## VALE

It is with deep sadness we learnt during the last twelve months of the deaths of two of our great members. Both were pioneers of the Club and their devotion to lifesaving and community affairs is greatly appreciated by both the members of the Club and the community generally.

### JOHN BURGESS

John Burgess joined Terrigal Surf Club in 1939 and gained his Bronze Medallion the same year. It was the Club's intention to present John with his 50 Year Service Medallion at the Club's Seventieth Anniversary Celebrations later this year. An outstanding swimmer, John was the Branch Belt Champion from 1949 until 1952 and bronze medal winner at the State Titles in 1950. He was a member of the Club's crack R & R team from 1940 until 1955 and a member of the State Team in 1950. For many Years John involved himself in the management of the Club. He was Treasurer for four years -1958, 59, 66 and 1967; Secretary for three years - 1955, 57 and 1958; President for three years 1964, 65, and 1966. In 1951 for his continued contribution to lifesaving, John was made a life member.

While on active service during Word War 11 John was involved in setting up a Surf Club at Torokina Beach, Bougainvillea on the Solomon Islands. Before the establishment of the Club, 88 allied servicemen lost their lives through drowning. During the first eight months following the establishment of the Club, the members performed 288 rescues.

John's wife, Joyce, was also very involved with the Club and during the war was one of the members of the auxiliary who took over the life saving duties of the Club. Her photo is also hanging in a place of pride in the Club. Our deepest sympathy is extended to Joyce and the family for their sad loss.

### ROY DIBBEN

Roy joined the Club in 1935 and was a member of the Club's R & R team until 1940. He was deeply involved in the Club's administration, being the Club's Secretary over a period of seven years, 1948, 1950 through to 1956. For over ten years he was the official announcer at Branch Carnivals. Roy was heavily involved in organising the Club's highly successful Fiftieth Anniversary. His outstanding service was recognised by his elevation to Life membership. In the 1930's the Dibben name was synonymous with the Terrigal Club. Names like Fred, Hal, Gale, Alec, Ron, Roy and Leo Dibben were all at some time members of the Club. On the 8th March, 1939 Roy was involved in an attempted rescue off the rocks at the Haven. For this, together with Frank Payne, Athol MacDonald, Ron and Alec Dibben, the Club was awarded the Royal Shipwreck relief and Humane Society's Certificate for Bravery.

In 1940 Roy enlisted in the A.I.F. and served in the Middle East, New Guinea, New Britain and Dutch New Guinea. He was mentioned in dispatches after the Syrian campaign. Roy was best known as a journalist on the Central Coast, commencing work as a cadet with the Gosford Times. He established the Gosford Star which later merged with the Central Coast Express.

Roy is survived by wife Viv, daughters Val and Kay, son Patrick. To them we extend our deepest sympathy.

### **GARY LAMBERT**

In tragic circumstances Gary Lambert ( age 34) was drowned off Terrigal Beach on 4th March, 1995 while coaching young competitors for the State Titles. Gary was a member of the Wamberal Club. He was not always a member of that Club, but commenced his service in Lifesaving as a Terrigal "Nipper" when he was about the age of Four. He is remembered during these early years as a likeable larrikin, full of cheek, but never hurtful. He was always in mischief, the only nipper ever to be brought before the Management Committee of the Club. Even in these early years he was a competitor - particularly on the board, he displayed enormous potential. In his last year as a 13 year old nipper he won the surf board for "Competitor of the Year".

When he entered the senior ranks Gary decided it was time to move out from the shadow of his father, Gordon. Gordon was President of Terrigal, State and Australian Ski Champion and Captain of the Country Touring Team. Gary transferred to the Wamberal Club where he remained, except for the year 1978 when he returned to Terrigal for twelve months as a tribute to the memory of his father who, that year, also died in tragic circumstances.

Gary was an outstanding competitor, picking up medals at Branch, State and National levels. As he got older he devoted all his spare time to coaching young competitors - he had a gift, to impart knowledge but at the same time making training fun. He was idolised. Over the past few years, under Gary's guidance and coaching, his Club and Branch Teams experienced enormous success. He was never selfish - no matter what Club a young competitor came from, Gary would go out of his way to help.

His loss is deeply felt by the community and to all in Lifesaving who knew him.

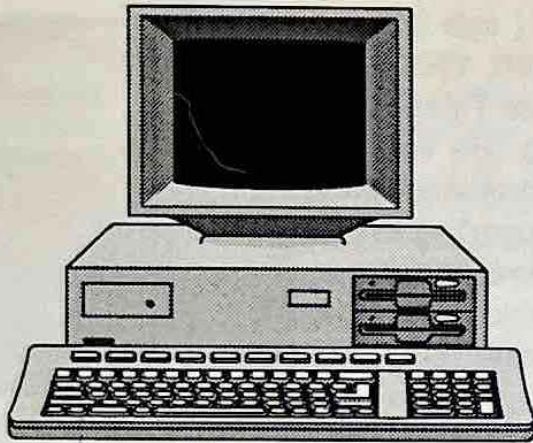

Our deepest sympathy is extended to his wife Anne, their three young children Tara, Charles and Billy and Gary's mother Judy.

## SECRETARY'S REPORT

It is with pleasure that I present the 72nd Annual Report and Financial Statement for 1994/95 to the members of Terrigal Surf Life Saving Club Incorporated.

The past season has been quite a demanding one, as Surf life Saving takes on a more professional approach in both the running of the Clubs and in the securing of sponsorship. The executive and members of the committee have worked tirelessly endeavouring to move in this direction.

The increase in the number of monthly meetings attended by committee members is a positive step for the future of the Club.

I compliment the patrol members on their efforts over the past season, we are all aware that the major function of the Club is in its patrols.

A special mention to the members who obtained 100 or more patrol hours, Sally Blackmore, Philippa Keary, Paul Quick, Nathan Mansfield, Mick Masters, Nathan Jameson, and Shamus Thompson with 94. A wonderful effort.

I encourage the associate members of the Club, to become more involved, there are numerous positions in the Club that associate members can fill or to just lend a hand. This I'm sure would make you feel more a part of the Club.

Congratulations to all competitors, Senior, Junior and Masters, on their efforts throughout the season. Special mention must go to Veronica Lee, for her outstanding performances during the season.

Thanks to all of our sponsors, who are listed elsewhere in this report

## PRESIDENTS REPORT

It is with much pleasure that I submit this report for the 1994/95 season. This past season has been a hectic one indeed for the members of Terrigal Surf Club.

I would like to take this opportunity to offer my sincere thanks to the executive and management team for a superb job throughout the season. Also on behalf of the management team, I would like to congratulate all members of the club for their dedication and commitment to their patrol duties and all other activities we are involved in within the community.

On a sad note the passing away of two of our life members and club statesmen John Burgess and Roy Dibben and the untimely deaths of Gary Lambert and Mary Thompson has left us all feeling saddened and our hearts go out to their families, all will be sadly missed but never forgotten.

Once again, our junior activities were very active this season, congratulate to Paul Quick, dedicated members of the junior committee and team managers for an excellent job over the past season.

The club had the pleasure of hosting three very successful carnivals this season. The major carnival in October sponsored by Erina Fair, the twilight on Boxing Day which was the most successful since its inception, and of course the Branch Masters was a fitting end to the season.

Whilst on the competition side of things, congratulations must firstly go to Veronica Lee for her effort at both State and Australian Titles, and also for her nomination and winning of the prestigious Central Coast Competitor of the Year Award. Our boat crews under the leadership of Robert Gray enjoyed a very successful season, competing in both Sydney and Newcastle reaching many finals.

Medals came their way in the branch championships but eluded our crews at both State and Australian this season.

Congratulations also must go to Daffy and the U/18 boat crew for being selected in the Central Coast team to compete in the U/18 Inter-branch which was held in Wollongong, well done boys.

In the board and ski area the Club competed in all major carnivals with Will, Anthony, Paul and Adam each making finals and showing the way for all our younger members throughout the season.

At the Branch titles, it was evident that on the beach the under 16 sprint and relay teams will be once again a force to be reckon with in the coming season.

Congratulations must also go to those members who made the trip up to Soldiers Beach to compete in the Branch I.R.B championships. Against some stiff competition in their first I.R.B competition the boys came home with a Bronze Medal.

The team consisted of Paul Stone, Steve Borg, Isaac Smith, Daniel Howick, Adam Montgomery and Michael Masters.

To both junior and senior competitors who strove throughout the season to better their achievements, congratulations for bringing the royal blue cap of Terrigal to the forefront in the carnival arena.

To all those members who gained awards this season, congratulations on your achievements and, remember one of the greatest aspects of surf life saving is that there is always another new goal to achieve.

To all patrol members, we on the management team would like to convey our sincere gratitude for your efforts over the season. However some members must remember that the commitment they gave at the start of the season must be fulfilled to the end. For the Club to exist and function at its highest level, we must have a full commitment from our patrols.

I think a strong recruitment drive will be needed and we must bring some flexibility into patrols to alleviate some of the problems associated with work commitments that our members are facing in the present climate of casual work practices that have been adopted by most employers.

Clubman of the year was Paul Quick, Paul not only held the position of Vice President and was always there when needed, he also had the responsibility of guiding the juniors through the season as Junior Chairman. If that wasn't enough Paul also took on a patrol captain's position completing 116 hours of patrol duties, and the club congratulates you on a fine performance.

Associate of the year was Beris Meldrum, who once again carried out countless hours of fundraising together as Canteen manager and Social co-ordinator. Beris still found time to complete her duties as treasurer, thank you Beris from all members of the club.

Rookie of the year Philippa Keary was a deserving winner of this award, during the season Philippa completed over 100 patrol hours in her first year with the club, also gaining her I.R.B drivers certificate and was always on hand to give assistance whenever required.

Justin Kaeser was a worthy winner of Patrol Person of the year. Justin has been an outstanding patrol captain for many years and has always been available to train and develop the younger members of his patrol.

Congratulations to all those members who won awards on presentation night. To all those members who helped behind the scene, whether in the canteen, kitchen, behind the BBQ assisting in the setting up of carnivals or helping out in any other way, please accept our deepest gratitude, for the club would not be as successful without your services.

It goes without saying Terrigal Surf Club members would like to thank Barry Roffey, Kevin Stanford and all members of the Board of Examiners for their efforts in conducting all carnivals and examinations. Also to Peter James, Doug Anido and all members of the Branch Executive, many thanks for your support and advice given throughout the season. The club members would also like to thank Mayor, Tony Sansom and all Gosford City Council staff for their support and assistance throughout the year, we look forward to a strong working relationship in the years to come.

The management team were pleased with the result of the 1st. Open Forum which was held at the club on 9th July. The outcome will be the inception of a new business/management plan, which is currently being drafted. This plan will guide the Club over the next three to five years, all members will be involved as this plan progresses.

To all our sponsors and supporters please accept our sincere thanks for your continued support throughout the season. We look forward to a long and lasting relationship for the years to come.

Finally, I would offer personal thanks to Bob Morrison for his unending dedication to his position as club Secretary this season. The position of secretary will always be a difficult one but never as difficult as over the past season. Thanks Bob your professionalism has been greatly appreciated.

Looking forward to seeing you all soon

# CLUB CAPTAIN REPORT

Well everyone another busy season has passed and I am pleased to report that no fatalities were recorded in the Terrigal patrol area. This was mainly due to the work put in by our patrol members and I would like to congratulate all of our patrols and their Patrol Captains for their efforts in keeping our beach safe.

*Sally, Philippa & Edmund receiving their Achievement Awards from Club Captain David Mansfield*

Probably the saddest note of the season was the tragic and untimely death of Gary Lambert. Not only was Gary a friend to many of us, but he was a fellow lifesaver who was dedicated to putting something back into surf lifesaving through his active involvement with his club. He will be sadly missed but not forgotten. To all those members who assisted in the search for Garry thank you, I can assure you your actions did not go unnoticed.

## AWARDS

There were four members who really gave it their best when responding to a difficult rescue situation. In recognition of their brave deeds the Club decided to present them with an Achievement Award. To Sally Blackmore. Philippa Keary, Edmund Thompson and Stephen Hudson, congratulations. I know for a fact that you all "did it right" and showed what we are all about. I hope the Club will continue to provide this Award in the future in recognition of outstanding deeds performed by our members.

## ROOKIE OF THE YEAR

This award went Philippa Keary and was well deserved. Congratulations to Philippa.

## CLUBPERSON OF THE YEAR

The recipient of this award was Paul Quick who put in a big effort this season, congratulations to Paul for a fine effort.

## 100% PATROL EFFICIENCY

The following members achieved 100% patrol efficiency and I think it can be seen from the numbers the commitment which was shown by those members to achieve this. Well done everyone.

N. Jameson	M. Trickett	R. Howick	N. Shorrocks
S. Riley	J. Griffin	D. Jameson	D. Grady
A. Montgomery	A. Curtis	K. Newport	S. Hawkins
D. Fraser-Watson	P. Stone	C. Higman	J. Howick
N. Mansfield	S. Petley	S. Fraser-Watson	O. Borg
S. Edwards	K. Petley	S. Hudson	P. Riley
J. Kaeser	D. Howick	K. Montgomery	S. Blackmore
P. Keary	P. Quick	J. Langton	E. Mackay-Gray
R. Stephens	M. Masters	S. Thompson	B. Morrison

I would like to take this opportunity to give special mention to a particular group of members who regularly contributed a lot of hours to patrols way and above that required of them. Their action greatly assisted us to ensure that our patrols always remained at full strength in sometimes difficult circumstances. To Shamus, Adam, Nathan Jameson, Philippa, Sally, Nathan Mansfield, Michael Masters, Simon, Kim, Cath, Col & Paul a great deal of thanks.

This season saw a number of juniors make the transition to the senior ranks. I think it is up to the senior members, particularly the Patrol Captains to make them feel welcome and to encourage them to participate as part of the patrol. This will ensure that they obtain a proper understanding of our role in regard to surf lifesaving and beach safety. It must be remembered that they are our members of the future.

The way in which Surf Life Saving Central Coast is headed will no doubt provide some changes to the way we operate in the future. Our Club will more than likely also be asked to host a number of major events on our beach because of its popularity. This will not only push the profile of the Club to a higher degree but will also place a greater emphasis on our members to take a more professional approach as to how we approach our role as Lifesavers as perceived by the public.

In conclusion, I would like to thank the committee, Patrol Captains and all those members whose support I have received during the past two seasons. We have a great Club with plenty of spirit and co-operation which I am sure will provide us with a good foundation for the future.

See you on the beach

## CHIEF INSTRUCTOR'S REPORT

The 1994/95 season has come and gone, and awards wise ,it was a moderate success.

With the change in life styles and younger members combining studies, casual jobs and other sports, it is hard to arrange training sessions to suit everyone.

However Club members gained 26 Bronze Medallions, 19 Surf Life Saving Certificates, 1 Resuscitation Certificate, Paul Quick the Surf Life Saving Certificate, Instructors Certificate and Michael Trickett the I.R.B.D. Instructors Certificate. There were also 7 I.R.B. drivers certificates awarded to the following, Sally Blackmore, Philippa Keary, Kirk Newport, Bob Morrison, Col Higman, Peter Riley, and Nathan Mansfield.

To all those people who gained their awards, go the congratulations of the of the entire Club. To Kirk, Paul and Michael go our congratulations and my thanks for their help in training the candidates, and Ellen Gray also for training a Bronze squad.

I would also thank John and his committee for their support during the season.

## BOAT CAPTAINS REPORT

This season saw the Terrigal Boat Crews enter a new era, that of the master's competition. Midway through the year a group of "oldies" took to training in the boat shed for the Branch Masters. Thanks must go to Paul Quick. Col Higman, Kim Petley, Peter Harris and John Howick. These five gents are responsible for getting the number of crews on the water at the Branch Masters.

At the other end of the scale, the junior crew, Edmund Thompson, Ben Sadgrove, Nathan Jameson and Ben Newport, swept by Daffy Gray, were selected in the Central Coast U/18 Touring Team that competed at Wollongong. This crew was very unfortunate at the business end of the season, making it to the semi-finals at both the Australian and State Titles, but did win the Branch Title convincingly.

The U/21 crew received the Silver Medal at Branch Championships and made it to the semi-finals at the State Titles. At the beginning of the season there were eight rowers vying for spots in the top crew. These numbers being whittled down over the months up to the titles.

Throughout the season we had several reserve grade crews, one competing as A grade rowers at local carnivals, gaining some success, and others just filling in as reserves for other grades, and some just learning about rowing scene.

The Club was fortunate enough to gain some of the most up-to-date equipment in the state. Most notable being the new surf boat, experimental in design, and came complete with controversy. This new vessel has proven itself a favourite with the crews that have rowed it.

I would like to thank all those people that have helped make the year a successful one that it was and look forward to seeing you all in the next season.

## I.R.B. CAPTAIN'S REPORT

At long last we have some female I.R.B. Drivers, congratulations to Sally Blackmore and Philippa Keary on passing their I.R.B. Drivers award during the season. Hopefully they are the first of many. Other members who have attained their I.R.B. Driver's Award are: Kirk Newport, Bob Morrison, Peter Riley, Col Higman & Nathan Mansfield. This has given us a good distribution of qualified drivers in the club, further strengthening our ability to save lives.

During the season the club updated it's motors to two new Evinrude. We have retained the Yamaha engine, bought last season, as a backup and race engine. David Leslie of Terrigal Shell Self Serve, has again contributed fuel sponsorship this season to the club, without which we would be literally high and dry. I would like to convey on behalf of Terrigal Club our most sincere thanks for his generosity. I would also like to thank Paul Quick for his assistance in getting motors to and from the repairers during the season. I would have been lost without his help.

Rod Stephens  
I.R.B. Captain

## BOARD AND SKI CAPTAINS REPORT

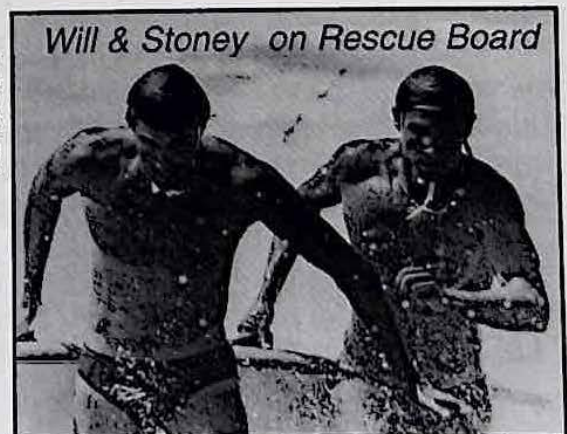

The season of 1994/5 has ended without much to report. Competition wise, Terrigal was rather quiet through out the season, being only represented by a few competitors at only some of the carnivals. This hopefully, should change during the coming season, as a few competitors from other Clubs have shown interest in joining us. This hopefully will encourage our present competitors and our cadet members to compete at more carnivals through out the coming season. Congratulations to Veronica for her achievements throughout the year, and for achieving the Branch Sports Star of the year, for which she won the Club a much needed competition board that Paul Stone has assured me he'll take real good care of.

I would also like to congratulate Steve Edwards for an outstanding year in the iron man events, it was a great effort for a man who wont train.

Regarding the issuing of competition boards and ski's. These items are for board and ski competitors to train and compete on, not just for catching waves. Any member who wishes to compete in board or ski events, please notify me so that the equipment can be allocated.

To all other members wishing to use boards, or ski's, please use the boards located in the Club room area and either of the two ski's at the bottom of the centre rack of the board and ski room

Bob Morrison  
Board & Ski Captain

# FIRST AID OFFICERS REPORT

The 1994/95 season has again proved to be a very busy, but successful season for the Club. This has been reflected by all of the patrols and members utilising their skills in first aid.

The following cases were attended to during the season.

Marine Stings:	527	
Cuts & Abrasions:	38	
Fractures/Dislocations:	2	
Suspected Spinal Injuries:	1	
Missing People (successfully found)	2	
Removal of glass from feet:	???	(We lost count especially after new years eve)

Of these injuries 5 people were transported to Gosford district hospital via ambulance.

I would like to thank Ken Thompson (formerly Ken's Chemist) for his generosity and support this year and for the past few years as he has donated all of our first aid supplies free of charge to the surf club.

Most people do not realise the enormous amount of money it costs to provide equipment to Surf Life Saving Australia's requirements, a Club of Terrigal's size, and the large amount of people who frequent the beach especially during holiday season.

Ken has recently sold the business to Barry and Verna Dinnar who now own and operate the Terrigal Beach Chemist Shop, and will continue to supply the Club in the same capacity.

I would also like to thank Ossie Borg for setting up the Shark attack shock pack again this season and Bob Bowman the previous First Aid Officer for having the first aid room set up to enable me to walk straight into the position.

The Club is also grateful to the doctors of the Terrigal Medical Centre who treated a lot of our casualties without waiting and also vaccinating our members against hepatitis B.

Colin Higman  
First Aid Officer

## JUNIOR CHAIRMAN'S REPORT

This is my first annual report as Junior Chairman of the Terrigal S.L.S.C and that time of year when we not only look back at the 1994/95 season just completed, but also to the future for the 1995/96 season and onwards.

I would like to thank our previous Junior Chairman, John Howick for his guidance and support this past season on junior level and also as President of the Senior Club and its committee for the valuable back-up to our junior body.

To all the team Managers, on behalf of the children and their parents a hearty thank you and gratitude for the efforts and sacrifices you gave during the season in managing your charges and my personal thanks, without dedicated managers our children would not be able to achieve their goals and have an enjoyable season. Also those parents who assisted in other ways this season, I thank you.

To the reason we are all here, the children, give yourselves a huge clap for the way you all participated, competed and conducted yourselves during the season for the Terrigal Club. You did your parents, the Club and yourselves proud.

The Club and myself owe a lot of thanks to Peta Daly in helping me get the children through the age awards and certificates, a task which is not easy and Peta has unselfishly given her time for many years. This is only a small part of the reason Peta was proudly bestowed the honour of Life Membership at the Senior Presentation Night. On behalf of the junior activities a much earned congratulations Peta. Also to Beris Meldrum and Kirk Newport for their assistance in the age awards.

To Steve Edwards and his hearty band of water safety personnel a big thank you for their efforts in all conditions good and bad to ensure our children are safe at all times and another season without incidents. I can not emphasise enough that without water safety the nippers cannot proceed, so parents please follow the lead of other parents, the same as yourselves, that over the years have gained their bronze medallion to provide this service. I guarantee you will find it rewarding.

Another big year for our secretary, Bryan Skepper, as Surf Lifesaving is becoming more professional, the paper work just multiplies unbelievably.

Bryan, a big thank you from myself and the Club on a job well done and the countless hours put in.

Once again Sharon Kirwan has done a faultless job as our carnival secretary to ensure all records were obtained and no child missed out on the well earned competition medal throughout the season. Many thanks from everyone to a lady who sat on the beach (tallying up points and medals) as the sun set the temperature dropped, everybody else went back to our Club B.B.Q, and handled all the light hearted jokes we threw at her.

To the junior committee, a job well done and I look forward to everybody's support of the Club in the coming season. Thanks to Dianne Duncan and Steve Graham for giving up their Friday nights to attend the monthly Branch meetings.

To Joe Mak and his family all those attending the carnivals are appreciative of your pre-dawn treks around the coast to ensure our tents are erected and every body had shelter during the day. Also in towing the gear trailer to carnivals to provide boards for our competitors.

Three other people our Club could not compete without, were our carnival officials, Beris Meldrum, Steve Graham and Marion Garner who did their duty at every carnival so our children could compete.

The man entrusted to run our 5/6 year age group at Terrigal every Sunday, John Giffney, a great job well done. You achieved the main goals we aim for, to encourage the kids to return each week. Again on behalf of the children and parents, thank you and I hope we see all the children back next season.

For that expertise and refinement of surf and board skills during the season, congratulations and thanks to Matt Rayward and Ellen Gray for the coaching this season. Your effort was truly shown in the achievements and performances of the children at the State Titles.

As you will see from Sharon's report once again Terrigal had a highly successful season in the competition arena. The strength we are showing in the water is really amazing and must be encouraged, and the children themselves are to be commended. Our State medal winners are to be praised for their achievements at such a high level and to all those who competed and those that made finals at State is a huge achievement in itself. When you look at the number of finalists our Club had this year the future looks good. Special mention to those chosen in the Branch team, well done, and to Jason Mak and Cal Roper to go on to the Nationals was a great honour. Also in winning the Club person of the year, and Competitor of the year, respectively well done. To Ron Stone, a past Junior Chairman and supporter of junior activities in our Club, congratulations on being honoured with Life Membership of Terrigal Club.

Thank you to Ken Thompson from Ken's Chemist, Barry and Verna Dinnar who have taken over from Ken, and Chickadee Chicken for your continued sponsorship and support of Terrigal juniors. When you see the many children on Terrigal Beach each weekend you can see the rewards your support is building.

I look forward to mixing with our U/14 years members who are moving into the senior ranks, I am sure you will gain even more than you have all ready done out of surf lifesaving. Congratulations on achieving your S.L.S certificates and I extend an open invitation to you all to come back and assist or pass on training skills to the nippers in the season ahead. And so onto next season and further we are already working hard to improve the structure and activities of our Club for the juniors and invite all parents (and all the children) to put forward their views or suggestions, because you are the people we want to develop. Our awards achieved this year, 61% was disappointing for me and I have made it my goal to obtain 90% of awards next season. I believe this is the most important aspect of our movement in educating, training and developing children in skills, awareness and resuscitation. If everybody steps forward, chips in and helps out Terrigal Surf Club will achieve a lot more and you the members, parents and children will reap the rewards socially and actively.

Paul Quick  
Junior Chairman

## JUNIOR SECRETARY'S REPORT

Terrigal Sea Lions again had an extremely successful season, being placed in all local carnivals.

The Club was also well represented at the Inter-Branch carnival with Jason Mak and Cal Roper selected to represent N.S.W. at the National Titles.

At the State Titles we had some 71 finalists which is an outstanding achievement. Of those, state medals were won by:

U/13 Boys sprint:	Cal Roper.....Silver medal
Junior swim team:	Jonathan Small...Bronze medal
	Chris Miller.....Bronze medal
	Aidan Taylor.....Bronze medal
	Ben Travis-Lee...Bronze medal

The introduction of a Nipper Handbook and continuation of a newsletter, provided improved communication which we hope to improve further next season through the establishment of a News Board at the Club.

There is no doubt that Surf Life Saving at both senior and junior level is undergoing a period of rapid change with many exciting improvements on the horizon. Terrigal Junior Activities Committee has been examining the structure of our competition with a view to placing greater emphasis on participation, education training and enjoyment.

A working group has been established and at the time of writing this report, a draft discussion paper was being prepared so that all members of the Club have an opportunity to provide their suggestions.

Finally, on behalf of the Junior Committee, I wish to thank Paul Quick for the enormous commitment of time and energy to the nippers during his first year as president of the Junior Activities Committee.

Bryan Skepper  
Secretary, J.A.C

## JUNIOR WATER SAFETY OFFICER'S REPORT

Another great season has passed without any problems.

I was very proud to be associated with all the kids who swam and paddled through some pretty rough seas this season, especially the younger competitors. Most importantly they all did it without complaining.

A special thanks to all members who assisted most vigilantly in water safety, remember without these people there is no junior surf club.

Many Thanks  
Steve Edwards

# CARNIVAL SECRETARY'S REPORT

## J.A.C

A most unusual season on the carnival scene this year. we were all beginning to think we had transferred to Toowoon Bay.

Carnivals attended and Terrigal's placings:

Toowoon Bay	Equal 1st. with Avoca
Avoca	1st. Well done, as all water events were cancelled, with the exception of the U13 swim
Catherine Hill Bay	No placing results
North Entrance	5th. Lots of confusion this day as all water events were transferred to Toowoon Bay
Mingara Challenge	5th. Was to be held at Shelly Beach but transferred to Toowoon Bay
Umina	2nd.
Branch Titles Toowoon Bay	2nd Was to be held at the Lakes.
State Titles Mollymook	? We were not placed in the top ten.

I would also like to mention "The Ken Gardner Iron Man Challenge", originally to be held at Wamberal on 2/1/95 was postponed due to dangerous conditions. This was only decided once again after sending the U13 age group in the water, these swimmers are to be congratulated on their swimming skills & bravery, at this & the Avoca Carnival.

4/3/95: Second try at the Ken Gardner at Wamberal Beach, only to find even more dangerous conditions in the water. It was decided to transfer the event to Toowoon Bay (the safe beach). What a surprise to find an enormous surf at Toowoon Bay. We had all left home for the 8am start at Wamberal & here we were at Toowoon Bay hours later, looking like drowned rats awaiting a decision. As nippers had travelled from the South & North Coast it was decided rather than postpone again to transfer the event to Picnic Point, in other words "the Entrance Lake". Thoughts of pelican itch came to mind, but the real problem was the unknown position of old oyster beds. After U14/13/12 & U11's had competed, & a large gash to ones foot it was decided not to send in the U9/10 age groups.

The above is an example of what I mean by an unusual season, very few carnivals went as planned.

Our medal tally was good with 125 Gold, 81 Silver & 82 Bronze, these being from local carnivals.

An excellent effort from the All Age Relay Team with 5 Gold & 1 Silver at our local carnivals. They were very unfortunate at the State Titles as another event overlapped taking away one team member. A special thanks to Corey McCafferey who was called upon at the last minute. Thank you to Gus Vrolyk for coaching the team.

Our March Past Team tried hard with 2 Gold, 1 Silver & 1 Bronze, with a 6th placing at State. A number of reserves were called upon at different carnivals, thank you girls. John sounds very enthusiastic for next season, let's hope he continues to be.

A special thank you to Gus Vrolyk, John Howick and all the members of the All Age Relay, as well as members of the March Past team. Extra hours of training goes into the participation of these events and these children plus coaches have done a fine job in representing our Club.

This year we had 5 children selected to represent the Central Coast at the Inter Branch Carnival at Wollongong. Jason Mak, Cal Roper, Daniel McVey, Joel Mason & Nicholas Vrolyk. All five performed well with Jason & Cal being selected in the State Squad to compete at the National Championships in Queensland. Both these boys were fine ambassadors for the State & our Club and are well deserving of their awards within our Club. Jason being awarded Club Person of the year and Cal Competitor of the year.

Terrigal was well represented at the Mollymook State Titles with 74 competitors. Congratulations to all our competitors and our 42 finalists competing in 55 events. Two Terrigal Teams were selected by the Branch to compete in the U13 board relay at State. These teams consisted of Hayden Edwards, Joel Mason, Joel Howick & Ryan Quick, Daniel McVey & Adam Baxter. Well done boys.

State medal winners:

Cal Roper: Silver medal in the U13 beach sprint

Chris Miller:, Bradley Small, Aidan Taylor & Ben Travis-Lee, took the bronze medal in the Junior Swim Team.

Fantastic! Big congratulations to these five boys.

Finally and most importantly, I would like to acknowledge and thank all children who competed at Carnival and did not win a medal through the season. The Central Coast is a large Branch with very strong competition and only 3 medal winners in each event. Each and every child who competes at a carnival is well deserving of congratulations, your Club "Terrigal" is proud of you. To the parents, many holding positions, without your effort and commitment none of the above would be possible.

Looking forward to a great 1995/96

Sharon Kirwan  
Carnival Secretary.

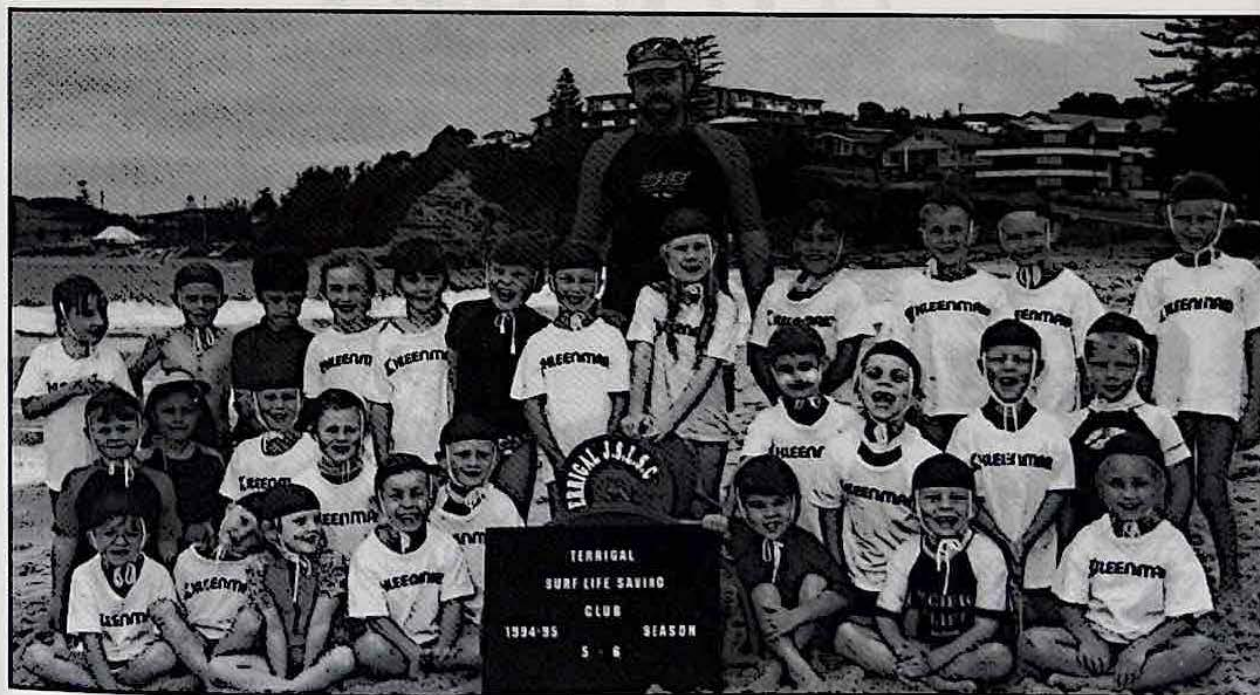

## MANAGERS REPORT

### 5/6 YEARS

I would like to thank all the Nippers and their parents that regularly turned out on Sunday mornings, even in some of the most appalling conditions. I am certain that this level of dedication was the key to a very successful year, we usually had 30 children on Sunday mornings. In particular I would like to thank my regular helpers Samantha Freeman, John Thompson and Chris Burke who's suggestions and regular input were always useful.

A lot of emphasis was put on the fun and friendship side of competing. Each week we mixed up the activities in the program to make it interesting and different. The activities included flags, relay, a wade, a wade relay, Bucket relay, tug-of-war, a run to the rock pool and the occasional swim in the rock pool. This appeared to be a successful formula as all the children were very willing to participate in the morning activities. They were very well behaved and followed instructions very well, for this I thank them very much. I hope you come back next year as I am looking forward to seeing you and having more mornings of fun

# VERONICA LEE CENTRAL COAST COMPETITOR OF THE YEAR

Surely Veronica would have to be recognised as the greatest female competitor since women entered surf lifesaving in 1980. Her achievements in Beach Sprinting two World Titles, four Australian Titles, three State Titles and Four times a member of the Australia undefeated representative team.

During the 1994/95 season Veronica achieved the Following results:

Gold Medal	Women's Beach Sprint	World Championships Cardiff - England 9th September, 1994
Gold Medal	Women's Beach Sprint	Australian Championships Kurrawa Beach - Qld. 8th April, 1995
Gold Medal	Women's Beach Sprint	N.S.W. Championships Kingscliff Beach 12th March, 1995

In addition to the above Titles Veronica was a member of the Australian Team which won the World Teams Championships at Cardiff, United Kingdom, winning her specialist event and helped to win numerous team events. On returning to Australia she was selected in the "Sydney Thunder" Surf League Team which won the Australian Nutri-Grain Point score Championships.

Her efforts were recognised by the Club by being awarded the "most Outstanding Female Competitor", Branch "Competitor of the Year", Finalist of the "Radio 2GO Sports Star of the Year" and Finalist of the "NBN Television Sports Star of the Year".

## NOTES TO THE FINANCIAL STATEMENT

### 1. ACCOUNTING POLICIES

#### A. Accruals Basis-

The financial statements have been prepared under the accrualsbasis of accounting.

#### B. Revenue and Expense Recognition-

The Terrigal Surf Life Saving Club is a non-profit organisation and receives most of its income from donations and specific fund raising events. Amounts by their nature can only be recognised when they are recorded in the books of the club.

C. Imprest Accounts-

The Auxiliary Committee and the Sea Lions run imprest accounts from which they make minor payments. The imprest balances are \$500 each. The Club treats these monies as spent when advanced.

## MAJOR DONORS

Included in the donations and sponsorships received are the following major contributors:

## AUDITOR'S REPORT FOR THE YEAR ENDED 31 MAY 1995

We have examined the accounting records kept by the Terrigal Surf Club Incorporated, in respect of the year ended 31 May 1995.

In our opinion:

- (1) There were kept by the organisation in respect of the year, satisfactory accounting records detailing the sources and nature of the income of the organisation (including income from Members) and the nature and purposes of expenditure and;
- (2) The accompanying accounts and statements being the Balance Sheet (excluding the Life Members Fund) and Statement of Receipts and Expenditure, prepared under the accruals basis of accounting are properly drawn up so as to give a true and fair view of:
  - (a) the state of affairs of the organisation as at 31 May 1995 and;
  - (b) the receipts and expenditure, and any surplus or deficit, of the organisation for the year ended on that date.

## LIFE MEMBERS FUND

### Statement of Receipts and Payments for the 1994/95 Season

Receipts	Payments
Nett interest received to 31/5/95..... 572.27	Trophy Presentation 93 Season \$411.20 94 Season \$579.00..\$990.20
Balance Fwd 31/5/94 \$11,053.39	Balance Fwd 31/5/95 \$10,635.46
\$11,625.66	\$11,625.66

The above balance (Credit \$10,635.46) is represented by Term Deposit Number 28-127-1850, held at the National Bank, Terrigal.

I, Peter Schneider, Bank Manager, of 85 Eaton Road, West Pennant Hills NSW, do hereby state to the best of my knowledge and belief, that the above account as presented to me from records and Certificates of Balance, give a true and fair view of the matters required by the Terrigal Surf Life Saving Club Inc., to be dealt with by the members and the Management Committee of the said Club.

(Signed) Peter Schneider.

## REPORT

The audit report has disclosed the Life Members Fund enjoys a Credit of \$10,635.46.

The only income received was by way of Interest (\$572.27) on the Term Deposit Investment. The Fund contributed to the payment of the major jackets trophies on presentation night for the season of 93 and 94 which amounted to \$990.20. This was a once off situation where the expenditure was more than the income during the year, however, covered two seasons.

Future contributions to presentation costs will not exceed the income, which will allow the fund to grow and future members will benefit from the efforts put in by the present and past members of the Club.

It is with great pleasure to note that the Club is in the process of organising a reunion at the end of the year. I would like the Life Members at this time to make themselves available for a short meeting to review the structure and policy of the

Fund which will continue the ongoing support in future years to the Club.

The Life Members are pleased to welcome to our ranks Peta Daly and Ron Stone. Both of these members have contributed to the Club for many years and were more than worthy to be granted Life Membership. The installation of both Peta and Ron as Life Members is a credit to the Club.

It is a sad moment for me to advise the passing of two of our Life Members in the last year. John Burgess and Roy Dibben have been with the Club from its early beginning. Both men were not only excellent Life Savers, but also great competitors and excellent administrators. They not only served the Club but at Branch level also. The Honour Board in the Club is testament of what they gave in commitment to the Club. Both men served as past Presidents. Perusal of the Honour Boards will note that John's name is the only member ever to appear on every board. The dedication to the Club by Life Members, John and Roy, is beyond reproach. To both their families I extend the sympathy of the Club. John Burgess and Roy Dibben will be missed but not forgotten.

The present Life Members Trustees of the Fund are Doug Anido, Paul Hawkins and Mark Power.

## CONCLUSION

The 1994/95 season has proved to be a very demanding one. With the change in management came new ideas and more long-term strategies. This, of course put a great work-load on the management. With the absence of a full-time manager for our canteen (this in the past being our major source of income), the management have looked to securing more sponsorships to supplement our finances. This has been to a point successful, but much more is needed.

I congratulate Ron Stone and Peta Daly on being elected as Life Members of the Club. These two people have served the Club with distinction over a great number of years.

All members who have helped run the canteen throughout the past season deserve a special voice of thanks. I hope next year these duties will be more evenly spread throughout our members.

I would like to thank the members for giving me the opportunity to experience the position of Honorary Secretary for the past season, it has been both an honour and a learning experience. I take this opportunity to congratulate the incoming secretary, as I will not be standing for the 1995/96 season.

Bob Morrison
