COVER: "The Boats are Back" - The Club entered into major sponsorship arrangements with Fuji Xerox Australia Pty Ltd and Tooheys Limited to purchase two surf boats. Terrigal's boat crews are seen here with the Xerox Surf Boat on Terrigal Beach.

Back Row: Kirk Newport, Peter Harris, Jason Johnston, Bob Stanbridge, Russell Hillery, Justin O'Donoghue, (Boat Sweep).
Front Row: Darren Cannan, Mick Trickett, Justin Kaeser, Matthew Masters, and Daniel Howick.

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 70th Annual General Meeting of the Terrigal Surf Life Saving Club Incorporated will be held in the Clubhouse on Sunday, 8th August, 1993 commencing at 10.00am sharp. All the 1992/1993 FINANCIAL MEMBERS are invited to attend.

1. Apologies
2. Adoption of the Minutes of the 69th Annual General Meeting
3. Business arising from the Minutes
4. Inward and outward correspondence
5. Any Notice of Motion
6. Adoption of the 70th Annual Report and Financial Statement
7. Election of Officers for the 1993/94 season
8. Any urgent business

Self nomination in WRITING for the positions will close with the undersigned on Saturday, 31st July, 1993. If a position is not nominated for in writing, that position will remain vacant until a later date. NO NOMINATION WILL BE ACCEPTED FROM THE FLOOR.

Any financial member may stand for election to any position on the Management Committee with the exception of: Club Captain, Vice Captain, Boat Captain, I.R.B. Captain, Chief Instructor, Board and Ski Captain, Gear Steward, Active Members Representatives (two positions), and Junior Activities Water Safety Officer, who shall be elected from the Active or Active Reserve Members only. To be eligible to nominate for the positions of Club Captain and I.R.B. Captain a member must hold the Association's I.R.B. Driver's Award. To be eligible to nominate for the position of Chief Instructor a member must hold the Association's Instructors Award. To be eligible to nominate for the position of Radio Office a member must hold the Association's Radio Operator's Award.

Persons standing for positions MUST BE FINANCIAL at the time of nomination.

In the event of more than one member nominating for a position a CLOSED BALLOT will be held for that position. To vote, a member must be financial before the Meeting is declared open.

Fees will be collected as from 8.30am before the Annual General meeting.

MEMBERSHIP FEES FOR 1993/1994 ARE NOW PAYABLE

Active Membership.....	\$25.00
Associate Membership.....	\$25.00
Pension Rates (Aged 60 or over).....	\$12.50
Under 18 at 30.9.1993.....	\$20.00
Family Membership.....	\$80.00

W.D. Anido
Honorary Secretary

THE BOATS ARE BACK

For a number of years now Terrigal Surf Club has been a powerful force in competition and is regarded as one of the countries great beach sprint clubs, having amongst its ranks State, Australian and World Champions. In recent times the Club has had two young Ironmen who have been able to match it with the countries best.

But there has been little or no interest in surf boats for many years apart from idle curiosity about two obsolete old boats hanging in the Club. Occasionally they may have been taken down and a team of old masters might have taken them for a social row. There has been no serious effort to enter in competition.

Well that was until the beginning of this season. Two boat sweeps arrived in town, one, Justin O'Donoghue, a former Queensland sweep and the other, Bob Grey, a former Manly sweep arriving via Newcastle. They looked at the Club and saw all these healthy young clubbies moping around wondering how to fill out the day.

Well before you could blink an eye they had the lads formed into three crews, organised sponsorship through Fuji Xerox Pty Ltd and Tooheys Limited, and purchased two competitive surf boats from the Manly Club. And compete they did - how they competed. Through hard training, motivation, discipline and most of all, pride in themselves and their Club the results started to roll in. Right across the State and on to the Australian Titles at Kurrawa Beach in Queensland they become a force to be reckoned with.

The Under 18 Boat Crew were the first to make their presence felt by winning the marathon boat race at North Cronulla. They followed this up in grand style by finishing sixth in the Tooheys Super Surf Boat Series, picking up a Silver Medal at the Branch Championships, making the finals at the State Titles and reaching the quarter finals at the Aussie Titles.

It's stretching the memory now but when did a Terrigal boat last win a Branch Title? I don't know but we did this year when the Under 21 Boat Crew became the Champions and on the way to the Title won the Bronze Medal in the "A" division. They also went on to make the quarter finals at the Aussie Titles.

But the crew who brought the lump to the throat or a tear to the eye of the old boaties around the Clubhouse was the Reserve Boat Crew, when on Boxing Day before their home crowd at the "Terrigal Twilight", won their division.

Its been a long time between drinks - hang on - the Terrigal Club has a great tradition in surf boats going right back to 1927 when they purchased "The Swordfish" from North Steyne for forty pounds. In those days surf boats were primarily a rescue craft and built up a great reputation in spectacular rescues right along the eastern seaboard. It didn't take long for the clubbies to find out that the boats could be great fun to race and Terrigal was right there where the action was.

In 1936 the President Jack MacArthur-Onslow put his hand in his pocket, and for one hundred pound purchased the Club's first new boat, the

"Spindrift". Like the "Swordfish" it was a double ender, made of solid cedar and took ten men to carry it. It was with this boat Frank Payne commenced his long and legendary career. His crew of Al Kilpatrick (stroke) and the Dibben Brothers won many carnivals along the coast. They devised a scheme whereby Al Kilpatrick swept to the cans with Frank as stroke, then swapped position and Frank drove them home. The "Spindrift" made headlines in 1938 when it was involved in attempted rescue in raging seas off the rocks at the Skillon. Its crew of Frank Payne, A. Macdonald, Ron Dibben, Roy Dibben and L. Dibben were granted the Royal Humane Society Certificate of Merit on 8th March, 1939.

The "Spindrift" was bedded down during the hostilities of World War II. After the war Frank launched the old boat again and it served the Club well until Don Gordon, a sweep from Manly, came along and he introduced the first tuck stern boat to the Central Coast. With this boat they won Branch Championships and made the semi finals at the State and Australian Championships. In 1955 the Club received an award from the Maitland City Council for its courageous rescue work during the "Great Floods".

In about 1956 Frank decided to call it a day and Club had just been donated a brand new boat, the "Miss Florida", by the new international hotel. The Club was casting around for someone to take over after Frank and a young bloke by the name of Peter Wyllie said he would lend a hand. Peter was a swimmer of some note and for the previous ten years had been a member of the Club's crack R. and R. Team. This team had been undefeated throughout this whole period. Well the rest is history. Peter was the driving force behind the Club's boat crews right up until 1983 winning numerous Branch medals and some of the battles between him and the late Dick Gee of Avoca were breathtaking.

Peter takes great pride in the fact that from the first Carnival to his last he competed for fifty years. Some of the other surf boats he swept were "Jack Hi" (1969), "Seabreeze", "Coco of Terrigal" and "Miss International Trucks".

Any history of surf boats in the Club would have to include the Radio Station 2GO connection. In the mid seventies the Advertising Manager, Bob Earl, and Sports Commentator, Darrell, the "Big D", Eastlake joined the Club and brought with them the biggest sponsorship ever granted (until that time) to surf life saving. Amongst other equipment the Club purchased a new boat call "Marantz Hi Fi" and the sweep was the "Big D". Darrell coached numerous crews over the years with considerable success and competed in carnivals right across Australia. In 1979 they made the long haul across the Nullabor to compete in the Aussies in Perth.

Although not rowing any more, Darrell drops in from time to time to give advice, or you can tune to the Wide World of Sport on Channel 9 on any Sunday afternoon and hear him reminisce about the halcyon days of surf boat racing. Has there ever been a better race call than the final of the Open Boat Race at the Aussie Titles this year?

Well for the past ten years, apart from a brief flutter three years ago when Pepper on Sea purchased the Club a secondhand boat, surf boat racing has been in a lull. But now -

SECRETARY'S REPORT

It is with pleasure that I commend the 70th Annual Report and Financial Statement for 1992/93 to the members of Terrigal Surf Life Saving Club Incorporated.

I guess it is a milestone, the 70th Annual Report. The Club has provided the longest continuous service to surf life saving on the Central Coast. One or perhaps two other Clubs were established before Terrigal but they ceased to operate for a period and were later reformed.

Terrigal Surf Life Saving Club has a proud record in surf life saving and competition and I am proud to have been the Secretary of the Club for the past decade.

It is in this context that I sadly advise of the death on 16th June, 1993 of Douglas "Budge" Campbell, O.B.E., one of the foundation members of the Club. I met Budge about four years ago when I was preparing a history of the Club. He informed me that as a lad he lived on a farm at Wamberal and he, along with a number of other young men, surfed at Terrigal Beach. Ted Sheedy, a former member of Palm Beach Surf Club, moved to Terrigal and suggested to those young men that they form a surf club. This was in 1924. The Club was formed and Budge was its first Vice Club Captain.

He remained with Terrigal for about three to four years then move to The Entrance where he helped to re-establish that Club. He remained with The Entrance Club, became a Life Member, and attended its Seventieth Anniversary Dinner earlier this year.

VALE - DOUGLAS "BUDGE" CAMPBELL O.B.E.

From that early start with about twelve members Terrigal, through the 1930's and 1940's, grew to one of the most powerful in the country with a membership of about seventy. Things are certainly different today.

CLUB MEMBERSHIP

The senior membership continues to grow at a substantial rate, namely at 11.50% over the previous year. The number of active male members however dropped by 12% but overall the number of female members has almost doubled.

A comparative breakdown of members is listed hereunder:-

MEMBERS	1992/93		1991/92	
	MALE	FEMALE	MALE	FEMALE
Active	85	19	97	11
Active Reserve	13	-	10	-
Cadet	11	14	19	10
Others	76	39	61	28
	<u>185</u>	<u>72</u>	<u>187</u>	<u>39</u>

MANAGEMENT COMMITTEE

The Management Committee met on nine occasions during the year and of the 25 members only four attained 100% attendance. In all, there were one hundred and fifteen absences, leaving a small core of hard working office bearers to manage the Club. This had the problem of placing an exceptional load on these officers, and because of their narrow focus and limited experience, could not be expected to satisfactorily represent all aspects of the Club.

SUB-COMMITTEES

Sea Lions Committee:

The Committee had a very successful year under the Chairmanship of John Howick. Sunday morning competition was well represented as was attendance at carnivals. The Club finished second in the Branch Championships which was the best performance for a number of years and six Sea Lions were selected to represent the Branch at the State Inter-Branch Championships. Scott Roberts was selected from that Carnival to represent NSW at the Australian Championships in Tasmania. Not only did Scott compete at the highest level but the Club could not have asked for a better representative. Scott would be our first Junior State representative since the brilliant David Love. The Committee recognised Scott's achievements by naming him the Sea Lion of the Year on Presentation Day.

The Sea Lion membership continues to grow, 15% increase over the previous year. A comparative breakdown of membership is listed hereunder:-

Members	1992/93		1991/92	
	MALE	FEMALE	MALE	FEMALE
	158	81	140	75

Auxiliary Committee:

This Committee, under the Chairmanship of Auxiliary Delegate, Lorna Stone, had a very busy season organising the social activities of the Club. There were more activities this year than the previous year and were well supported by the membership.

A new innovation has been the Sunday morning breakfasts for the winter swimmers, winter training and participants in the Iron Men's Ironman. This has been very successful in bringing members together in winter and has gone a long way in lifting the esprit de corps of the Club.

The Auxiliary catered for 21 functions, including Junior and Senior Presentation of Trophies, The Twilight Carnival, Junior and Senior Xmas Parties, Back to Front Raffle Night, 10 B.B.Q.s and end of season functions for both Juniors and Seniors.

The liquor license was exercised at each of these functions and the net takings was comparable to the previous year. Thanks go to Ron Stone who organised all the liquor purchases and to Reg Delaney, Bob Baxter, and Kim Petley who worked so hard behind the bar.

Early in the season the Auxiliary organised a Fashion Parade which was well patronised and all the proceeds went to Club maintenance for renovations to the kitchen.

Judiciary Committee:

The Committee, under the Chairmanship of the Vice President Ron Stone, met on one occasion only during the year to consider allegations of misuse of the I.R.B. by a member. The Committee recommended that the member clean around the Club until he obtained his I.R.B. Drivers Licence. The recommendation was endorsed by the Management Committee.

Carnival Committee:

Again the Club conducted the Terrigal Twilight Carnival with great success and for this we can thank the hard work put in by Ron Stone and his Committee. Not only was the Carnival a financial success but proved to be a magnificent show place for life saving and very much appreciated by the large crowd it attracts.

The Club has submitted applications to hold four Carnivals for the coming season and the Committee has been expanded to meet the extra anticipated workload. All members will be called upon to assist in the preparation, organisation and participation in these carnivals if they are approved.

Building Committee:

The Management Committee established a Committee under the Chairmanship of John Howick to examine the feasibility of extending the surf club. The Management Committee set aside \$3000 for this purpose and to pay an architect to prepare a design concept to be submitted to State Centre and the various Government agencies. The charter of the Building Committee is to come up with a proposal which is cost negative to the Club. At this stage a site meeting has been held with the architect, Gosford Council, State Centre and the appropriate Government Agencies.

VALE - LISA GANNAN

At the end of September, 1992 Lisa, the fiancee of our Vice Club Captain, Paul Martin, was tragically killed. The brutality of the incident not only stunned the members of the Club but that feeling spread right across the country.

It is difficult to comprehend the grief experienced by Paul and by Lisa's family, particularly in the way she was taken from them. She was a bright, happy, bubbly young lady looking forward to her marriage to Paul in February this year.

All members expressed their heartfelt sympathy towards Paul and the family.

As if by some prophetic inspiration Lisa wrote the following poem several months before her tragic death.

"Do not stand by my grave and weep

I am not here, I do not sleep

I am the eagle that soars so high

I am a star in the dark night sky.

Do not stand by my grave and cry

I am not here, I did not die."

Paul expresses his appreciation to all members for their support.

Clubhouse Maintenance

The Clubhouse is permanently booked each evening from Monday through to Thursday for community activities. The income from these activities substantially meets the cost of Club maintenance.

Two major renovations took place during the year. The Junior Gear Room was extended to enclose approximately half the members room. Regrettably very little room is left for members for changing or storing their push bikes when they are on patrol. The Club was never designed to cater for the size of membership we have nor big enough to store equipment a modern rescue organisation requires. It is not too soon that consideration has been instigated to determine the feasibility of extensions.

The Management Committee approved \$3000 being used to renovate the Kitchen area. This included \$500 donated by the Terrigal Women's Tennis Club and a similar amount being raised by a fashion parade organised by the Auxiliary. The renovations included a new set of cupboards but more importantly the Kitchen was independently connected to its own water and electricity supply. For many years members preparing for functions have been frustrated by the overloading of electrical circuits and the lack of hot water. Hopefully that will no longer be a problem.

On Presentation Night the Club recognised two stalwarts of the Club who over the years have always been available to assist with the maintenance of the Club. I speak of Ross Montgomery and John Newport who each received an Appreciation Award. No job was too large or too small for these members. To all other members who assisted with the maintenance of the Club and the gear rooms I wish to express the Management Committee's appreciation.

SPONSORSHIP

Terrigal has been fortunate with sponsorship over the last year. In difficult time the stalwarts hung in and at the same time the Management Committee was able to negotiate a number of new and substantial sponsorships.

At the beginning of the season the Club was approached by a large manufacturing company and offered what seemed a substantial sum for exclusive sponsorship. It created considerable soul searching before it was rejected. The Committee considered that it was more appropriate to remain with our local supporters.

To all the sponsors and supporters listed on Page 1, the Management Committee and members are truly grateful for your involvement with the Club.

LITIGATION

On 23rd September, 1992 the Club and two of our members were served with a copy of an Ordinary Statement of Claim lodged with the District Court, Gosford on 15th September, 1992 for the sum of \$100,000. It relates to an alleged collision between a swimmer and the Club's I.R.B. The matter is in the hands of Surf Life Saving Australia Inc. insurers.

PRESIDENT'S MESSAGE

Terrigal enjoyed a very successful season with an increase in membership and because of that an increase in the number of surf life saving awards gained.

On behalf of the Committee I would like to thank all those members who carried out their patrol duties and we can be proud again that "no lives were lost" during patrol hours at Terrigal Beach.

Our Clubman of the Year was James Griffin. James held the position of Patrol Captain, Gear Steward and took on the responsibility of training all candidates for their awards, and a first class job he did. Michael Trickett was

selected as Patrolman of the Year. He was punctual, gained his 100% attendance and was a willing substitute for those who could not make their patrols. The Rookie of the Year was awarded to Nathan Mansfield. Nathan, a very polite and well mannered young man, carried out his patrols diligently and is a real asset to the Club. Associate of the Year went to a very hard worker for the Club in Beris Meldrum. Beris carried out hours and hours of fund raising as well as working at Club functions and still found time to carry out her duties as Club Treasurer.

Competitors of the Year were beach sprinters Veronica Lee and Brice Johnson. Just the mention of Veronica's name causes World and Australian Titles to spring to mind. Brice also is no novice and this year he added a State and an Australian Medal to his swag.

This year saw a first for the Terrigal Club with Will Anido receiving the Jim Harper Trophy. This Trophy is allocated to the Senior Central Coast Lifesaver of the Year.

The Junior Activities Committee under the Chairmanship of John Howick had a very successful season. The Sea Lions efforts at local Carnivals were outstanding. The sponsorships by Kleenmaid and Ken's Chemist of Terrigal made an outstanding contribution to the Sea Lion's success.

This season saw Terrigal emerge as a threat in the boat arena. This was due to the efforts of Justin O'Donoghue and Robert "Daffy" Mackay-Gray, two new comers to the Club, who had visions that Terrigal lads could be turned into "boaties", and with determination and discipline they achieved that. Sponsorship by Tooheys Limited and Fuji Xerox Australia Pty Ltd also played a big part in making this possible.

I would like to express my appreciation to the Management Committee and to all those members who worked so hard behind the scenes. Similarly, I wish to express the Club's appreciation to the Branch Executive and the Board of Examiners for their continuing help throughout the season.

Paul Hawkins

CLUB CAPTAIN'S REPORT

It has been a pleasure to have been the Club Captain of Terrigal Surf Life Saving Club for the 1992/93 season. It was with some pride that I was able to attend carnivals, and for the first time in many years, be abl. to watch the "Mighty Blues" compete at carnivals. Not only did our sprinters dominate the beach as it has come to be expected, but our boat crews emerged as a force to be reckoned with and to top this off there were many strong performances by our craft and water competitors. I believe that we will continue to go from strength to strength as long as we remain a united Club and not segregate like some other clubs, into competitive groups. It was great to see people support each other throughout the year and congratulations to all Terrigal "Clubbies" who competed at any level.

I would like to thank the committee for their outstanding support throughout the year. Many people do not realise the number of thankless hours these people work so that we have a club.

The Patrol Captains this year did a great job and I personally thank them for their time in taking on the responsibility of the job. Without people such as these there would have been fewer patrols and this obviously means we would all be doing more days on patrol.

While all active members should be striving to achieve their 100%, and I congratulate those that did achieve this, a special congratulations should go to Michael Trickett for the award of Patrolman of the Year and to Nathan Mansfield, Rookie of the Year, for their outstanding patrol work.

Patrolman of the Year, Mick Trickett, receiving his award from Clubman of the Year, James Griffin.

CENTRAL COAST'S SURF LIFE SAVER OF THE YEAR

The Jim Harper Trophy is allocated each year by the Central Coast Leagues Club to the Senior Central Coast Lifesaver of the Year. The 1992/93 season winner of this prestigious trophy was Will Anido of the Terrigal Surf Life Saving Club. The citation stated that during the 1992 Calendar Year Will Anido -

Represented the Central Coast Branch in the team which toured Canada and the United States of America

Obtained 100% Patrol Proficiency for the 10th year in a row

Trained the highest number of Bronze Medallion Award recipients in one year in the history of the Club

Obtained the Department of Sport and Recreation Grade 2 Surf Coaching Certificate

Coached numerous competitors for Terrigal and other Clubs on the Central Coast

Provided instruction at the Grade 1 Surf Coaching Certificate Training Course

Received the Club's award of "Clubman of the Year" for 1992

Will Anido is a highly motivated surf lifesaver whose skills have been extensively documented. In 1989 the Australia Day Council awarded him the "Medal for Achievement" in recognition of rescues he performed.

As a competitor, this goes against the grain a bit, but we are surf life savers first and competitors second. Without patrols there is no club and no competitors. I think all competitors should thank the patrols of Paul Martin, Dave Mansfield, James Griffin and David Cooper who covered the beach during all the local carnivals.

At the beginning of the season no one had nominated for the position of Chief Instructor and with the large number of new members things looked grim. However, the Junior Instructor, Peta Daly, volunteered to assume this responsibility while James Griffin acquired his appropriate qualifications. Between them they trained 27 for their Surf Life Saving Certificates, 35 to receive their Bronze Medallions and 5 gained their Advanced Resuscitation Certificates. James obtained his Training Certificate and is now eligible to nominate for Chief Instructor. We are truly grateful for the work and time spent by these two in the training our new members.

Clubs this year were required to send radio operators to Central Coast Surf Rescue to man the emergency service at Toowoona Bay. We are grateful to our Radio Officer, "Slim" Lacey and Peta Daly who spent so much time in this capacity.

FIRST AID OFFICERS REPORT

Season 1992/93 has proved successful for the Club. On the medical side we had the following cases attended to:-

Marine stings	111
Cuts and abrasions	15
Fractures/dislocations	3
Hospitalisations	2
Missing persons successfully found	4

These activities were the result of a very active year for our patrol members. I would like to take this opportunity in thanking the patrols for all their hard work and positive attitudes concerning first aid.

The Club wishes to thank Ken Thompson of Ken's Chemist of Terrigal for his kindness and generosity in providing the Club with all its medical needs.

Also thanks to Tom of the Barn Joinery of West Gosford for supplying the Club with new First Aid cupboards, free of charge and to David Hill, Gosford City Lifeguard, for his time and effort in painting out the First Aid Room at the beginning of the season.

Again the Club is grateful to the Doctors of Terrigal Medical Centre who are always available to assist in medical advice and immunise our members against Hepatitis B. This year twenty-one members were vaccinated against the disease.

Just one extra thank you and that is to someone who is always unlimited in her eagerness to help me clean the First Aid Room, my daughter Lauren.

Bob Bowman - First Aid Officer

First Aid Officer Bob Bowman presenting Ken Thompson of Ken's Chemist with an Appreciation Plaque.

I. R. B. CAPTAINS REPORT

No member of the Club attained their I.R.B. Driver's Award during the past season because a decision was taken to train new drivers during the winter months. By the time this report is published hopefully a number of members will have been in training for some time.

The I.R.Bs. and crews proved again last season that the "rubber duckie" is the best piece of rescue equipment that clubs have at their disposal.

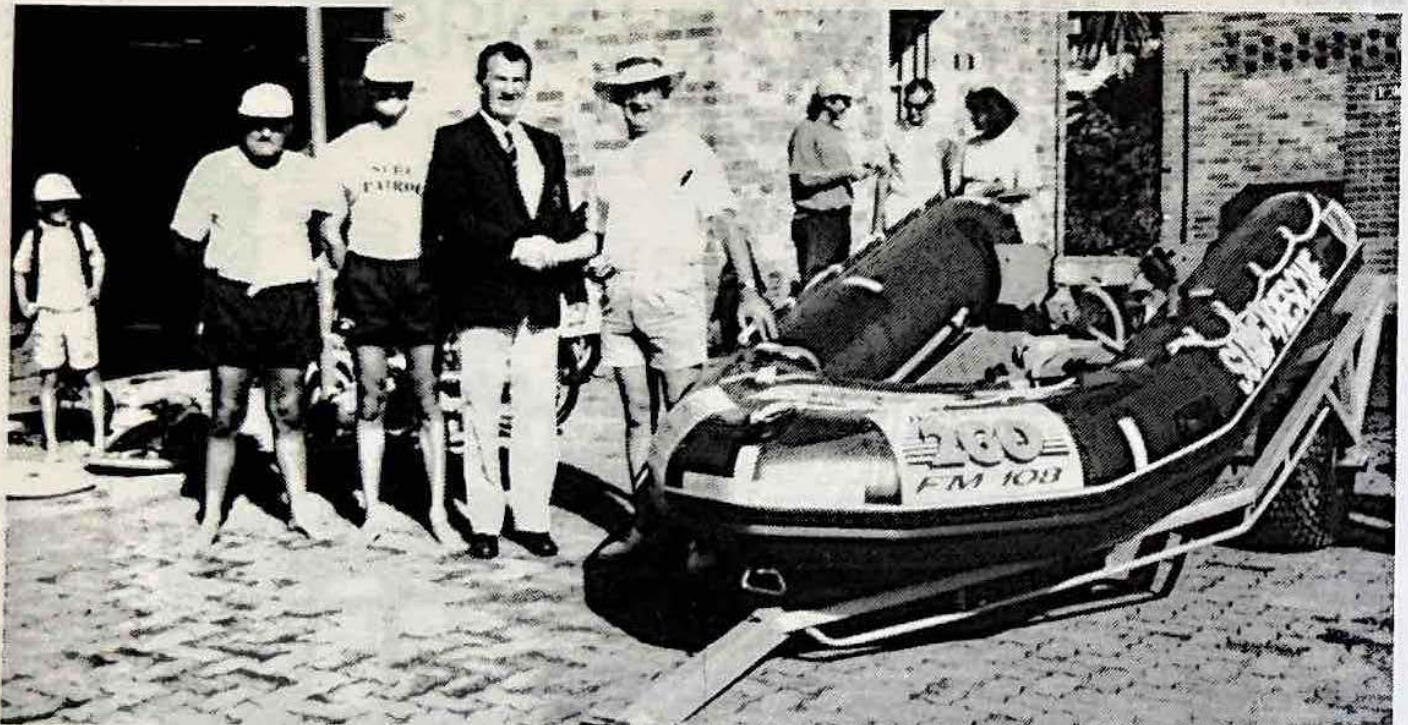

I would like to thank Paul Minto and Paul Martin for their help during the season. Also to Russell Hillery a special thanks for getting the I.R.B. Trailer on its wheels at the start of the season.

On behalf of all members of the Club I wish to express our gratitude to Peter Little and 2GO (FM 108) for the sponsorship of a new I.R.B. costing over \$7000. I cannot thank them enough other than to suggest to all members to listen to FM 108 when your on the Central Coast.

To David (Crock) Leslie of Terrigal Shell Self Serve once again thank you for your fuel sponsorship. Every year David gives us the fuel for the Rubber Ducks and never asks for anything in return. I cannot stress enough the importance of this annual sponsorship so I ask members when requiring fuel for your cars call into Terrigal Shell Self Serve along Terrigal Drive to fill up and when you pay for your petrol say thanks to Dave, and his staff.

In closing thanks to President Paul and the Club Executive and congratulations to all competitors during last season.

Jack Ward - I.R.B. Captain

I.R.B. Captain, Jack Ward; Club Captain, Paul Minto; President, Paul Hawkins and General Manager of Radio Station 2GO, Peter Little at the launching of the new surf rescue boat.

COMPETITION REPORT

The Club experienced its most successful competitive performance in many years when both the senior contingent and Terrigal Sea Lions were placed second in their respective Branch Championships. The overall results indicated that Terrigal was the strongest competitive Club on the Central Coast. For the first time in many years the Club was strongly represented in all aspects of competition, be it beach sprints, craft events, surf boats or swim.

Not only did the members perform well on the Central Coast but large contingents of competitors travelled to Carnivals right across NSW. The increase in enthusiasm was undoubtedly led by the resurgence of the surf boats. Who could believe what would follow from Robert Mackay-Gray sniffing around the Club last winter. He, along with his cohort, Justin O'Donoghue, convinced the Committee that they had something to offer the Club and the rest is history. The boat crews performances are well covered elsewhere.

One of the best performers for the Club was new recruit Matt Raward. Matt's forte is the surf ski on which he won the U/18 event at Carnivals at most venues over the season including the Branch Title. The look on his face when he finished fourth at the State Titles was one of anguish, so close but yet so far. However, Matt has enormous potential and I am sure we will hear a lot more about him over the years.

Another who performed well was Brice Johnson, Beach Sprinter extraordinaire. Not only did he continue to win in his own age group, but proved he has enormous potential by beating established runners in Open events. He won Gold at the Branch Titles in the U/18 Beach Sprint and then turned around and won Silver in the Open Beach Sprint. At State he also finished fourth but his disappointment must have been diminished by the imposing performance of the Under 18 Beach Relay Team when he joined Quinton Smith, Glen Morrison and Jude Varcoe to become the State Champions. Disappointment dogged them at the Aussie Titles where they had to be satisfied with second placing, being beaten by a team that came in behind them at State. Brice was also able to find time between training to coach the Under 11 Beach Relay Team who went on to win Gold at State. This unselfish attitude together with his fine performances over the season saw Brice being awarded the prestigious Competitor of the Year Award on Presentation Night.

Well, the Ladies Australian Beach Sprint Crown is back where it belongs, on the head of Terrigal's glamour girl, Veronica Lee. How she responded to that mammoth pressure was incredible and all Australia was with her when the gun went off. Following her win at the Aussie Titles Veronica was selected in the Australian Team to compete in the Test against New Zealand. She won both her events, the sprint and flags. Apart from her tragic fall in the Aussie Titles in 1992 Veronica has remained undefeated for three years, a remarkable record.

All the competitors did the Club proud whatever their results. Also congratulations to Veronica Lee, Brice Johnson, Quinton Smith, Matt Raward and Katie Hackett who all made Branch sides. Joye Love passed the clipboard to Ron Stone who performed the duties of Competition Secretary very ably throughout the year and his encouragement to the younger competitors was gratefully appreciated.

COMPETITION RESULTS

AUSTRALIAN CHAMPIONSHIPS

OPEN LADIES BEACH SPRINT - GOLD MEDAL
Veronica Lee

State Champions - Adam Baxter, Dean Connolly,
Jess Van Stratten and Cal Roper.

Branch Master's Champion - Robert Realph.

BOAT CAPTAINS REPORT

It is with great pleasure that I present this report after a highly successful season, both on and off the water. Terrigal has gone from boat rowing obscurity to being a boat rowing club which is respected and admired by rivals and officials throughout the State.

The main reason for this dramatic resurgence is undoubtedly the arrival of two men to Terrigal Surf Club, namely Justin O'Donoghue and Robert (Daffy) Grey.

Justin has been the driving force behind the Colts/A Crew, comprising of Mick Trickett, Jason Johnston, Russell Hillery and Justin Kaeser. This crew has improved out of sight under Justin's guidance and were rewarded by winning the Gold Medal in Colts and the Bronze Medal in Open company at the Branch Titles. I'm certain that with an ounce of luck that this crew would have been finalists at state and national level.

Justin's work behind the scenes has been equally important to the Club. His efforts in gaining sponsorship (Xerox), his personal expense of purchasing an ergometer for members use together with his positive attitude towards training, competition and life in general were major factors behind our success this season.

Daffy's efforts have been equally important to the Club. He swept the Junior Crew, comprising of Darren (Rocky) Cannan, Kirk (Tarzan) Newport, Matt (Muscles) Masters, and Daniel (Howie) Howick to great success finishing the season in the top five in the State, finalists in the State Titles, Silver Medalists in the Branch Titles and numerous placings throughout the season. The loss of Kirk through injury prior to the National Titles was a tremendous blow to the crew but of their credit, no one threw in the towel and with the help of Brian Forster they performed admirably and were a credit to the Club.

Daf also swept the "Bumbling B's". This crew made up of Peter Harris, Grant (Dimples) Standen, Darren Jamieson and Bob (Junkyard) Stanbridge and Peter Chell had its share of highlights during the season with victories at the Twilight and Cape Hawk carnivals and Silver Medalists at the Branch Titles. Several snapped oars robbed the crew of any chance of victory in the National Titles.

Daffy has also worked tirelessly behind the scenes, also gaining sponsorship (Tooheys), carrying out repairs to boats and equipment, transporting boats and rowers to carnivals, obtaining necessary equipment through various means, feeding his crew members on trips away (with help from his wife Ellen) and ensuring that team moral was always on a high.

Thanks also to John Newport who carried out some major repairs to boats and trailers during the season at no cost to the Club. Congratulations to our sectional award winners; Kirk Newport, the Most Improved Rower of the Year and Mick Trickett, Rower of the Year. Thanks to our Committee for getting behind rowing and supporting our efforts. Finally, thanks to our sponsors and supporters. Looking forward to a bigger and better 1993/94 season.

AUXILIARY DELEGATE'S REPORT

Once again I can report a most successful year for the Auxiliary Committee, through the following of a well organised social agenda which included many of the functions that have previously been held, i.e. the "Back to Front Raffle Night", Christmas parties, fortnightly B.B.Q.s and Sunday brekkies for winter swimmers.

This year the Auxiliary decided to cater for Presentation Night which was a large undertaking, almost 170 Club supporters sitting down for dinner on the night.

Functions of this calibre will be made much easier in the future. This is because of the persistent lobbying that forced the "Executive" to finally allocate funds to renovate the kitchen. The kitchen is indeed an asset to the Club.

This report would not be complete without thanking all those members of the Auxiliary, as well as the many members of the Club who have worked tirelessly throughout the 1992/93 season.

JUNIOR CHAIRMAN'S REPORT

Well another season has come and gone with quite a few highlights. I would like to thank Dianne Duncan for her commitment and dedication to the position of Secretary over the past three seasons. Dianne was always there to complete whatever task she was given and always in a very competent manner.

The Club is growing from strength to strength and the success of the season reflects the hard work undertaken by many people including of course our Committee and Team Managers. Congratulations to each and everyone of you for a job well done. I wish to express my gratitude to the members of the Executive and the Management Committee for their support throughout the year.

For the many hours of water safety completed by our water safety fraternity led so capably by Steve Edwards, thank you. Just on water safety, it was good to see a number of young members from last season's Nippers helping out every Sunday morning. I'm sure the younger members appreciated your assistance!

Jack Ward, the I.R.B. Captain, through his dedication and commitment had the I.R.B. operational every Sunday. Without the "Rubber Duck" ready and waiting each week there would be no junior activities. I would like to thank Jack on behalf of all concerned and also to the crews we called upon throughout the season.

On behalf of all members of the Club I would like to express our sincere appreciation for the support and generosity of our major sponsors - Ken Thompson of Ken's Chemist of Terrigal, Kleenmaid, Richard Hayes and Chickadee Chicken. Others for whose support and generosity we are grateful are Peter Harris of Jax Pest Control, Chris and Marian Garner of One Stop Sign Shop, Ross Montgomery Plumbing Services and Ray Weaver.

Congratulations to all children who participated at carnivals during the season. Their performances kept the Club near the top in all carnival placings. There were a lot more children competing in water events which was great to see and we hope this will continue next season. To encourage this we will be conducting a number of training sessions with the help of our senior members who will show them the finer points of competition.

We travelled to Port Macquarie for the State Titles, and a good time was had by all. We came home with some fine results, particularly the under 11 Beach Relay Team who trained hard all season with the help of Brice Johnson and picked up gold.

And while on the carnival scene, praise must be bestowed on Kim Petley and his family for having the tent up and ready at all carnivals by 6.45 am. It was great to always have a good position on the beach.

It would be remiss of me not to mention the March Past Team who performed magnificently at the Branch Titles winning gold and reproducing their good form at Port Macquarie with a fifth placing. The North Cronulla Club Coach graciously pointed out that we were now a recognised March Past Club, an accolade we can be proud of. On behalf of the team our sincere thanks must go to a number of people involve with

the team over the last three seasons including my wife Sue Howick, Lyn Montgomery and Dianne Connolly. To Paula Baxter for her assistance in training and to Rhonda Trasler and Paula for fitting and supplying new costumes for the State Titles we all express our sincere gratitude.

To the boys and girls who have completed their final year in the Junior movement we wish you well and hope to see you all next season as Cadets and still wearing the royal blue caps of Terrigal.

Reg Delaney starred in organising our Back to Front Night. Once again it was a great success and all who attended had a great night. Also the Club would like to thank Reg for his involvement with the All Age Relay Team and his contribution to the success of our excursion to the State Titles at Port Macquarie.

Like husband Reg, Sue Delaney's contribution to the Club over the past couple of years has been enormous. She has held the position of Carnival Secretary and has carried out the duties in an exemplary manner. We all applaud her efforts.

We must never forget that firstly we are a surf life saving club and it gives me pleasure to say that 173 children gained surf life saving awards this year. Once again the onerous task of training and examining the children fell on the shoulders of Peta Daly. I am sure all members would ask me to convey their thanks for her contribution to the success of the Club.

Finally, thanks to all parents and children and all concerned for your participation and effort, and I hope to see you all again next season

John Howick - Chairman, J.A.C.

Nipper of the Year, Scott Roberts receiving his Award from President Paul Hawkins

JUNIOR SECRETARY'S REPORT

This season for the Juniors has been one of the most successful that I have witnessed.

John Howick led the way for the Committee and parents in general, in a way that is to be admired. Apart from his never ending role as Chairman of the Committee, John was once again heavily involved with the March Past Team which did so well at State level.

Congratulations must go to all the members who represented the Club at Carnivals and particularly those that attended the State Titles. Well done!

Presentation Day this year was well attended and ran well. It was a grand finale to a very successful year. An indication of how well the year progressed for the Juniors is the high level of 100% attendance achieved in the U/14 age group. This is traditionally a group that tends to have other things on their minds.

I would like to thank the Committee for their support and encouragement during my term as Secretary. A special thanks to Sue Howick for her tolerance and understanding.

Dianne Duncan - Secretary, J.A.C.

JUNIOR INSTRUCTOR'S REPORT

Terrigal Sea Lions had a very good season. Out of 232 members 173 achieved the current age award. Especially pleasing is the number of senior nippers who attained the Surf Life Saving Certificate, 22 out of 25.

Thanks to all team managers who assisted in their own age groups. Thanks also to the families of the children themselves who had to come for extra training for the higher awards - often during the holidays and weekends.

Peta Daly - Instructor, J.A.C.

JUNIOR WATER SAFETY OFFICER'S REPORT

Another great season has come and gone. The Nippers had a couple of pretty rough mornings during the season but to their credit they handled the conditions with smiles on their faces.

Thanks to all the mums and dads who assisted when needed, and a special thanks to the old faithfuls who were always there, Punchy Morrison, Andy Connolly, Paul Quick and Peter Riley.

Steve Edwards - Water Safety, J.A.C.

CARNIVAL SECRETARY'S REPORT

This season again saw Terrigal competing strongly at all carnivals. Placings at carnivals were:-

Copacabana	2nd
Ocean Beach	1st
North Entrance	3rd
Umina	2nd
Lakes - Intercities	2nd
Avoca - Branch Titles	2nd

Not only did we win plenty of medals but we were always well represented in the finals. Our All Age Relay Team continually won Gold as did the U/10, U/11 and U/12 Relay Teams with the U/14 Relay Team bringing home the Bronze each time. We had a large group of children who consistently won medals in the sprints and flags.

One of my aims has been to encourage more children to compete in the water events and again this year we saw some very strong individual performances. The Junior Swim Team, the U/11 Swim Team and the U/12 Swim Team all won their share of medals and the Junior Cameron Relay Team and the U/12 Board Relay Team were named as Branch selections to compete at the State Carnival with the Junior Board Rescue Team named as reserve. As each Branch is only able to nominate 3 teams and 1 reserve in each of these events you will see that this is a great achievement.

Our March Past Team won three Silver Medals and a Gold at Branch - a great victory! We were placed fifth at State which was no surprise to the loyal supporters of the Terrigal Club and well deserved recognition to the girls and their coach John Howick. Thanks must go to Paula Baxter and Rhonda Trasler for outfitting the girls - they looked beautiful. We were all very proud to see the girls representing Terrigal in one of the greatest traditions of surf life saving - the March Past.

The State Carnival saw us win only one medal - Gold in the U/11 Beach Relay. Congratulations to Adam Baxter, Dean Connolly, Jess Van Stratten and Cal Roper.

This year we had six children selected to represent the Central Coast at the Inter Branch Carnival at Lakes Beach. Stephen Hackett, Cal Roper, Renee Roberts, Louise Baker, Eve Smith and Scott Roberts all turned in fine performances with Scott Roberts being named in the State Squad to compete at the National Championships in Tasmania. Scott was a fine ambassador for the State and the Club and is well deserving of the Clubman of the Year Award for 1992/93. Competitor of the Year is Nicole Hackett. Nicole won a total of fifteen medals, thirteen of these were individual medals for swim, board, and iron maiden events - a great effort. Congratulations to all these children.

Many thanks to all Team Managers. They cope with exceedingly difficult conditions at carnivals and still have a smile on their faces - usually! I would like to give a special mention to those children who never win a medal. These children compete happily in all events and without them there would be no carnivals.

Sue Delaney - Carnival Secretary, J.A.C.

COMMUNITY SERVICE EDUCATION PROGRAMME

The Junior Activities Committee again undertook as a community service an educational programme for five and six year olds to familiarise them with the dangers of the surf but without developing undue fear. The children gathered on the beach each week-end to participate in carefully designed games so they could learn while they played.

In all 68 children took part and fun was had by all. The games introduced the basic skills they would need later when they join the Sea Lions and participate in the Club's activities.

These included sprints, relays, flags and wades, all with the fun element involved. The children seemed to enjoy their Sunday mornings and developed confidence in their abilities as the weeks went on. At seasons end all the children received an award and their faces glowed with pride.

A number of parents took part in the programme but mostly the activities were supervised by Terry O'Reilly and Barry Nicholas. On behalf of all the parents of the five and six year olds our gratitude is extended to them for their efforts throughout the season.

NOTES TO THE FINANCIAL STATEMENT

1. ACCOUNTING POLICIES

A. Cash Basis -

The financial statements have been prepared under the cash basis of accounting.

B. Revenue and Expense Recognition -

The Terrigal Surf Life Saving Club is a non-profit organisation and receives most of its income from donations and specific fund raising events. Amounts by their nature can only be recognised when they are recorded in the books of the club.

C. Imprest Accounts -

The Auxiliary Committee and the Sea Lions run imprest accounts from which they make minor payments. The imprest balances are \$500 each. The club treats these monies as spent when advanced. The income and the expenditure of the Sea Lions which was noted separately last year has been included in the descriptive categories this year. Total income this year was \$15946 and expenditure was \$17148.

D. Canteen - Net Contribution -

Due to a change in accounting policy, assets relating to the Canteen Fund have been included in the Accounts of the Club. The net contribution of \$22480 does not solely represent the results of the current year's trading but incorporates profits of previous periods not previously brought to account.

2. MAJOR DONORS

Included in the donations and sponsorship received are the following major contributors:-

	1993	1992
A. Sponsorship	\$	\$
Fuji Xerox	7000	--
Wesgo Communications	8500	500
Harvey Norman Discounts	2500	2500
Ken's Chemist	2150	--
Tooheys Limited	2000	--
Kleenmaid	640	--
Terrigal Women's Tennis Club	500	--
Chickadee Chicken	300	--
Jax Pest Control	100	--
B. Donation		
Holiday Inn - Crowne Plaza	1500	--
Gosford City Council	1200	--
Central Coast Leagues Club	994	1040
Terrigal Wamberal RSL	250	250
Terrigal Neighbourhood Watch	219	--
Wamberal Terrigal Beach Protection	100	100
M & P Vickery	50	200

In addition petrol for the IRB was donated by Terrigal Shell Self Serve, a Rescue Board was donated by Terrigal Bowling Club, and raffle prizes were donated by Travel Co, Terrigal; Camperdown Travelodge; Tanz, Erina; and Bayside Butchery, Terrigal.

AUDITORS' REPORT FOR THE YEAR ENDED 31 MAY, 1993

We have examined the accounting records kept by the Terrigal Surf Life Saving Club Incorporated, in respect of the year ended 31 May, 1993.

In our opinion:

- (1) there were kept by the organisation in respect of the year, satisfactory accounting records detailing the sources and nature of the income of the organisation (including income from members) and the nature and purposes of expenditure and;
- (2) the accompanying accounts and statements being the Balance Sheet excluding the Life Members Fund) and Statement of Receipts and Expenditure, prepared under the cash basis of accounting are properly drawn up so as to give a true and fair view of:
 - (a) the state of affairs of the organisation as at 31 May, 1993, and
 - (b) the receipts and expenditure, and any surplus or deficit, of the organisation for the year ended on that date.

SIGNED at Sydney this 9th day of July 1993

LIFE MEMBERS FUND

Statement of Receipts and Payments for the 1992/93 Season.

RECEIPTS		PAYMENTS
From Terrigal S.L.S.C. Inc on 24.8.1992.....	\$ 2500.00	Nil
Nett interest received to 30.5.1993.....	508.60	
	3008.60	
Balance FWD 30.5.1993	7527.50	Nil
		\$10536.10

The above balance (Credit \$10536.10) is represented by term Deposit Number 28-127-1850, held at the National Australian Bank, Terrigal.

I, Scott Gregory Lorkin, Bank Accountant, of 90 Monaro Street, Queanbeyan NSW, do hereby state to the best of my knowledge and belief, the above account as presented to me from renewal records and Certificate of Balance, give a true record and fair view of the matters required by the Terrigal Surf Life Saving Club to be dealt with by the members and Management Committee of the said Club.

(Signed) S.G. Lorkin

REPORT

The Audit Report attached has disclosed the Life Members Fund has received Nett Interest of \$508.60 and \$2500 from the senior body to support the account over the past twelve months and now has a balance of \$10536.10.

These funds are invested in the National Australia Bank on Term Deposit for a 4 Months fixed Term of 5.00%. The investment falls due on 18th September, 1993, and will have \$177.53 to be further added to the deposit which will be further reinvested for a suitable period with the best interest/term available. The contribution from the Senior Body has confirmed the ongoing support of the fund by the members of the Club. The major principal of the fund is for future members to receive the benefits of the efforts of the present and past members of the Club and at the same time ensure the core fund assets are retained to ensure continuance of future ongoing support.

The present Life Members Trustees of the Fund are Peter Wyllie, John Burgess and Mark Power.

With the installation of new Life Members over the past two seasons I do think it is now appropriate for a review of the Trustees to be conducted to ensure the direction of the fund continues to be applied for the betterment of the Club.

I would be pleased to nominate for a further term as Trustee.

(Signed) Mark A Power, Trustee, Terrigal S.L.S.C. Life Members Fund.
