## SECRETARY'S REPORT

It is with great pleasure that I present the 80th Annual Report and Financial Statement for 2002-03 to the members of the Terrigal Surf Life Saving Club.

It has been an extremely successful season for Terrigal and I thank and congratulate all members for their contribution to its success.

I would like to thank John Howick for his work over the past year in his capacity as President. John's vision and commitment to the growth and development of all areas of the surf club is an inspiration to all of us. The relationships he has formed in the community have greatly enhanced our opportunities for sponsorship.

I would also like to thank Beris Meldrum for her contribution to the club and for her assistance to me over the past six months. Beris seems to be always available and her knowledge, experience and involvement make her an integral part of the club.

Sonya White continues to be a tireless manager and worker in the kiosk, which is going from strength to strength. Thanks also to all the young workers, who do such a good job.

In competition the club has experienced excellent results, with several wonderful individual and team efforts. I would like to thank all those people involved who helped achieve this success, especially Paul Broadbent as club coach, and all other coaches who have devoted their time to training our members from junior ranks through to masters.

Congratulations to Sue Packer for her achievements with the juniors, where she has been a tireless leader and organizer and to the junior committee who have provided an environment for the children to learn and progress in their surf awareness and competition skills.

Thank you to Anne Walsh and Cathy Cole for their enthusiasm and knowledge in coordinating the many surf life saving courses, enabling a significant number of members to attain their awards.

I took on the position of Honorary Secretary in January this year when Adam Montgomery was unable to continue due to professional commitments. I would like to thank Adam for the time and effort he devoted to the position.

Finally, I would like to thank the Management Committee for giving me this opportunity to fill the position when it became vacant and I am pleased I was able to help in some small way.

Sue Emmett  
Honorary Secretary

## PRESIDENT'S REPORT

It is with much pleasure that I submit this report on the activities of Terrigal Surf Life Saving Club over the 2002 – 2003 season.

Well, what a year! The membership should all feel very proud of the growth and success that Terrigal has achieved during the past season.

I extend heartfelt thanks and express my appreciation to the club management and junior committee and to the many people who have worked so hard behind the scenes to make the past 12 months such a great success.

We had a change of executive members through the season due to work commitments, and I would like to take this opportunity to thank Anne Walsh and Adam Montgomery for their contributions to a truly successful season, and on behalf of the membership I wish them well for the future. And with their departure we had Sue Emmett And Cathy Cole step up to the task of club secretary and chief instructor two of the most demanding roles in the club, thank you ladies for a job well done.

The club has seen growth in all areas of life saving services under the leadership of our club captain David Maquire and our ever so reliable patrol captains. Once again our patrolling members performed a professional and reliable life saving service with over seven thousand patrol hours performed this season, with patrols committed to providing a safe environment to the local and tourist community that use terrigal beach.

Anne Walsh and Cathy Cole along with their trusty band of training officers have provided an excellent service for our members throughout the year, and this past 12 months has seen a record number of awards gained and I would like too highlight the dedication of our training officers, who contribute countless hours of lifesaving instruction to our members which often goes unnoticed and on behalf of the Executive I would like to thank each and every one of you for a job well done. Congratulations to all those members who gained awards over the past season.

This season saw Terrigal play host to the first nipper carnival held at Terrigal for many years and a very successful carnival it was. The driving force behind the carnival was Sue Packer who was also the carnival organizer, and with the support of many club members parents and kids, were able to provide a venue surpassed by none.

Our nippers went on and completed a very successful season culminating in a fourth place at this years State Titles certainly a fine achievement and one we are all very proud of. On behalf of all nippers, parents and the Executive I would like to thank Sue and all members of the junior committee, age managers, officials and coaches for another very successful season.

The achievements of our senior competitors this season will go down as the best on record especially when you consider what has been achieved by such a relatively small group of competitors in comparison to the more fancied clubs up and down the coast. At Branch level the club won all carnivals including the Branch championships, then followed up with a 6th place at the State and 11th place in the Australian Championships our best ever result at both. Congratulations to all competitors for making this season our best in the competition arena.

The team spirit developed throughout the club is one factor that has allowed the club success as we have seen in this past season. Many thanks must go to Paul Broadbent and Bruce Thoroughgood for their commitment and dedication in developing that cohesion and team spirit within the club.

Congratulations also to Paul for the honor of being named N.S.W. and Central Coast Coach of the Year, and also to Amanda White firstly for her achievements at the Australian Championships presented with the Peter Lacy award for Competitor of the carnival for the second time, and then being named N.S.W Athlete of the Year and Central Coast under 19 competitor of the year.

Our members did very well at the Central Coast Awards of Excellence night held recently at the Mingara club. Firstly Michael Bowman was named Westfield Rookie of The Year a truly deserving winner of that award, Cathy and Amelia Cole taking out the Female Champion Lifesaver and the U16 Champion Lifesaver, Sue Packer and the Junior Committee as always worked so very hard this year and were deserving winners of the Youth Committee of the Year Award, while Paul and Amanda took out the double by winning at both the State and Branch level, congratulations to all concerned for a truly outstanding result.

Congratulations to all those who received recognition at our presentation night, it was great to see another full house where everyone enjoyed themselves and rocked the night away.

Clubperson of the Year was Sue Packer who fully deserved this award for the amount of work and dedication that she has put into all aspects of our club, especially our juniors, who have gone from strength to strength under her leadership.

Cathy Cole was awarded Patrolperson of the Year for her excellence in patrol duties. Cathy gave up an enormous amount of time and support to the club, and besides her own patrols was always willing to do extra patrols whenever she was needed, as well as countless hours training our members in all aspects of club activities, well done.

Volunteer of the Year was Hank Blewitt, who once again carried out all his patrols and spent countless hours training our junior competitors, Hank was always the first to arrive for nipper day and carnival set up and the last to leave, and was willing to lend a hand when required. Congratulations on a job well done.

Clayton Schofield was a worthy winner of the Rookie of the Year award, from the time Clayton signed on the dotted line he jumped in boots and all. Gained his bronze and his I.R.B. drivers certificate, then not only did he carry out water safety on nipper days and local carnivals but volunteered his time at both the junior state and the Australian Championships. Clayton was always on hand to give assistance around the club whenever required.

My thanks go to our administration officer Beris Meldrum, Kiosk Manager Sonia White and her staff, Robyne Flanagan and Bob Morrison for a job well done over the past 12 months.

On behalf of all Terrigal Surf Club members I would like to thank the Branch Executive, Peter James, staff, and officials for their support and assistance given to our club throughout the season.

Terrigal Surf Club is proud to be associated with the many companies and individuals that support our club financially year after year, and three major supporters joined that list this year in Krone Australia Pty Ltd, Volvo Trucks and our good friends at Raine & Horne Terrigal. We sincerely thank them for their most valued support and look forward to a long and lasting relationship into the future.

John Howick  
President

## CLUB CAPTAIN'S REPORT

I would like to take this opportunity to thank Terrigal SLSC members for the opportunity to perform the role of Club Captain for the 2002-2003 Season. This has been another fantastic year for our patrolling members. It is a credit to all patrolling members that no lives were lost at Terrigal Beach. Thousands of people flock to Terrigal to enjoy the wonderful Beach. It is a credit to all of you, who gave up your time to voluntarily patrol the beach. The high standard of service each one of you provides, ensures the safety of the community who use Terrigal Beach.

I would like to thank the Patrol Captains and Vice Captains for their tireless efforts during the season. Without the Patrol Captains and Vice Captains Terrigal SLSC obligation to patrolling the beach would not have been fulfilled.

This season has seen the club grow and the development of our lifesavers flourish. The training of Bronze medallion holders during this season has been truly remarkable. To all those trainers within the club I would like to express my sincere thanks.

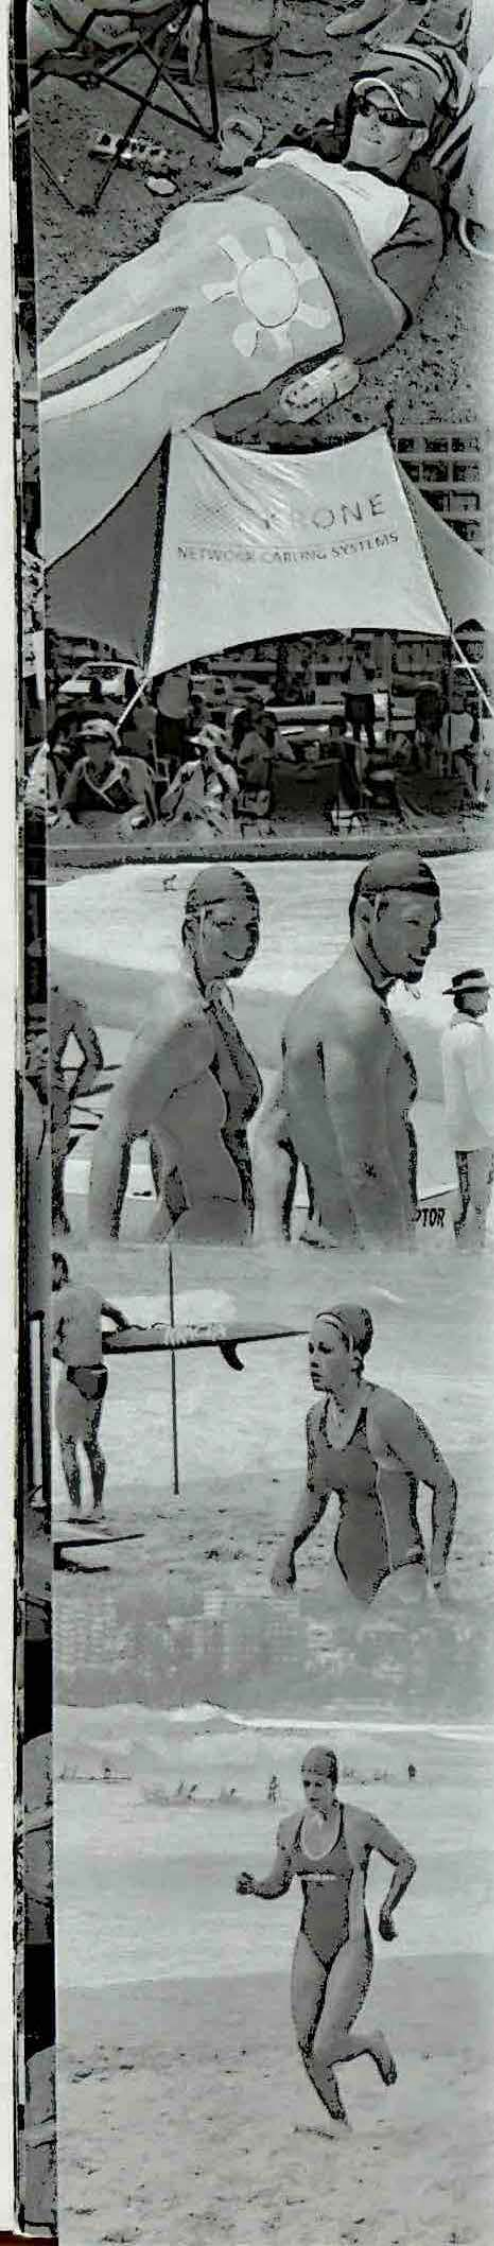

Our successful patrolling season is as a result of the direct services provided by our patrolling members and we should all be proud of our achievements and our abilities to protect and save lives at Terrigal Beach. I am confident that our patrols are well above average in terms of skills, abilities and focus. Patrol members vigilance and dedication has been exceptional and has contributed to the safety of those attending Terrigal Beach.

A number of specific instances during the season display the outstanding commitment and dedication to life saving duties. A rescue completed during a weekday training session comes specifically to mind. A male 25 old, intoxicated, poor swimmer decides to take an evening swim. Terrigal life savers see the male in real difficulty. A nipper and adult member go to his aid and rescue the male. The statement from the male stayed in my mind. "I was gone, dead, I'm not from here, I didn't realize the danger". This statement says it all. The ignorance of visitors and tourists should always be taken into account. It is a credit to all patrolling members that no lives or serious injury was occasioned to any person this season. The patrolling area between the flags was covered for life saving services. Also the whole beach from the Rock Pool to the bend was maintained and no lives lost.

It has been a wonderful season for the club, huge crowds have attended the Beach from the first week of the patrolling season to the very last. Following is our rescue statistics for the past season. I encourage you to read through them and reflect on the rescues and first aid cases we have done over the last season. To all members a job well done.

I am a proud member of Terrigal SLSC and look forward to a long future association with the Club.

David Maguire  
Club Captain

## CHIEF INSTRUCTOR'S REPORT

Firstly, a big thank you to Anne Walsh who took on the position of Chief Instructor at the start of the season until she relocated to Port Macquarie. Her endless hours of hard work are appreciated by the club.

It has been a successful year for Instruction at Terrigal this year. We have had the following number of members achieving these different awards:

Bronze	55	SRC	29
Radio Operators	20	Defib	2
IRBD	4	Silver Medallion Patrol Captains	3
IRBC	36	Silver Med. Life Support	7
ARC	13	Instructors	3
Examiners	1		

Thank you to the following Instructors who gave up their time and energy to instruct the candidates.

Peter Ives	Darren Jameson	Paul Quick
Joanne Jameson	Greg Collins	Beris Meldrum
Sue Packer	Hank Blewitt	John Bellato

(If I missed anyone please accept my apologies as no information on the early part of the season was passed on to me. I personally appreciate all those people who are willing to Instruct as it is a big responsibility).

Also extra thanks to Joanne Jameson who taught the Juniors and Sue Packer for putting the U/14s through their Surf Rescue Certificates.

We have a large membership and it would be my ideal to have each member hold every qualification available to them (often dependant on age). To do this we need more trainers. Let the Chief Instructor know if you are interested in training others.

Congratulations to those members who achieved awards this year and thank you to all those that made it possible.

Cathy Cole

## FIRST AID OFFICER'S REPORT

This past season has run very smoothly with no major first aid cases to report despite the fact that the new first aid room is ready and equipped for action. It seems ironic that since the installation of the ice making machine we have had a relatively quiet season with the dreaded blue bottles and that as I write this report on the day of the planned Terrigal Ocean Swim the event was postponed due to stingers plus weather conditions. Anyway we are much better prepared now for those days when Terrigal beach and waters become invaded with blueys by being able to provide any number of ice packs to relieve the sting.

We suffered one break-in during the season and apart from broken glass windows and one oxysoc carry bag and O2 cylinder which was reported the only other item taken and found again in a nearby bin was the 'boom box', apparently not worth "knocking off".

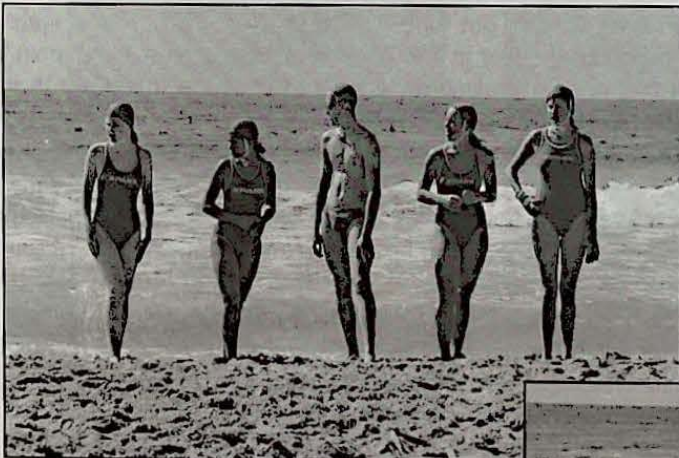

As usual the level of professionalism in administering first aid by the patrols was excellent and I wish to thank everyone for this. As we share this room with the lifeguards it is important that it is left clean and tidy for everyone's use and I ask all members to help in this matter.

We have been very fortunate to have had sponsors for the first aid room for many years now and it is with much regret that I say that Soul Pattinson of Terrigal is no longer, and wish to thank Barry and Verna Dinnar for their support over the years and wish them the very best for the future. It also gives me great pleasure to say that Cole's Pharmacy Terrigal has come to the fore and will be our new sponsor for first aid supplies and I ask all members to support your new sponsor whenever possible. David Cole has made a visible sponsorship to the Junior Club as well and for this we thank Cole's Pharmacy very much.

The Hon. Medical officers to the club, Dr Keith Evershed and Dr David Little and the Terrigal Medical Centre have continued in their role to support our club and for this we thank them very much.

In conclusion be proud of your club and, as you know, it is proud of you.

Judy Mak

*Ready for the Belt Race, Branch Titles.*

## BOAT CAPTAIN'S REPORT

Well it's that time of year again when we look over the past season, and for the boaties it was an excellent season, with great results overall. We welcomed some new faces this year and some new sponsors.

I would like to thank our previous sponsors XEROX for their many years of sponsorship and support of the Boaties and welcome our new sponsors – VOLVO TRUCKS.

VOLVO TRUCKS came on board with a very generous sponsorship that enabled us to purchase a new, state of the art, surfboat. We look forward to a long association with them as they venture into the surf lifesaving arena.

Jonathan "Jonno" Geaghan joined us from Bilgola to sweep and row (in the masters), and we welcome him and his skills to the club. By all accounts he will be a very valued member of our club with his dedication and skills.

Thanks once again to our head sweep Bruce "Mr. Bean" Thoroughgood, for his dedication and commitment to our club. Without him it would have been impossible for the club to achieve the excellent results in the boat arena this year.

Justin "Archie" Kaeser put together a group of girls and started sweeping them with great results for a group of girls that up until this year had never set foot (or bums) in a surfboat.

Thanks to Archie for his dedication and commitment to the club as he has been a stalwart at our club from his junior days rowing with Justin O'Donahue and "Daffy" and is now finds himself in the "veteran" category. It happens to the best of us mate!

In the Peter's boat series our reserve boat crew of, sweep, Bruce Thoroughgood rowers Luke Petley, Ben Watt, Paul Madams and Scott Campbell left it to the last race of the season to determine the champions of the reserve division – one of the most competitive divisions in rowing – in a nail biting tussle with arch rivals Avoca, a great performance from the boys from Terrigal to take it out.

Our "A" crew comprising Jonno Geaghan sweeping, Adrian Thompson, Dean Grady, Matt Boake and Peter Randall, got together and showed great promise with some good results throughout the year in a tough environment against some great crews from the top Sydney and Queensland clubs. With a season together under their belts look out for them to really perform next year.

We had two girls' crews finally take to the water and for novices perform, above all expectations. Bruce's crew comprising Charmaine Stringer, Lanie Collier, Katie Allen and Emma Ralph (Judy Smith rowed for Emma), rowed strongly all year taking out a bronze at the State Titles. This was their first season rowing together, with a couple of them never having rowed before.

Archie's crew of Fiona Hungerford, Lauren Crawley Michelle Windgrove and Judy Smith (rowing for Sarah Pope), rowed well for complete novices, but had bad luck with one of their crewmembers (Sarah), falling pregnant before too long into the season – hmmm must have been something in the water!

Congratulations also to the Masters crew of Jonno, Archie, Mel Smith and Shane Hobbs with help from Bruce and John Trickett sweeping as they took out a Bronze Medal at State and performed very well at the Aussies in QLD. Both Masters crews took out Gold at the Branch Championships – well-done boys!

A special mention to John Trickett, who got together a bunch of guys for the U21 division and blew everyone away with their performance in every race they took part in this year. More than once they gave the MacMasters crew (Australian Champions) a run for their money at various carnivals this season.

Watch out for those guys next season, as they will make a few crews worried.

All in all, a great season on which to form a strong foundation for the upcoming year, followed by a trip to Italy for some crews in September 2004 for the World titles. Stay tuned for more details soon. Have fun and see you on the beach!

## COMPETITION SECRETARY'S REPORT

There's a short story I have told to "friends" outside the surf club that goes like this. We were all away one weekend at the Forster weekend of Surf and as the day went on there was a few parents who were looking forward to a "cold beer", so we told the kids that after the carnival, we would only be gone for a short time and be back soon. (They were all content to swim in the pool and some of the others just chilled out.) Anyway, when we returned there wasn't a child anywhere (big or small). Where could they be? Abducted by aliens or "run out of town" because they were letting off too many fireworks (courtesy of Paul "firecracker" Polglase). Someone said "Maybe we should check the bowling club", there was talk during the day that would be the best place to take all this lot to dinner. So away we went wondering do we really want to find them? Of course all the mothers said yes but some were not so sure. Lo and behold when we got to the bowling club, there they all were. Under 10s all the way up to some of our seniors. They had all gotten hungry in our absence and decided that they would start without us. Those that didn't have any money had been paid for by one of the older kids. Not one of them had been left behind, and they all had the time of their lives. (It was a smorgasbord, so most of them were back for their second and third helping.) As a parent, that actually brought a tear to my eye, because the older kids had the time and the concern to organize the younger ones, rather than just leave them to look after themselves.

We have had a great year and I need to thank Beris for her "more than once" assistance, there was a couple of carnivals we might not have entered if not for her persistence. Thanks also go to Broady who juggled not only his job (competitor, coach, great guy), but he also found time to help me as well (I needed it), and last but by no means least, thanks Joe (Mak), I still have all the paperwork you collected over the last 8-10 years. It keeps the bookcase nicely FULL. Seriously, you are a hard act to follow and I can only hope I have made someone's job easier.

To all the competitors, a job well done, you are a credit to yourselves and Terrigal Surf Club. A special mention should go to the following competitors:

Chris Campbell, Tim Packer and Stuart Mak who were chosen to represent the Central Coast Branch team.

Also Lizzie Hastings, Jenna Harrod, Amanda Hey and Stuart Mak (standout Stewie) for competing in the Tri Series events.

An extra special mention must go to both our Amandas. Amanda White competed in the NutriGrain series this year and was the overall Female Swim Champion with two first places and a second place. Amanda Hey made two finals at NutriGrain for her efforts as well. You have all made your team mates and Terrigal Surf Club proud of your achievements. Keep it up.

What a brilliant end to an outstanding season. Terrigal competitors performed exceptionally at the State Championships at Blacksmiths beach to finish 6th in the overall pointscore. Competitors then backed up two weeks later at the Australian Championships at Kurrawa where the club finished in equal 11th place, a truly remarkable effort from all competitors and congratulations to all who competed.

## JUNIOR REPORT

The Surf Life Saving Australia Mission Statement is that "Surf Life Saving Junior Activities will enrich the lives of children through fun, involvement and the acquisition of personal, lifesaving and competition skills in a safe aquatic environment". I believe that as a Club we have succeeded, in the most part, in achieving these principles.

During the season with the above Statement in mind, our Club introduced some new concepts:

**Skills Nipper morning** – Paul Broadbent, Senior Coach and our Senior competitors instructed our nippers on some basic skills, such as wading, wave catching and board skills. This concept united our Club and also enhanced our nippers' lifesaving and competition skills. With a few modifications to this year's programme, we believe this concept will be invaluable to our Club as a whole.

**Twilight Nippers** – This was a new concept that we tried in February. We started at 3.30 pm and held one of our Club Championship Rounds. At the conclusion of this event, we had a barbecue and disco for all our nippers. It was a great social evening and so successful, that we intend to hold two Twilight Nippers next season.

Terrigal held the first nipper carnival this season. During my term of office over the last three years, I believed we could hold a carnival here and our nippers deserved to be able to compete at their own beach. Our Club united in all areas and we ran a very successful carnival. It was fantastic to see a crowd of people waiting at the Clubhouse at 5am to get the 'show on the road'. Our success could not have been achieved without the help of our Executive, Junior Committee, Age Managers, Coaches, members, parents and kids. We also started a trend in our Branch with (yellow) working party T-shirts. Our nippers showed their appreciation in holding a carnival by winning the carnival convincingly.

Terrigal continued on a winning streak with the second carnival at Avoca Beach. At this carnival, we exceeded the number of competitors we have entered at any carnival. After Christmas unfortunately, our contingent of competitors reduced considerably and we came second at North Entrance Carnival and second at Shelley Beach Carnival (the board riding beat us). After each carnival back at presentation, the introduction of pizza, was well received by all. Thanks to all the parents who cooked bacon and eggs each Sunday morning to help offset this cost.

Thanks to all our water safety personnel and officials who acted for us at the carnivals. As more stringent requirements are enforced on our Club for competition, I would strongly encourage many parents to partake in the Officials' Course at the beginning of next Season.

Our Club finished fourth at State this Season (only 7 points behind second position). Congratulations to all our competitors, especially our 56 finalists. Special mention to Karina Lee (2 Gold Medals and 1 bronze medal); Matt Hurst (2 Gold Medals); Isabel Ball (1 Gold Medal) Donnica Clarke (2 gold and 1 silver medal); Maddie Powell (silver medal); Olivia Tauro (2 gold medals); Ben Miller (1 Gold and 3 bronze medals); U9 swim team and U9 female board relay; U12 swim team, female beach relay and board relay; U14 board relay, swim team and board rescue.

Congratulations to our Interbranch team representatives Ben Miller, Donnica Clarke and Sophie Packer.

A special thank you to Cathy Cole for enhancing my goal, to have a Terrigal R&R team. Congratulations to all our participants, you did your Club proud.

Our young march past team always looked professional, under the guidance of Sue Bennett and Debbie Northey. I am sure these march past skills and experiences gained this year, will be further developed next Season.

A big thank you to Bruce Moy, our U6 and U7 Co-ordinator for his energy, time and effort. We had approximately one hundred U6 and U7 members this year, but Bruce and his merry men of helpers had the kids learning skills and having fun, even in the rain.

Thank you to our Rookie Co-ordinator, Debbie Campbell for her effort over the last three years in ensuring our rookies were given a patrol and looking after them with uniforms, etc.

Our 2002-03 U14 age group achieved outstanding results in competition and also carried out their surf lifesaving duties admirably by patrolling our Beach and obtaining their Surf Rescue Certificates. I would like to encourage all, to use the skills you have gained over the years and continue on to the Senior Ranks, whether it be in the capacity as a patrol member, boatie, R&R, March Past or competitor. Thank you to our Club Captains Chris Wright and Sophie Packer and Vice Captains, Ben Anderson and Kimberley Baty and to all our U14's for their assistance in cooking Club barbecues and water safety.

Congratulations to our following members for their outstanding efforts:

Junior Clubperson of the Year, Ben Anderson

Competitor of the Year, Ben Miller

Sub-competitor of the Year, Karina Lee and Matt Hurst

Our sincere thanks to our new sponsors, Cole's Pharmacy Terrigal for sponsoring our Ironperson series and to Krone for sponsoring our 2002-03 Finalist's T-shirts.

Joanne Jamieson undertook the big role of Instructor for our juniors this year. Thank you Joanne for all your effort and expertise in helping our nippers gain their surf awareness awards.

Lastly, but most importantly, many thanks to our Age Managers, Officials, Water safety, Coaches (Hank Blewitt, Efim Pilipczyk, Phillip Wright and Brett Hurst), Leanne Pilipczyk (Uniform Co-ordinator) and parents who have helped to make this a fantastic season. Your efforts have enhanced our kids into becoming lifesavers of tomorrow.

Sadly, as our children grow older and move on, a few of us must leave the junior movement, after many years of challenging but rewarding times. A special thank you to the following people who have made my job easier:

**John Giffney** – Gear Steward, Beach Supervisor, Deputy Chairperson, official, water safety and always willing to help when needed.

**Wayne Packer** – Water Safety Officer and Branch Water Safety Co-ordinator and always willing to help when needed.

**John Robinson** – Water Safety and always willing to help when needed.

**Debbie Campbell** – Rookie Co-ordinator and always willing to help when needed.

Lastly, my sincere thanks to my hard-working committee, who have made my life easier: Wendy Wright, John Giffney, Kerry Clarke, Beris Meldrum, Julie Hurst and Wayne Packer. Also, thank you to the Club's management for their support and encouragement.

I would encourage you to be part of our Committee and enjoy the many rewarding moments of surf lifesaving, as I have over the last three years. Thank you all for your support.

See you on the beach  
Sue Packer

## LIFE MEMBERS' REPORT

The financial report has disclosed the Life Members' Fund enjoys a credit balance of \$15,171.68 (Fifteen Thousand One Hundred & Seventy One Dollars 68c). These Funds are held in Account Number 53-878-5225 at the National Australia Bank, Terrigal, NSW.

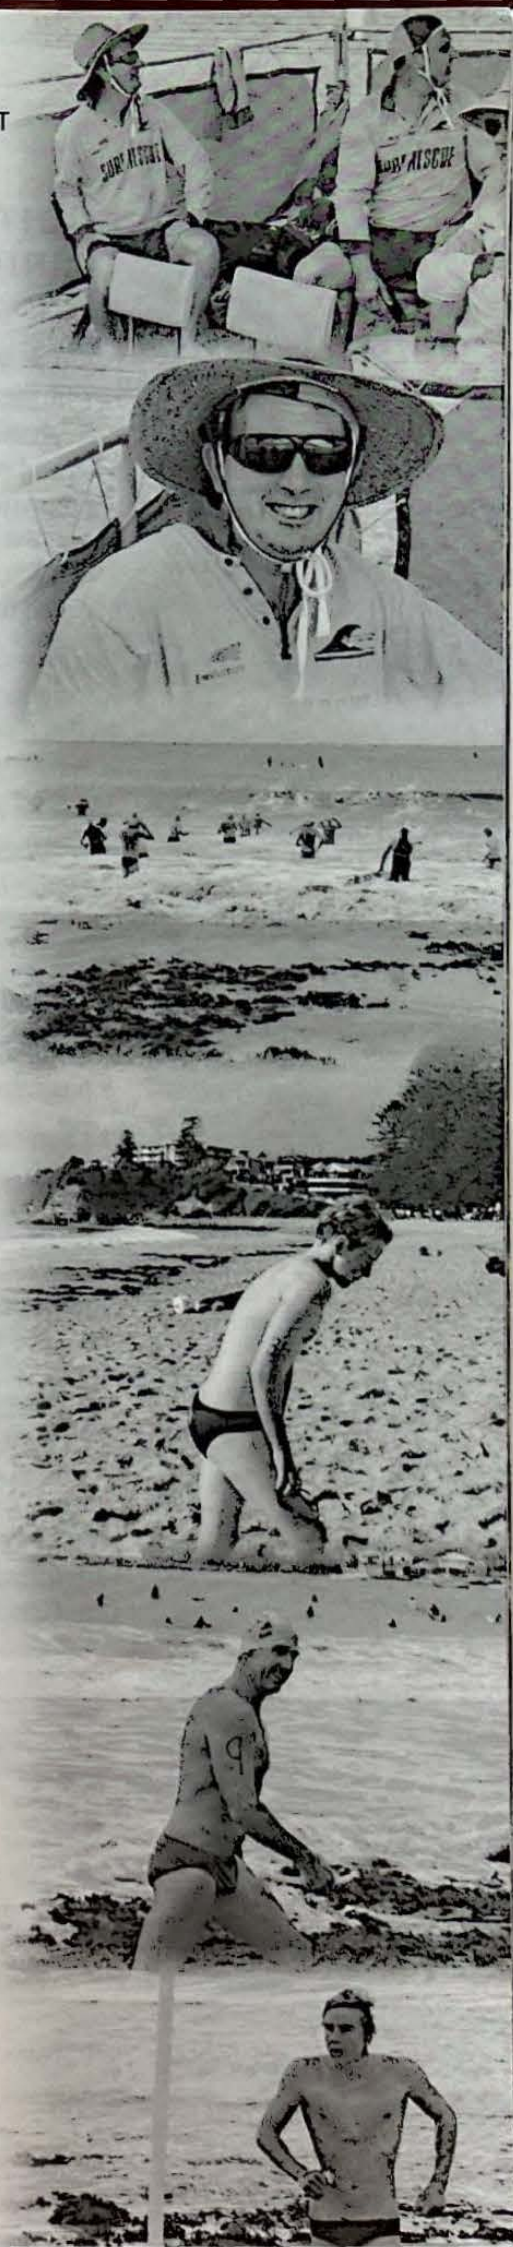

Income for the past twelve months has been modest due to the Loan granted to the Senior Club to assist with the purchase of chairs and tables for the new club house. The Loan of \$12,000 has now been fully repaid, however the Senior Club has an outstanding interest liability of \$650 which is to be paid to the Fund. This will be attended to in the next season and the Fund in return will make a further donation of \$250 to the Senior Club on receipt of these funds. A net increase in the Funds assets of \$400 will occur on completion of these transactions.

To date the Life Members Fund has donated in excess of \$3,100 to the Club.

The Trustees have commenced plans for further fund raising for the future growth of the Fund over the coming season.

The present Trustees of the Life Members' Fund are Paul Hawkins, Ron Stone and Mark Power.

- AAS17 Accounting for Leases

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

#### 1. Accruals Basis

The Financial Statements have been prepared under the accruals basis of accounting.

#### 2. Revenue and Expense Recognition

The TERRIGAL SURF LIFESAVING CLUB INC. is a non-profit organisation and receives most of its income from donations and specific fundraising events. Amounts by their nature can only be recognised when they are recorded in the books of the Club.

#### 3. Plant & Equipment Depreciation

Plant and equipment are recorded at cost and are depreciated over their estimated useful lives using the reducing balance method.

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

#### 4. GST Units

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

#### 5. Income Tax

The Club is exempt from income tax and accordingly no liability is recorded.

#### 6. Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Club will obtain

ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

FINANCIALS

NOTE 11 – COMMITMENTS AND CONTINGENT LIABILITIES

The estimated maximum amount of commitments not provided for in the financial statements as at 30 April 2003 are:

a) Operating Lease Commitments

	2003	2002
	\$	\$
Being for lease of canteen catering and office computer equipment

b) Insurance Coverage

The Club is covered for all public liability claims under the public liability policy established by the NSW Surf Lifesaving Association. Policies covering damage to or theft of property and workers compensation have also been taken out directly by the Club. Accordingly the Committee believes that its insurance coverage is adequate to cover contingencies in these instances.

c) Loan Commitments

Gosford City Council (Unsecured)

During the previous year the Club entered into arrangements with the Gosford City Council regarding the financing of the shortfall in the Council's budget for the fittings of the new clubhouse and for the installation of the clubhouse air conditioning system. In November 2002 these arrangements were finalised as an interest-free loan due to the Council of \$216,500.
