NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given, that the 65th Annual General Meeting of the Terrigal Surf Life Saving Club, will be held at the Clubhouse of Sunday, 14th August, 1988 commencing at 10.30am sharp. All 1987-88 **FINANCIAL MEMBERS** are invited to attend.

AGENDA

1. Apologies.
2. Adoption of the Minutes of the 64th Annual General Meeting.
3. Business arising from the Minutes.
4. Inward and outward correspondence.
5. Any Notice of Motion.
6. Election of Officers for the 1988/89 Season.
7. Any urgent business.

Self nomination **in writing** for the positions listed below close with the undersigned on Saturday, 6th August, 1988. If a position is not nominated for in writing that position will remain vacant until a later date. **No Nominations will be accepted from the floor.**

Any financial member may stand for election to any position on the Management Committee with the exception of: Club Captain, Vice Captain, Boat Captain, Vice Boat Captain, I.R.B. Captain, Chief Instructor, Board and Ski Captain, Gear Stewarded, Junior Club Captain and Active Members Reps [2 positions], who shall be elected from Active and Active Reserve members only. Self nominations from these positions are also required.

In the event of more than one member nominating for a position, a **closed Ballot** will be held for that position. To vote, a member must be financial before the day of the meeting.

MEMBERSHIP FEES FOR 1988/89 ARE NOW PAYABLE:

Associate Membership	\$15.00
Pension Rates	\$7.50
Active Membership	\$15.00
Under 18 at 30.9.88	\$10.00
Family Membership	\$45.00

Fees will be collected as from 8.30am before the Annual General Meeting.

Persons standing for position must be financial at time of Nomination.

W. D. Anido
Honorary Secretary

TERRIGAL SURF LIFE SAVING CLUB 1925 - 1988

Terrigal Beach, one of the most beautiful surfing beaches in the country recently received enormous media exposure when on 31st January, 1988, as a part of the Nation's Bicentennial Celebrations, was the venue for the Royal Surf Carnival, patronised by their Royal Highnesses the Prince and Princess of Wales.

It seems fitting that our beach was chosen by the State Protocol Committee for this event considering the grand tradition in surf life saving and competition associated with Terrigal Surf Club since its inception.

The Club which was one of the earliest to be formed on the Central Coast began in the 1925/26 season when a small band of dedicated men under the Presidency of the late A. J. Macarthur-Onslow got together to patrol the beach and later, build a club house. Mr Macarthur-Onslow was of course a member of that great family so closely tied to the history of this country.

From that small beginning grew a club proud of the achievements of its members in lifesaving, administration and competition. The Terrigal Surf Club first came into the news in 1938 when its boat crew was awarded the Royal Humane Society Certificate of Merit when it attempted to rescue two people off the rocks near the Skillion. The boat crew was also recognised for its rescue work in the great flood of the Hunter Valley in 1955. Over the years the various boat crews not only proved themselves in rescues but proved highly competitive at carnivals.

On two occasions the club was State Pointscore Champions and twice State Country Champions. While individual State Champions are too numerous to detail three competitors are worthy of mention.

Terrigal's First Surf Boat - "Swordfish"

John BURGESS: Joined the club in 1939/40, member of R and R team until 1955, Club Captain 1953-54, Secretary 1955-6-7-8-9, Treasurer 1960-61, Senior Club Captain 1940-41, 1946-47, 1949-50, 1950-51; Central Coast Belt Champion 1949-51-52; 3rd State Belt Championship 1950; Member NSW R and R team 1951; Life Member 1951, awarded Club Honour Blazer, Club President 1963-4-5-6.

While on active service during the war, John was involved in setting up a surf club in the Solomon Islands and over a period of eight months members performed 280 rescues, 244 rescues were performed with the line and 36 without. Before the establishment of the Club 88 allied servicemen had lost their lives drowning. John is still very involved with Terrigal Club and will be eligible to receive his 50 year Medallion next season.

Torokina Beach, Bougainville, Solomon Islands

Gorden LAMBERT became the first Terrigal member to win an Australian Title, when in 1954-5 at the age of 20, he won the Single Ski Championship. He also won the State Title 1959-60 and the NSW Inter-branch event in 1966-67. That year he was Captain of the winning Taplin Relay Team and Captain of the NSW Country Team that toured New Zealand in 1970.

He has won the Central Coast branch Single Ski Title more times than anyone else -each year from 1949-50 to 1964-5 and again in 1967-68.

He was Captain of the winning Taplin Relay Team at the 1967 Australian Titles.

Gordon was President of the club from 1967 to 1969 and 1973.

He was a Police Sergeant stationed at Terrigal, and over the years had rescued many children from the lake and adults from the surf during his off duty hours.

His skill as a Ski Rider was responsible for saving many lives.

It was a terrible tragedy that he died at such a young age in 1978.

Ron Sumner won the Australian Title in 1962 and 1963 and teamed with Gordon Lambert to win the State Double Ski title in 1962, and they came second also in the Australian Championships.

His performance in the Australian Championships on the Ski have never been beaten.

Ron is a businessman in Terrigal and although no longer actively involved with the Surf Club he has achieved many successes in Catamarans with the Terrigal Blue Water Sailing Club.

Gordon Lambert [front] and Ron Sumner on their way to a victory
in the N.S.W. Double Ski Title

One of the great administrators in surf lifesaving was **Frank PAYNE** who joined the club in 1930, became Captain 1932-3 until 1938-39, succeeded A. J. Macarthur-Onslow as President, holding office from 1940-49 and 1954-56. Central Coast Branch Superintendent for 12 years and President from many years. Currently patron of club and branch. Life member of club, branch, NSW State Centre and National Council.

Frank is now retired and living in Ballina and from time to time pops in to make sure the club is still operating satisfactorily.

Another "first" for the club was when members of its Ladies' Auxiliary actively patrolled the beach during the war years when almost every active member was on war service.

The club minutes of October 1943 state that members of the ladies' committee were asked to undertake active patrol work in conjunction with club members.

This was the first time that women had been allowed to undertake such active duties and the Surf Life Saving Association would not allow them to go for their life-saving awards.

But Terrigal club put the girls through a test which was the equivalent of the Bronze Medallion, except for the swim section, and awarded the auxiliary members special certificates.

Following on in this tradition when ladies were permitted full rights within the surf lifesaving movement Terrigal Club had the first patrol of all lady members on the Central Coast under the captaincy of Linda Scott and Peta Daly became the first lady to be a full member of the Board of Examiners on the Central Coast, 1985-86 Season.

Many family groups were member, including Fred, Hal, Gale, Ron, Roy and Leo Dibben; Stewart, Jack, Harry and Reg McGlashan; Jack, Kev, Les, Alan, Peter and

This action shot was taken of the girl's team around 1943, 1 to r., Muriel Dibben, Jean Payne, Mary [Kirkness] Thompson, Nola [Lawn] Compton, "Dinky" Campbell, Joyce [Marsh] Burgess

Chris Graham; Harry, Kevin and Neville Vickery; Paul, Tony, Louie and Peter George; and Ted, Jack and Mitch Alexander.

Brian Gregory was Captain from 1961-64 and his father Frank was President in 1964-5.

Another grandfather - father - son combination was Jim Wyllie [Vice President four years], son Peter and grandson David, both active members in the early 1970's.

Carrying on the tradition of their father Karen and Phillip Vickery are current members of the club. Also members of some 17 years standing are brothers James and Rick Legge, President and Treasurer of the club. Looking to the future of course there is that great competitive family, the Minto's with nine of the family, members of the club.

In 1978 Terrigal Junior Surf Club amalgamated with the seniors and as a consequence has developed into one of the largest and strongest junior activities group on the Central Coast. Each year the numbers of juniors graduating into the senior ranks grows which augurs well for the future of the club and lifesaving.

One can only wonder whether that small band of dedicated lifesavers who came together in 1925 to form Terrigal S.L.S.C. had the vision to see what the Club would become today. There are 312 members of which 107 are actively involved in 10 patrols. In competition the club was runners up in the Branch Championships and Branch Handicap Point Score. Representative teams were sent to the State, Australian and the World Titles. Out of the team 12 at the World Titles seven made the finals. To some the highlight of the year was the performance of the team of Will ANIDO, Paul MINTO and Stuart BOAG under the leadership of Len COOK who at the World Titles came 3rd in NSW, 6th in Australia and 11th in the World in the Lifesaving Initiative Assessment Examination. This is a practical test of the use of lifesaving knowledge and skills in a mass rescue situation.

Whatever their vision I am sure they would be proud.

PRESIDENT'S REPORT

The Terrigal Surf Life Saving Club has had an eventful season. The first half of the season was very busy. In the second half of the season the weather made patrol work difficult and boring. More importantly, there were so few fine weekends that the Surf Club had a very unsuccessful season financially.

THE ROYAL CARNIVAL - TERRIGAL BEACH 31ST JANUARY, 1988

On the 31st January, the Royal Surf Carnival was held at Terrigal. Terrigal did not apply for the honour of holding this carnival. Indeed, the management committee of the Surf Club read about it in the newspapers. Further, the Surf Club did not benefit financially from the carnival due to arrangements made by the Central Coast Branch of the Surf Life Saving Association. In spite of some problems in organising the carnival, it was very successful on the day.

Terrigal Surf Club was completely responsible for water safety on the day of the carnival. Patrols started at 7.00am and from 8.30am there was never less than eighteen people on patrol. During the carnival competition it became necessary for Terrigal's Taplin Team and Junior Boat Crew to pull out of their respective events to assist with water safety. This was due to a number of mass rescues occurring outside the patrol area. Other members assisted in the setting up and hosting of the carnival.

The day itself was as near to ideal as could be asked for. The weather was fine and hot. In the morning the surf was a little too big, but by the starting time the waves had settled down to a maximum of two metres. A large crowd of over twenty thousand spectators was enthusiastic and well behaved. Most importantly, no one was hurt.

COMPETITION

It was pleasing to see the attitude with which our competitors sacrificed the chance of winning a medal at the Royal Carnival to help save lives. They were lifesavers first and competitors second. In spite of this, Terrigal Surf Club won more medals at the Royal Surf Carnival than any other. Terrigal completely dominated the events that the Royals were best able to see, that is, the beach events.

The winning of events at carnivals is mostly due to the competitors themselves. Other people have contributed to that success. Len Cook and Bob Cairncross have made special contributions.

Len as Carnival Secretary, was always organised and can be relied on to see that things get done. Further, Len's positive and encouraging approach with the younger competitors makes competing enjoyable as well as successful.

Bob has helped the sprinters, particularly the Junior Relay Team. The Junior Relay team were the most successful competitors in the Club this season and were collectively awarded "Competitors of the Year".

CLUBMAN OF THE YEAR

Morrie Abel, the I.R.B. Captain and a past Patrolman of the Year, was selected as the 1987 - 1988 Clubman of the Year. Morri had an especially difficult year. At the start of the season, Morri had two old I.R.B's needing repairs before they could be fully operational, an old, unreliable motor, another motor that was not functioning, a shortage of drivers and very little help.

Financial constraints added to the difficulties that Morrie has faced, however, for the Royal Carnival, Morri had two I.R.B's operating. Just after the season Morri's patient training was rewarded when four members attained their I.R.B. Driver's Certificates.

Morri's efforts with the I.R.B's would have been valuable on their own, but Morri has been helping all year in any way that has been asked of him. Morri has helped with maintenance around the Surf Club, performed many patrols, attended meetings and was even involved in competition, being part of the belt teams when David Love won the Junior Belt and Len Cook won the Open Belt swims at the Branch Titles.

Morrie Abell receiving his jacket for Clubman of the Year

PATROLMAN OF THE YEAR

Jack Ward was a worthy recipient of this award. Jack was always available to do substitute patrols for other members and performed voluntary patrols whenever they were required due to surf or crowd conditions or some other problem. The work Jack did as Chief Instructor was also creditable and involved spending many days and nights at the beach. These are not the reasons that Jack was Patrolman of the Year.

It is essential that members on patrol are punctual and reliable. In this Jack was an example to everyone. Further, Jack's knowledge and a serious approach to patrols were always displayed. These were the reasons that Jack Ward was made Patrolman of the Year.

SOCIAL ACTIVITIES

Kerry Cook led the Auxiliary Committee this year and as a result of her enthusiasm and energy was made Associate of the Year. The idea behind this year's activities has been that everyone should share the work and not just one or two. Although there were a few problems, this ideal of everyone sharing the workload and responsibility for successful social events continues to be an ideal worth aiming for.

Jack Ward receiving his jacket for Patrolman of the Year from last year's recipient, John Trickett

JUNIOR ACTIVITIES

The Terrigal Surf Club's Junior Activities Group continues to be competitive at Branch and State Carnivals. More importantly all junior activities are well organised. The Terrigal Juniors are a credit to the Junior Committee.

Two people who deserve special mention are Julie Taylor and Paul Hawkins.

Julie has efficiently performed the secretary's job while being a teacher, wife and mother and has done it for many years.

Paul has held many positions over the years including being a member of the Surf Club Management Committee and the Junior Committee. Unfortunately, Paul has announced that the 1987 - 1988 season was his last on the Junior Activities Committee. As Chairman, Paul has done a good job.

SPONSORS

Terrigal had no major sponsor last season although, several businesses assisted particular activities within the Club. Considerable work will need to be done to attract one.

The Central Coast League's Club is rarely recognised for its regular and reliable financial contributions to various sporting and charity organisations. Under its Directed Allocation Scheme, members of the Central Coast League's Club nominate a sporting body that they would like to see get a donation. Currently, the League's Club donates

*Keri Cook receiving her award of Associate of the Year
from presenter Jack Burgess*

\$3.00 for each nomination. Over the past twenty years these annual donations have been of high benefit to the Club. Members of the Surf Club are urged to nominate the Terrigal S.L.S.C. when joining the Leagues Club and to patronize it when possible to ensure that this support continues.

Again our thanks to Chickadee Chicken who provided the prizes for our beach raffles. This is the seventh year that this company has provided us with support and through these raffles we have raised a substantial sum. Chickadee Chicken sponsored the Royal Carnival and not only did their support go a long way towards making that day so successful but they supplied the Official Programmes and T Shirts for all the Clubs on the Coast to sell to raise funds.

Governments usually give surf clubs little financial support, but this year under the Commonwealth Government's dollar for dollar scheme we were able to purchase a new outboard motor for the I.R.B.

In previous years the club received a subsidy from the Gosford City Council. This year the Club applied for and was granted by Council a number of concessions, namely surf hire gear, sun tan spray and umbrellas. A condition of the concessions was that the subsidy be withdrawn in future years. Unfortunately the weather this summer was so poor that we did not meet the cost of the hire equipment. However, there is a potential to make some profit, hopefully enough to cover the \$1200 subsidy withdrawn by Council.

THE COMING SEASON

Terrigal has been in the past very successful at preventing the loss of life through drowning. To be successful in the future will require the same things that it has in the past, that is, the induction and careful training of more lifesavers. In the season past, Terrigal, proved to be better at this than most other Surf Clubs. Next season the Surf Club has the members to do the same thing again.

*James Legge
President*

CLUB CAPTAIN'S REPORT

Once again the Club has continued to perform its role safeguarding the beach and preventing any fatalities within the patrolled area, and performing numerous rescues with over fifty occurring on one day. Given the shocking weather we still had a large number of members gaining their 100% patrol efficiency - a sign of the dedication of the members towards the Club.

Thanks must go to Greg Williams and Len Cook, for their time spent throughout the season, and Jack Ward for organising the training a large number of members for new awards.

Congratulations must go to the members gaining these new awards; this only strengthens the club.

Thanks to everyone who helped with the seasons happenings, particularly on the day of the Royal Carnival when members commenced work setting up the Carnival area at 5.00am and were still cleaning up at 9.00pm.

THE QUIET ACHIEVERS

RESCUE 1 - ROYAL CARNIVAL - 31ST JANUARY, 1988

It was a magnificent day - a beautiful clear sky with a good surf running. In anticipation of a big crowd forty members were rostered to patrol duty - two patrols in the morning and two in the afternoon - the morning patrols started at 7.00am - one at the southern end of the beach and the other at the northern end - the centre of course was set aside for the Royal Carnival.

It all started peacefully, the rip was strong but not particularly dangerous - the crowd was quickly building up - ten, fifteen thousand taking their places to await the Royal couple's arrival. Of course it was hot - and why not cool of in the surf - particularly on the sand bank at the northern end where there was a nice wave running.

Then it happened - the sand bank collapsed and the rip grabbed about 40 swimmers and dragged them out to sea.

Seven young lifesavers, men and women, under the direction of Stuart Boag, Club Captain, went into action and relayed the distressed swimmers ashore with Rescue Boards - the I.R.B's kept becoming fouled with weed - so it was hard physical work -but they did it - fifteen of those rescued had to be placed under observation before being allowed to leave the beach.

Seven young lifesavers lay on the beach, exhausted, still alert, but happy no one had lost their life.

The Magnificent Seven - Brad Hindmarsh, Darren Ford, Helen Trehy, Morrie Abell, Chris Bowerman, David Cooper and Andre Kristoffersen.

RESCUE 2 - SUNDAY, 1ST NOVEMBER, 1987

Waters calm - no waves or rips near the patrolled area. Patrol Captain Paul Minto thought it should be a pretty quiet day.

However, he was not to know that their was a young couple frolicking down near the lake. They had arrived from Ireland only two weeks ago, unable to swim and no knowledge of the dangers of entering the surf outside the patrolled area.

There was a deceptive current running along the edge - they apparently did not realise they were being dragged along or its consequences until too late. They hit the rip and were quickly swept out to sea.

The cry went out - "people in trouble" - Paul Minto grabbed one Rescue Board and Will Anido, the Vice Captain, the other. By the time they reached them the man was about 100 metres from the shore and the lady a further 30 metres. Will being the stronger paddler arrived at the scene first to find the man floating face up apparently breathing - leaving him for Paul he paddled to the lady. She was floating face down under the surface - apparently not breathing. He placed her on the board - cleared her airway and she commenced to breath again.

In the meantime Peta Daly was observing the action from the First Aid Room - by the time the rescuers reached the shore she was waiting with the Oxy-viva. Both patients were unconscious and ambulances were radioed for through Central Coast Surf Rescue. Oxygen therapy was administered until the paramedics arrived. They were rushed to hospital where they remained in intensive care for four days before being allowed to leave.

Several weeks later a letter was received by the Club from the two thanking Paul and Will for their lives.

RESCUE 3 - BOXING DAY - 26TH DECEMBER, 1987

A fine day after a lot of rain - a big crowd was on the beach and although there were calm conditions along the patrolled area, large waves were crashing into the rocks under the Skillion.

Over the club radio came the call from Central Coast Surf Rescue that a fisherman had been washed off the rocks and assistance was needed.

Paul Martin, past Club Captain, with a crewman flew into the "Duckie" and raced to the area. The seas were too big to get in close and difficulty was being experienced in observing anything. By this time the Jet Boat and Surf Rescue Helicopter had joined in the search.

Realising there was a need to get in closer to the rocks to find the person Glen Beckers, driver of the Jet Boat, saw the need for swimmers. Stuart Pattison from the Avoca Club and a lifesaver from North Avoca dived in. Glen put a call into Terrigal Club for help. Stuart Boag, Club Captain and Will Anido, Junior Club Captain, each grabbed a Torpedo Rescue Tube and were rushed to the scene. With Chris Bowerman standing above the rocks spotting for them they spied the body. However, everytime they went into grab the man, the powerful waves snatched him from their grasp - and at the same time they had to fight the seas to stop from being crashed against the rocks. Finally a large wave picked up the body and threw him onto the rocks.

Chris Bowerman without any thought for his own safety jumped onto the rocks and held him.

Attempts to resuscitate him were to no avail.

The boys were conveyed back to Terrigal beach, exhaustion and dejection written all over their faces - they may have felt they had failed but what they did is what heroes are made of - typical of the efforts expected of young lifesavers whenever they take up patrol duties.

Chris Bowerman at the completion of a rescue - the young lady to his left moving to safety was shortly beforehand in serious trouble

VICE CAPTAIN'S REPORT

The 1987-88 season went off really well and showed an eagerness by all members both male and female to compete on a regular basis in the Handicap Pointscore Competition and the Club Championships.

Thanks to all these members who attended these events and made them the success that they were.

Special thanks to Len Cook for his help throughout the year in running and competing in these events.

CONGRATULATIONS

- To David Love for his win in the Handicap Pointscore and also for winning The Jack Ternent Iron Man Competition.

- to Stuart Boag for winning the Senior Mens Club Championship.

- to Will Anido for the Junior Mens.

- to Steven Borg for the Cadet Boys.

- to Cassandra Van Der Veer for the Senior Ladies.

- to Wendy Stone for the Junior Ladies.

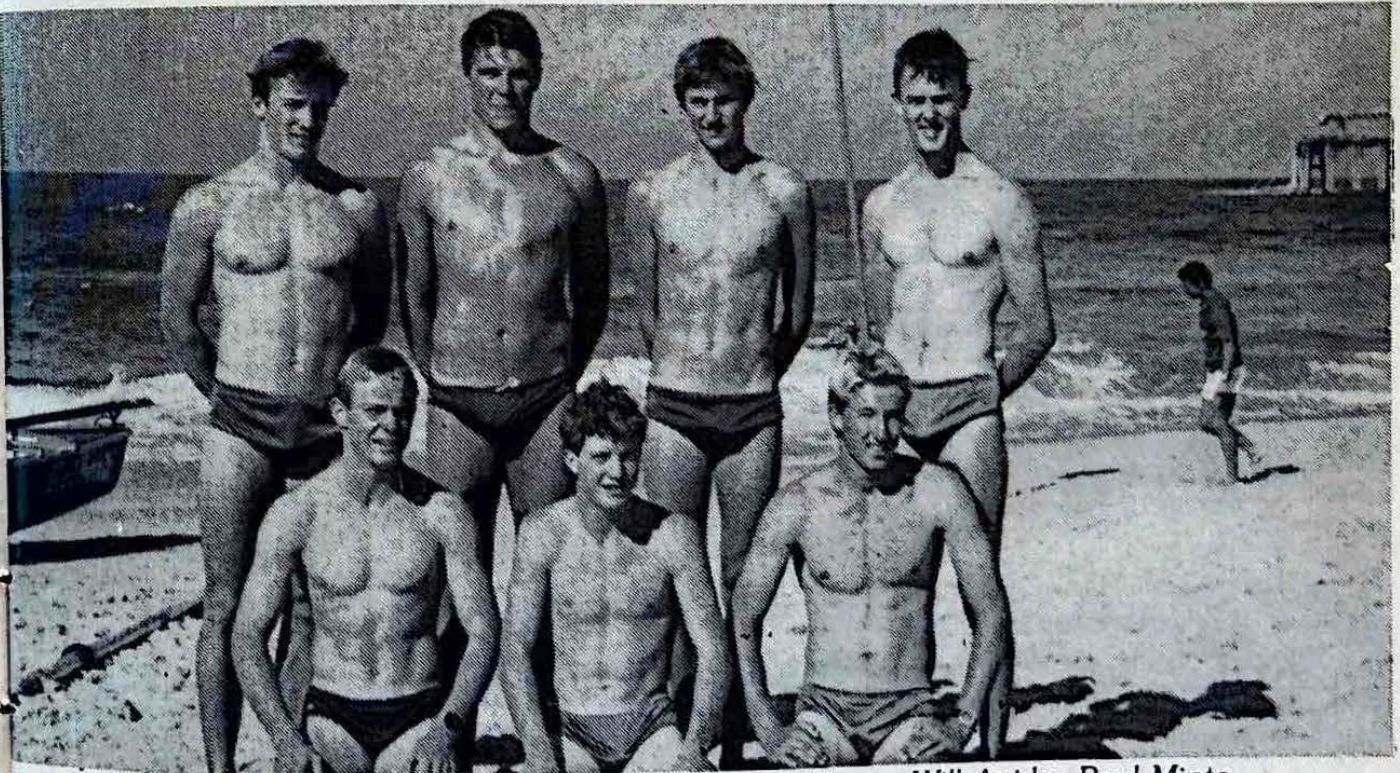

- to Cassandra Taylor for the Cadet Girls.

Well done David Love, John Trickett, Michelle Draper, Ian Stansfield, Jason Bush, John Hannon and Paul Stone for being the victors in the end of the year club event and thanks to all the other teams for attending and to those who helped run the event which turned out to be a great success and a lot of fun.

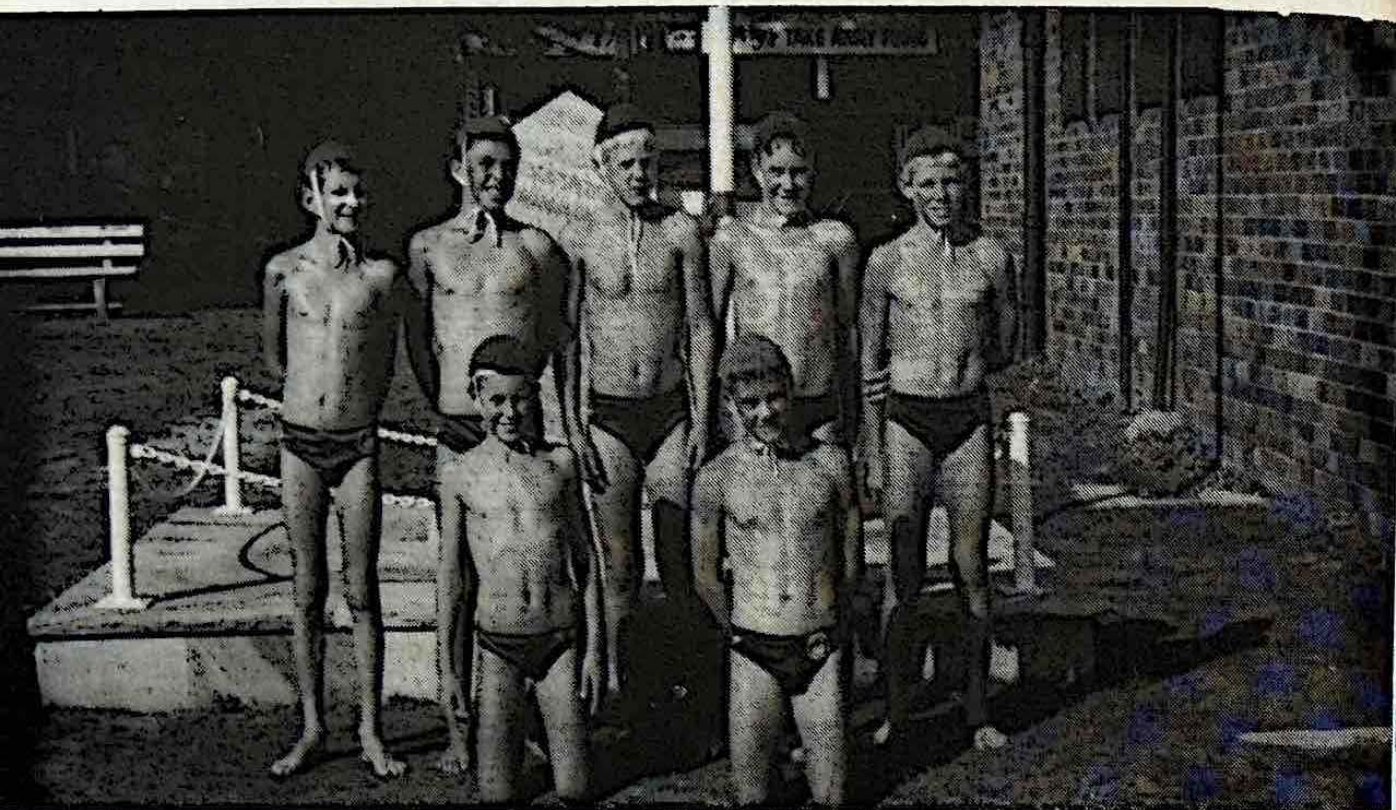

Wishing you all the best in the coming season.

Greg Williams
Vice Captain

Front Row: Martin Minto, Paul Minto, Darren Boyle
Absent: Hamish Tonkin

Back Row: Bryce Johnson, Quinton Smith, Brendon Spence,
Jude Varcoe, Glen Morrison
Front Row: Matthew Taylor, David Dalton

COMPETITION SECRETARY'S REPORT

What a top year for the Club! Locally finishing second in most carnival pointscores with a couple of first places thrown in.

Probably the most consistent competitors were our Junior Beach Relay Team, who won most of their races throughout the year. This culminated with a Bronze Medal at the State Level and due to a dropped batton only a fourth at the "Aussies". The team comprised of John Minto, Darren Boyle, Hamish Tonkin and Greg Boag. These boys were ably supported during the year by Brad Whittard, Michael and Paul Trickett and Will Anido.

Our Senior Beach Relay Team also showed promise with a magnificent 7th place at the World Titles. The team of John Trickett, Paul Minto, Peter Talbot and Craig Adams also performed well to notch up the Branch Title and qualify for the final of the State Championships.

At the Branch Titles we finished with 10 Gold Medals and numerous seconds and thirds to come up with 50 points, enough to finish runners up in both the Overall Pointscore and Handicap Pointscore.

Our top performers were the Open and Junior Beach Relay Teams, Darren Boyle, Martin Minto, Beth Halon, Paul Minto, David Love and Len Cook. Others to shine were Will Anido, Garth Abell, Paul Trickett, Steven Borg, Paul Stone, Kevin Boag, Eleena Cann and John Minto.

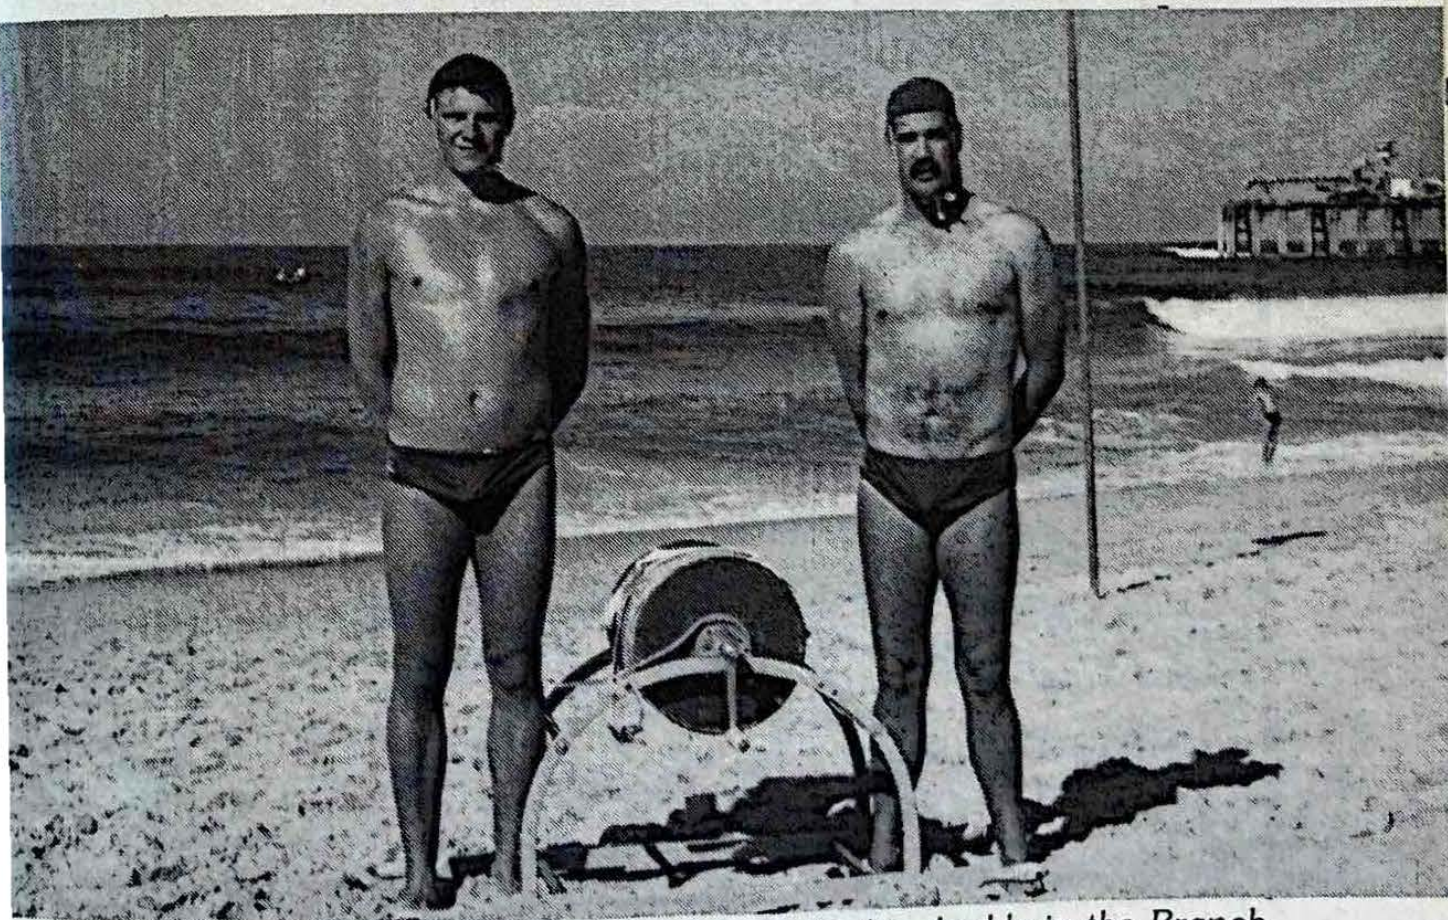

During the year it was good to see our Junior Boat Crew making some finals and showing what big hearts they had. Good job John Trickett and the boys!

The Branch Selectors endorsed the quality of the performances of our competitors this year by selecting eight to Branch Teams. The largest contingent for many years, if not ever, Paul Minto was selected in the Open Inter Branch Team and John Minto, David Love, Will Anido, Martin Minto, Paul Trickett, Darren Boyle and Hamish Tonkin all making the Under 18 Inter Branch Team. All performed well with Will Anido being a member of the Under 18 Champion Inter Branch Malibu Board Relay Team and David Love being a member of the Under 18 Champion Inter Branch Ski Relay Team.

On the training side, a group of up to 15 people took to the water during the winter months on surf skis every Saturday morning. Thanks to the buying of skis over the last five years by the club there is enough equipment for our competitors to train seriously. From these paddlers we picked up placings in the Branch Titles in the Junior Double Ski, Junior Ski Relay, Junior Iron Man and a fourth in the Open Ski Relay. Thanks go to Mark Sutton for starting the winter ski club.

Our great success on the beach was undoubtedly due to the interest and coaching by Bob Cairncross, former Australian Beach Sprint Champion, who gave many hours coaching our competitors. All our sprinters are deeply appreciative of Bob's efforts. I will be standing down from this position next summer, but I will still lend my knowledge to whoever takes over from me. It has been enjoyable to see the improvement in the Club over the past three summers. Everyone is slowly getting more involved in the competition side but remember always that "Patrols" come first.

Len Cook
Competition Secretary and
Board and Ski Captain

David Love and Len Cook took out the big double in the Branch Championships, namely the Junior and Senior Belt Championships

WORLD INTERCLUB CHAMPIONSHIPS Southport, Queensland - March, 1988

Back Row: Len Cook [Captain], Paul Minto, John Trickett, Ian Stansfield [Gofer], Des Johns, David Love, Will Anido, Craig Adams, Stuart Boag

Front Row: Chris Draper, Peter Talbot, Garth Abell, Ian Bennett [Manager], Cassie Van Der Veer

Late in March, 12 lifesavers from Terrigal travelled to the Gold Coast to compete in the Third World Interclub Championships. They were Len Cook [Captain], Garth Abell, Craig Adams, Will Anido, Stuart Boag, Chris Draper, Des Johns, David Love, Paul Minto, Peter Talbot, John Trickett and Cassy Vanderveer. They were supported by a small contingent of managers, social secretaries, wives and others out for a good time!

Not only did everybody have a good time, the Terrigal Team acquitted itself with distinction. While the official results have yet to be sent to us, we believe that the team placed about 30th out of some 130 teams from all over the world. We contested some 22 events out of 25, and reached the finals or semi-finals in 7 events. Those to distinguish themselves were:

- ★ CHRIS DRAPER won his heat of the 50m Manikin Rescue.*
- ★ CRAIG ADAMS, GARTH ABELL, LEN COOK and DES JOHNS won their heat of the 4 by 50m Manikin Rescue Relay.*
- ★ The Initiative Assessment Team of LEN COOK, WILL ANIDO, PAUL MINTO, and STUART BOAG came 11th in this event. [Only 2 other teams from NSW beat us in this one.]*

- ★ It should be pointed out that only the fastest 6 teams qualified for the finals of the pool races. However, undoubtedly the star of the pool events was JOHN TRICKETT who can claim to be the 9th best Rescue Ball Thrower in the world!.
- ★ DAVID LOVE reached the finals of the Run-Swim-Run and generally swam with distinction all week. His nocturnal activities were also in a class of their own!.
- ★ LEN COOK, DAVID LOVE, CHRIS DRAPER and DES JOHNS reached the semi's of the Rescue Tube Rescue Race.
- ★ WILL ANIDO and DAVID LOVE reached the semi's of the Rescue Board Rescue Race after coming second in their quarter final.
- ★ PAUL MINTO reached the semi's and PETER TALBOT reach the quarter finals of the Beach Sprint.
- ★ JOHN TRICKETT reached the semi's and PETER TALBOT reach the quarter finals of the Beach Flags.
- ★ The Beach Relay Team of TRICK, TURBO, STRETCH and SCOONER came 7th.
- ★ And GARTH ABELL came 10th in the 2km run, with STUART BOAG also reaching the final.

All in all, a great time was had by all, and my thanks go to all the party for demonstrating great team spirit despite the lousey weather!.

ROYAL GOLD

Open Beach Relay Champions - Paul Minto, Peter Talbot, John Trickett and Craig Adams. Peter also took the Gold Medal in the Open Beach Sprint.

Under 18 Beach Relay Team Gold Medal Winners - Hamish Tonkin, John Minto, Greg Boag and Darren Boyle with Harry Moore M.P. John also won the Gold Medal in the Beach Sprint and the Beach Flags.

Under 15 Beach Relay Gold Medallists - Martin Minto, Kevin Boag, Paul Stone and Steven Borg with State Administrator, Ernie Davis. Martin also won Gold Medals in the Beach Sprint and the Beach Flags.

The Flying Three - John Minto, Darren Boyle and Paul Trickett fought for supremacy all season in the Beach Flags, John Minto seen here stealing Gold at the Royal Carnival.

The Heart of the Club - Bronze Medallion Awards 1988 - from the left - Christine Borg, Greg Boag, Garth Abell, Andre Kristofferson, James Griffin, Darren Ford, Michael Trickett, Eleena Cann, Brad Hindmarsh, Tayne Wilmott, Ashley Andronicus and Debbie Canniford.

I.R.B. CAPTAIN'S REPORT

This year I have endeavoured to organise the operation of our I.R.B.'s to run more efficiently and to this end I feel we have been successful, as no weekend passed that the club has not been able to have at least one I.R.B. on the beach.

The season has seen a few mishaps with boats and motors, but this has to be expected as we have been training six new drivers, who I am sure will be certificated before next season.

I would like to express my gratitude to Jamie Legge, Jack Ward and Ian Bennett who have given me much appreciated assistance throughout the year.

In conclusion I feel that the club will go into the 1988-89 season with a competent I.R.B. system and hopefully it will get better in the forthcoming year.

*Morrie Abell
I.R.B. Captain*

CHIEF INSTRUCTOR'S REPORT

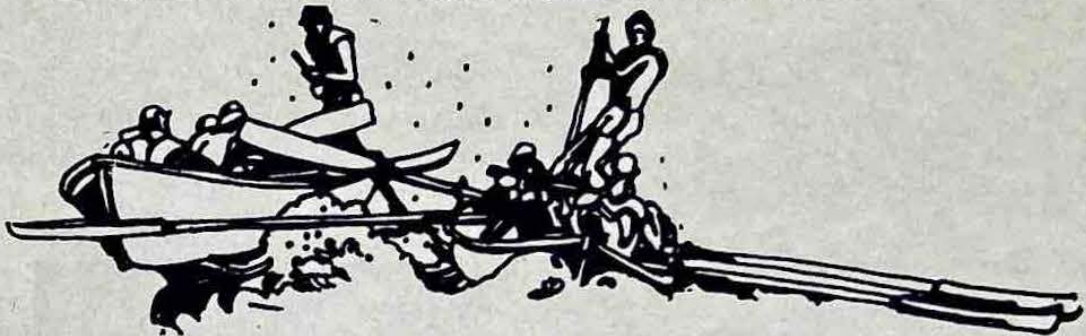

I tender my first Annual Report as Chief Instructor at the end of what I feel was a successful 1987-88 season.

At the beginning I was feeling my way and I would like to thank Peta Daly for helping me at that time.

We had 19 members gain their Bronze Medallion. Eleven gained their Advanced Resuscitation Certificates. Thirteen members their Radio Operators Certificates and fifteen members their Surf Life Saving Certificate.

Stuart Boag and Terry Antonio gained their Training Officers Certificates and Radio Instructors Certificates. Michelle O'Donoghue, Michael Trehy and myself our Advanced Resuscitation Instructors Certificates. Sonia Whyburn her Surf Life Saving Instructors Certificate.

On behalf of the club I congratulate all the successful members on their awards and personally thank all the members who gave their valuable time to train the various squads, namely Stuart Boag, Terry Antonio, Morrie Abell, Ian Bennett, Michelle O'Donoghue, Michael Trehy, Sonia Whyburn and Wendy Stone.

SURF LIFE SAVING AWARDS

Resuscitation Certificate: Mark Bennett, Timothy Schwartz, Garth Tucker, Matthew Taylor, Ben Sadgrove, Ben Ford.

Surf Life Saving Certificate: Sonia Whyburn [Instructor], Damien Green, Brendon Spence, Scott Hawkins, Dirk Ziekenheiner, Beth Halon, Brent Mungovern, Arie Ziekenheiner, Paul Stone, Ben Ziekenheiner, Jamie Elliott, Michael Collins, Scott Blackmore, Kevin Boag, Jamie Buckett, Allison Ward.

Radio Operator's Certificate: Stuart Boag, William Anido, Terrence Antonio, Wendy Stone, Michael Trehy, Gerald Cadden, Jane Minto, Michelle O'Donoghue, Martin Lacey, John Ward, Sharon Ward, David Love

Advanced Resuscitation Certificate: Michelle O'Donoghue [Instructor], John Ward, Michael Trehy, Tony O'Connell, Sharon Ward, John Minto, Jane Minto, Debbie Canniford, Christopher Draper, Wendy Stone, Craig Adams, Mark Bentzen, Terrence Antonio, Stuart Boag

Training Officer's Certificate: Terrence Antonio, Stuart Boag

Bronze Medallion: Darren Ford, Helen Trehy, Andre Kristofferson, Eleena Cann, Debbie Canniford, Tayne Wilmott, Garth Abell, Greg Boag, Jason Bush, James Griffin, Michael Huxley, Christine Borg, Cassandra Van Der Veer, Ashley Andronicus, Justine King, Bradley Hindmarsh, Michael Trickett, John Minto, Bradley Whittard.

Jack Ward
Chief Instructor

BOAT CAPTAIN'S REPORT

This year was a very good year for me. The Juniors went very well. They fought very well with all odds against them. They may not have won many races but because of their fighting spirit they can still hold their heads high.

The year started very well for them after getting to the semi final at the Coffs Harbour Craft Carnival. A good result considering they were rowing the worst boat in the water. Then at the Royal Carnival in the heats they were only beaten by a crew who won the State Titles the previous year. Unfortunately owing to a mix up the boys missed the finals which was a real bad break.

At the Branch Championships the boys just missed out on a medal by finishing in fourth place, a good effort considering a couple of the team were suffering from a virus infection and David Sugden was recovering from an ear operation.

All the members of the team are Juniors again next year and if they stick together and use the experience they gained this year, it will be a bigger and better year for all.

*John Trickett
Boat Captain*

TERRIGAL SEA LIONS JUNIOR ACTIVITIES

Another busy, successful and enjoyable season has just concluded for the Terrigal Sea Lions. During the 1987/88 season 131 children registered with the Club, 96 of these receiving their age awards. Nine children received their Surf Life Saving Certificates and eight received their Resuscitation Certificates. Mr. Ian Taylor, our Chief Instructor worked very hard throughout the season, giving up a lot of his time to instruct or test the children for their awards.

I would like to congratulate and thank all the children who have worked so hard in training and representing our club throughout the season. Our carnival medal tally for the season, including State was 324 medals, which is a marvellous effort from our children. Seven of our children were selected for the Inter-branch team to go to Coff's Harbour; 18 of our children were Branch Champions.

At the State titles held at Manly, 66 of our children competed in a variety of events, many reaching the finals. Medals were won by the following children:

Eve Smith: Gold in the 7 year girls sprint.

Jeannie Smith: Gold in the 9 year girls sprint.

Beth Halon: Silver in the 13 year girls sprint.

Bryce Johnson, Glenn Morrison, Troy Skepper, Luke Minto: Bronze in the 11 year beach relay.

Congratulations must go to these children on a splendid performance.

A special mention must be made of seven children who have been given a special long service award, having been with the juniors since they were four, a total of ten years as nippers. Two of these children, Wendy Stone and Darren Ford have already moved into the senior movement. The other five, Scott Blackmore, Michael Collins, Scott Hawkins, Paul Stone and Cassie Taylor have now completed their last year with the nippers and are already involved in the senior movement as cadets. We wish them all the best in their future association with the senior club. Paul Stone and Cassie Taylor must also be thanked for the wonderful job they did as Club captains.

I would like to also make mention of the wonderful job Mr Paul Hawkins, our chairman, and his wife Pat have done for the Club, not only this season but for the past ten years. They have both held many positions in the club during this time and have done an awful lot for the children of the Club.

Thank you to all the parents and members of the committee who have helped so much this season, parents will continue to come forward and fill the necessary positions that are needed to run the Juniors efficiently.

Finally, on behalf of the club I would like to express our sincere appreciation to our sponsors, Mr. Richard Hayes, Chickadee Chicken and Terrigal Nationwide Realty for their support this season.

Juille Taylor, Secretary,
Junior Activities Committee.

JUNIOR INSTRUCTOR'S REPORT

During the 1987/88 season, 96 of our 131 registered children, passed their age award. I would like to congratulate all these children and to thank the team managers for assisting with the necessary instructions for these awards. Also a special thanks must go to Mr. Terry Antonio and Mr. Steve Tucker who assisted me in instructing resuscitation squads, and to the senior chief instructor, Jack Ward and his assistants.

Below I have listed the number of children, per age group that received their age awards.

7 years [18], 8 years [14], 9 years [18], 10 years [12], 11 years [16], 12 years [8], 13 years [9 plus 1 requalifying].

10 year old resuscitation certificate: Mark Bennett, Ben Ford, Daniel Quinn, Ben Sadgrove, Tim Schwartz, Matthew Taylor, Garth Tucker, Glen Morrison.

13 years Surf Life Saving Certificate: Scott Lambert, Mark Collins, Jamie Buckett, Scott Hawkins, Beth Halon, Jamie Elliott, Brent Mungovan, Brendan Spence, Paul Stone, Cassie Taylor [requalified].

Ian Taylor.

CHAIRMAN'S REPORT

It has given me great pleasure to be Chairman of the Terrigal J.A.C. this year and to have been involved with the moument for 10 years. I would like to thank the committee sincerely for all their hard work and the many hours they have given to help the Sea Lions through a very hectic season which found us away from our own beach on many occasions.

Congratulations to all the children for attending each week and also representing Terrigal at Carnivals the details and success of which I will leave to the Secretary's report, however I would like to say congratulations to the winners, the triers for participating and the children who attained their respective National Age Awards — A major part of their education in Surf Safety which has got to be vital for Central Coast Children. I feel it is important I mention here that in all the years I have been involved with the Terrigal Club I have always been extremely proud of the behaviour of our children at our own beach, at carnivals and especially when away at State Titles, so Mums and Dads, take a bow.

As a community service we conducted an Educational Program in Surf Awareness and Surf Safety for 5 and 6 year old children which was successful and I would like to see this continue and I am sure it will.

My thanks to all the people who helped at Junior Presentation Day. It makes it all worthwhile when you see the faces of the children when they hear their names called whether it's for a trophy or a National Age Award.

To our sponsors, Richard Hayes, Barry O'Brien of Chickadee Chicken, Andrew Clayton of Nationwide Realty, Terrigal, Dalton Plumbing Services and Mansours of Gosford, thank you very much for your continued support.

In closing I would like to say after being involved for the last 10 years, Pat and I will not be standing for any positions next season but will continue to help in any way needed. I hope everyone gets behind the club to ensure the children continue to learn and enjoy being in the Surf Life Saving Movement.

• Paul Hawkins.

STATE MEDAL WINNERS

*Winners of the Bronze Medal in the 11 Year Beach Relay
Luke Minto, Glen Morrison, Troy Skepper and Bryce Johnson*

*Not to be outdone by her older sister, Eve Smith proudly wears her Gold Medal for
winning the 7 Year Old Girls Beach Sprint.*

COMMUNITY SERVICE EDUCATION PROGRAMME

The Junior Activities Committee of Terrigal Surf Life Saving Club undertook as a community service an educational programme for five and six year olds to familiarise them with the dangers of the surf but without developing undue fear. The children gathered on the beach each week-end to participate in carefully designed games so they could learn while they played. Under the watchful eye of Programme Manager, Sue Howick, care was taken to ensure that there was no recognisable competition.

The participants were:-

5 Year Olds - Marc De Carne, James Gerrish, Joel Howick, Gregory Kogan, Danielle Lipscombe, Matthew Minto, Daniel Surridge.

6 Year Olds - Danielle Castle, Kelly Collins, Paul Green, Anne Humphries, Luke Mungovan, Joshua Scharz, Lisa Skepper, Kurt Segalla, Matthew Vaughan, Rebecca Wolf.

Chairman Paul seen here with Programme Manager Sue Howick after presenting Participation Awards to Gregory Kogan, Danielle Lipscombe, Kelly Collins, Daniel Surridge, Anne Humphries, Marc De Carne, Lisa Skepper, Joel Howick and James Gerrish.

Keith Grimley, Manager of Mansours of Gosford and Erina Fair, presenting their Encouragement Awards to Matt Seymour, David Maloney and Renee Antonio.

LIFE MEMBER'S FUND

STATEMENT OF RECEIPTS AND PAYMENTS

For the 1987/1988 Season

RECEIPTS	PAYMENTS
Net Interest Received to 30.5.88 \$465.48	Nil
Accrued Interest Account 30969-9278\$ 1.13	
Accrued Interest Account 73796-8390\$ 241.76	
----- \$ 708.37	----- Accrued Interest Fwd. Nil
Balance Fwd. 30/5/87 \$3257.33	\$ 242.89
-----	Credit Balance Fwd. \$3722.81
\$3965.70	----- 30/5/88
-----	\$3965.70

The above balance [Cr. \$3,722.81] is represented by Savings Investment Account No. 30969-9278 [\$222.81, accrued interest \$1.13] and Term Deposit 73796-8390 [\$3,500.00, accrued interest \$241.76] held at the National Australia Bank, Terrigal NSW.

I, Bruce Forsythe Marsh, Commercial Business Manager of 90 Monaro Street, Queanbeyan NSW do hereby state that to the best of my knowledge and belief the above account is presented to me from bank books and certificates of balances gives a true and fair view of the matters required by the Terrigal Surf Life Saving Club to be dealt with by the members and management committee of the said club.

B. F. Marsh, Bank Manager.

REPORT

The Audit Report attached has disclosed the Life Members Fund has now increased to almost \$4,000.00 with accrued interest added.

With no drawings against the Fund and with interest compounding this will ensure that the Fund continues to increase. Next year should see an excess of \$500 being added as interest receipts.

It would be hoped in the near future that a small portion of fund raising be added to help the fund grow. This then will enable future Management Committees to receive the benefits of the efforts of the present and past members of the Club.

The present Life Members Trustees of the Fund are Peter Wyllie, John Burgess and Mark Power.

Mark A. Power, Trustee,
Terrigal Surf Life Saving Club — Life Members Fund.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES:

a. Cash Basis -

The financial statements have been prepared under the cash basis of accounting.

b. Revenue and Expense Recognition -

The Terrigal Surf Life Saving Club is a non-profit organisation and receives most of its income from donations and specific fund raising events. Amounts by their nature can only be recognised when they are recorded in the books of the club.

Expenses are accounted for on the accruals basis.

c. Imprest Accounts -

The auxillary committee and The Terrigal Sea Lions run imprest accounts from which they make minor payments. The imprest balances are \$500 each. The Club treats these monies as spent when advanced.

2. MAJOR DONORS:

Included in donations received are the following major contributions

	1988	1987
Central Coast Leagues Club	1,917	2,052
Terrigal Bowling Club	-	1,827
Lend Lease	-	1,000
Licks Homemade Ice Cream	-	960

CONCLUSION

Well, there it is - the 65th Annual Report and Financial Statements - my fifth. It gives me great pleasure in commending it to the members.

The year that has been a beauty. There were over 100 rescues without loss of life. A great credit to club captain, Stuart Boag and his patrol captains. With the ever growing popularity of Terrigal Beach as a tourist resort the demands on the patrol members is intense and it is undoubtedly the alertness and skill of the members that nothing more serious occurred. The section in the Club Captain's Report on the quiet achievers amply displays these skills.

We were privileged to have had the Bicentennial Royal Surf Carnival on the beach. The weather, surf conditions and the crowd could not have been better. These were things we had little to do with but the part of the planning, preparation and water safety were things we participated in and we can look back with some pride on those achievements. All members did their job and the community would I am sure be grateful.

Once again conditions were not in our favour for the Twilight Carnival. But then again, not many weekends were fine. These conditions did not help with fund raising. Expenditure was somewhere in excess of \$6,000 over income for the season causing us to have to dig into hard earned savings.

Five years ago we were a struggling club with a very young membership. The bulk of the work and responsibility was left in the hands of a few. However the young members have stayed with us and now have reached a maturity not only in age but in life saving skills. With these members input together with the continued growth of young people I have no fear of the future of Terrigal Surf Life Saving Club.

There are a few who have made my lot easier. These are the Patrons led by Norm Galvin and Life Members Jack Burgess and Jack Ternent. Ray Dewhurst and Ian Bennett, who helped with the clerical work, lift some of the weight from my shoulders, Rick Legge whose counsel I could not survive without, Morrie Abell who I am forever hounding to help me with the maintenance of the club premises, Kerrie Cook our new auxiliary delegate for organising our social activities and Julie Taylor. Joy Love and Jack Ward who pitched in to help with the canteen.

There has been a greater emphasis on competition over the past three years than for some time. Previously we had lost, for some reason or other, our experienced competitors. I approached Len Cook of the Avoca Club to come and give us a hand. Give us a hand he did, spending long hours after work training and coaching our young members. Not only was Len one of the finest competitors that ever pulled on a costume but is an ideal example for all young people to follow. This year the club finished second in the Branch Championships and second in the handicap pointscore, an achievement which we owe to Len. I understand that the Avoca Club has made an offer to Len to return to that Club, an offer we cannot match, and if he takes it up, he leaves with our good will. The impact Len has made on this club in those three short years will last for many years to come and some will continue to have a role model for the rest of their lives. On behalf of President James, myself, my son William and all other members, than you Len.

Finally, the Executive and Management Committee worked well together in the interests of the membership. We may not have pleased everyone, but we tried our best. On behalf of President James and myself we wish you all the very best for the coming season.

W. D. ANIDO — Honorary Secretary.
