaving sponsor Crowne Plaza Terrigal and the \$4\$ grant, we were able to purchase a new IRB, which is a great boost to our lifesaving services and gives us much greater ability to respond to emergency situations.

Lifesaving and Education at Terrigal continue to work extremely well together to provide education and training opportunities to all members and to upskill patrol members. Thanks to Training and Education Director Kaye Kelly, and her extremely talented son Nic, all requalifying members and new Bronze and SRC candidates benefited from the training DVD they created, which is an excellent resource for our club. Over 900 awards were gained and requalified over the season at Terrigal this season, which is an enormous workload and heartfelt thanks are given to all trainers and assessors from Terrigal, Branch and other clubs who helped us achieve this.

Our juniors also welcomed a new Director this season, Greg Rippon, who refocused our nippers on skills, fun and long term involvement with lifesaving, engaging age managers, parents and all areas of the club in the development and planning of the nippers program. We also hosted a junior carnival for the first time in many seasons. The culmination of the season this year was the Rescue Day which involved every nipper participating in rescue scenarios including IRB and Jet Ski rescues, board rescues and resuscitation scenarios, as well as demonstrations of historical rescue techniques such as belt and reel and this was a huge success.

We were extremely proud to announce that an outstanding young member of our club, Matthew Reynolds 14, was named NSW Junior Male Lifesaver of the Year. Matt has been working towards this award throughout his Nipper membership and it is just reward for the dedication and passion of both Matt and the club's education and development of our members. This is the first time that a Terrigal member has achieved this award and Matt promises to be one of the future leaders of our club.

In competition, our club continues to excel under the leadership of Clayton Schofield as Director of Competition. This season Terrigal's water team, with Paul Lemmon, Paul Stone and Paul Broadbent coaching at the helm, achieved 2nd place in the NSW Pool Rescue Championships, 3rd in the NSW Championships, was very successful in the East Coast Surf Challenge, had 12 people selected in the Central Coast Interbranch Team and had 4 athletes selected in State Teams to compete in the Interstate Competition. For the first time in many years Terrigal has also been represented in the Nutri-Grain Ironperson Series. Amy Nurthen finished in 9th position overall, beating some of the biggest names of surf life saving. Tim Schofield also had a very successful year, he was selected to represent Australia in two touring teams and has been selected in the Australian High Performance Squad.

Our Boats also celebrate a successful season with both our Masters men's and women's crews on the podium at Aussies. The leadership of Kristina O'Hagen as Boat Captain is much appreciated and the contribution of Dennis Gee, not only as our boat coach but also as coach of our newly formed March Past team has been exceptional, providing new avenues for participation in our club. Our IRB race team continue to improve their performance every carnival under coach Steve Graham, finishing 5th in the current Premiership series and we continue to achieve medals at Branch and State in Lifesaving. We also hosted a round of the Peters Boat Series, a Junior Carnival as previously mentioned, the annual SeaFM Twilight Carnival on Boxing Day and the final of the Xbox Board and Ski Series, so I thank all the volunteers who assisted with the conduct of these events at Terrigal.

This year for the first time, we elected 3 Club Captains, a different role to the traditional surf life saving Club Captain, whose position is to provide leadership and act as role models especially for our younger members, and Reid Schofield, Jenna Harrod and Amelia Cole gave wonderful service to our club in this role, assisting in many ways throughout the season. Amelia also stepped up onto the Board in the Member Services role.

I would also like to thank our other Board members not previously mentioned, Greg Elfick in Finance and this year's Clubperson of the Year, Catherine Wilson in Administration and John Howick in Sponsorship - their dedication and commitment to our club is unparalleled. I would especially like to thank John Howick for his long commitment to the leadership of Terrigal SLSC, he is leaving the Board this year to focus on family and retirement plans, and the mentoring he has provided me in the role of President has been much appreciated.

Thanks also to the Central Coast Branch, Chad and the staff, all Directors and office bearers, for their continued support and assistance in helping us achieve our goals.

Finally I would like to thank each and every Terrigal member for their contribution to our club this season, our success is attributed to every member who patrolled, trained, officiated, educated, age managed, administrated, competed and gave to our club this year. You have made my role of President over the last 2 years a very rewarding one.

Mardi Love

Terrigal March Past Team at the Australian Titles - Kurrawa March 2010

DIRECTOR OF LIFESAVING

It is with great pleasure that I prepare this report for the 2009-2010 Surf Lifesaving Season. The most important headline is that thanks to your skill and vigilance, our Patrols again had a safe season with no lives lost on Terrigal Beach. We also delivered an outstanding service to the local community and tourists visiting our magnificent beach.

Each weekend as I arrived at Terrigal, I was proud to spot our Patrols in action, knowing that we have such a skilled, committed and professional team that willingly dedicate their own time to looking after the safety and enjoyment of others. Testament to this fact is that 85 people achieved 100% Patrol attendance for the season. Congratulations to everyone on your efforts and hard work.

I would like to acknowledge the performance of our Patrol Captains in efficiently managing their Patrols, our First Aid Officer - Matt Robinson, Lifesaving Manager - Graham Baty, IRB Captain - Craig Moran, Radio Officer - Josh Cole, Water Safety Co-ordinator – Debi Barnes, and Uniform Co-ordinator - Michael Hickey. These people make all our jobs easier and more enjoyable through the extra effort that they dedicate to the club.

Australian coastal drownings are now in the spotlight more than ever before. Recent tragedies on the Central Coast have further highlighted the important service that we deliver. In 2008-2009, there were 46 coastal drowning deaths in NSW alone and this figure continues to rise.

According to the Surf Lifesaving NSW website:

- Lifesavers in NSW patrol in excess of 500,000 hours a year
- The value of these patrol hours has an input value of \$29.4 million
- If Surf Lifesavers were not on duty on our beaches 485 people would drown each year
- If Surf Lifesavers were not on duty on our beaches 313 people would be permanently incapacitated as a result of accidents in the surf each year

In reviewing Terrigal SLSC statistics for this past season compared to previous years, we completed fewer rescues. This may be due in part to better surf conditions in 2009-2010, but mainly it could be the result of our Patrols being more alert and proactive. I have summarised the statistics as follows.

Rescues	2009/10	2008/09	2007/08	2006/07
No Gear	1	10	6	4
Rescue Tube	3	19	12	5
Rescue Board	7	11	14	24
IRB	6	13	9	9
Other		12	3	2
Total	17	65	46	44

Preventative Actions	2009/10	2008/09	2007/08	2006/07
Lost Children	8	15	10	11
Preventions	2,456	1,158	1,295	770
Searches	1	10	4	3
Shark Alarm	2	0	1	3

In 2009-2010 we recorded 170,881 visitors to the beach during Patrol hours. However, while this number is consistent with previous years, we aim to better understand the definition and more efficiently record this particular piece of data in the future.

By far our greatest First Aid statistic is 'Minor Marine Stings'. It seems that Terrigal attracts Blue Bottles as much as we do the weekend family tourists, and somehow they seem to find each other. This year we became better informed about the "Blueys" and also implemented new procedures to deliver 'best practice' treatment to manage the pain of a sting.

First Aid	2009/10	2008/09	2007/08	2006/07
Fractures/Dislocations	4	1	7	0
Major Wounds	11	1	4	2
Minor Cuts/abrasions	74	68	66	59
Minor Marine Stings	295	154	499	467
Other	25	0	0	0
Spinal	0	0	1	2

All our work above would not be possible without the generous support of our Patrol Sponsors. Therefore I would like to thank them for their contribution to Surf Lifesaving and the safety of beachgoers.

A huge thank you must go to all our Trainers, so capably managed by Kaye Kelly. Having worked closely with Kaye throughout the season, I am constantly amazed at her level of drive and enthusiasm to get things done and ensure the best results for individuals and the club overall. Kaye was a big help in mentoring me through my first season as Lifesaving Director.

Special thanks go to our highly skilled Assessors who back up time and time to make sure that our members are qualified and proficient. Their approach to sharing their knowledge and maintaining high standards is appreciated and respected. I thank Mardi Love, Beris Meldrum, Kaye Kelly, Dave Mansfield, Cathy Cole and Graham Baty.

Each week, via 'Blues News', I have attempted to share things I learn and hear that may be considered useful and informative for our Patrols. 'Blues News' is a fantastic and positive communication medium to keep everyone updated and engaged with Club activities. We are fortunate that Nic Kelly works quietly, creatively and consistently behind the scenes to deliver Blues on schedule every week and I would like to thank him for fabulous production.

Congratulations go to our Lifesaving Award winners and nominees announced at the Club Awards Night on the 22 May 2010. These included; Josh Cole - Patrol Person of the Year and Lifesaving Competitor of the Year, Jake Bowles – Club Rookie of the Year, Bronte Bagala - Young Patrol Person of the Year, Matt Reynolds – Westfield Rookie of the Year, and Patrol 3 Captained by Gary Bunch – Patrol of the Year.

As a Club, we also had fantastic success at the 'Surf Lifesaving Central Coast Awards of Excellence' night held at Mingara. Among many notable achievements, Matt Reynolds was again recognised for his outstanding season including NSW Junior Lifesaver of the Year. Nathan Smith was inducted into the Westfield Rookie Wall of Fame for his rescue at North Avoca.

During this season I have enjoyed meeting many of our new "Bronzies" that have undertaken their training with energy and commitment. It is inspiring that we have a new wave of enthusiasm coming on Patrol in 2010 and I know that many of these new members will achieve great things in the years to come. A few days ago I spoke to a young couple that had just joined our Club and they told me how excited they were about their training and the experiences ahead of them. They said that they were really impressed by the support that they were already receiving and the sense of 'community' that they are enjoying at Terrigal. This is 'Gold'.

There are many other people that I should acknowledge for their support of Lifesaving this year, but the list is too long. However, I would like to make special mention of the work of Steve Graham behind the scenes in keeping the standard of IRB equipment and Crew skills at such a high level. We are up there with the best of the State and I would back our Crews in any emergency situation.

Finally, a big thank you to Mardi Love and all the Executive Committee. I really enjoy being part of such a great team and I am looking forward to working with them and all of you again in 2010/2011.

Glenn Bowles

10th Annual Terrigal Ocean Swim Classic – April 2010

DIRECTOR OF EDUCATION AND TRAINING

What a great season! It really has been a pleasure to be a part of Surf Lifesaving this season and one that I have enjoyed immensely. As always, our members have achieved a massive amount of awards this season and that can only be achieved by teamwork and enthusiasm from many people. We have provided skilling in Bronze, SRC, ARTC, IRB and Radio. We are so fortunate at Terrigal to have great trainers and assessors and to then have it kept on track by great administration, so to all those involved, on behalf of all our members, Thank you! Our training team included Cathy Cole, Amelia Cole, David Mansfield, Greg King, Graham Baty, Scott Gardiner, Mardi Love, Steve Graham, Glenn Bowles, Andrew Davison, Scott Hill, Maureen Reynolds, Lynn Waters and of course, Beris Meldrum who is my paperwork guru as well as so many other things!

This year some of our greatest moments came from the very young and the, well how can I say it, 'not so young!'. Our little guys participated in a brilliant Nippers rescue day and I had the pleasure of teaching them CPR which was a new and very special experience. Teaching life saving skills is really what we are all about and to see 5 year olds who were barely bigger than the dummies, just getting in and having a go puts it all into perspective. Moving up the age groups a little we had very competent 9 and 10 year olds who can now, if they are faced with the task, actually perform a level of CPR and maybe one of them one day will save a life. If that's the only thing we achieve then it will have been worthwhile. However, at the other end of the scale, we had the pleasure of teaching a more mature audience in Jan Robinson to become a competent Bronze medallion holder, Jan's enthusiasm inspired the group and she was delighted to be able to achieve her run swim run under pressure in possibly one of the worst rips of the season. Between Hilton's little guys and people such as Jan, it simply demonstrates that there is a place for everyone within this wonderful iconic organization and that age is no barrier.

One of the areas we found particularly challenging this season were the Annual proficiencies! I was keen to provide skilling in several of our key areas and this was especially important in CPR, the cornerstone of our Bronze training. I think this was well received and our skills as a club have definitely improved. Completing requals for such a large number of people is always going to be a huge task and the Lifesaving team and I simply ask that you take the responsibility to requalify your awards and don't wait to be asked. Thanks to everyone who was involved and a huge thanks to Nic Kelly for producing the training DVD which took up hours of his time.

To quote an old saying there is no 'I' in team and as always, I have been given wonderful support from my fellow Board members who work very hard to make Terrigal a great place to belong. Mardi is always there for us all and it has been a pleasure to work alongside Greg Elfick who is one of those people who does so much and never makes any noise about it-unlike myself! In addition I have been inspired by the planning and discipline of Greg Rippon and the engaging nature of Glenn Bowles. Our Competition team are so fortunate to have Clayton in their corner and his tireless work has paid off in the results that Terrigal achieves year after year. Cath Wilson has provided great admin support and humour and John Howick has just kept chipping away at businesses for sponsorship which in the economic climate we've had, was a thankless task.

As we move into the next season, the message remains the same as always, learn a new skill and have fun doing so.

See you on the beach!

DIRECTOR OF COMPETITION

It has again given me great pleasure to be the Director of Competition for Terrigal Surf Club. The competitors whether they are competing with the IRB racing team, Lifesaving Competition, Boat Rowing or Board & Ski have again this year competed with sportsmanship, courage, team work and good humour.

Our year has been filled with the ups and downs of competition and also touched with tragedy, with the accidental death of Saxon Bird at the Aussie Titles. This left us a bit empty at the end of a great season, but well done for the support shown to each other.

Our season finishes as the IRB season commences, and I could like to congratulate all those involved in IRB racing as the team continues to grow. This season started with the 1st round held at the State Championships at Swansea Belmont. It gave the opportunity for those who hadn't watched the event before to witness what can best be described as a cross between Drag & Sidecar Racing with a little bit of Evil Kenevil thrown in.

I would like to congratulate Steve and his team who not only train for racing, but are happy to train upcoming crewpersons and drivers. They are also willing to pitch in and help whether it be for the Nippers rescue day, ordinary Sunday nippers or the Ocean Swim. As the expression goes this group do "put back into the club".

Our Board & Ski competitors compete in a number of events throughout the year, The Endurance Championships at the beginning of the season, local carnivals, this year the introduction of the East Coast Surf Festival, the X-Box Board & Ski series, Interbranch and Interstate (some for rival states), then if that is not enough we have the Pool Competition. Finally we finish with the State and Australian Championships.

This year we were lucky to have 3 competitors try out for a place in the Nutri-grain series with Amy Nurthen being successful in gaining a place in the series. She competed extremely well throughout and finished in the top 10 overall. The 2010-2011 season and trials will be held in NSW, hopefully this will see Terrigal well represented in the series.

We had a number of competitors selected in the NSW High Performance Squad - Stephanie Carey, Edward Gourley, Jack Moyes, Amy Nurthen, Karlee Nurthen & Tim Schofield, with Tim fortunate to be named in 2 Australian touring teams and the Australian High Performance Squad.

There seems to be something on most weekends and after the Australian Championships there are a few who wander around completely at a loss with nothing to do – enjoy the downtime as it all starts again in another couple of months.

I would like to congratulate all that competed throughout the year. To those that assisted the competitors whether it be carting gear and setting up tents, or just acting as a support person – thanks.

To our team of the "3 Pauls" who have established Terrigal as having very professional, well organised training schedules, extremely high level of competition in all areas, but most importantly the sportsmanship and camaraderie that exists within the team. Without the tireless input of the 3 Pauls this would be extremely hard if not impossible to achieve. To their wives, children and others, thank you for all the time they share between us and their families.

To Karin House our Race secretary, Beris Meldrum who knows *everything*, to our officials that assist at carnivals, to the water safety and duck drivers – all of whom we would not be able to compete without the assistance of – a very big thank you.

This year I would like to make mention of Reid Schofield & Jenna Harrod who were our club Board & Ski mentors for the year, thanks and a great job well done in helping to organise the team. Thanks also for your encouragement and the support shown to the other competitors. Their approachability and sociability adds to the flavour that is Terrigal.

Masters: Our Masters section had their best year so far, winning the Branch championships and bringing home more medals than ever. We were helped on the beach by our Masters Boaties enabling us to compete in all areas of beach and water events. They competed through State and a small team to Aussies with the ever young Paul Lemmon conquering all before him.

Boats: Congratulations to Dennis Gee our Club Coach and Kristina O'Hagan the boat captain, both of whom have

worked tirelessly throughout the year to ensure the smooth running of the boat section and for the first time (maybe not in history of course), but for a long time anyway, the boats won a silver and bronze medal in the masters men's & women's division at the Australian Championships – for those of us in Queensland you would have seen Quicky with his medals around his neck, talking Braille, although Quicky was fortunate enough to wash ashore on 2 momentous occasions the boat section would not be the same without the input of the other sweeps, Scott Oades & Michael Peat – thank you guys for all your time and effort.

Lifesaving: Due to time restraints on those involved this was a smaller affair this year, but we still have Amelia Cole and her group along with Josh Cole and Matt Reynolds still there with their nose to grindstone – thank you for your input. Just a mention on Matt who was named Lifesaver of the year at the recent Junior State Championships – again congratulations.

This year saw the revival of Terrigal March Past Team. This group of ladies (and 1 “unbelievable good looking” man as substitute marcher) performed at 2 Sydney carnivals, were disappointed that Branch called off the marching and competed at State and Aussies. They were trend setters with their fashion outfits and painted toe nails the envy of many other clubs. Each event saw their improvement in the point score culminating with their best score at Aussies, well done ladies and a big thank you to Dennis Gee who gave us his time to see us prosper.

To the unknown water safety demon “Daniel Hudson” a special thank you for all your time and effort in keeping us in the competition. You are a huge benefit to all competitors and support crew. Your time is much appreciated.

Thanks to sponsors again. This year the Board & Ski section were fortunate to again to receive major sponsorship from PKF Chartered Accountants. Gunweb systems helped provide 3 new tents & Acedrift Insurance kept our transportation of gear insured for the year. The Boats were supported by the Ebiz Print Management, and many other small sponsors. The major IRB race sponsors were COSI Orthopaedics & Terrigal's Crowne Plaza. Their contributions towards these sections of the club are most appreciated and will be recognised at our upcoming sponsors night.

Clayton Schofield

TERRIGAL AWARDS OF EXCELLENCE – PRESENTATION OF TROPHIES

Macarthur Onslow Memorial Trophy – 2009.10 Clubperson of the Year – Greg Elfick has contributed to our club for many years for little or no recognition, going far beyond any official role that he may hold in our club. Greg is one of the stalwarts of our club, in fact it could be said that he is largely responsible for keeping the club standing!

Greg has achieved 100% patrol attendance for over 10 years, holds many awards and competes as a masters competitor, always with encouragement and assistance for all. Much of Greg's work is done outside the eyes of the general membership, if anything is broken, blown or in disrepair he quietly steps up and puts his skills to work so that the club continues to function effectively and efficiently.

This year although initially reluctant Greg stepped into the role of Director of Finance and has controlled the budgetary position of the club, guiding us to a much stronger position. Greg is a great contributor to our club in many areas, and has been for many years, we believe this award is long overdue.

Richard Bridge Memorial Trophy – Young Clubperson of the Year – Emma Amies has been an excellent patrol member, always early for patrol and stays to finish all the 'pack up'. She is a truly humble person who will do any job given to the best of her ability and with good grace. Emma has gained all the awards available to her age to enable her to be of assistance to her patrol captain in a crisis. She is quiet and level headed in an emergency, always looking for any job that needs to be done as part of the team without seeking the glory or acknowledgement.

Emma achieves her 100% patrol proficiency each year and can be counted on no matter what the situation. She has her IRB crewman's and is now training for her IRB drivers.

Emma is a quiet achiever helping out with many events at the club including surf ed run for Crowne Plaza before the beginning of the season, registration days and our ocean swim.

Harry Vickery Memorial Trophy – Patrolperson of the Year – Joshua Cole completed in excess of 100 patrol hours, achieving 100% patrol attendance for the 5th straight year. As Vice Captain of his patrol Josh has been involved in teaching new patrol members familiarisation and crewing of the IRB. Josh has also taken under his wing a group of 13year old rookies to ensure they enjoy themselves and improve their board and rescue techniques, as well as fitness. He takes the role of mentor very seriously and ensures these young people start their lifesaving careers with good attitudes and appropriate skills.

Josh has helped with bronze training by teaching radio and coaching of water skills. He has provided IRB water safety for bronze candidates doing their run-swim-run. He also aims to become an assessor and has been mentored during the radio section of a bronze exam.

Josh has helped train IRB squads during the year and is a passionate IRB racer. He also regularly transports IRB's and radios for repair as part of his position as club Radio Officer and ensures our radios are always ready for use. Josh has helped set up for Nippers most nipper days this year, completing IRB water safety at Branch and State carnivals. He also did his level 1 Officials course to act as Judge in Boat to assist the club with its official's requirements. Josh is waiting to start his RWC training later this year to increase his rescue capacity.

Richard Bridge Memorial Trophy – Young Patrolperson of the Year – Bronte Bagala is a quiet but committed club member who has a genuine concern for the welfare of the younger members of our club. She has good instincts and is working towards backing these up by gaining every qualification she can. She completed her bronze at the end of last season and this season gained her IRB crewman's award.

Bronte has been a solid supporter of the nippers, being committed to attend and offer water safety each Sunday morning during the season. Bronte has also become involved in IRB racing and is a constant participant. She is now training for her IRB drivers and looks forward to being of assistance to her patrol when qualified. She has completed

120.5 patrol hours this season and at one stage was committed to attending two different patrols. Bronte is enthusiastically working towards completing her Bronze Duke of Edinburgh Award this season.

John Burgess Memorial Trophy - Volunteer of the Year – Rebecca Rodwell was nominated by several people, which indicates the number of people that have great respect and admiration for her work. She has been involved in many aspects of club life, in fact it is estimated that her commitment to the club has exceeded hundreds of hours.

Beck shows great initiative in doing what needs to be done, great enthusiasm in all areas and always has a complimentary or encouraging word to others. She is always extremely professional and compassionate, even when dealing with difficult issues.

Beck has achieved 100% patrol attendance, completed many hours as water safety, assisted with fundraising activities, is an age manager, official and junior activities recorder. Beck has also coordinated officials for carnival, participated in junior committee meetings, acted as the junior director, helped organise awards for the junior presentation and even made cakes for the Tremblers as a thankyou for their fundraising efforts.

Gordon Lambert Memorial Trophy – Rookie of the Year – Jake Bowles completed his bronze in December 2008 and has gone on to obtain several more awards including IRB Crewman's and Drivers.

Jake has amassed a huge 79.5 patrolling hours this season and is always keen to improve his patrolling skills. He brings a lot of enthusiasm and enjoyment to each and every patrol, always ready with a smile or a joke, and is positive and encouraging to fellow teammates.

Jake has embraced many other aspects of club life, becoming heavily involved in IRB racing and increasingly competitive in this arena. Jake also provides many volunteer hours for the club in other areas, is always willing to lend a hand at events such as the ocean swim, and is seen volunteering behind the bar during most Sunday Sips.

Instructor of the Year Trophy – Hilton Farquhar is the U6/U7 age manager for Terrigal nippers and there is no greater asset to our nipper program. It's hard to put into words what he does for the nipper movement, you really have to see it to understand the contribution he makes.

Hilton hits the beach each Sunday morning at approximately 6am – he firstly clears and then rakes the beach to ensure the kid's safety before roping it off and setting up a colourful array of flags, witches hats, tug of war ropes and many other props that he uses in his unique educational program.

The kids arrive with excited anticipation, nearly jumping out of their skin to tell Hilton of some story they have been saving all week just for him – then at 8.30am "Hilty's Army" is loud and proud for the next two plus hours as they are put through their paces.

From day one, all of the "army can tell you what colours the lifesavers wear, how to find them and when to go to them for help. They know how to signal for assistance, what colour the flags are and how to stay together as a team. The kids regularly sign out their answers at the top of their lungs and the messages are also received loud and clear by the parents and younger siblings who are also engaged in the group.

Hilton develops the kid's skills, confidence, respect and enthusiasm for lifesaving in each and every session and builds upon this throughout the season. He engages the parents and quietly trains them up to become future age managers. Despite his own child being in the 14's now, and rarely seeing him participate, Hilton is passionate about developing the youngest age groups.

The kids absolutely love being in Hiltons group, and the parents are in awe of his ability to have 70+ kids hanging on his every word. Everyone in "Hilty's Army" **knows** they are going to grow up to be a lifesaver, and after all, that is what the nipper program is all about.

Good Gear/Gun Web Systems – Patrol of the Year – Patrol 3 captained by Gary Bunch

Westfield Rookie of the Year – Matthew Reynolds is an outstanding rookie, he is completely engaged in club life, as a patrolling member, as a final-year nipper, as a competitor and with every event and activity that we have going on. He is an outstanding representative of the surf life saving movement. Matt completed his SRC in June 2009, has participated in the rookie challenge and lowering of the flag ceremony.

Matt achieved a feat few in our club's history have achieved – he was named the Central Coast and NSW Junior Lifesaver of the Year, an achievement that entailed a massive application process including numerous interviews, skills tests and leadership attributes. Matt is an outstanding young member of our club, we look forward to the contribution he will make to the senior club, congratulations on your success this year.

DIRECTOR OF JUNIOR ACTIVITIES

New directions - This was my first year as Director so with the Junior Activities Committee (JAC) we looked to build on our past successes:-

- Notably good year last year
- Great coaching
- Great competition results
- Great team (everyone)
- Solid experience levels

and to take Nippers at Terrigal to even greater levels of participation and enjoyment for ALL our nippers and parents.

This meant taking new strategic directions and **having a go** at new ideas. The directions we are taking are part of a three year plan to **keep the great things we do (eg. competition) as well as** get back to Red & Yellow basics (Lifesaving), improve the nippers experience, and to improve our support to our age managers each year.

Quite a lot of the new ideas worked this season and some did not. Sometimes we do not know what we are capable of until we try it - and we should not punish ourselves if ideas do not work out as expected. This philosophy will continue as we strive to reach even higher levels of participation, education and enjoyment for our nippers at Terrigal.

The Nippers management team is responsible for our success. A special thanks to Beck Rodwell who backed up my role and completed an enormous number of jobs that we have to do to run nippers.

Coaches - Daniel Lockwood our head water coach, ably assisted by Bruce Moy, Greg Smith and Tony Brosnan; and to Chris Jones our new Beach Coach this year.

Age Managers -

Hilton Farquhar - U7s

Traci Moy, Chris Sellars - U9s

Kerrie Stack (Roger Belmar), Tim Graham (Andrew Pryde) - U11s

Kerrie Hall, Karleen Carrick - U13s

John Deacon, Wes Pettiford - U8s

Matt Rodwell, Des Johns - U10s

Beck Rodwell, Greg Rippon - U12s

Darren Nurthen (Stella), Stuart Moore
(Darren Reedy) – U14's

Officials - we had many people help when the situation was desperate and are very grateful to the following people who officiated many times above and beyond the call.

Richard Hudson, Steven Clarke, Chris Jones, Mick Van Dartel, Darren Reedy, Maureen Reynolds, Kathryn Harris, Kerrie Redrup, Peter Moyes, Daniel Hudson, Josh Cole, Beris Meldrum and Michael Jonquieres.

Water safety - again there are too many of you to name that have helped and to all of you we express our gratitude. In particular we thank Debi Barnes as water safety coordinator and Josh Cole for their tireless efforts.

Recorders - Beck Rodwell and Karina Brown

Gear/towing - Greg Smith

Our Junior Club Captains - Karlee Nurthen and Jordan Moore

Our Junior Vice Club Captains - Keeley Smith and Nathan Smith

Also thanks to all of the parents who committed to help us out this past year. Without your support we simply cannot offer a great experience to our nippers through the many programs we run.

2009/2010 Season highlights

1. Detailed Season programmed with the JAC input prior to season commencement.
2. First Nippers Carnival at Terrigal in a decade.
3. A new dedicated Beach coach in Chris Jones to improve our nippers beach competition skills
4. Nippers Rescue Day - many commented this was one of the best nipper days we have had for years and we also received great news coverage from NBN (see photos).
5. Tremblers presentation of 11 new boards - the Tremblers conducted a BBQ each week to raise fund for us. They raised over \$6000 that was invested back into nippers for touring shirts and the purchase of 9 new foam boards and two new fibreglass boards. This is the first time in many years we have been able to invest in new equipment. A Sensational effort!

6. Season extended two weeks after State to allow us to finish the season doing fun things.
7. Matt Reynolds winning NSW Junior, and Central Coast Branch Lifesaver of the year.
8. Beck Rodwell winning TSLSC Volunteer of the Year and Hilton Farquhar as Instructor of the Year.
9. Fantastic competitive results - our Club achieved 2nd at the Branch Carnival, and at local carnivals we achieved one 1st place and two 2nd places. At the Beach only Carnival we achieved 4th place.

I look forward to seeing you all again next season as we continue to build a really great Nippers program with even more fun and great experiences for the kids.

Greg Rippon

LIFE MEMBERS

The financial report has disclosed that the Life Members Fund enjoys a credit balance of \$42,135.03 (forty two thousand one hundred and thirty five dollars 03c). These funds are held at National Australia Bank A/c # 53878-3225 (\$135.03) and Term Deposit # 032-545 21-5139 at Westpac (\$42,000). This Term Deposit is due to mature on 28th September, 2010. The deposit and interest due of \$1,547.53 will be rolled over for a further term.

Donations to the Club have exceeded \$10,000 since the Fund was established in 1983. The vision for the establishment of the Fund was to create a "Future Fund" for the enhancement of the Club's growth in the ensuing years. It is not there for the utilization by any committee or committees. The Fund is fully run by the Life Members and is conducted on a perpetual basis.

Below is a short summary of the history of the Life Members Fund –

- Foundation of the Life Members Fund during 1983. Foundation members were Life Member Mark Power and Life Member Peter Wyllie.
- Fund established for future members to receive the benefit of the past and present members of the Club.
- Fund to be conducted on a perpetual basis and continue to remain this way.
- Core assets to be retained to ensure the future of the Trust.
- An amount of up to 80% of the interest earned to be donated to the Club at the discretion of the trustees on an annual basis.
- The Fund will not intentionally impede on the Club's fund raising efforts and all funds raised in the name of the Fund to be retained by the Fund.
- Life Member Jack Tennent made a donation from his estate in 1989-1990 season of the sum of \$1,000.
- First objective target of the Fund was \$10,000 and this was achieved in the 1992/1993 season.
- The Fund has granted two loans to the Club. The first was for the \$12,000 in the 2001-2002 season to assist with purchase of chairs and tables for the new club house.
- The second was \$32,000 in the 2007-2008 season to assist with the Club's cash flow pending sale of the café goodwill. Both of these loans have been fully repaid. These loans to the Club are the exception not to be taken as the rule. It is fully understood that the Fund is not in place for the utilization by any committee or committees. The Fund has long term objectives to be achieved.
- Funds in excess of \$10,000 have been donated to the Club since the Fund was established in 1983. This amount has been made up of direct cash donations and the value of the jackets which are presented on the Awards of Excellence Night.

The vision for this Fund is that in the future the Fund will be able to provide one or more scholarships/sponsorships for the members of the Club on an annual basis.

These awards will take the form of educational funding or direct sporting cost funding. This, however, will not occur until the Fund achieves sufficient capital to make this possible.

The Life Members are happy to answer any enquiries on the principal function and direction of the Fund at any time. We will also be grateful for any meaningful input on future fund raising opportunities or direct contribution to the Fund.

It was a pleasure to be in attendance at the Annual General Meeting last year where Paul Stone was elected as a Life Member of the Club. The Life Members are pleased to welcome Paul to our ranks. The induction of Paul as a Life Member is a credit to the Club.

The present Trustees of the Life Members Fund are Mark Power, Paul Hawkins and Ron Stone. The Life Members have conducted an election for the 2010-2011 season and the same Trustees will be forwarded for ratification at the Annual General Meeting.

DIRECTOR OF FINANCE REPORT

The past season has been impacted noticeably by the economic climate. Income from sponsorship, and hall hire has been reduced. However by a certain amount of restraint, most of the clubs seasonal purchases have been possible, suppliers have been paid on time, repayment of debts has continued, and a small amount of savings has also been possible. Although behind in payments, the Kiosk has been steadily repaying the backlog up, and should neutralise its debt within 2 years.

The next season will bring a number of challenges. Income from the hall hire will need to be increased. More effort will be required obtaining sponsorships in a climate that is very challenging. Money will need to be allocated now on a regular basis for maintenance. The Club building is now 10 years old and many fixtures and amenities will now require refurbishment and upgrading. Money will also be needed for future expansion or upgrades. However some costs may be reduced, such as Lift maintenance. Progress will however require consistent and detailed scrutiny.

Congratulations and thanks must go to our auditors, all those who assisted in selling club clothing, assisting with sponsorships and to the previous administration which began the process of eliminating existing club debt and thus making it more resistant to a poor economic climate. Special thanks should also go to the present administration helping during the season to keep the budget balanced in a difficult period.

Greg Elfick

AUDITORS' REPORT TO THE MEMBERS OF TERRIGAL SURF LIFESAVING CLUB INC.

Scope

We have audited the financial report, being a special purpose financial report, of Terrigal Surf Lifesaving Club Inc. (the Surf Club) which comprises the balance sheet as at 30 April 2010, the income statement, and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The Committee is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Act (NSW) and are appropriate to meet the needs of the members. The committee's responsibilities also include establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members and for the purpose of fulfilling committee's financial reporting requirements under the Associations Incorporation Act (NSW). We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical requirements.

Audit Opinion

In our opinion, the financial report of Terrigal Surf Lifesaving Club Inc. presents fairly, in all material respects the financial position of Terrigal Surf Lifesaving Inc. as at 30 April 2009 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Cash at end of the financial year		181,394	105,405

NOTE 1 - ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act (NSW) and the following Australian Accounting Standards:

AASB 1031	Materiality
AASB 110	Events Occurring After Reporting Date
AASB 117	Leases

No other applicable Accounting Standards or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Plant & Equipment Depreciation

Plant and equipment are recorded at cost and are depreciated on a straight line basis over their estimated useful lives. The depreciation rates used for each class of assets are:

Building improvements:	4% to 20%
Surf equipment:	33%
Function room plant & fittings	20%
Office equipment:	20%
Furniture & fittings canteen:	20%

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

(b) GST Units

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

(c) Income Tax

The Club is exempt from income tax and accordingly no liability is recorded.

(d) Inventories

Inventories are measured at the lower of cost or net realisable value.

(e) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Club will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

(f) Revenue

Revenue is recognised as follows:

- Members income, donations and sponsorship revenue is recognised on receipt and recording in the books of the Surf Club.
- Income from the sale of merchandise and product from the canteen is recognised when the merchandise or product from the canteen is supplied to the customer.
- Income from hire of the club house (hall hire) is recognised at the time the club house is provided to the customer.

NOTE 2 – CASH AND CASH EQUIVALENTS

	2010	2009
Cash in Hand	3,468	1,785
Cash at Bank	<u>177,926</u>	<u>103,620</u>
	<u>181,394</u>	<u>105,405</u>

NOTE 3 – TRADE RECEIVABLES

Trade Receivables	<u>18,511</u>	<u>23,015</u>
At cost		
Bar	5,104	3,207
Club Clothing and Merchandise	<u>8,195</u>	<u>6,473</u>
	<u>13,299</u>	<u>9,680</u>

NOTE 5 – UNSECURED LOAN – VENDOR FINANCE

In September 2007 the Surf Club entered into an agreement to sell the equipment of the Canteen for \$132,000 (GST-inclusive). The amount owing to the Surf Club at 30 April 2010 is receivable as follows:

Current	2010	2009
Due within the next 12 months	<u>55,000</u>	<u>57,000</u>

NOTE 6 – FINANCIAL ASSET

Life Members Fund	<u>42,135</u>	<u>40,428</u>
-------------------	---------------	---------------

The life members fund consists of short term bank deposits. Its use is restricted to those approved by the life members. The purpose of the fund is to establish an investment the income from which would fund the day to day operations of the Surf Club.

NOTE 7 - PROPERTY, PLANT AND EQUIPMENT

	2010	2009
Building Improvements – at cost	153,731	153,731

Travel	1.286	-
	33.047	35.345

NOTE 16 – COMMITMENTS AND CONTINGENT LIABILITIES

The estimated maximum amount of commitments not provided for in the financial statements as at 30 April 2010 are:

a) Operating Lease Commitments

Being for lease of canteen catering and office computer equipment	2010 \$	2009 \$
Payable as follows:		
Due not later than one year	1,596	4,787
Due later than 1 year but not later than 5 years	<u>-</u>	<u>1,596</u>
	<u>1,596</u>	<u>6,383</u>

b) Insurance Coverage

The Club is covered for all public liability claims under the public liability policy established by the NSW Surf Lifesaving Association. Policies covering damage to or theft of property and workers compensation have also been taken out directly by the Club. Accordingly the Committee believes that its insurance coverage is adequate to cover contingencies in these instances.

NOTE 17– CASH FLOW INFORMATION

	2010 \$	2009 \$
a Reconciliation of Net Cash provided by Operating Activities to Profit from Ordinary Activities after Income Tax Profit for the period	84,669	63,769
Non-cash flows in profit from ordinary activities:		
Depreciation	24,483	33,757
Net profit on disposal of plant and equipment	<u>-</u>	<u>(1,014)</u>
	<u>109,152</u>	<u>96,512</u>
Changes in assets and liabilities:		
(Increase)/Decrease in Trade Receivables	4,504	839
(Increase)/Decrease in Stock on Hand – Bar, Canteen & Merchandise	(3,619)	3,624
