## NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 74th Annual General Meeting of the Terrigal Surf Life Saving Club Incorporated will be held in the Clubhouse on Sunday 15th June, 1997 commencing at 10.00am sharp. All 1996-97 FINANCIAL MEMBERS are invited to attend.

1. Apologies
2. Adoption of the Minutes of the 73rd Annual General Meeting
3. Business arising from the Minutes
4. Inward and Outward Correspondence
5. Any Notice of Motion
6. Adoption of the 74th Annual Report and Financial Statement
7. Election of Officers for the 1997-98 season
8. Any urgent business

Self nominations in writing for the positions will close with the undersigned on Friday, 30th May, 1997. If a position is not nominated for in writing, that position will remain vacant until a later date. NO NOMINATION WILL BE ACCEPTED FROM THE FLOOR FOR MANAGEMENT COMMITTEE OR JUNIOR QUALIFICATIONS COMMITTEE.

Nominations will be accepted from the floor for the other Junior Positions.

Any financial member may stand for election to any position on the Management Committee with the exception of: Club Captain, Vice Captain, Boat Captain, IRB Captain, Chief Instructor, Board & Ski Captain, Gear Steward, Active Members Representatives (two positions) and Junior Activities Water Safety Officer, who shall be elected from the Active or Active Reserve Members only. To be eligible to nominate for the positions of Club Captain and IRB Captain a member must hold the Association's IRB Driver's Award. To be eligible to nominate for the position of Chief Instructor a member must hold the Association's Instructors Award. To be eligible to nominate for the position of Radio Officer a member must hold the Association's Radio Operators Award.

Persons standing for positions MUST BE FINANCIAL at the time of nomination.

In the event of more than one member nominating for a position a CLOSED BALLOT will be held for that position. To vote, a member must be financial before the Meeting is declared open and over the age of 15 years. Fees will be collected as from 8.30am before the Annual General Meeting.

### MEMBERSHIP FEES FOR THE 1997-98 SEASON ARE NOW PAYABLE

Active Membership .....	\$25.00	Associate Membership.....	\$25.00
Junior Membership.....	\$25.00	Pension Rates (Aged 60 or over) ..	\$12.50
Family Membership.....	\$80.00	Under 6 & Under 7 .....	\$12.00

## SECRETARY'S REPORT

It is with pleasure that I present the 74th Annual Report and Financial Statement for 1996-97 to the members of Terrigal Surf Life Saving Club Incorporated.

Congratulations to all patrolling members on a job well done, it was pleasing to note that, once again, no lives were lost in our patrol area. Under the leadership of Darren Jameson the patrols did a fine job in keeping our beach safe and educating the beach going public on surf awareness and safety. Our statistics show that the majority of actions performed were of a preventative nature.

Beris Meldrum  
Honorary Secretary

## PRESIDENT'S REPORT

It is with great pleasure that I submit this report for the 1996-97 season.

Firstly may I congratulate and thank all Active members who were committed to their patrols this season. Due to your dedication, it gives me pleasure to announce that no lives were lost nor did we have any major problem throughout the season. We all know the standards that are expected of our patrols from the general public, and the possible consequences if we fail to provide that service. So, I'll take this opportunity to remind all members of their responsibility as a patrol member of Terrigal Surf Life Saving Club.

While on patrols, my sincere thanks go to Darren Jameson and all Patrol Captains for their contribution throughout the season. Darren instigated a number of new initiatives during the year and all were taken on board with enthusiasm. The patrol captains training nights were of great benefit to all concerned and will continue into the future. The Rookie program was again a great success and my congratulations go to all rookie lifesavers for their involvement during the season. It was always very pleasing to see so much enthusiasm from our junior members.

On the social scene, a number of well organised functions were held at the club and all were well supported. Many thanks to all concerned for your organisational support. Also to the members who were always available to prepare lunch and morning teas, etc. for our guests at carnivals and functions please accept our sincere thanks.

Once again the season has been a very successful one for our juniors, with the National Age Awards up on last season, which is pleasing to see, as it shows that we are providing our children with surf skills and building confidence for the kids in all types of surf. The children this season excelled at all carnivals and there were some outstanding results at the State Titles held this year at Kingscliff. To Paul Quick and his team a very big thanks for a job well done. On a sad note Paul and Bryan Skepper have decided to step down from their respective positions next season. On behalf of all members I would like to congratulate you both for your commitment and dedication over the past years.

On the competition scene it was pleasing to see how successful the club performed at Branch, State and Australian Titles even though injuries and illness took its toll on a number of competitors this season. Our boat crews performed well throughout the season with the Under 21 crew bringing home a medal from State and looked like making it a double at the Australian Titles but unfortunately it wasn't to be. Veronica missed both the State & Australian due to a bad leg injury which has kept her off the beach and track since before Christmas. I'm sure she will be back with vengeance next season. Congratulations must go to Kristy Lew for her performances throughout the season. Kristy's efforts in the Devondale Ironwoman series were magnificent, her equal fourth spot in the overall pointscore has secured her a position for next season's Devondale series. Kristy along with Peter Riley were invited to attend the inaugural NSW State Awards of Excellence presentation night held at Holiday Inn, Coogee and both came away from the evening winners of two prestigious awards. Kristy, the Athlete of the Year award and Peter, the Masters Competitor of the 1996 season. On behalf of all members of the club congratulations on your achievements.

To all our masters competitors who were in the medal count at the State Titles, congratulations on another great season. We're still trying to track down the video of what would have to be the greatest race of all times, namely the 140 years Beach Relay at State where Steve Edwards led the way along with Paul Quick, Bob Morrison and Peter Riley to win a silver medal.

Our Under 16 girl and boys certainly showed surf skills well beyond their years throughout the season, with placing at all carnivals including Branch, State and Australian. Carly Fitton swam her heart out at the Australian, making the final in the Under 16, Under 18 and also the Open Women's Swim. After only just missing a medal in the Under 16 event she made up for it in the Under 18 event, bringing home a silver medal. Carly was also selected in the State Team competing in Adelaide and also the Inter Branch team. At the State Titles the team of Mark Pitt, Ryan Quick and Joel Howick stood so proudly on the dais and were presented with their bronze medals for their efforts in the U/16 board relay. To all of our U/16 competitors, congratulations on all of your efforts throughout the season. We all know the amount of training you put into your sport and with the U/14 coming through all is looking good in the competition arena in the future.

Presentation Night was once again a great success and congratulations to all those who received recognition on the night for your outstanding efforts throughout the season. The members of Terrigal Surf Club would like to extend a sincere thank you to Peter James, Directors and Office Bearers of Central Coast Surf along with Kevin Stanford and all Board of Examiners personnel for your support and assistance throughout the season. To Gosford City Council please accept our sincere gratitude for all the assistance that you have given Terrigal Surf Club over the past 12 months. To all our sponsors and supporters, on behalf of the management team and all members of the club please accept our deepest thanks for your support and assistance throughout the season and I hope the relationships that have been formed continue to provide benefits to both our organisations for many years to come.

Over the last couple of years I have had the pleasure of working with a truly remarkable lady who has given countless hours of her time for the good of Terrigal Surf Club. Unfortunately Beris won't be standing for the position of Secretary next season, so on behalf of all at Terrigal please accept our deepest thanks for a job well done.

In closing I would like to thank my family for the support they always give and extend my personal thanks to my fellow management team members for their enthusiasm, time and support throughout the past season.

See you all on the beach!

John Howick  
President.

## CLUB CAPTAIN'S REPORT

The 1996-97 season started with new expectations due to the appointment of three new Patrol Captains taking up the vacant positions left by parting captains, James Langton, Paul Stone and Scott Hawkins. On behalf of the club, I thank them for their dedication to patrolling over the past years. The new season saw a new approach to the captaincy role, with a focus on professionalism and rescue co-ordination, through the conducting of the Patrol Captain's Course, a Surf Life Saving Australia endorsed course, which was held over two nights at the Holiday Inn. This course resulted in the Captains gaining a higher understanding of their rescue role as a co-ordinator through lectures by the emergency services. The successful participants received a certificate as acknowledgment that they had completed the course.

These people were:

Nathan Mansfield	Kirk Newport	Peter Riley
Justin Kaeser	Paul Quick	Wayne Packer
Adam Montgomery	Darren Jameson	Sally Blackmore

This course will be extended over the next couple of years, where the Patrol Vice Captains will do the course. These courses will then be opened to the rest of the club and will be a prerequisite for obtaining the positions of Patrol Captain and Patrol Vice Captain.

The club has experienced a busy season on Terrigal Beach, with patrol members being observant and dedicated to their duties. This has once again resulted in no lives being lost in the Terrigal Patrol Area. Rescues for the season also increased from the previous season, with preventative actions taking a dramatic jump, showing that the patrol members were alert whilst conducting patrols and preventing problems before they became rescues. Of particular note this season is the amount of 'out of hours' rescues conducted during the season. The club had one IRB rescue prior to patrol hours and two after hours. The latter was a sea search and rescue on dusk. The statistics for the season at Terrigal Beach were:

### RESCUES PERFORMED

Without the aid of any rescue gear .....	11	Resuscitation cases.....	0
With rescue tube .....	1	Preventative actions land .....	447
With rescue board .....	38	Preventative actions sea.....	87
With IRB .....	17	Children successfully found .....	4
Total.....	67	Sea searches successfully conducted .....	1

The Westfield's Rookie Program continued this season with the U13 participants from last season continuing their participation this year as U14s. Each member approached their duties commendably and are showing what valuable patrol members they will be in the future. The new rookies, the U13s came into the patrolling club with an apprehensive look in their eyes, however they found their place quickly enough, with many of them quickly finding the benefits of the senior ranks of the club. From our rookies comes the Westfield Rookie of the Year.

The Clubs recipient of this award this season is Michael McBain. As a member of Patrol 10 this season, Michael has approached his patrolling duties with a high degree of professionalism for his age, whilst assisting Terrigal Surf If Saving Club, at club and branch level, which far exceeds his normal commitment. Congratulations to Michael as it was well deserved.

### ROOKIE OF THE YEAR

The Club's Rookie of the Year is Ben Gibbons. Ben transferred to the Club this year with his family and his commitment to Surf Life Saving was evident on his very first weekend of patrolling duties. Throughout the season he has amassed 132.75 patrolling hours, a fantastic effort. Well done Ben.

## **PATROLPERSON OF THE YEAR**

As I am a nominee for this award, I have not been priyy to the result. I have been nominated with other excellent patrolling members. It is a privilege just being nominated and congratulations to the winner on Presentation Night.

## **CLUBPERSON OF THE YEAR**

This award went to Paul Quick. Paul has provided the club with his undivided attention throughout the year. including Chairman of the Junior Activities Committee, Club Vice President, Judiciary Committee Chairman. On top of this he has competed within and for the club, including becoming a state finalist for Life Saver of the Year. Paul has also organized a number of working bees at the club that has made the club house more workable. Congratulations on your award as it was well deserved.

## **HERO OF THE SURF AWARD**

This award is to recognise the efforts of patrol members for an outstanding rescue effort for the season. There were a large number of nominations throughout the season with some very commendable rescues conducted.

The recipient of the award this year is David Mansfield. The day commenced with David Mansfield beginning training for his Bronze Squad. He then responded to render first aid to an elderly lady that had collapsed due to the heat, losing consciousness on the grassed area near the club. First aid was successfully administered with his squad looking on in quiet amazement. David then went on with the Bronze Training thinking that all was back to normal at Terrigal. However, whilst overseeing the bronze board and tube rescues, he saw two persons in difficulty in a rip near where he was training. This was outside the patrol area. He then had to take a rescue board off one of his students and conduct a rescue on the two persons caught in this rip.

After reaching them, he calmed them down and the first person was taken to shore with the assistance of another club member. David then attempted to bring the second person in on the board, however every time David started to paddle, this person panicked and continually jumped off the board and at one stage pulled David underwater. David used the patient releases he had only recently taught his pupils to escape injury and the patient was eventually placed back onto the board. Assistance was called for from the IRB and the person taken to shore. A great effort David.

## **CADET OF THE YEAR NOMINEE**

The club's Cadet of the Year Nominee was Jason Mak. Jason has throughout this season, displayed a positive commitment to his patrolling duties, competition and other club activities which showed him as a standout nominee for this award. Congratulations on your nomination and good luck at the Branch Presentation.

## 100% PATROL PROFICIENCY

To achieve 100% patrol proficiency award members must have 100% attendance at patrols (personal attendance or attendance by a substitute) and completing their rostered patrol hours. The recipients for this award this season are as follows and are commended for their dedicated efforts.

Kristy Ash	Bob Bowman	Paul Broadbent	Darren Cannan
Greg Elfick	Hayden Edwards	Shaun Freeman	Ben Gibbons
John Giffney	Stephen Graham	Colin Higman	Joel Howick
Stephen Hudson	Peter Ives	Nathan Jameson	Darren Jameson
Justin Kaeser	Philippa Keary	Jason Mak	Joe Mak
Amber Mansfield	Nathan Mansfield	Adam Montgomery	Kate Montgomery
Nicole Morrison	Kirk Newport	Claire Nicholas	Suzanne Packer
Wayne Packer	Luke Petley	Mark Pitt	Kinga Pletikosic
Paul Quick	Ryan Quick	Peter Riley	Simone Sneesby
Rod Stephens	Ian Triplett	Philip Wright	Wendy Wright

Special mention must go to the following patrol members who gained in excess of 100 patrolling hours this season. They are: Nathan Mansfield 146.75, Ben Gibbons 132.75 and Nathan Jameson 114.5. Congratulations as this is a fantastic effort and shows dedication to patrolling duties.

In closing I would like to thank every patrol member for their concerted effort over the past season. A professional approach to patrols is now commonplace and all patrol members have displayed the attitude to their patrol fitting the image of Surf Life Saving. In addition, I wish to thank the following people. David Mansfield for his experience and assistance in taking over this demanding role. Your advice through the season has been invaluable. Nathan Mansfield, my Vice, thank you for your efforts this season in assisting me in my endeavours which include the direction that patrols will take for this club in the future. To the management committee, especially John Howick for your guidance and Beris Meldrum for your wealth of knowledge of Surf Life Saving management procedures, thank you. To all Patrol Captains, the success of the club relies heavily with you managing your patrols and this has been done professionally this year.

Thank you for a great patrolling effort this year and I look forward to seeing you all again in the next season.

Darren Jameson  
Club Captain

### CHIEF INSTRUCTOR'S REPORT

Congratulations to all those members who gained awards this season and also for their effort and commitment shown. The number of awards gained were six Bronze Medallion, twelve Surf Life Saving Certificate, three IRB Drivers Certificate, eight Radio Operators Certificate and one Radio Instructors Certificate. In addition, Nathan Mansfield, Darren Jameson, and myself completed the Training Officers Certificate course.

It can be seen that there was a reduction in the number of awards gained this season than in past seasons. One contributing factor to this could be the lack of qualified training instructors being available. The Club will be looking at this aspect very closely with a view to addressing this problem to ensure that we can cater for all members award training needs so that their enthusiasm is not lost. There is a lot of talented personnel within the Club and they should be encouraged to participate in, and take an active role in training and development.

I would also like to give a special thanks to Beris Meldrum, Darren Jameson, Paul Quick, Bob Bowman and Nathan Mansfield for their time and effort in assisting with the training of candidates for awards. Well done everyone.

David Mansfield.  
Chief Instructor.

## **FIRST AID OFFICERS REPORT.**

The 1996/97 season has again proved to be a busy, but successful season for the club. This has been reflected by all of the patrols and members utilising their skills in first aid.

The following cases were attended to during the season :

<i>Marine Stings:</i>	374	<i>Missing People (successfully found):</i>	4
<i>Minor First Aid Cases:</i>	95	<i>Major First Aid Cases:</i>	6

Of the 6 major first aid cases : Three were spinal injuries and the other three injuries were fractures/dislocations.

Once again I would like to thank Barry and Verna Dinnar from the Terrigal Beach Thrift Chemist for their continued support of the surf club in both the senior and junior ranks. Barry and Verna have once again donated all of our first aid supplies free of charge to the surf club. Most people do not realise the enormous amount of money it costs to provide equipment to Surf Life Saving Australia's requirements, a club of Terrigal's size, and the large amount of people who frequent the beach especially in holiday season.

I would also like to thank the ladies from the craft group. Lorna, Pat, Maureen, Elizabeth, Sue and Dianne for all of the time and effort they put in during the year raising money for the surf club. This year the ladies donated a fibreglass spine board and a Laerdal infant resuscitator to the club. These items would not have been available without the efforts of these ladies.

The club is also grateful to the doctors of the Terrigal Medical Centre who treat a lot of our casualties without waiting and also vaccinating our members against hepatitis.

See you again next season.

Col Higman  
First Aid Officer

## **RADIO OFFICER'S REPORT**

The 1996-97 season was my first as Radio Officer and this year we saw the introduction of a new radio network system which relocated Central Coast Surf's radio operations down to Warringah Surf. During the season a number of members gained their Radio Operator's Certificate, including myself which will help to boost our strength in the use of radio communications.

This season saw the purchase of new radio equipment and it is proposed by the Club to continually look at the use of our radio equipment with a view to updating it on a regular basis to ensure maximum benefit to our patrol operations.

Nathan Mansfield.  
Radio Officer.

## BOARD AND SKI CAPTAIN'S REPORT

Another season has passed and we find ourselves heading into the off season. Mind you for the serious competitors the commitment continues through winter which in reality is perhaps the most difficult time for a competitor.

The season started rather chaotically with Bob Morrison electing not to stand as the Board & Ski Captain after serving in that position for a number of years. (He was smarter than me!) I found out after I accepted the position that the board and ski room was to be relocated. Needless to say the beginning of the season was chaotic with the work in process during the busiest time of the year with all competitors hassling for the allocation and use of equipment (some are difficult to please!) However we all coped despite the difficulties & the pressure tapered off as the season progressed. That brings us to next season, by then all the finishing work required to complete the board & ski facilities should be completed.

The equipment damage this season was substantial which is unfortunate as the expenses incurred for repairs invariably means less funds for new equipment. That's something for all of us to keep in mind for next year.

I would like to take this opportunity to encourage anyone (male or female) who may like to compete either on the beach or in the water to come forward as the time to start training is this winter. I would particularly like some more master competitors (over 30) from the parents to participate. The Terrigal Masters were successful this year in the NSW State titles with silver medals being snatched from our opponents in the:

130 year board relay (Steve **Hugger** Hudson, Steve **Turbo** Edwards and myself)

170 year beach relay (Steve **Turbo** Edwards, Paul **Burnum** Quick, Bob **Rowum** Morrison and myself)

This has inspired the current masters to greater effort in their training. Mind you I am baffled by Bob Morrison's training technique, he is the only state medal sprinter I know who does no sprinting but rows boats and paddles skis?

After those results the young guns had better watch out as there has been rumblings that the next allocation of boards will be to the masers!! Talking about the young guns under tutorage of Ossie **Camper** Borg they performed quite admirably this season. Thanks Ossie (and Margaret for lending Ossie).

Well I hope you all enjoyed the season and all the best in your training for next season.

Regards  
Peter Riley  
Board & Ski Captain

## BOAT CAPTAIN'S REPORT

The 1996/7 season started in the usual circumstances with the adventure to Brewarrina to compete in the Outback Surf Boat Classic. For the first time Terrigal ladies competed, a fine effort for the four women - Sally Blackmore, Imke Roehrich, Leanne Sammons and Ellen Gray. Well done girls. Three days of rowing on the Barwon River in the heat, mud, flies and dealing with drunks. Overall, Terrigal finished fourth in the point score but had their day on the Saturday winning that leg. Unfortunately, broken gear took its toll on the finals day. The journey home coincided with the club attending the running of the Coonamble Gold Cup. A truly unique and major Australian bush racing event. The Terrigal Team represented the club with great distinction, with the girls appearing on national Sky television. A Boat Rowers punting syndicate was formed much to the delight of the local country book makers and at the end of the day several Terrigal rowers were seen leaving the course without their shirts.

The Peter's Surf Boat Series was once again a feature of the rowing season. All crews competed strongly throughout the series with the U21s - Edmund Thompson, Ben Newport, Ryan Dallas and Adrian Thompson - finishing equal winners of their division. The ladies finished 3rd, the Reserve Grade 3rd and the U21 Blue Crew 3rd.

Kirk Newport established a junior crew during the 1996/7 seasons of David Rolph, Shamus Thompson, Brian Goldsmith and Luke Petley. The crew's best results were making the semi-finals at Manly, 3rd at the Branch Championships and quarter finalists at the State Titles. Not a bad effort for a first year crew.

At the Branch Championships held at Soldiers Beach in testing seas, Terrigal proved itself worth competitors by running 1st and 2nd in the U21 Boat, 3rd in the Junior Boat, 3rd in the Reserve Grade Boat and 2nd in the Open Boat. The unluckiest crew on the day was undoubtedly the Women's crew who led the final until sunk on the sand bank.

Over the season the U21 Red Crew showed they were one of the most competitive crews in the state. Gaining places in all finals contested in Sydney. At the State Championships held at Mollymook the crew Edmund Thompson, Ben Newport, Ryan Dallas and Adrian Thompson took the silver medal in the U21 division narrowly defeated by Bilgola in a thrilling final.

At the inaugural Australian Surf Rowers League Championships held at Terrigal Beach the U21 crew again excelled by finishing 3rd.

The Australian Titles at Kurrawa were once again held in a variety of surf conditions. The early elimination rounds were held in small flat conditions. However, on finals day the surf rose making conditions quite treacherous. The only two undefeated crews in the U21 Boat going into the finals were

North Burleigh and Terrigal. Unfortunately, Terrigal were not afforded a good start in their quarter final, being put under a wave. The crew however, showed great spirit and courage after giving away many lengths to run fourth and narrowly miss a spot in the finals.

On the Veteran's scene, Terrigal again competed strongly. Seasoned rowers - Peter Harris, Paul Quick, Kim Petley, Ellen Gray, Col Higman teamed with a variety of newcomers - Bob Morrison, John Giffney, Peter Ives and of course "the old sea dog himself" Club President, John Howick. The crew's results at the Branch Masters were 140years Bronze, 160 years Gold, 180 years Silver.

As the sun sets on another season and as Boat Captain my thanks go to Daffy Gray, Kirk Newport and Peter Harris for coaching and sweeping the crews. Thanks to Xerox and Rhonda of Terrigal Beach Cellars for their sponsorship throughout the season without which the show could not go on. In closing, I'm looking forward to a highly competitive 1997/8 season which will see Terrigal bid to become a competitive force in Open Boat Competition.

Kim Petley  
Boat Captain

## JUNIOR CHAIRMAN'S REPORT

The 1996-97 season has again been a good year for Terrigal Juniors and all credit must go to the children themselves who have shown the Coast the quality of competitors we have and how when on the Coast or away at other beaches the Terrigal children, by their conduct and attitude, are good ambassadors for our club.

Every Sunday at Terrigal the children threw themselves into all activities and you could see the big improvements from one end of the season to the other. This season we had less carnivals and the North Entrance carnival was somewhat disjointed, but the club placed in the top three in all carnivals. This was achieved not only by the large number of medal winners, but also those quiet achievers who may not have won medals, but by them getting in and having a go earned points for the club.

At the Branch carnival Terrigal brought home a bag full of medals with many Branch champions taking gold. Terrigal again were up there in gaining three Central Coast Branch Team Representatives, Clayton Mathews, Lisa Quick and Adam Bird with the branch taking the title for the second year in a row.

We had a great group of 40 competitors travel all the way to Kingscliff for the State Titles and at such a high level of competition and testing surf they performed greatly with many reaching the Sunday finals. To top this off we bettered our previous years State medal tally with the following children gaining State medals:

Tim Packer - Gold U/9 board  
Adam Bird - Bronze U/11 beach sprint  
Elise Gibbons - Silver U/11 diamond lady  
Scott Evennett, Adam Bird, Corey Nicholas  
and Leighton Packer - Gold U/11 beach relay

Also during the year we had many children compete at special events such as Kracka Ironman, Gardner Ironman, Coogee Ironman, etc and performed well.

Congratulations to our club captains this year, Eloise Starr and James Hough. Also our club competitors of the year Adam Bird and Tim Packer and our Clubperson of the Year, Eloise Starr.

Thank you to the Junior Committee, Bryan Skepper our hard working secretary, all team managers, our U/5 and U/6 years team managers (a difficult, sometimes lonely job, well done), Nick Pettit our beach starter and organiser, our carnival officials and John Giffney our gear steward/registrar.

Again a job well done without any dramas or rescue due to the dedication of our water safety officer, Steve Edwards and those parents and expires giving their time every Sunday at Terrigal and carnivals for the safety of the children. Also thanks to Liz Brown for taking on the carnival secretary job after being thrown in the deep end. Also Steve Graham for taking on board training during the week.

Our major goal and reason for joining the movement is to teach children surf life saving and this year we gained 90% of age awards by the children with 12 gaining their surf life saving certificate. This would not have been possible without the help and time given by Bob Bowman in instructing the children. Once again we extend a big welcome to those under 14 years moving into the senior ranks and wish them well and the club will give them every assistance they need.

It is impossible to name all those who have contributed this season to the club, but this does not lessen the gratitude I wish to extend to you on behalf of the club.

I would just like parents to remember that the Terrigal Junior activities is for the development of children of all capabilities be they champions or battlers and our goal is to see those children enjoy themselves and progress to be good life savers and people firstly and competitors second. In saying this we like to see parents encourage children, but not force their own goals or ambitions of competition through their children. Terrigal has a great band of masters competitors to cater for those and this is an ideal way to channel your resources.

Remember the club and club committee works best when working together, not as individuals and this is our primary goal. We are committed to building a strong and united Terrigal Surf Club that we all can enjoy from Juniors through to Seniors, but it is up to each of you personally to ensure communication is open and not kept in small groups by being positive and asking "what can I do for the Club?" not "what can the Club do for me".

I stand down this year from the Junior Chairman position after three years and wish the incoming committee success in their goals and I will still be involved with the Junior Development and Club running in a number of other positions.

Hope to see you all back on the beach next season.

Regards  
Paul Quick

## JUNIOR WATER SAFETY OFFICER'S REPORT

Congratulations to all the children for their efforts throughout last season. We only had a couple of rough days, with the majority of the kids handling the conditions very well.

A big thank you to all the parents assisting in the water and the senior club members in setting up the IRB for our use.

Finally, more assistance is always required so if any mums or dads are thinking of doing their bronze to assist, please do so, it would really help the kids in the water.

Steve Edwards  
Junior Water Safety Officer

## UNDER 6 & 7 MANAGERS REPORT

Danny and I would like to say thanks to the Terrigal SLSC for the opportunity to be team managers for the past two years.

We have enjoyed acquainting 5 and 6 year olds with sand and surf games, introducing them to surf club practices in a variety of fun ways.

This has been our last season with the young ones, as our own children will be moving up in age groups. We wish the boys and girls who have been with us all the best as they move on and thank them and their parents for their support and participation in making our Sunday mornings a success.

## JUNIOR SECRETARY'S REPORT

Another highly successful season over - they seem to pass so quickly.

Our nippers again represented Terrigal Surf Life Saving Club with distinction on our beach, at local carnivals, inter branch and at the State titles. Congratulations to all but in particular to those who achieved success at the State championship and to our Competitors of the Year, Adam Bird and Tim Packer plus our Club Person of the Year, Eloise Starr.

The revised point score system used in 1996-97 was a success. It encouraged participation and training for the younger ages plus the incentives of a handicap competition for the under 11 through to under 14 age groups. We seem to have the correct balance.

Thank you to our age managers, those who helped on the beach, the water safety teams, carnival officials and those who helped at the Blue Light Disco, BBQs and the other activities of the Club.

However, in particular, thanks to Bob Bowman for undertaking the task of training our nippers for their age awards. Your efforts resulted in a record number of children passing their awards.

We are again fortunate to have received the continuing support of our sponsors and in particular Verna and Barry Dinnar of Terrigal Beach Thrift Chemist who sponsored our State Touring Team plus the Iron Person Championship. Without your help we would not be able to provide the training and activities for our nippers.

This will be my last report as Secretary of the Junior Activities Committee as I will not be seeking re-election for 1997-98. I would therefore encourage all parents to continue to take an active role in the running of the club as it will only continue to prosper if supported with new ideas and enthusiasm.

Finally, thank you to the club executive for the support given to the nippers throughout the year. In particular we must thank Junior Chairman, Paul Quick for his leadership and hours of effort in ensuring that 1996-97 was a successful season.

Bryan Skepper  
Junior Secretary

## LIFE MEMBERS FUND

### Statement of Receipts and Payments for the 1996-97 season

<u>Receipts</u>		<u>Payments</u>	
Nett Interest Received to 30/4/976	\$ 434.66	Trophy Presentation 95/96 season	\$ 500.00
Balance forward 31/5/96	<u>\$10,799.34</u>	Balance Forward 30/4/97	<u>\$10,734.00</u>
	<u>\$11,234.00</u>		<u>\$11,234.00</u>

The above balance (Credit \$10,734.00) is represented by Term Deposit Number 28-127-1850 held at The National Australia Bank, Terrigal, NSW,.

I, Edward John Hawkins, Bank Manager, of 13 Meehan Place, Baulkham Hills, do hereby state to the best of my knowledge and belief, that the above account as presented to me from Bank records, gives a true and fair view of the matters required by the Terrigal Surf Life Saving Club Inc., to be dealt with by the members and the Management Committee of the said Club.

(Signed) Edward John Hawkins.  
15/5/97

### ATTENTION SURF CLUB MEMBERS,

Westpac Banking Corporation is proud to be a sponsor of Surf Lifesaving on the Central Coast.

We are now offering you a further opportunity to support your club and save you money!

#### How ?

Westpac will donate \$100 to your surf club, for its exclusive use, for every new home loan or refinanced home loan approved and drawn for Surf Club members and Junior members immediate families.

#### But that's not all !

For the surf club member, Westpac will :

# Discount the usual home loan establishment fee by a further \$100.00.

#Discount home & contents insurance premiums by \$50.00 for the first year per policy.\*

#Provide a no obligation, free financial analysis.

#### To find out more, simply contact

**YOUR NEAREST WESTPAC BRANCH ON THE CENTRAL COAST**

\*Provided by Westpac Insurance Service (Brokers) Limited ACN 005274368. Fees & charges may apply . Full terms & conditions available on application. Offer valid to Surf Lifesaving Central Coast (Inc) members for home loans approved before 31 July 1997 and drawn before 31 August 1997.

WESTPAC BANKING CORPORATION ARBN 007 457 141

## LIFE MEMBERS REPORT

The financial report has disclosed the Life Members Fund enjoys a credit balance of \$10,734.00. Due to the change in the Clubs reporting period this amount also has additional accrued interest to 30/4/97 of \$154.00 which will be credited when the Term Deposit matures on 18th May, 1997.

In the past 4 Seasons the fund has donated \$1960.20 which demonstrates that the objectives in the establishment of the Trust are being achieved. A further \$440.00 will be donated to the Senior Club for the 1996-97 Seasons Presentation on the date the present Term Deposit matures on 18/5/97. This will make the accumulated total of \$2400.20 which has been donated.

The Fund over the last 5 years has only grown slightly with interest being the only income earned. The Trusts donations each year to the Senior Club has restricted any real Capital Growth. It is the Trustees plan for the coming season to have a suitable fund raising exercise completed to ensure the ongoing growth of the Trust is achieved.

The present Life Members Trustees of the Fund are Doug Anido, Paul Hawkins and Mark Power.

**NOTES TO THE FINANCIAL STATEMENT  
ACCOUNTING POLICIES:**

**A. Accruals Basis -**

The financial statements have been prepared under the accrual basis of accounting.

**B. Revenue and Expense Recognition -** The Terrigal Surf Life Saving Club is a non-profit organisation and receives most of its income from donations and specific fund raising events. Amounts by their nature can only be recognised when they are recorded in the books of the club.

**C. Plant & Equipment/Depreciation -** Plant and Equipment are recorded at cost and are depreciated over their estimated useful lives using the reducing balance method.

**AUDITORS' REPORT FOR THE YEAR ENDED  
30 APRIL 1997**

We have examined the accounting records kept by the Terrigal Surf Life Saving Club Incorporated, in accordance with the Australian Auditing Standards.

In our opinion:

- (1) there were kept by the organisation in respect of the year, satisfactory accounting records detailing the sources and nature of the income of the organisation (including income from Members) and the nature and purposes of expenditure and;
- (2) the accompanying accounts and statements being the Balance Sheet (excluding the Life Members' Fund) and Statement of Income and Expenditure, prepared under the accruals basis of accounting are properly drawn up so as to give a true and fair view of:
  - (a) the state of affairs of the organisation as at 30 April 1997, and
  - (b) the receipts and expenditure, and any surplus or deficit of the organisation for the year ended on that date

SIGNED as Sydney this 13th day of June 1997

## CONCLUSION

Once again another year has flown and another season has been successfully completed without any loss of life in the Terrigal Patrol area. Congratulations go to all our patrolling members who have brought great commitment and professionalism to their patrolling duties ensuring the safety of the beach going public at Terrigal. Thanks also to all those who have helped contribute to another successful season and in particular Philip Wright who has worked diligently behind the scenes keeping the books in order and trying to keep us in the black when the rest of us are trying to spend, spend, spend.

This season we embraced the idea of having a supply of club clothing for sale to all members, Wendy Wright took on the challenge of looking after this venture and it has proved a very worthwhile exercise. I would like to on behalf of all to thank Wendy for her hard work in having a full supply of sizes of costumes available and on sale most weekends, as well as a sample supply of other clothing.

Thanks also must go to all the ladies who very professionally catered for our carnivals in the form of morning and afternoon teas and lunches. We have not had an auxiliary committee for the past couple of years so it has been left to a few to organise and also do the work on these occasions. Thanks to the Browns, Wrights and Grahams for once again organising a very successful trivia night and childrens disco, giving us a fun night and also raising club funds at the same time. To Joe & Judy Mak a big thank you for your raffle ticket selling, raising much needed funds to keep the Club running. If you are interested in building up the social, fund raising and catering side of the club please come forward to get this committee back up and working again.

As I stand down from the position of honorary Secretary this year, I would like to thank Surf Life Saving Central Coast, New South Wales and Australia for all their help and support over the past two years in giving me a greater insight into the workings and protocol of the Surf Life Saving movement. These parent bodies are there to support us, the grass roots of Surf Life Saving and have been always willing to answer my questions no matter how curly. I wish the incoming Secretary every success and trust the club will support them and the new management committee throughout the coming seasons. As we are all volunteers with our own lives and other jobs, if there is a request for help please come forward to spread the workload. It is our club so let's support it to the full. With any voluntary organisation the question is "What can I do for the Club" not "What can the club do for me".

Beris Meldrum  
Honorary Secretary
