SECRETARY'S REPORT

I have great pleasure in presenting to the Members of Terrigal Surf Life Saving Club the 63rd Annual Report and Financial Statement.

It has been an exciting year - a consolidation year for our life saving activities under the diligent eye of Club Captain - Jamie Legge - and an outstanding development of our competition activities. All members respond to the challenges and a few shocks were handed out at Carnivals. Special thanks go to the Competition Co-Ordinator, Len Cook, who obtained a competitive transfer from Avoca Beach S.L.S.C. to provide the inspiration and leadership so desperately needed by our young competitors.

Congratulations go to Keron Gaul for being selected in the Branch under 21 team. Peter Talbot and Will Anido must have been unlucky not to have gained selection.

Bay to Breakers Run - Swim - Run was again a highly successful event conducted on the Christmas Weekend when the traditional Twilight Surf Carnival was also held. Hopefully, it will develop into an annual event attracting top competitors from all over the State. Our thanks go to Gosford Amateur Swimming Club for their hard work and organisation for making it so successful. With both events on the one weekend, it proved to be an outstanding tourist attraction.

The Executive has negotiated a major sponsorship for the 1986/87 Season with Mitre 10 and Taubmans to purchase rescue and competition gear. On behalf of all members I wish to express our appreciation for these two Companies' association with the Club. I trust it will be a long and meaningful association for all concerned.

Orders have been placed for the following items:

1. I.R.B. Motor
2. Rescue Malibu Board
3. Patrol Shelter
4. Patrol T-Shirts
5. Tent
6. 2 Racing Malibu Boards
7. March Past Costumes [Juniors]
8. March Past Costumes [Seniors]
9. R. & R. Costumes

In addition to this sponsorship, arrangements have been made with Sterland Brothers to sponsor a junior carnival at Terrigal Beach in November. Sterland Brothers have agreed to provide a full sponsorship providing all the medals and shirts for the officials.

Once again our old friend Peter Heenan of Central Coast International Trucks came to our aid in sponsorship of the Surf Boat. It was a pleasure to see Miss International competing again at Carnivals. Thank you Peter.

The social activities of the Club were well supported and out thanks go to Gail Grimley for her hard work and organising skills. She was well supported by husband, Keith.

Although there has not been a significant increase in active membership this year, the new members and those who joined last year completed in excess of 70 Life Saving Awards - there was a large number completing I.R.B. and I.R.B. drivers and crewman awards which points to the importance of mechanisation in life saving today.

Membership is as follows:

Life Members:	14
Active Members:	75
Cadet Members:	7
Associate Members:	73
Junior [J.S.L.S.A.] Members:	<u>156</u>
Total:	<u>325</u>

Finally I wish to express my appreciation to all members of the Executive Committee for their support throughout the year. I wish to express special thanks to Len Cook for responding to my many requests over the past few years to transfer to Terrigal to help light the competitive spirit of the Club, to Morrie Abell for performing any maintenance work needed and Gail Grimley and Peta Daly for their help with the Canteen. Once again Warren Lupica, our District Supervisor, was always on hand to offer guidance and advice.

To all - thank you

W. D. Anido
Honorary Secretary

PRESIDENT'S REPORT

Although last season we had a great year, if anyone had told me that we would finish this season with:

- \$6,000 in the bank,
- A major sponsorship for the coming year,
- Fourth place in both the Branch Championships Overall and handicap point score,
- Over 70 lifesaving awards gained,
- An increase in active membership,

and best of all

- No lives lost,

I didn't think I would have believed them. However, that's the situation at the moment.

The money in the bank represents an \$8,000 improvement on last year's situation. Although everyone is to be thanked for their financial support special mention should go to Doug Anido who raised over \$8,000 with his stall, and Rick Legge for looking after all our funds to ensure that we did finish "in the black" this year. To our sponsors this season we also extend our thanks for making our job a lot easier.

On the subject of sponsors, next season sees the beginning of a hopefully long relationship with Taubmans and Mitre 10 agreeing to sponsor the club. These two companies have agreed to initially fund \$5,500 worth of gear for the 1986/87 season. Such a commitment makes budgeting and purchasing of gear for the coming year a lot easier. I hope that the club does everything possible to ensure the sponsors get their money's worth out of us.

In the competition sphere Terrigal has started to once again be a force to be reckoned with. Len Cook came from Avoca to motivate and train our competitors and quite a few people found themselves excelling at branch level. Our beach relay side even came in third in the Ettalong Fosters Challenge against the best in Australia. This improvement in competition is gratifying to see because the improvement in skills that competition brings can only be beneficial [both to the club and the competitors] in the long run. It also provides incentive for people to join the club because everyone loves a winner.

Membership, particularly active membership, has continued to grow. Over 70 lifesaving awards were gained by members this year. It is good to see that most people are not content to get just their bronze medallion-many are going for ARC and IRB awards as soon as they are able.

This attitude of increased proficiency is being displayed in the patrols too. Sixteen [16] people got 100% patrol efficiency, and as I said earlier, no lives were lost this year.

Overall this has been a very special season. It has been one of the most successful seasons which ever way you look at it. It could not have occurred without a special commitment from everyone, and I thank you all personally for that. Some people have been especially helpful to me and I would like to thank here Rick, Doug, Len Cook, Keith and Gail Grimley, Paul Hawkins, Jamie Legge, Peta Daly, Paul Martin and John Trickett.

In closing I just want to observe that this year's spectacular success seems to have occurred because a lot of people have put in just a little bit of extra effort, and have got out of it a lot of extra pleasure. If this happens again next year it might just make this years successes look petty.

CLUB CAPTAINS REPORT

The Surf Patrols were performed efficiently throughout the season. Twenty-two rescues were performed throughout the season none requiring resuscitation. Nine serious first-aid cases were treated through the season most being broken bones and cuts from surf boards. The patrol captains did a great job. They led their patrols by example.

Len Cook and Paul Martin encouraged more people to take an interest in competing than has occurred in many seasons. Their efforts were appreciated.

Peta Daly trained and organised the training for large numbers of active members than have gained awards in many seasons. New bronze holders are the backbone of the Club in future seasons and Peta's efforts will be evident for years.

VICE CLUB CAPTAINS REPORT

It has been a good season for the handicap competition. I would just like to thank all the people who helped out, especially Len Cook for his encouragement, David Smith for having the I.R.B.'s ready, John Trickett for having the bouys ready, Craig Adams for the use of the Boards and Skis and anyone who I forgot.

The only real problem we had was one false shark alarm. I would also like to thank the Patrol Captain's who gave us I.R.B. Driver's and the competitors, without their participation it wouldn't be worth running.

I would also like to thank the people who helped out with the club championships, which were also a success. Thank you all!

COMPETITION REPORT

Starting off at the beginning of the season we entered about 18 in the Mac-Masters Beach Surf Carnival. Most of these had never competed in open carnivals before. Out of the competitors were laid the foundations of one of the best seasons this club has had in its recent history.

This success was attributed mainly by the attitude of the competitors. They went into their races with nothing to lose and everything to gain. Winning was only a bonus.

Our most successful competitors during the year were as follows:-

Open Beach Relay comprising of Peter Talbot, John Trickett, Craig Adams and Paul Minto. Reserves used during the year were Gerald Cadden and Des Johns. After winning most of the local carnivals this year, the boys were unlucky to go down to a very strong Ocean Beach combination at the Branch Titles. At State they made their only mistake of the whole year by dropping their baton. Bad luck boys! Next year, if they happen to train seriously for a change, the big titles are not beyond their reach.

Peter Talbot showed his class during the season with numerous placings in the open beach sprint. With concentration Peter has the potential to go to the top. [It would be interesting to see how he would go on an early night rather than early morning.

Paul Minto started the year slowly to come through at the end with a good placing at Branch in his Junior Sprint. Paul moves into the seniors next season so we hope he can continue to improve.

Keron Gaul showed determination throughout the year with places in board, surf, and double ski races. His efforts culminated in one gold and two silver at Branch. Those being for Junior Surf, Junior Board and Junior Double Ski respectively. In the latter combining with Michael Trehy who finally won a Branch Medal after four hard years of trying. Keron's State performances were good as he is only a first year junior. He missed by two places in the last semi to qualify for the Junior Board Final and if luck would have gone his way in the Junior Iron Man, he may have progressed further than he did. To top off a fine year, Keron added to his collection the Clubs "Competitor of the Year Award".

In our cadet stables we unearthed good talent in both the boys and girls races. The most outstanding being the running prowess of Wendy Stone. Wendy ended the season by winning a Branch Gold for the Cadet Ladies Beach Sprint. Not bad considering for half the season she had a broken arm and missed most of the senior carnivals. Wendy was backed up well by Lisa Pickett, Amanda Henry, Helen Trehy and Leanne King. Leanne and Lisa showed up well in the Cadet Girls Surf Race, Leanne winning the Branch Championship.

John Minto and William Anido led the boys, with John mainly on the sand except for an occasional Ski Race and Will turning up in nearly all the Cadet Races available. Will moves up to join Keron Gaul in the Juniors next year and with a bit of luck could show up well in the Junior Board and Iron Man Races. Other Cadets to perform well were Garth Abell and Andrew Magor. Andrew showing at North Avoca carnival what will power will do.

Len Cook showed that the race is not over until you cross the line in the Open Iron Man with a creditable second place at Branch. He later backed up to win the Veterans Surf Race. Len teamed with Rob Broue throughout the year in the open Double Ski to record a few places here and there.

Stuart Boag ended his season with a few Medals at the Regional Titles at Shelly

Beach. Teaming with Keron and Len, he managed to pick up silver medals in the Open Board Relay and Open Long Board Relay. Early on in the day these three plus Craig Adams, Paul Minto and Darren Norris finished the Taplin Team Relay in Third place.

It was good to see Terrigal Boat in the water this year. The crew, comprising of Stuart Boag, Des Johns, Steve Unterholzen, Paul Martin and sweep Greg Wolfendern never stopped trying all year. The bigger the surf the better they went. Hopefully next year maybe we might have more crews to compete in all sections of these boat races.

Linda Scott and Jane Minto also performed well throughout the year in both Beach events with many places to their credit.

During the year, we competed in the Marchpast with a full compliment of marchers, except for two carnivals. This was very good considering only about three clubs fielded full teams at all carnivals, these clubs taking time out to train a couple of times a week.

Also throughout the year we had one team in each section of the Four person R & R events. Congratulations to those for their efforts.

With other new members signed up this year, and the wealth of talent coming through the ranks of the Junior Club should see the Senior Club improving to, hopefully, become one of the top three Clubs in the local Branch.

ANNUAL PRESENTATION OF TROPHIES

The Annual Presentation of Trophies conducted under the Master of Ceremonies - President Paul D'Arcey was an outstanding success. We had the largest roll up for many years and all appeared to thoroughly enjoy themselves.

Gail Grimley has now got the catering arrangements down to a fine art and even though many more than expected came along, no-one went hungry. The disco then went on to the early hours of the morning.

To all those members who received awards - congratulations. The night provided a fitting end to a highly successful season.

I.R.B. REPORT

For the most of last season we had only one I.R.B. working out of the two. Even though with one I.R.B. we managed fifteen rescues ranging from people caught in rips, yachts washing up onto the rocks, and a growing problem is inexperienced windsurfers which are unable to sail back to the haven.

When we had the two I.R.B.'s working they came in handy for water safety at Bronze Examinations, Carnivals, and the Bay to Breakers Run-Swim-Run. The I.R.B. was also called out on numerous shark sightings and inspections of rips towards Wamberal.

Between 84-85 & 85-86 seasons we gained 4 drivers and 5 crewmen which now play an important roll with the I.R.B.'s. Next season we hope to gain more drivers and crewmen.

I.R.B. Captain

FIRST AID OFFICERS REPORT

This season we had a few major injuries, being lacerations or fractures, and some minor lacerations. Most of the injuries were treated at the Medical Centre, thanks to our local Honorary Medical Officers, and some were transferred to Gosford District Hospital.

We welcome to the area Clyde Marshall, The Esplanade, Terrigal, who has generously donated First Aid supplies to the Club. We thank him for his support and hope this association will be a long and happy one.

AUXILIARY REPORT

Once again the Season has ended and we look back on a successful year for the Auxiliary.

The monthly B.B.Q's were well attended and provided a chance to get together informally and my thanks to those members who assisted particularly Carol Antonio, Steve Tucker and John Trickett for his assistance in the meat purchase.

A number of social functions were organised during the Season and the most popular seemed to have been the Woolshed Dance at Old Sydney Town. All were well attended and seemed to have added to the spirit of the Club.

The sale of Club Clothing through the Canteen proved popular and we added a line of fashionable souvenir T-Shirts to our range of sales which proved a good money spinner.

The Club Rooms received a lot of attention during the Season with the members rooms being fitted out with lockers and benches and being repainted. The main

hall was rewired and a new oven and hot plates fitted to the kitchen - thanks to the skills of Paul Grimley. This was all finished off with new kitchen cupboards. Paul's work was recognised on Presentation Night when he was presented with the Associate of the Year Award.

Arrangements have been made to secure new refrigerators for the bar area, new freezers and a "bay marie" food warmer. These will make our functions so much easier to cater and to store food and drink.

A new television set has been installed for the entertainment of the members.

Junior Presentation Day was very successful as well as the Christmas Party. I wish to express my appreciation to those parents who brought a plate for the children's refreshments.

Senior Presentation Night also was a huge success. There was the best attendance of members at the night that I have ever known in my association with the Club. This certainly strained our resources for accommodation and catering. However, all were seated and fed and partying continued through the night.

We have taken a different approach to the leasing of the hall. The hall is now booked on a permanent basis by Martial Art groups and dancing classes as opposed to casual party booking. This makes maintenance of the Club Rooms much easier and the wear and tear to equipment is not so great. Our thanks go to Stan Davey of the Probation and parole Service for the provision of maintenance staff.

In closing, my thanks to all who have helped and to all those who came along and supported their Club.

"WHO WE SUPPORT"

JUNIOR CHAIRMANS REPORT

The season just completed has been a successful one and, I trust, an enjoyable one for our junior members.

The details of our successes I will leave to the officials concerned; sufficient to say, that it was successful because of the achievements of our juniors in National Age Awards, competition on our own beach and at Carnival days as well as Branch and State Titles; successful because of the harmony between the Senior and Junior sections of the Club; successful because of co-operation and assistance of those many parents who assisted on our own beach week after week and in acting as officials at Carnivals.

My thanks to those who gave their time and effort to assist as Team Managers, Beach and Water Officials, Recorders, Gear Stewards, Carnival Secretary, Junior Secretary, Registrar, Chief Instructor and Treasurer. [And here a reminder that all positions must be filled for next season to ensure the continued success of the Terigal Sea Lions.]

May the 1986-87 season see the resolution of the Bogey of "Intergration" and allow us to just "Get on with the job".

Keith G. Grimley
Junior Chairman

Chairman Keith presenting appreciation awards to long serving Patrons & Sponsors Richard Hayes of Hayes Newsagency and David Jarjoura of Mansours.

SECRETARY'S REPORT

The 1985-86 season proved to be once again a very successful and enjoyable season for our club. This season we registered 156 children and 112 of these attained their National Age Awards. I would like to thank Mrs Peta Daly, our chief instructor, for all the time she spent with the children, preparing them for these awards.

Our children excelled themselves in all areas of competition and congratulations must go to all our children who participated in carnivals throughout the season. Our carnival medal tally, not including State, was 287 medals.

At the Branch Championships, Terrigal finished in Third position, with an overall total of 38 medals. 18 of our children were Branch Champions. We are extremely proud of our State medal winners. Out of the 21 medals that came to the coast from the State Titles at Elouera Beach, Terrigal brought home ten. The medal winners were:- Jeannie Smith, Sharon Hooper, Greg Morrison, Adam Montgomery, Shane Fraser, Glen Morrison, Bryce Johnson, Troy Skepper and Luke Minto.

This season we had five children selected in the Inter-Branch team. They were Quinton Smith, Brendan Spence, Martin Minto, John Minto and Garth Abell. Scott Henry and Garth Abell were selected to represent Branch at the State Titles.

A sincere thanks must go to the hard-working officials, the team managers and to those parents that helped on the beach and in the water this season. Without you we would not have been able to have such a successful season.

Finally, on behalf of all club members I would like to thank our Sponsors, Richard Hayes, Mansours of Gosford and Chickadee Chicken for their continued support and generosity.

Ian Taylor
Honorary Secretary

JUNIOR INSTRUCTORS REPORT

We had a successful season with 112 Nippers and Nipperettes gaining the National Age Award.

COMPETITION RESULTS 1985-86

Terrigal Sea Lions completed another successful season with a third in the Pointscore at the Branch Championships.

We are very proud of all the children who represented the Club throughout the season at Carnivals and our congratulations go to the 18 children who were Branch Champions for 1985-86.

The Medal Count for the season is as follows:

Gold Medals	130
Silver Medals	82
Bronze Medals	75
Total	287

A large contingent of children travelled to Elouera Beach for the State Titles and we can be very proud of their performance and behaviour. Team Manager's all commented on the good behaviour of the children and the enthusiasm they displayed. The fifteen Clubs on the Coast collected 21 State Medals, and out of these Terrigal brought home 10.

State Medal Winners were:-

GOLD:

Jeannie Smith
7 YEAR OLD GIRLS BEACH SPRINT

SILVER

Greg Morrison
Adam Montgomery
Shane Fraser
Jeannie Smith
7 YEAR OLD BEACH RELAY

Sharon Hooper
10 YEAR OLD GIRLS BEACH SPRINT

BRONZE:

The above balance [Cr. \$2908.35] is represented by Saving Investment Account Number 30 969 9278 [\$908.35, Accrued Interest \$8.06] and Term Deposit No. 72 550 8514 [\$2000.00, Accrued Interest \$169.13] held at the National Australia Bank, Terrigal, N.S.W.

I, Ian David Wotton, Bank Accountant of 33 Colbee Court, Phillip ACT do hereby state that the best of my knowledge and belief, the above account as presented to me from Bank Books give a true and fair view of the matters required by the Terrigal Surf Life Saving Club to be dealt with by the members and Management Committee of the said Club.

I. D. Wotton
Bank Accountant

The Audit Report attached has disclosed the Life Members Fund has now increased to over \$3000 with accrued interest added.

I would like to hope that the fund will continue to grow from the present balance as presented. I would think that it should be fitting that donations from Life Members and a small percentage of funds received each year be directed to the Life Members Fund and this will then enable future Management Committees to continue to receive the benefits of the efforts of the present and past members of the Club.

It is my intention that the funds should grow to at least \$10,000 and then the interest to be received each year by the future Management Committees should be at least \$1500 each year.

These funds to be received should encourage us all to ensure that the Life Members Fund is successful.

The present Life Member Trustees of the fund are Peter Wyllie, John Burgess and Mark Power.

TERRIGAL SURF LIFE SAVING CLUB
 NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEAR ENDED 31ST MAY, 1986

1. ACCOUNTING POLICIES:

a. Cash Basis -

The financial statements have been prepared under the cash basis of accounting.

b. Revenue and Expense Recognition -

The Terrigal Surf Life Saving Club is a non-profit organisation and receives most of its income from donations and specific fund raising events. Amounts by their nature can only be recognised when they are recorded in the books of the Club.

Expenses are recognised when incurred and at year end expenses incurred but not paid are treated as payments in the statement of receipts and payments.

c. Imprest Accounts -

The auxillary committee and The Terrigal Sea Lions run imprest accounts from which they make minor payments. The imprest balnces are \$500 each. The Club treats these monies as spent when advanced.
