McGrath

DIRECTOR OF ADMINISTRATION REPORT

It is with pleasure that I present the Annual Report to the members of the Terrigal Surf Life Saving Club. The season has in general been very successful, however structural reforms required for future progress will provide an interesting time for all.

The season has been extremely safe on the beach, with all credit to the Patrolling members, their Patrol Captains, and to Paul Quick, the Club Captain. The large number of new active members, and awards resulting from our Director of Education and Training, Greg Collins has allowed Paul to reduce the individual patrol quota for the season. Joint share equipment (with Gosford City Council), and Water safety levy funds has allowed a quality of service not previously possible.

Competition-wise, we have proved that a relatively small club can consistently achieve at a high level. Our competitors are now a mix of seasoned seniors, who have proved themselves time and again, and new competitors who have shown spectacular progress thanks to the tireless efforts of the coaches, and their own consistent hard work. Thank you also to those tireless officials who ensured that we could participate at carnivals.

Our juniors have again shown how rewarding the time and effort expended can prove so worthwhile. Many Age Managers, Coaches, Parents, Water Safety Personnel etc would attest to the time expended, but they would also admit to the reward. Thank you for all the hard work. A

special mention should be made of the Junior Coach, Paul Lemmon who put in hours of effort for the competitors, not just training them but leading by example. Thank you also to the Junior Chairperson, Stuart Bennett. You can rest now! – it's a fine line between pleasure and pain

Membership Services is a new Directorship introduced this season, and Mardi Love, has proven more than adequate to the challenge, which is good because there is always work for diplomats in Surf Life Saving.

Wayne Packer has proven that it is possible to finish the season on a balanced budget, although I don't know how he managed it! John Howick has once again steered us through a successful season. Both of these have their own reports, so no more here...

Finally I would like to thank Beris Meldrum for just being "Beris". No more really needs to be said there. When does a person stop just being a person and becomes an institution in themselves?

Finally, to all who assisted who have not been mentioned, thank you.

Gregory Elfick
Director of Administration

PRESIDENT'S REPORT

It is with much pleasure that I submit this report on the activities of The Terrigal Surf Life Saving Club over the 2005-06 season.

Once again our patrols have carried out their duties in a very professional manner enabling us to report that no lives were lost or serious injuries reported over the season. On behalf of the executive and the community we serve a big thank you to all patrol captains and patrolling members for their vigilance and service.

Over the past twelve months Greg Collins and his trusty band of training officers have again done us proud and provided an excellent service to all junior and senior members. The dedication of training officers who contribute countless hours of lifesaving instruction often goes unnoticed and on behalf of the management team I thank you for your efforts.

The season has produced outstanding results in the many carnivals that our members competed in, from nippers through to masters.

Our nippers who are a credit and the very future of our club went on and completed a very successful season culminating in second position behind Cronulla at this years Junior State Titles, certainly a fantastic achievement and one we are all so very proud of.

To Stuart Bennett and all involved in Junior activities at Terrigal, including the many team managers, parents, coaches, trainers, water safety and officials who

have worked so hard guiding the children through their activities each week, thank you, for your efforts have allowed all juniors to receive a good balance of fun, education and competition over the season.

Our rookie co-ordinator Jenny Schofield once again carried out her role in an exceptional manner and the kids really appreciated her efforts over the season. Most Patrols have rookies allocated to them and I thank all captains and senior members for the care and education of the kids involved. Over the season it was very pleasing to see the enjoyment and the enthusiasm that our younger members brought to their patrols.

Our member's competed in many carnivals over the season from NSW Premiership Events where we placed third overall, the World Championships in Victoria, also the local and Sydney carnival scene, Peters Boat series and of course State and Australian Titles and along the way our members performances were outstanding at all events. At the time of writing our IRB crews were once again competing in the first round of the NSW IRB Premiership at home where the team placed third overall.

Congratulations to all members who competed throughout the season in the many facets of competition within our club and I thank you for a job well done.

My congratulations go to all members who were nominated for State, Branch and Terrigal Award of Excellence presentation

nights. Your efforts were all very worthy of nomination and you did yourselves and Terrigal very proud.

I would like to take this opportunity to formally recognise the significant and very much appreciated support we receive from Gosford City Council Aldermen, Directors and staff. Your combined efforts have allowed for a very smooth operation at Terrigal over the season. I would also like to convey on behalf of the members a thank you to the Gosford City Council Lifeguard service for the excellent working relationship that our members have had over the past twelve months.

Once again the Branch Executive, EO Chad Griffith, staff and officials have supported Terrigal with assistance and guidance

throughout the season and for your efforts please accept our sincerest appreciation.

The successes of Terrigal Surf Club is very dependent on the generosity of our sponsors and supporters and to all those companies and individuals please accept our appreciation for your continuing support and assistance.

In closing I would like to thank the executive and members of all committees involved in Terrigal Surf Club for their dedication and commitment throughout this past year, a truly satisfying time for all concerned, as we look towards greater success in the future.

John Howick
President

HERO OF THE SURF

MERITORIOUS AWARD PAUL QUICK COMMENDATION

Report of incident;

G Batty and D Maguire were on patrol at Terrigal Beach when responded to call from Warringah surf to the incident at Spoon Bay and request for IRB assistance. They launched the IRB and proceeded north 3 kms to Spoon Bay to assist in the rescue in large seas.

On arrival at Spoon Bay, the Terrigal IRB locate and took on board the rescuer S Harvey who had earlier placed his victim into the IRB from Wamberal SLSC.

P Quick was off duty at Wamberal Lake attending surfboat training when a member of Wamberal patrol located him and told him he was requested on the Jet Ski at Terrigal to assist at Spoon Bay. P Quick began jogging towards Terrigal and meet the Terrigal ATV coming to pick him up and return the 2 kms back to Terrigal to launch the Jet Ski. P Quick then proceeded to Spoon Bay and on arrival met the Terrigal IRB with S Harvey. S Harvey asked P Quick to take him into shore as he was in an exhausted state, so S Harvey hopped onto the mat and they negotiated the break and rocks to beach at the rescue site on shore. P Quick then proceeded back into the surf to search for the second victim around the rocks.

Both the IRB and Jet Ski proceeded to search for the second victim around the break and rocks along with Wamberal IRB and two helicopters. P Quick returned again to shore to pick up a full fuel cell, as Wamberal IRB was now low on fuel. Then returned to sea and continued the search. The 2nd victim was located some 40 minutes later and the IRB and Jet Ski returned to Terrigal beach once search was called off.

The surf conditions, location and wave actions on this day made it very difficult for the craft to operate safely in their endeavors.

MAJOR AWARDS 2005-06

CLUBPERSON OF THE YEAR

JOANNE JAMESON

Joanne held the positions of Patrol captain, Bronze instructor, SRC instructor, Surf Education instructor and Bar manager. Her overwhelming commitment to the club has shown her put in at least, 50 hours training squads; 50 hours training nippers; 250 hours bar duties as a volunteer and 100% patrol proficiency. Joanne has shown innovation in implementing bar functions; nipper education and patrol team work.

YOUNG CLUBPERSON OF THE YEAR

JOSHUA COLE

As a young person Joshua has shown dedication and enthusiasm in everything he does. He is very committed to patrols gaining 1005 proficiency. Helps with the club equipment and work around the club. He is involved in the TROYS group and Duke of Edinburgh scheme.

PATROL PERSON OF THE YEAR

LAUREN BRIERLEY

Lauren has been a long time member of Terrigal since nippers and takes great pride in saying she is a member of Terrigal SLSC. As a young girl of 20 years Lauren has stepped up to be a patrol captain this season, not by default but willfully and keenly asking to be given the role. Once again she has maintained her 100% patrol proficiency and manage her patrol and responsibility for the safety of the public and club members whilst lacking experienced patrol strength and, early in the season, IRB drivers. Lauren has shown leadership and commitment of someone beyond her years often in trying circumstances. Lauren always seeks advice openly from more experienced members and always thanks those that assist her.

YOUNG PATROL PERSON OF THE YEAR

SIMONE HANNELLY

Again this season, Simone has gained her 100% patrol proficiency without missing a patrol. This is her second season holding the bronze medallion ward. Has put in many patrol hours and is active in participation whilst on patrol. Has given great assistance with first aid cases whilst on patrol particularly during those "blue bottle" epidemics we experienced this season. Is a member of the Terrigal youth committee and is not afraid to take on duties or responsibilities when asked to by her patrol captain.

VOLUNTEER OF THE YEAR

RICHARD HUDSON

Richard is a tireless worker for Terrigal SLSC. He was largely committed as a carnival official for the club working at Local, branch State and Aussie carnivals in all roles from juniors, seniors, IRB's and boats. Richard was a work horse on club days at Terrigal setting up the beach for events and packing up at the end of the day. He looked after the Terrigal gear and always there to lend a hand. Richard also fulfilled all his patrol obligations whilst taking on this work load.

CLUB ROOKIE OF THE YEAR

TONI JONES

Toni gained her bronze in April 05 and has completed her first full season as a bronze holder achieving 100% patrol proficiency and 65 hours of patrol. This season Toni was unselfishly thrown herself into gaining the following awards.

- Silver medallion patrol captains
- ARC
- Defibrillator
- Senior first aid

Toni lifesaving side also revolves around water safety for juniors on both weekends and week days.

MEMBERSHIP DIRECTOR REPORT

2005-06 has provided many challenges and many rewards in the area of Member Services. As the inaugural person in the new position of Member Services Director, the possibilities and opportunities of the position and what can be achieved is enormous and it has been a challenge to set the direction and take some small steps along the path throughout this year.

Membership numbers of Terrigal Surf Club continue to grow, with 833 members this season, all of whom I am proud to represent. Every member of the club is valuable in their contribution not only to the beach-going community, but to the lifesaving, competition, education and social fabric of the club. I thank you all for your contributions throughout this season. The aim of all member services is to increase and service the value of that membership for each and every club member.

Firstly I'd like to thank all the Board members for their support, guidance and assistance with many of the initiatives undertaken this year, I have enjoyed the opportunity to work with you all. I'd also like to thank profusely for their support Cathy Cole, Debbie Campbell, Clare Bunch and their helpers for their contributions to youth development and social events respectively. They are fantastic people to be working with on the membership team as I am sure anyone in the TROYs, Duke of Ed, youth committee and anyone who has attended one of the Terrigal social events knows.

Some of the achievements this year include:

SLSA Member Recognition Awards – research of 20 years of club membership to provide Surf Life Saving Australia member recognition awards to eligible and very deserving past and present members. These awards were presented at the Club Presentation and include recognition of 10 and 15 years of 100% patrol attendance.

Junior Parent and Child Code of Conduct – while every member of Terrigal Surf Club is bound by the SLSA Code of Conduct, the Terrigal Junior Code translates the “spirit of intention” of the code into language that our Nippers and their parents can easily identify and follow. The Code is a vital part of membership for all our nippers and their parents and sets the expectations for behaviour for all of our junior members.

Women's Sports Leadership Grant – our club applied for and received a grant from the Australian Sports Commission to provide opportunities for “different” types of training and education for Terrigal members, not usually provided by surf life saving. We have conducted courses in media training for our athletes and publicity personnel, event management, sponsorship and fundraising and will shortly conduct an introduction to coaching and presentation skills. We have also developed a club membership manual that will be available to all members.

I'd like to thank all the club members who have attended these courses, they have been invaluable in providing new

opportunities for education and skill development. I know that all the participants of the courses, as well as myself, would like to thank our presenters, including Scott Levi and Matt Rodwell (club members) for media training, Cathy Treasure from The Entrance Town Centre Management for event management, Ian Robilliard from the CC Academy of Sport, Lesley Chart from the Cancer Council and Marc Gunasinge (another valued club member) for sponsorship and fundraising, and Matt Sawyer and Paul Lemmon for coaching and presentation skills. We hope to provide most of these courses annually, as they will foster opportunities for our club especially in the areas of promotion and fundraising.

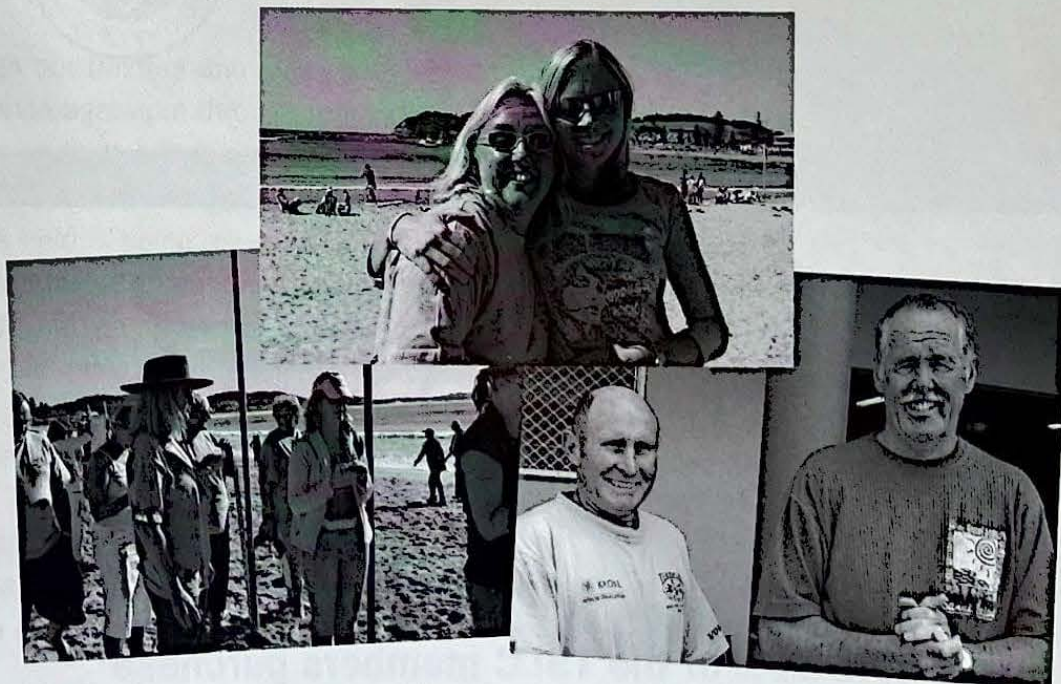

Website Development – a group of committed Terrigal members started a project in late January to redevelop our website with a modern look and feel. It was always going to be a slow process to get the site built properly with volunteers (especially through the busy competition season). We are starting now to see the results come through, with the new website going live in June. A huge thanks to the

website team, including Leigh Wasson (website designer – a volunteer for this project who is not even a member of the club), Terry Antonio, Kim O'Brien, Marc Gunasinghe, John Giffney, Gerard Sparke, Jean-Marc Feldman, Craig Moran and Paul Rowe all contributing.

We will be very busy over the off season, completing a whole range of new information to add to the site, including a members only section, ready to hit the ground running next summer.

2005-06 has been a very rewarding year in Membership Development, a good foundation has been laid with this new position, and there is much more still to be done. Thankyou all for your faith in me this year, I have enjoyed the challenge and rewards, but mostly have enjoyed the opportunity to learn a lot more about the Terrigal Surf Life Saving Club and each of its dedicated and committed members.

Mardi Love
Member Services Director

High in Fibre

- Highest fibre content of any white bread in Australia.
- Almost one third of your daily fibre needs in just two slices.
- An easy way to boost your fibre intake.

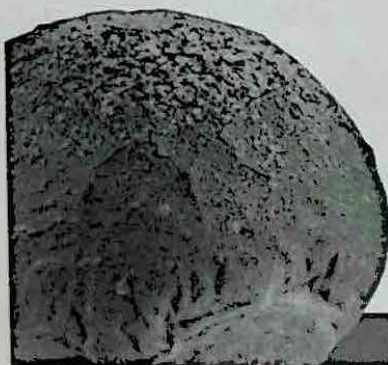

What makes this bread Hi-Fibre Lo-GI?

The Hi-Fibre Lo-GI bread contains resistant starch, guar gum and soya flour.

Wheat is naturally high in starch which is normally digested and absorbed by the body. A very small percentage of this starch however is known as resistant starch which resists digestion in the stomach and passes through to the bowel where it acts like dietary fibre (eg. bran). This means it helps keep the GI of the bread low.

Along with resistant starch, the 'soya flour' and the 'guar gum' also both actively contribute to reducing the GI of the loaf by slowing down the digestion of the food in the body.

Low Glycemic Index

- Lowest GI rating of any white bread in Australia.
- Great for sustaining energy throughout the day.
- Helps to increase and maintain concentration levels.

Available at

Bakers Delight

The Esplanade Terrigal

**Where 10% of the TSLC members purchase
is given back to Terrigal Surf Club.**

LIFESAVING DIRECTOR'S REPORT

I have pleasure in submitting the club captain's report for Terrigal SLSC for the 2005-06 patrol season.

Terrigal SLSC has provided a very safe and professional lifesaving service to the community and visitors to the central coast. Our members have gone about their patrol duties and training following the high standards set by SLSA and we are proud that no fatalities were experienced on our beach. The summary of patrol statistics in this annual report details our efforts this past season.

Again it is pleasing to see the high number of members gaining 100% patrol proficiency. From 205 rostered active members, 83 members gained 100%; 33 members gained 90% and 21 members completed their duties without missing one patrol. It is also very encouraging to see a much larger number of our competitors attending at least 90% of their patrols whilst competing over a very busy and full season.

Through our trainers and assessors we have once again put through many new awards and set a high standard on requal days. Our patrol strengths in relation to awards held is being reviewed and upskilled for next season. I extend my thanks to all patrol captains for a great effort this season in managing your patrols and it is encouraging to see a mix of experienced and relative new captains.

Congratulations to our awards night winners for Patrolperson, Young Patrolperson and Rookie of the year, all three awards taken

out by female members. This shows the equality we hold in Terrigal SLSC, well done.

I must also thank those members who volunteered for patrols on Christmas Day. All members should thank you for giving up your time so others can enjoy that day. Also those members who came to the fore as Patrol #13 whilst most members were at the Aussie titles. It shows the strength in a club when they can pull together an effective patrol at a minutes notice.

I would like to gratefully acknowledge the invaluable support and sponsorship from **Crowne Plaza, McGrath Real Estate, Energy Australia, DHL and Gosford Council** and its staff for providing the resources we need to patrol Terrigal Beach.

Yours in surf,
Paul Quick

ROOKIE COORDINATOR REPORT

We have finished another Surf Lifesaving Season again with large numbers of our "Westfield Rookie's" joining each of the Patrols on Terrigal Beach.

We had over 60 young, keen and eager Rookies that helped contribute to the huge number of hours spent on patrol.

The season started with the Introduction of the Rookies at Tuggerah Westfield where they were handed their caps, Rookie Passports and introduced to the crowd. It is always pleasing to see Terrigal's large contingent march onto the stage and at this point I think that we should thank Westfield Tuggerah for their on-going support to our future surf lifesavers.

The Rookies participated in a number of activities whilst on patrol, from practising their skills in the water and on the land to fundraising. The Rookie Challenge held in

January at Terrigal is a team effort, where 6 Rookies participate in a series of events throughout the afternoon. Unfortunately like most of this season the Bluebottles seemed to win out, although our team never gave up trying.

A huge thank you to our Patrol Captains who welcomed the Rookies onto their patrols and for providing the endless challenges and mindtesting needed to keep them occupied. It is a challenging job to keep these young minds busy, interested and learning.

Finally congratulations to our Rookie of the year Rebecca Street. Rebecca has achieved great results this year in her efforts with the Lifesaving Competitions and is an excellent example to all Rookies.

Jenny Schofield

DIRECTOR OF EDUCATION & TRAINING REPORT

It is with great pleasure that I present the Education and Training report for the concluded season of life saving at Terrigal.

I would like to thank the dedication of the Training Team who worked with me to train the many candidates who came forward this season. These people delivered the highest quality training we could offer with all candidates attaining their awards.

Congratulations and thank you to Kaye Kelly who was named Trainer of The Year for putting in a tremendous effort with 3 Bronze Medallion Squads this season. Kaye would agree, she started a little shy and unsure of the course and controlling a group of people but over the season it was easy to see her grow in confidence and enjoying working with the new patrol members. Kaye has been one of the first trainers to deliver the latest SLSA Bronze Medallion programs with presentations, workbooks and new lifesaving techniques such as the use of the spinal boards.

I would like to thank Joanne Jameson and Justin McDonald for the delivery of SRC and Bronze courses. Joanne Jameson with help from Justin McDonald and Kerrin Hudson for the delivery of all the nippers age group awards.

Beris Meldrum for a fantastic effort in training the ARC award recipients and running the ARC refreshers and re-qualification at the beginning of the season as well as Radio awards.

Chris Ward, John Bellato, Wayne Thomas, Steve Graham and the other drivers who have put in many hours with the IRB Crew and IRB Drivers awards this season. Great to have members of the IRB Competition squad working with the up and coming drivers.

I would also like to thank an enthusiastic bunch of young trainers who have assisted in the delivery of bronze training courses this season, Chris Bridge, Jamie Howell, Bjorn Sturmberg & Amelia Cole. Branch will conduct Training Small Groups awards again this season and these people are ready to gain this award.

Training this year was once again exceptional with:

Bronze medallion	56
IRB Crew	13
IRB Drivers	6
SRC	31
ARC	12
Patrol Captains	2
Defibrillator	9
Radio Operators	14
Senior First Aid	8
Silver Medallion Life support	6
Train Small Groups	5
Plan Conduct Review	3
RWC	1
Junior Awards	168

We are constantly being bombarded with the need to change and lifesaving is no different.

This season everyone who re-qualified their Bronze completed a series of question to upgrade you to Cert II Public Safety (Aquatic Rescue). This is the first of many small changes to upgrade SLS to a nationally recognized training award structures.

We will see more changes in the coming season as new courses and upgrades are rolled out. Those holding current awards will apply for recognized prior learning (RPL) as many of the awards are transferable and may only require a small amount of work to upgrade.

In 2006-07 we will see massive changes in EAR and CPR as we currently know it. Compression to breath ratios will change to 30:2 with no EAR and no checks for pulse.

Paul Quick and myself will need to put on some programs to get everyone trained before the season.

Anyone who has gained awards over the past couple of years and would like to train others in the skills they have learned please contact me and become a trainer. You are placed with an experienced trainer until you a competent to lead a squad and you are guided all the way by Surf Life Saving Australia course material and aids.

Thanks for your help and support this season.

Greg Collins
Director of Education and Training

YOUTH INITIATIVES IN 2005-06

The following young members have achieved their **Level 1 (Bronze) (25 hours service) TROYS:**

Ellaina Anderson
Candice Bacheldor
Chloe Bacheldor
Demelsa Barclay
Chris Bridge
Michael Bridge
Donica Clarke
Jamie Howell
Simone Parker
Megan Reid
Rebecca Street
Bjorn Sturmberg
Sarah Toh

Level 2 (Silver) TROYS (30 hours service) achieved by;
Joshua Cole

Level 3 (Gold) TROYS (40 hours service) achieved by;
Amelia Cole

Congratulations to all these young club members and thank you for the assistance you have given your club this season.

This season has seen 7 Bronze Duke of Edinburgh Awards achieved by young members at Terrigal. The recipients attended a Mayoral Reception at Gosford

Council Chambers to receive their awards with gifts of appreciation also given by the Duke program to the helpers on our expeditions.

We have had a number of club members now working towards the Silver level of the award. There is one member working towards the Gold level that takes from 12 to 18 months of effort.

A horse riding expedition is planned for the July school holidays with a group of under 14 girls and another group is working out its chosen mode of transport.

All young members between the ages of 13 and 9 months and 25 years of age are welcome to become involved with this excellent program.

Bronze Duke of Edinburgh recipients:

Rebecca Elfes
Michelle Bunch
Sarah Toh
Melanie Sparke
Bjorn Sturmberg
Jamie Howell
Michael Bowman

COACH'S REPORT

The past few seasons has seen Terrigal have an incredible run of success at all levels of competition. The 2005-06 season was another tremendous year for the Terrigal Competition Team and this season Terrigal was again one of the top clubs in NSW and throughout Australia in surf sports competition.

The 2005-06 season saw the World Lifesaving Championships return to Australia and, although we only sent a very small team to these championships, it was great to see the Terrigal colours competing and competing successfully. Although given acknowledgement elsewhere in the annual report special mention must go to our Australian Champions: Brendan Schofield – winning the under 19 Board Race, Tim Schofield, Adam House & Jacob Marks – winning the under 15 Board Relay and to our World Champion Silver medallist Amanda White – second open female surf race. Our overall highlights were as follows:

- 11th place Australian championships
- 4th place NSW championships
- winning the under 15 point score trophy NSW championships
- 2nd Place Central Coast Championships
- 3rd place NSW Premiership point score
- 4 members selected in Central Coast Branch team
- 4 members selected in NSW State team

The 2005-06 season was a very challenging one for many competitors for a variety of reasons. Injury, illness, study and work commitments, seniors athletes stepping back from competition,

disqualification and other obstacles were thrown in the way of many competitors throughout the year and it is a credit to everyone the way you overcame these challenges and achieved such high levels of success.

In many ways our greatest accomplishments this season were not in the medals won but rather in the resilience, determination and personal growth shown by the competition team. We often get lost in counting medals won and points scored and forget to see the real success taking place in our sport.

Thanks must go to the many people who contribute enormously to the ongoing success of the Terrigal Competition Team. Firstly to ADC Krone. Your continued sponsorship of the club has allowed us to operate and compete at a level that would not be possible without your support. To Sue Packer for her tireless contribution to processing carnival entries, Mark and Clayton Schofield and Joe Mak for their assistance with trailer towing, equipment carrying, tent erection, so on and so on I say; "a huge thank you". To our many fantastic parents, officials and club support personnel I say; "thanks for your ongoing support". We cannot continue to maintain our position as one of the leading clubs in Australia without your ongoing support and contribution.

To the coaches Paul Stone and Paul Lemmon and other senior competitors who stepped up and assisted with coaching I say congratulations and thank you. The success of many of the members of the

club would not be possible without your time and effort.

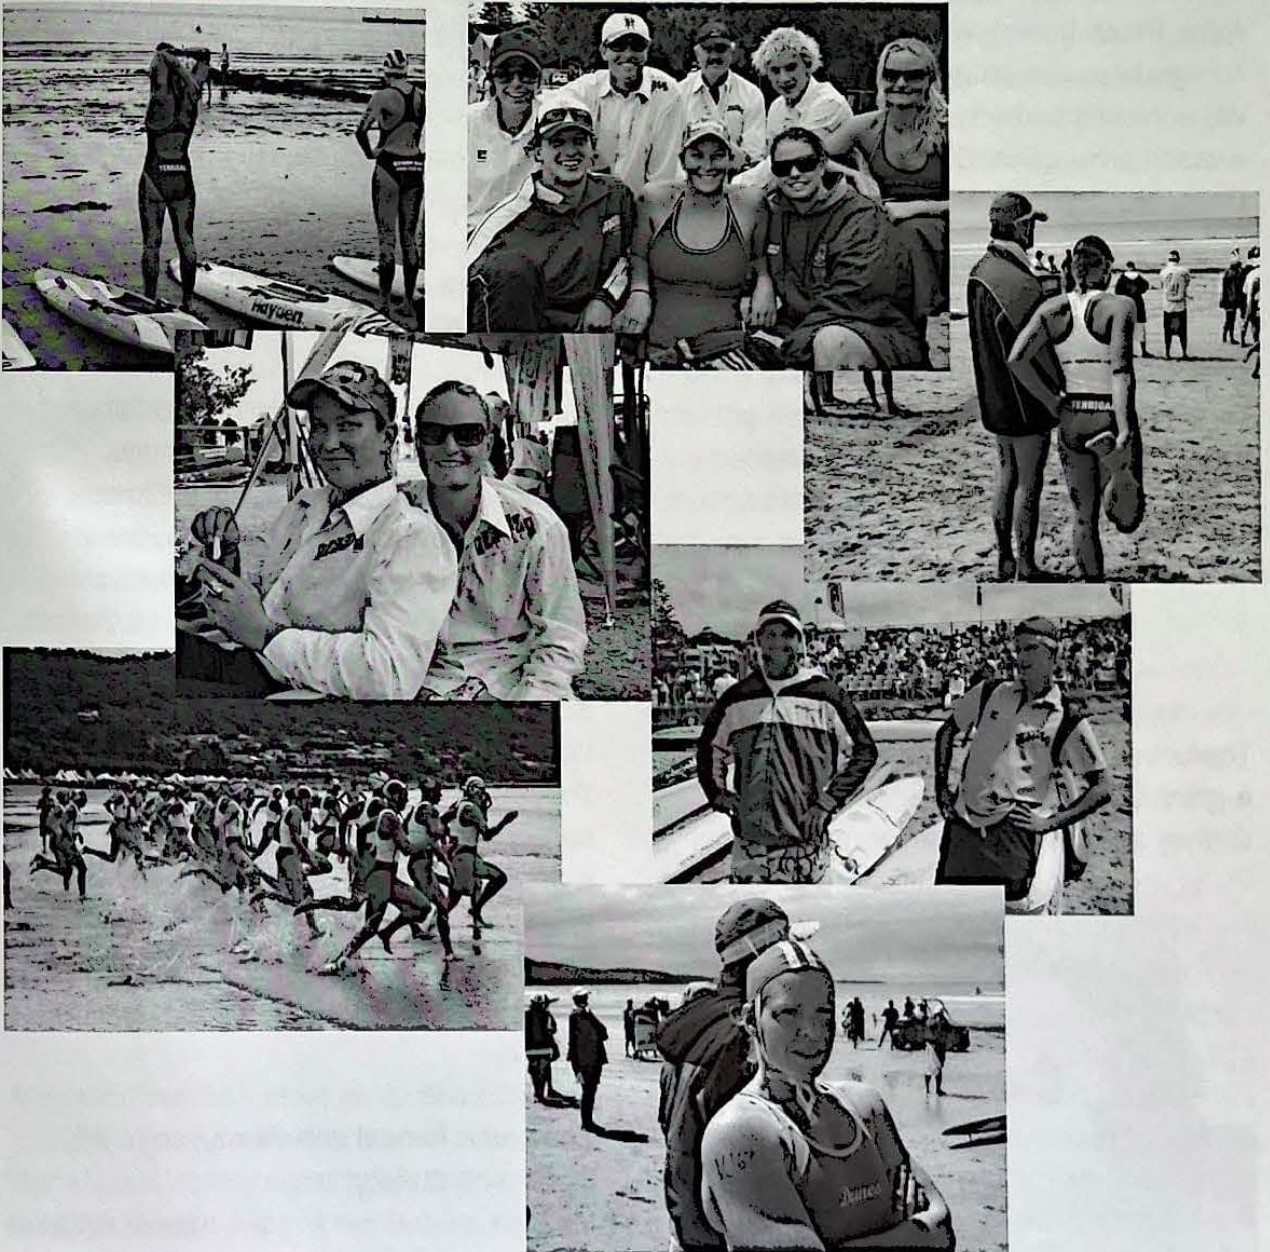

To conclude I would like to personally congratulate all members for another great year, to thank you for the support you have given me throughout the season and to leave you with a well worn sports phrase:

and hope that in the 2006-07 we apply the team approach, move in the same direction to achieve even greater success than we did in 2005-06.

Paul Broadbent

IRB CAPTAINS REPORT

Congratulations to Terrigal's IRB Person of the Year, **Daniel Hudson**. Daniel has improved with time. He is leading the way in our under 21's. He started as a patient and has progressed to be a very good driver. Last season at the State Titles 2005: Terrigal got Silver in the Rescue; Wayne, Steve, Debbie. Silver in the Teams; Wayne, Steve, Debbie, John, Peter and Georgia. Silver in the overall Mass point score; John, Peter, Daniel, Warren and Faith. Terrigal also competed in the World Titles. We achieved some very good results with a small crew. John, Clayton, Daniel, Wayne, Debbie and Steve.

2006 Season

The 1st carnival was at Terrigal. We finished 3rd overall at the Carnival:

Our under 21's	3rd in the Tube
	2nd in the Mass
	4th in the Rescue
Over 30's	4th in the Tube
	2nd in the Mass
	1st & 4th in the Teams
	3rd & 4th in the Rescue

Thank you to all that helped make this day a great success. Special thanks to John Giffney as Carnival Organiser and Booker

on the BBQ.

It was pointed out after this carnival that some of us may need sprint training. We have started sprint training now under the watchful eye of Peter Riley. Thank You.

The 2nd carnival was at Thirroul. We finished 6th overall at the Carnival.

Our under 21's	5th in the Rescue
Over 30's	6th in the Tube
	6th in the Mass
	2nd in the Teams
	3rd, 4th and 5th in the Rescue.

The next carnivals are: Round 3 South Maroubra. Round 4 Tea Gardens.

The State will be at South West Rocks.

The Australian will be at South West Rocks.

Our Team has grown this year to 20.

They are John Bellatto, Chris Bridge, Di Diebert, Mark Dunlop, Peter Eltham, Kirsten Everett, Debbie Graham, Steve Graham, Jamie Howell, Daniel Hudson, Toni Jones, Dean Luland, Justin McDonald, Mathew Peisley, Peter Peisley, Clayton Schofield, Holly Spicer, Warren Spicer, Wayne Thomas and Chris Ward.

The IRB squad has improved greatly this season and is a big threat to all other clubs. A big thankyou to Lorraine for being the team manager again and keeping us in the right place at the right time.

Thank you to our major sponsor Crowne Plaza.

Good luck Terrigal and thank you to all those who support us.

Steve Graham

BOAT REPORT

Well, once again another season has come and gone and down here in the Boat section, we can say we have had a relatively successful season.

This past season has been the first year in a 3-5 year rebuilding plan that we have in place in the Boats.

With that in mind our year has been quite successful. We started the season not expecting to achieve to many results, as we had a couple of first time sweeps, in Justin Kaeser and Mel Smith, but they both exceeded everyone's expectations, and gained plenty of experience in the process. Five crews started the season, and our first major carnival at Coffs Harbour saw, Grant "Herbert" Stringer's Reserve crew, get off to a flyer, with a finals berth at the carnival, in company with some pretty hot crews from around the country.

The Peter's boat series was once again a great competition for all our crews, with all crews reaching the finals in just about every carnival. A great result with new crews racing together for the first time in every division.

Team spirit was once again the edge we have at Terrigal, and even though we had some sticky moments – mainly due to frustration – we proved that having fun and enjoying the sport can provide that little bit extra that other clubs don't have.

A special mention must go to Scott Oades Under 19 girls crew, who toward the end of the season, found some great form to finish in the placings in the Peter's finals,

and in Branch, State and a great showing at the Aussies.

A testament to the way they performed was the naming of the "Boatie of the Year", going for the first time to a Female member – Kristen Blewit.

Thanks to "Archie", who in his first year at sweeping, absolutely excelled, in taking his vets crew to great heights – totally unexpected – and making every final – apart from Aussies – in which they competed.

As senior sweep Grant "Herbert" was once again an important and vital member of the team, guiding his crews through the season, as well as providing priceless help and advice to our novice sweeps. Thanks also to Mel Smith, who stepped into the back of the boat for his first competitive year as a sweep. He had some spectacular wipeouts throughout the year, but kept coming back for more and never took a backward step.

With a new year fast approaching, we welcome back Bruce Thoroughgood, as our new head sweep, and coaching coordinator, as well as a possible 10 crews.

Thanks to all who made this last year a memorable one, and we look forward to another successful and fun year in the best part of Surf Lifesaving – SURFBOATS.

See you on the beach.

DIRECTOR OF JUNIOR ACTIVITIES

The Surf Lifesaving Mission Statement is that "Surf Life Saving Junior Activities will enrich the lives of children through fun, involvement and the acquisition of personal, lifesaving and competition skills in a safe aquatic environment". I can happily report that we have again achieved these objectives in the 2005/2006 season.

Surf Lifesaving NSW has become a very busy organisation and while this is very healthy for the lifesaving movement, it has proved to be a very challenging in regard to scheduling of activities. This year we had a number of clashes of events which meant late changes to our calendar which did not fit in with everyone. This included the children's Christmas party and the running of the inaugural IAG Richard Bridge memorial Parent-Child Board Rescue because of the Cronulla riots.

Unfortunately, we will continue to have to work around this problem in the next few years as the surf lifesaving calendar is only going to get more crowded. However, during the season we have continued with, and expanded on, some concepts that were introduced over the last few years as well as introducing some other activities. These include:

Skills Nippers mornings – John Giffney again provided surf skills and training to the younger club members on Sunday mornings, teaching them such basic skills as wave catching, swimming out through the swell and board riding. The U/14's also came down and helped out by "buddying up" with those Nippers who were a little uncertain in the water. These

activities were not only educational but were also fun. Unfortunately, John has decided that all good things must come to an end and he has decided to "retire" from this role and so we are looking to for other parents who are prepared to step up and take over this role. The U/14's and some Youth Committee members also provided assistance with water safety for the younger age groups which again helped to provide confidence for those Nippers who required it.

Twilight Nippers – this is a concept where we hold Nippers on a Saturday afternoon and then follow it up with some socialising. Unfortunately we were only able to run this once this year, because of a clash of events, but it was a very successful evening for all those who attended.

Formal Coaching – this year we have continued and expanded the formal coaching program under water coaches, Paul Lemmon and Paul Broadbent, and beach coach, Tony Clarke, providing skills training during the week throughout the season. Paul also ran some training session during the last winter season to help the nippers keep up their fitness levels. Together with their coaching teams, they have provided high quality coaching to our Nippers that is the envy of all other clubs on the Central Coast. Their efforts have resulted in improved surf skills throughout the junior club and some excellent results at the surf carnivals we have attended. Quite a number of parents have now attended coaching clinics and have received formal qualifications as

coaches. We will be looking for more parents to make this commitment in the coming year.

Surf Education – surf education is where Nippers are taught the less physical skills that are required by surf lifesavers. These include such things as identifying rips and dangerous swimming conditions, as well as performing Expired Air Resuscitation (EAR). Surf education has always been a requirement of the Nippers program but sometimes it has not been taught in an overly structured manner. This year our chief instructor, Joanne Jameson, and her assistant, Justin McDonald, have expanded on the excellent education program already in place, to ensure that all our Nippers gain the knowledge about the surf that they will require to be successful lifesavers.

At the branch level, we have had a very successful season winning all local carnivals. What was very pleasing about these carnivals was that we won across the beach as well as in the water where we have been traditionally very strong. A great deal of credit has to go to our beach coaches, Tony and Donnica Clarke, for this vast improvement in our performance on the beach. Also pleasing was that the behaviour of Terrigal Nippers. Our children have not only learnt to win graciously but they have also learnt how to behave when they lose. In the last few months Directors of Youth Activities from two surf clubs – one local and one Sydney club – have taken the time and effort to write to us to congratulate us on the good sportsmanship displayed by our children.

The State Carnival must rate a special mention. Last year when we competed on a local beach, we were able to challenge

Cronulla who have been the top club for the past decade. This year we competed against them on their home beach and there was some concern that we may not be able to live up to the standard we set last year. Well, even though we eventually ran second again to Cronulla, we were the only club who effectively challenged them over the whole weekend and we scored more points this year than we did last year. A big thank you to our carnival secretary, Sharon Hudson, who made sure that all the children were entered in the correct events and a big thank you to Richard Hudson and Greg Smith, our gear stewards, who ensured that boards were available for all competitors who needed them. Unfortunately, this is the Hudson's last year in the Nippers organisation so we are looking for parents to step up and fill the large hole they will be leaving.

The State Carnival was a great success story for us and thanks must go to all coaches and age managers for their efforts during the year. Congratulations to all our competitors, especially our many individual finalists and members of the many Terrigal teams that made the finals. The performance of our teams was especially pleasing as it demonstrated the depth of talent we have in the club.

Again this year there was a focus on the stringent requirements placed on clubs with regard to providing officials and water safety personnel to help out at carnivals. The number of Terrigal competitors who attended the carnivals was again higher than in previous years. This was extremely encouraging to see but it meant that we had to provide a large number of certified officials and water safety. To act as officials or water safety, people must

attend accreditation courses for officials or becomes bronze medallion holders. On behalf of the Nippers, I would like to say a big thank you to all the parents and older brothers and sisters who stepped up to the responsibility and provided the numbers we needed at the carnivals that allowed our Nippers to compete. I would also like to say thank you to those people who helped out on Sunday mornings. Without their efforts, Sundays would not have been possible. Going forward into the new season, we require more people, particularly parents of the younger children, to step up to the responsibility and attend the official accreditation courses or to obtain their bronze medallion.

A special mention for Richard Hudson, our beach setup coordinator, and his helpers, for ensuring that all the equipment was on the beach ready for the children and then getting it back in the club house at the end of the day. Thank you also to Steve Reid who was our water safety coordinator and his merry bunch of people who spent Sunday mornings getting cold and wet while setting up the water courses and ensuring that our children were safe in the water. This group included a number of people who do not have children in the nippers such as John Robertson, Daniel Hudson, Cathy Cole and the members of the Youth Committee. A special thank you to Allan Troy and Laurie Whelan, who ran the barbecue on Sunday mornings. The barbecue raises badly needed funds for the nippers and allows us to provide the nippers with the necessary equipment. Especially pleasing was seeing the large numbers of older brothers and sisters (previous Nippers) who helped out at the carnivals and on Sundays. Their attitude

bodes well for the future of the surf life saving movement.

Congratulations to all our Interbranch competitors – Amy Nurthen, Maddie Powell, Edward Gourley, Matt Eltham, Jack Moyes, Luke Eltham, Kareena Lee and Robert Annabel. Amy and Edward went on to represent NSW and Maddie was a guest competitor for the Northern Territory. This year nearly half of the junior competitors of the Central Coast Interbranch team came from Terrigal. A special mention for Amy Nurthen, Rebecca Street, Demelsa Barclay and Edward Gourley who won medals at the Australian Surf Lifesaving Titles in March, competing in the Under 15 age group.

Our young March Past team is developing nicely under the guidance of Sue Bennett and the group of supporting mums and dads. They performed extremely well throughout the year, earning the club points at each of the local carnivals, and they looked very impressive competing at the State Titles. We are looking for more members to compete in this traditional surf lifesaving event.

A big thanks again to Hilton Farquhar and Lee Lang and their merry bunch of helpers, with the U/6's and U/7's. We had over 80 young children in this group this year, and Hilton, Lee and their friends made sure that the children were continually occupied and enjoying themselves.

Thank you to our Rookie Coordinator, Jenny Schofield, for looking after our rookies, yet again, and ensuring they were allocated to a patrol and made it the other functions for the rookies. Our U/14's have performed well this year and have assisted with performing water safety for the younger age groups.

They have also competed in the U/15 age group at senior carnivals and this age group has performed brilliantly throughout the year including the Australian Championships where we were the standout club in this age group. I wish them well as they move into the senior club and I would encourage them to use the skills they have gained in the time they have been in Nippers to further the ideals of the surf lifesaving movement both in patrolling the beach and in competition. Thanks to our club captains Maddie Powell and Matt Eltham and to our club vice captains Emily Pearce and Nathan Clarke. And congratulations to our Junior Lifesavers of the Year – Emily Hudson and Nathan Clarke.

Our sincere thanks to our sponsors, Bonds, for the rash vests for our children, and to Insurance Australia Group (IAG) for their sponsorship of the Richard Bridge Memorial parent-child board rescue event.

This year there were a number of families whose youngest children were in the U/14s and so they will be leaving the Nippers and moving into the senior club. Many of these people have contributed a great deal of time and effort to Terrigal Nippers over the years and will be a great loss to us and a significant gain to the senior club. Our special thanks go to these families – the Spicers, the Hannellys, the Gourleys/Lawlers, the O'Dares, the Anderssons, the Barclays, the Moores, the Reids, the Hudsons, the Polglases and the Powells. We will be looking to the parents

of the younger children to fill the roles that have been left by these people.

And finally, but most importantly, my thanks to the Age Managers. A thankless job but one that is critical to the successful running of the junior club. Your efforts have enhanced our kids into becoming lifesavers of tomorrow.

This year has been another year of expansion for the Terrigal Juniors which has put a strain on many people in the club. We had nearly 200 new Nippers join the club this season. My special thanks to Kerrie Clarke, Sharon Hudson, Jenny Schofield, Lyn Annabel and Tony Clarke, who have always been happy to help out whenever the going got tough.

This has been my third season in the job of Junior Chairman. It has been an extremely fulfilling time for me and I have learnt a great deal about the running of a surf club. But it is now time for me to stand down and handover to someone else. I would encourage all parents to be part of the junior club helping out in whatever way you can. It will provide you with many rewarding moments and the interaction it will create between you and your children will provide both you and your children with memories that will stay with you forever.

**See you on the beach.
Stuart Bennett**

LIFE MEMBERS REPORT

The financial report has disclosed the Life Members Fund enjoys a credit balance of \$24,635.15 (Twenty Four Thousand Six Hundred and Thirty Five Dollars and Fifteen Cents). These funds are held in account number 53-878-5225 being \$50.55 and Term Deposit 56-562-1509 of \$24,584.60. This Term Deposit will mature on 18/8/2006.

The fund has disclosed an increase of assets of \$5,063.76 over the past twelve months. During this period the fund made further donations to the Senior Club of \$1,580.00. These donations to the Senior Club now exceed \$6,530.00 since the Fund was established.

The major fundraising was by way of the Melbourne Cup Function where in excess of \$4,000 was raised. This is an increase of over \$1,000 on the previous year's function. Lionel's car raffle netted \$1,220.00 and the remaining increase in assets was due to interest received of \$1,316.73 on the Term Deposit.

The cash donations totalling \$1,100 to the Senior Club are considered to be substantial in view of the small overall amount of the assets held. In addition to this the Fund committed a further \$480 for the jackets presented on the "Awards of Excellence Night".

My thanks go to my wife, Heather, Lyn and Lionel Fargher, their daughter Kim and husband David, Beris Meldrum, my brother, Tim, and his wife Genevieve, and also the members of the Tremblers Swimming

Group for their assistance with the Melbourne Cup function. Their assistance was greatly appreciated.

The Fund is already looking healthy for the next season with proceeds from the Car Raffle to exceed \$2,000. Two functions are to be held at later dates with "Christmas In July" and the Melbourne Cup Luncheon already being organised.

The Life Members held several meetings during the year and submitted amendments to the By-Laws for Appointment for Membership for "Life Member" and also the "Honour Blazer". Both of these were approved in the general terms as submitted, however, it is fully believed that these areas need further attention to detail and will have further follow-up action in the forthcoming season. Notice was also given to the Directors of the correct embroidery which should be utilised on the Club Blazer pocket.

The present Trustees of the Life Member Fund are Paul Hawkins, Ron Stone and Mark Power.

AUDITORS' REPORT TO MEMBERS OF TERRIGAL SURF LIFESAVING CLUB INC

SCOPE

We have audited the financial report, being a special purpose financial report, of TERRIGAL SURF LIFESAVING CLUB INC. for the year ended 30 April 2006 as set out on pages 3 to 12. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements, which form part of the financial report, are appropriate to meet the requirements of the Associations Incorporation Act (NSW) and are appropriate to meet the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of TERRIGAL SURF LIFESAVING INC. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act (NSW). We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures have been

undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

AUDIT OPINION

In our opinion, the financial report of TERRIGAL SURF LIFESAVING CLUB INC. presents a true and fair view of the financial position of TERRIGAL SURF LIFESAVING INC. as at 30 April 2006 and the results of its operations for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

FINANCIALS

NOTE 1 - ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act (NSW) and the following Australian Accounting Standards:

AAS5 Materiality

AAS8 Events Occurring After Reporting Date

AAS17 Accounting for Leases

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(A) PLANT & EQUIPMENT DEPRECIATION

Plant and equipment are recorded at cost and are depreciated over their estimated useful lives using the reducing balance method.

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

(B) GST UNITS

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

(C) INCOME TAX

The Club is exempt from income tax and accordingly no liability is recorded.

(D) LEASES

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over

their estimated useful lives where it is likely that the Club will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

Sundries	5,484	1,738
Telephone	2,831	3,755
	32,059	29,017

NOTE 14 - COMMITMENTS AND CONTINGENT LIABILITIES

The estimated maximum amount of commitments not provided for in the financial statements as at 30 April 2006 are:

a) Operating Lease Commitments

	2006	2005
	\$	\$
Being for lease of canteen catering and office computer equipment		
Payable as follows:		
Due not later than one year	8,770	4,730
Due later than 1 year but not later than 5 years	14,453	9,410
	23,223	14,140

b) Insurance Coverage

The Club is covered for all public liability claims under the public liability policy established by the NSW Surf Lifesaving Association. Policies covering damage to or theft of property and workers compensation have also been taken out directly by the Club. Accordingly the Committee believes that its insurance coverage is adequate to cover contingencies in these instances.

c) Loan Commitments**Gosford City Council (Unsecured)**

During the 2002 year the Club entered into arrangements with the Gosford City Council regarding the financing of the shortfall in the Council's budget for the fittings of the new clubhouse and for the installation of the clubhouse air conditioning system. In November 2002 these arrangements were finalised as an interest-free loan due to the Council of \$216,500.

The balance of the loan outstanding at 30 April 2006 is due as follows:

	2006	2005
	\$	\$
Due not later than one year	30,000	30,000
Due later than 1 year but not later than 5 years	69,000	99,000
	99,000	129,000

Lakeland Ice Cream**

**Distributors of
Nestle Peters Ice Cream**

Why should you choose McGrath?

Our free weekly magazine, McGrath Magazine, brings you the latest properties, as well as fascinating real estate and home related features. Top lifestyle and property writers come together with the finest properties our sales team has to offer, bringing you an exciting magazine each week.

Since its inception four years ago the magazine has evolved to become the benchmark for property publications and boasts a readership of over 30,000 each week.* This gives you a distinct advantage – the ability to advertise your property cost effectively to the ever expanding Sydney market.

With such unique marketing channels available at your fingertips don't you think it's time you chose McGrath Central Coast?

Drop by the office to pick up your free copy today.
