59TH ANNUAL GENERAL MEETING

Notice is hereby given that the 59th Annual General Meeting and Election of Officers of the above Club will be held at the Clubhouse on Sunday, 8th August, 1982 commencing at 8.30 a.m. sharp.

A G E N D A

- ITEM 1 Apologies
- ITEM 2 Adoption of the Minutes of the previous Annual General Meeting
- ITEM 3 Business Arising from the Minutes
- ITEM 4 Correspondence - Inward and Outward
- ITEM 5 ** Election of Officers for the 1982/83 Season
- ITEM 6 Urgent General Business

NOTE: ** Nominations for the positions of the Executive and Management Committee close with the Hon. Secretary (in writing) on 25th July, 1982. Any member may stand for election to any position on the Executive and Management Committee, with the exception of Club Captain, Club Vice-Captain, Boat Captain and Vice-Boat Captain which shall be elected from Active and Active Reserve Members only.

No nomination will be accepted from the floor if a position has been nominated for in writing. In the event of more than one person being nominated for a position, a closed ballot will be held for that position.

PRESIDENT'S REPORT

I have pleasure in submitting this, my first report, as President of your club.

The success the club had is indicated by the support received from all executive and management committee members.

All meetings were well attended and with strong management, the club has once again retained the credibility of being a leading club on the Central Coast.

The club has again been restored to a strong financial position. As indicated in the Treasurer's Report, substantial funds have been utilised in the purchase of new gear and repairs of existing equipment. Our balance is still of the debit basis, however, is enjoying a much better position than the deplorable situation two seasons ago.

The prime duty of patrolling the beach was carried out in an efficient manner during the season, with once again, after 59 seasons, Terrigal Surf Club reporting that no lives have been lost whilst the club has patrolled the beach.

Membership has continued to rise with in excess of 70 active and active reserve members patrolling the beach. The awards gained throughout the season have been mentioned elsewhere in this report and it is only by the efforts of the Chief Inspector, Jamie Legge, and all his assistants, that we are able to maintain the high standard of efficiency and knowledge that our club is known for.

The Twilight Carnival was a huge success, however, the highlight of the season must have been by the junior girls at their Branch Titles. To be the leading club in this final year of segregation from the boys is one title that cannot be taken away from the girls. To have eleven girls selected in the Inter-Branch Team is indubitable for the efforts of the parents and executive of the junior body.

This report would be incomplete without my personal thanks to your executive members: Jamie Legge as Chief Instructor; Richard Moore as Treasurer; Doug Beckers as Club Captain and Ken Smith, your Secretary. Over the past season I have enjoyed the company of all these members both working for the benefit of the club and also on social occasions. I would be most remiss if I did not give a special mention of the efforts of your Secretary, Ken Smith and his family. I will be the first to say that only for Ken's dedication, your club would not be enjoying the credibility that we now have. We all owe Ken a great vote of thanks.

I leave it to all to pursue the many reports contained herein to get a full picture of the many achievements the club has gained throughout the season.

My personal thanks to all members on the Management Committee for the support they have given me. My thanks also to the Ladies Auxiliary, patrons, honorary officers, all sponsors for all their financial assistance and especially the members who carried out their patrols in a diligent manner on the beach.

My congratulations to Mark Sutton, John Ranken, Neil Beckers, Garth Smith and Daph Smith who were the recipients of the club's Annual Awards for a job well done.

In closing, I would like to thank my wife, Heather, for her help and many hours spent on her own whilst I have carried out my duties as your President.

I am sure all the members of the club can look back on the past season as a successful one and they are looking forward to the many challengers of the next season.

MARK A. POWER,
PRESIDENT.

SECRETARY'S REPORT

Dear Members and Supporters,

A most efficient and dedicated management, Ladies Auxiliary and Junior Committee has, (with the exception of a few closing remarks) left me with nothing to say other than it gives me great pleasure to submit the 59th Annual Report and Financial Statement covering the club's activities for the 1981/82 Season.

KEN SMITH.

M E E T I N G S

During the Season the Management Committee met on 11 occasions up to and including the May Meeting. The attendances at these meetings were as follows:

	<u>Meetings Attended</u>	<u>Apologies</u>
M. POWER	11	-
J. LEGGE	9	2
D. BECKERS	9	2
R. MOORE	10	1
K. SMITH	11	-
P. HAWKINS	10	1
D. RITCHIE	5	2
P. VICKERY	1	6
D. HONEYMAN	8	3
P. BEAVER	4	1
A. RICHES	2	5
N. BECKERS	6	2
M. SUTTON	9	2
G. SMITH	9	2
P. D'ARCEY	7	3
S. UNDERWOOD	7	1
J. RANKEN	4	1
D. SMITH	11	-
K. LYLE	6	2
P. HAWKINS	5	5
I. TAYLOR	6	1
G. BECKERS	5	3

The meeting figures aforementioned represent an average of just over 70%, which is very satisfactory when you consider that a number of Committee Members were otherwise involved with Patrols, Power Surf Rescue and Junior Carnivals as some meetings were held on a Sunday afternoon.

Rescues for the season were:

Without Aid	1
With Reel, Line and Belt	4
Rescue Tube	4
Rescue Board	7
Surf Boat (IRB)	<u>2</u>
TOTAL	18

PREVENTATIVE ACTION

People audibly warned or directed to safety = 240

FIRST AID was rendered to 396 persons throughout the season. The above figures include marine animal stings, jelly fish, etc.

SUNDRY EQUIPMENT:-

Swimming Bouys - set	1	Boat Bouys - set	1
----------------------	---	------------------	---

GEAR STEWARD'S REPORT

The 1981/82 season has seen a lot of the gear being used and broken and/or worn out. The six rescue reels we own are all in desperate need of repair, but due to the fact that parts and equipment needed to repair them have not been delivered from the only supplier, makes things very difficult.

Reels aren't the only equipment which are in a bad state of disrepair, all the gear needs constant maintaining and replacing. Due to the lack of time to spend repairing this equipment, most of the gear will have to be looked at over the winter break. Apologies must be in line for next season's Gear Steward but I can only say "I did my best".

MARK SUTTON.

CLUB CAPTAIN'S REPORT

Ladies and Gentlemen,

It is with great pleasure that I write this report for the 1981/82 season. This year has been the most rewarding for me since I have been a member of the Terrigal Club.

This season there was not a rostered patrol day in which the beach was unattended by a patrol. All of the credit for this must go to the hard working committee and, of course, the ACTIVE MEMBER.

There are many facets of surf life saving. The following are areas I feel I must comment on:-

The Board of Examiners -

It is these hard working people which make our movement tick. I would especially like to thank our Superintendent, Ron Stevens; our District Supervisor, Warren Lupica and Exam Co-Ordinator, Slim Peebles, who have been of great assistance to me this season.

The Branch Executive -

This being my first year as Club Captain, I have had some problems which I have not come across before. The help and the advice of the Branch Executive has been invaluable.

Sponsors -

I must thank these bodies for their financial assistance. Without these bodies our Surf Club could not operate.

Firstly, I would like to thank the Federal and State Governments for their generous support, through the dollar-for-dollar grant and the capital assistance grants.

I must also thank Gosford City Council for its yearly \$800.00 grant and the painting of our clubhouse.

The Central Coast Leagues Club for its grant and also thank you for the use of the premises for meetings.

Pace Leisure Centre for its financial assistance in the purchase of club gear.

Erina Kindergarten for its financial assistance. Also to the many other sponsors who are too numerous to mention here. THANK YOU.

Patrolman of the Year -

John Ranken, this year's recipient has been outstanding in his duty as a patrol member. He was never late for a patrol. A patrol captain. Has 100% patrol and was one of our most vigilant members. Although he gained this award there were a number of other members nominated and this just shows the standard of our active members.

Clubman of the Year -

continued /....

Clubman of the Year -

Mark Sutton, this season's recipient, has really worked for this award. Apart from being one of our best patrol members, he was one of our best club members. This unbeatable combination allowed him to gain this award.

Competitor of the Year -

Neil Beckers, this year's awardee, is beyond doubt our best competitor. He competed at all carnivals, all club championships and most rounds of the handicap surf race.

Rookie of the Year -

Garth Smith, being this year's awardee, has proved to be the junior member with the most potential. This year he has done an excellent job as radio officer. He also gained his Bronze Medalion and helped in the instruction of many award candidates.

Active Members -

This year we had 73 active members. Included in this number are four static patrol members and 8 active reserve members. Amongst these active members, there are eleven female lifesavers. This lot of active members have been the best for many years.

The standard of our patrols is something which every member should be proud of.

Patrol Captains -

This season's Patrol Captains, Charlie Legge, John Ranken, Eddie Johnson, Mark Sutton, Richard Moore, David Honeyman and Phillip Vickery have done an excellent job.

A special thanks too is due to Mark, Eddie and David because it is their first year as Patrol Captains and, hopefully, there will be many more to come.

100% Patrol Efficiency -

This season 19 people gained 100% patrol. Last season there were only 7 people, so what a great improvement.

There were a few people who missed out on 100% patrol by either missing just one patrol or by getting one substitute. A bit disappointing but there is always next year.

New Awardees -

This year we have 10 active members who have gained an award for the first time. Congratulations to these members and hope they keep gaining new awards.

Club Championship -

Senior - The senior club champion, Glen Beckers, proved to be a worthy winner. Winning by just a few points, there was some good competition coming from members like Phillip Vickery and Mark Sutton.

Junior - continued /...

Club Championship - continued

Junior - Neil Beckers won this section, dominating every event. Second place to Neil was Gary Robertson who put in a mighty effort but unfortunately Neil was just too strong.

Cadet - Lynda Scott won this section. She won it narrowly from her other team members, Jennifer Beckers, Cherie Robertson and Phillip Griffiths who proved to be worthy competitors in this section.

Handicap Surf Race -

Neil Beckers was the winner this year. In second place was Karen Magor and in third position Gary Robertson. Thanks must go to Phillip Vickery and Neil Beckers for the running of this event.

Interpatrol Competition -

This season's winners were patrol number 4, comprising of Phillip Vickery, B. Zeikenheiner, D. Jenkins, C. Robertson, L. Scott, M. Trehy, N. Littlewood and K. Lyle. Congratulations to these people.

Nippers and Nipperettes -

It is pleasing to see that our club has such a good contingent of Nippers and Nipperettes.

This year we won the Branch Nipperette carnival, what a tremendous effort.

Congratulations must go to the Junior Committee and Chairman Paul Hawkins for the work they have done throughout the season.

Don Ritchie -

A special thanks must go to Don Ritchie for his help at carnivals. Don lent us his tent on all occasions and thank you very much for your help Don.

Phillip Vickery -

A special thanks must go to Phillip, our Vice Club Captain, for the great effort he put into the running of the Club Championships, the Handicap Swim and the Interpatrol Competition - thanks Phillip.

Club Officers -

Last but by no means least, I must thank the support I have been given by the various club officers: Jamie Legge as I.R.B. Captain and Chief Instructor; Mark Sutton as Gear Steward; Neil Beckers as Board and Ski Captain; Paul D'Arcey as First Aid Officer; Scott Underwood as Publicity Officer; Garth Smith, Radio Officer; Paul Beaver as Boat Captain. And, of course, my fellow executive officers: President Mark Power; Secretary Ken Smith and Treasurer, Richard Moore. A big thank you to all those officers. Without them, Terrigal Surf Club would not exist.

That concludes my report for the 1981/82 season, looking forward to an even better 1982/83 season.

DOUG BECKERS,
CLUB CAPTAIN.

CHIEF INSTRUCTOR'S REPORT

I would like to point out that the strength of a surf club is to be found to a large extent in the number and quality of its instructors. Terrigal has more keen, young active instructors than most other surf clubs. I would especially like to thank those people who took the responsibility for the instruction of squads:

Paul D'Arcey	Peta Daly
John Ranken	Eddie Johnson
David Honeyman	Mark Sutton
Glen Beckers	Doug Beckers

Almost as pleasing has been the number of people who have been willing to assist in the training of squads. No one, to my knowledge, has refused to help an instructor. Many have offered; Neil Beckers, Scott Underwood and Garth Smith deserve special mention for the number of times that they have assisted different instructors.

To improve our club further we need more bronze holders doing patrols, more resuscitation awards and more I.R.B. awards. While we have the previously mentioned people in the club we will get these awards. The challenge is to involve new bronze holders in the activities and responsibilities of surf lifesaving and thus keep them in the movement.

JAMES LEGGE.

I.R.B. CAPTAIN'S REPORT

The Terrigal I.R.B. had more use than most other boats on the Central Coast. There was only normal wear on the boat and motor at the end of the season. My standing instruction to the people training on it has been to take it through, round and over the biggest surfs they can find. A squad of six drivers and as many crew trained throughout the season and by the end all were well over the required hours. It is a tribute to their responsible attitude that the boat cost the club so little money.

Without the monetary assistance of the Australasian Order of Old Bastards the club could not have operated the boat. Barry Roffey's assistance and advice through the season was invaluable and always cheerfully volunteered. I personally would like to thank the Wamberal S.L.S.C. for the donation of its old boat; Ken Brown for getting it into such good condition for such a reasonable price and Ian Pardon and Long Jetty Marine for their time, labour and advice freely given all season. Through the efforts of all these people I, and others in the club, have learnt a great deal about I.R.B.'s and have performed a number of rescues.

It is sad that a number of parts wearing on the motor and boat and the lack of money to rectify these faults (a broken deck and a broken prop guard) put the boat out of action just before the Easter weekend. It is more unfortunate still that the men who had trained so hard all season were then unable to go for their awards. The arrangements for them to be examined had been made and I am certain that they would have performed credibly.

JAMES LEGGE.

SOCIAL SECRETARY'S REPORT

Only two functions were run throughout the season due to a number of social events being run by the Nippers and a couple of travel raffle nights.

The first night held was a Smoko for Active Members (past and present) and was on the Friday of the long weekend. With a roll-up of 18 people, we did quite well to keep our losses down to forty-odd dollars.

The second function was an Hawaiian Night on the Sunday of the long weekend in January. Profit on the night was approximately \$280 with half of the money going to members of the Australian Championship Touring Team who, supposedly, were to set-up and run the night. Thanks from myself and Daph Smith to those who did contribute to the night.

JOHN RANKEN.

BOARD & SKI CAPTAIN'S REPORT

The season of 1981/82 has been quite a successful year in the Board and Ski area.

Through a generous sponsorship from Pace Leisure World Gosford we purchased two new racing skis and three new rescue boards.

Ron Sumner, a well known member of Terrigal Surf Club was kind enough to donate a new wave ski.

This year again we were supported by Erina Kindergarten, they donated three paddles to the value of \$150.

Early in the season we carried out repairs on some of the skis. I would like to thank Paul Beaver, Mark Sutton and Glen and Doug Beckers for their time and effort.

During the season, we competed at all major carnivals. I would like to thank Wamberal S.L.S.C. and in particular Gary Lambert, for the use of their gear at some carnivals.

In reference to carnivals our major competitors were Charlie Legge, Robert Broue, Mark Sutton, Douglas, Glen and Neil Beckers. We were represented at all local carnivals, State and Australian titles by most of the above competitors.

In closing, I would like to say that without the generous help of sponsors our work would be a lot harder. I once again thank these people for their donations.

Yours in Surfing,

NEIL G. BECKERS.

RADIO OFFICER'S REPORT

Dear Members,

The 1981/82 season was a relatively quiet one on the radio side of things, with only one major rescue in November which was handled very well.

We started the season with a one watt radio and one five watt radio, the Committee purchased another one watt radio from Ron Field which was demonstrated at the Branch Field Day at Avoca early in the season. My thanks must go to Ken Lyle who fixed the 3 one watt radios that were not working - these radios will be used next season.

There are five people training for their Radio Operator's Certificate and these people will be a great asset to the club when they have gained this award.

Maintenance on the radios was kept to a minimum during the season with only the power pack on the five watt radio fusing out. Thanks to Jamie Legge for the lend of a car battery to run the radio.

I would like to thank all the active members who persisted in the manning of the tower.

Yours in Surfing,

GARTH SMITH.

APPRECIATION NIGHT

PRESIDENT'S REPORT

Having read the President's Report for the 1980/81 season, I feel the Ladies Auxiliary has had a most successful and enjoyable year. Starting the season with a completely new and inexperienced executive the year had a very unsteady beginning. However, continued hard work by several people made every venture undertaken an absolute success. Peta Daly has to be thanked outside of the executive as she attended every function and fund-raising venture the Ladies Auxiliary handled.

Special thanks must go to a capable executive and to Pat Hawkins who as Vice President, stood in my place and ran the meetings when I was unable to attend.

As mentioned earlier, we enjoyed a successful year. This success I feel showed mainly in the smooth running of the Raffle Nights held at the club. These nights were extremely well catered for and enjoyed by the Auxiliary as well as those who attended. The club barbecues were undoubtedly very successful and our thanks must be extended to Charlie Reynolds of Wamberall Butchery who on several occasions, prepared our meat order on the Sunday or public holiday for our convenience.

A happy medium was obtained between the ladies and the Senior Club. Thanks Daphne for being the delegate and managing this with ease for us.

Finally, a thank you is extended to the Junior and Senior Club members who gave of their time to help the Ladies Auxiliary when it was required.

See you all next season.

STEPHANIE BLACKMORE.

SECRETARY'S REPORT

It is with pleasure that I submit my Annual Report as Secretary of the Ladies Auxiliary. I have enjoyed working with the ladies at our monthly BBQ's and other functions. The minute book is up to date and all the necessary correspondence has been attended to and posted.

Due to other existing commitments, it will not be possible for me to continue in this capacity next year but I will give my support wherever possible.

Yours in Surfing,
BEV BECKERS.

TREASURER'S REPORT

The 1981/82 season was quite a successful and busy season for the Ladies Auxiliary. It was disappointing, however, to see such a poor attendance at our meetings. The same few ladies attended every meeting each month. We welcome any ladies who would like to come along and join in our meetings as I am sure there are a number of ladies amongst the parents who could offer worthwhile suggestions for fund-raising activities.

The money raised this season was the direct result of the enthusiastic co-operation of many sincere and dedicated ladies from our Club. To those ladies who have given so freely of their time I record my sincere thanks.

I would like to extend a special thanks to Richard Moore for the assistance he gave me in organising the accounts and balancing the books.

In conclusion, I would like to say how much I have enjoyed working with the ladies this season and I am looking forward to further involvement with the Ladies Auxiliary in the 1982/83 season.

JULIE TAYLOR.

JUNIOR CHAIRMAN'S REPORT

It gives me great pleasure to again write this report for the Year Book which has become quite an important book for a number of reasons.

I would like to thank the committee sincerely for all their hard work and many hours they have given up to help the Juniors this year.

My many thanks to the parents who helped on and off the beach but it would be pleasing to see more people attending our meetings, especially next season when the rules and by-laws will be re-written and it is up to you, the members, to change anything considered necessary before the season starts.

This season saw the start of open carnivals, that is, boys and girls competing against each other. In my opinion it is not a good thing, but I must take my hat off to the young ladies of our club for they certainly were not disgraced in any way. Congratulations to all girls and boys who were chosen for Inter-Branch Teams.

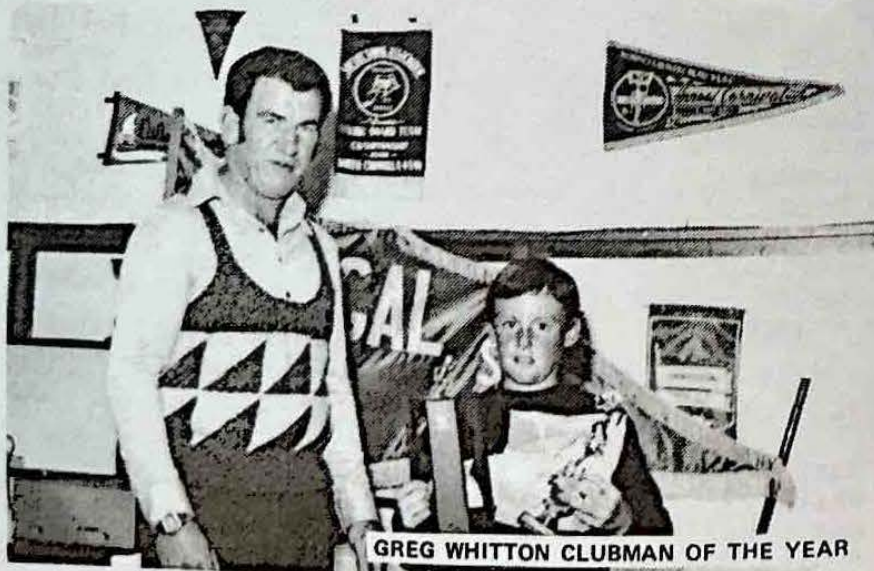

This season saw the last of an all-girls Nipperette Branch Titles and on behalf of myself and the entire Terrigal Surf Life Saving Club we would like to salute the team of young ladies representing our club at Copacabana for they have the honour of being the girls Branch Champions of 1981/82 with 10 first, 7 second and 6 third places in varied events and a third in the March Past.

Congratulations to all the boys and girls who gained awards throughout the year and especially Mrs. Peta Daly who not only gained her Resuscitation Certificate but trained several squads successfully. Many thanks to the Terrigal Chief Instructor and his band of merry men who gave their time and assistance with the training of the Juniors for their age awards. Thanks Jamie.

Congratulations to the team who travelled all the way to Kings-cliff for the State Titles, good effort by all. Alas, no medals but a good time had by all, mums, days, boys and girls.

To Michael Sydenham, Junior Club Captain and Laura-Jane Smith, Nipperette Club Captain, thank you for help and support. You will both be missed by the Juniors, good luck in the Senior Club.

In closing I would just like to say thank you to every girl and boy for coming to the beach each Sunday and to their parents, also to all the families who attended our monthly barbecues and to all our sponsors. Thank you very much and hope to see you all plus your friends next season on Terrigal Beach and remember Terrigal Juniors are the Seniors of tomorrow. PAUL HAWKINS.

JUNIOR SECRETARY'S REPORT

The past season can be looked upon as very fruitful in terms of the competition on our beach, especially in the younger age groups, which continue to grow in numbers. However, it is disappointing to note that there was a drop in numbers in the senior age groups, especially the boys.

It was particularly pleasing to see a great number of parents helping out on the beach and in the water and so contributing to the smooth running of the events each Sunday. To all those parents, I would like to say thank you and please come forward again next season and make Terrigal a strong and united surf club.

The highlight of the season was undoubtedly the Nipperettes winning the Branch Title and congratulations must be extended to all girls who competed at the carnival.

I would like to thank our Junior Chairman and all other members of the Junior Committee for their efforts during the season. A special thank you to Pat Hawkins for the typing of newsletters, etc. for me throughout the year.

Finally, I would like to express our sincere appreciation, on behalf of all the members of our club, to our very generous sponsors for their continued support.

Best wishes to all members for the coming season.

GARY BLACKMORE.

JUNIOR TREASURER & REGISTRAR'S REPORT

This season the Juniors and many parents worked exceptionally hard to raise money to send a team to Kingscliff for the State Titles. Fund-raising activities included such things as Bucket Brigades, Beach Raffles, Cabarets, Skating Day, Silver Mile and a cake stall. The total money raised for the season by the Juniors was approximately \$6,500, a large amount of this going towards the cost of the trip to Kingscliff.

Registrations this season were almost equal to last season. There were 102 boys and 66 girls registered with our club, a total of 168 children compared with 170 last season. Many of our new members displayed a high standard of ability both on the beach and in the water.

I wish to thank Paul and Pat Hawkins for the assistance they have given me this season and I am looking forward to seeing everyone again at the commencement of next season.

JULIE TAYLOR.

Forget the handshake Mr. Steward I dont want to drop this lot!

NIPPERETTE SUPERVISOR'S REPORT

The 1981/82 season has been most successful on our own beach. This year was the beginning of combined Nippers and Nipperettes at carnivals, these were not attended in the same capacity.

This season we registered 63 Nipperettes, a smaller number on last year.

Terrigal won the Branch Championship and overall point score held at Copacabana on 24th January, 1982. Our medal tally for the season was 118 - a very good effort.

Terrigal had 11 girls selected for the Central Coast Inter-Branch Team held at Fingal Bay. These girls were: Belinda McKeown and Tara Hunter (8 years); Jodi Baker, Wendy Stone and Amanda Henry (9 years); Lisa Pickett (10 years); Leanne Baker, Justine Matthews and Sally-Anne McKeown (11 years); Debbie Hall (12 years) and Raeleigh Tenant. All the girls were extremely good ambassadors for their club.

Sally-Anne McKeown was Inter-Branch Champion in the Board and Board Rescue.

We had 23 girls pass their respective certificates and age awards and Mrs. Peta Daly her Resuscitation Certificate. Congratulations to all.

Thank you to our Club Captain, Laura Jane Smith, who has helped the younger Nipperettes during the season and Sandi Scott, our Vice-Captain.

Our own competition included five Handicap Days and three Club Championships which were all well attended.

We had twelve girls competing at the State Titles held at Kingscliff, competition was very strong and everyone enjoyed themselves.

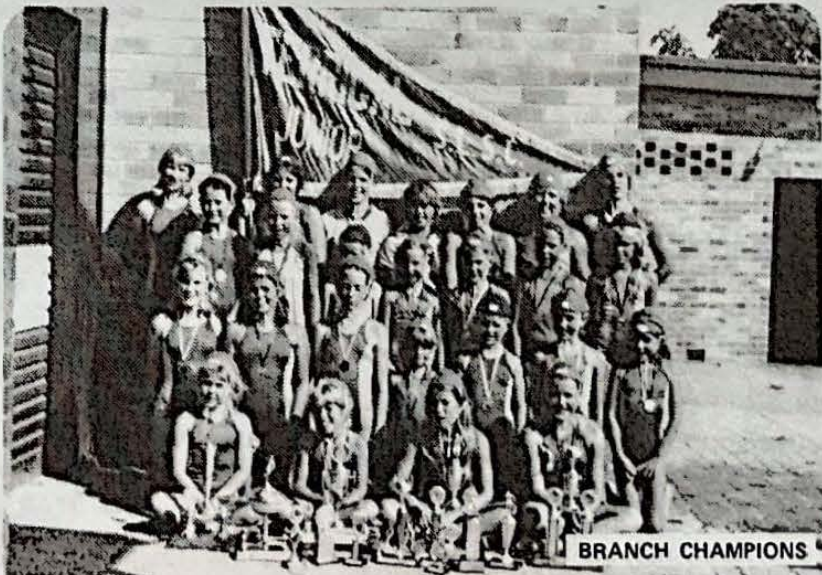

Thank you to Mrs. Pat Hawkins on the organisation of our trip to Kingscliff - a job well done.

I extend my thanks to all the parents who helped out during the season, both on and off the beach, Team Managers for their help and to our Recorder Mrs. Daphne Smith.

Delegates to branch, Mr. & Mrs. Ian Taylor, Mrs. Rosslyn Whitney, myself and Mrs. Pat Hawkins as a proxy delegate.

This being my second season with the club, I have enjoyed working with the girls and hope to see as many new faces next season.

BARBARA ABELL.

BEACH CONTROLLER'S REPORT

Once again, I would like to congratulate all the "Nippers" who competed throughout the season, the enthusiasm and sportsmanship shown being a credit to all.

Congratulations to those boys who competed in the "Mini" Carnival, Inter-Branch, Branch and State Titles. Also to those boys who gained their National Age Award Certificates.

With the number of Nippers on the increase each year, especially in the lower age groups, I personally hope that competition days can be held every Sunday (except major carnival days) on our own Terrigal Beach, thus ensuring continued interest amongst parents and children throughout the whole season.

Finally, on behalf of all Nippers, I thank those parents who helped each Sunday, for without this assistance competition would not be possible.

RICK JONES.

WATER SAFETY OFFICER'S REPORT

The 1981/82 season proved to be quite a successful one in regards to water events. I would like to mention the efforts of the following children: William Anido, who was chosen for the Boys' Inter-Branch Carnival earlier in the season; Lisa Pickett, Raeligh Tenant, Sally-Anne McKeown, Amanda Henry, Deborah Hall and Justine Matthews who were selected to represent the Central Coast at the Final Girls' Inter-Branch at Fingal Bay.

I would like to thank Jack Pickett, the Assistant Water Safety Officer, and Doug Anido for all their help in marking off the children's names and organising them for each event.

The Senior Club was most helpful in providing us with a crew for the Rubber Duckie so that we could set our swim buoys correctly and for the help they gave in supervising the water events.

Thank you to all the parents who swam with the children and thus ensured their safety at all times. Last but not least, my thanks to all the boys and girls who tried so hard, both at club level and carnival level.

IAN TAYLOR.

CONCLUSION

In conclusion, I feel that by now you would have realised what I meant by my opening remarks in presenting this report and trust that you consider it a full and accurate summary of the season's achievements.

I would personally like to thank the Junior Committee, Ladies Auxiliary, Management Committee and fellow executive. Hopefully, they will continue to form the nucleus of a strong steering committee in the seasons ahead.

A special mention to our Patrons, in particular, Frank Payne, Cec Reddy, Bert Buddeke and John Burgess; our resident caretaker Keith Gillette; Trevor Casey; Pam Mellon for her assistance once again with this report and my Assistant Secretary, David Honeyman. The list is endless but space does not permit. Perhaps the easiest way to conclude is by saying .. To all members and friends who helped the club in any way during the season, THANK YOU.

KEN SMITH,
Hon. Secretary.
