## Director of Administration Report

It is with great pleasure that I present the 84<sup>th</sup> Annual Report and Financial statement for the 2006-07 season to the members of Terrigal Surf Life Saving Club.

It has been a safe and successful season, thanks to Paul Quick, our Club Captain and the Patrolling members of the club who have trained up a storm and patrolled the Beach with professional commitment.

Mardi Love's commitment as our Member Services Director has led to numerous new initiatives this season including our very professional website, club clothing selections and the weekly Blues News. She has kept the membership informed and enthused all year.

Thanks go to Greg Collins and his training group who spend countless hours on the beach providing this training and the opportunity to the members to achieve awards to compliment their proficiency on the Beach.

The Season has produced outstanding results from our competitors, from nippers to masters with the extra challenge of an Australian Championships in Western Australia, which was new territory for the Eastern clubs. Mark Schofield was the mainstay of this challenge and without him and his working party we would still be trying to get there, thanks Mark. To our club coaches and your commitment to our members from the U8's to the Masters, Terrigal has a proven track record that has been enhanced by the fantastic results of our U15's showing that our future is very bright.

Congratulations to Trina Moyes and the junior committee, nippers have had a very successful season with lots of learning, fun and very good results at the many carnivals. They are a credit to our club and their parents.

I would like to thank John Howick for his professionalism and mentoring for the new Directors, your advice is invaluable. Your commitment to Terrigal Surf Lifesaving Club culminating with 13 years as our President has seen the club grow and develop into one of the most competitive clubs in Australia with unquestionably the best views.

Thanks to Beris Meldrum for guiding my way in my first year as a Director, to Sue Packer for being the minute secretary and to everyone who has contributed to Terrigal Surf Lifesaving club over the past 12 months.

Julie Taylor  
Director of Administration

## Presidents Report

It is with much pleasure but with a tinge of sadness that I submit this report for the 2006-07 season, officially my last as president of Terrigal Surf Club. A reflection on the last 12 months will show that the membership has achieved greatness once again for Terrigal Surf Club.

Firstly I would like to offer my recognition and thanks to all members for the individual and group effort that made Terrigal Beach a safe haven for the many people that visit our beach over the season.

Over the summer months as in the past the skill of our trained lifesavers was called upon many times to assist, rescue, advise or just have a friendly chat with the beach going public, and our members handled all situations with efficiency and professionalism expected of well-trained lifesavers.

My personal thanks and appreciation go to each of the directors and various committees that have guided the club throughout the season, your dedication, effort and hard work has allowed us to achieve all that we have over the past 12 months.

The season produced outstanding results at both junior and senior level with the juniors placing second at the State Titles a truly fantastic feat and one that all should be very proud. While our senior members competed at the highest level in all facets of competition throughout the season culminating in a third place at State and tenth at the Aussies in Perth, congratulations to all involved. At the time of writing our IRB teams are well into their season and have been producing fantastic results, and are looking forward to another great season.

My 13 years as club president has certainly been a rewarding time in my life and I am very grateful to the membership of Terrigal Surf Club for the opportunity that they gave me over that time. I stood before the membership of Terrigal 13 years ago and made some very brave predictions. Predictions that were long time dreams and goals that I believed were possible for our club. I am very proud to say that those long time goals and many more have all been achieved. And I am so grateful to the membership and the many individuals that worked so hard over the years to transform our club into what it is today. One of the most envied and respected clubs throughout the Australian Lifesaving fraternity.

I am also grateful that I was given the opportunity of being part of the decision making process that has seen our Branch progress to one that has the respect of all Branches within Australia.

Some may feel what we have achieved is the culmination of our dreams although if we sit and say all is realised than we will quickly start to go backwards. We must all continue to strive and build on the success that we have achieved over the years and never take things for granted, success only comes to those who have the will to make it happen.

It has been sometimes hard but definitely always rewarding as Terrigal club president and branch board member and I thank all involved over that time for their friendship, support and encouragement over many years.

My vision for Terrigal Surf Club and the Central Coast Branch has always been that they are both well-managed superbly equipped full of happy, healthy members. I hope you all share this goal with me and strive in all aspects of lifesaving to continue this goal into the future.

The success of Terrigal Surf Club and Surf Life Saving Central Coast is very much dependent on the generosity of our sponsors and supporters, to all concerned please accept our appreciation for your contribution over the season and we look forward to the future together.

Thank you all for 13 wonderful years and I look forward to the next chapter of my life in whatever role I play within the club and branch activities.

John Howick

**Donnica 'Nica' Clarke**  
**20/12/1990 – 10/4/2007**

**“DON'T CRY BECAUSE IT IS OVER, SMILE BECAUSE IT HAPPENED”**

Quote Attributed to the writings of Donnica Clarke

The 10 April 2007 will remain burnt into the memory of Terrigal Surf Life Saving Club.

It was on this day that the club lost Donnica, one of its much loved members after a tragic and accidental cliff fall at North Avoca. Donnica was aged 16.

Although this event brought with it many tears and much sadness, it is important to not reflect of the event itself but what achievements were gained by Donnica through her short life. This is because so much was achieved for someone so young.

The constant smile on Donnica's face was an open book to her soul. She was an outstanding athlete, who through her achievements brought immense pride to herself and her family. Her athleticism was not her only quality. She was a beloved member of a large family group, but a pillar of support to her parents, siblings and cousins. She was bright and vivacious, a person you could rely on in tough times, a testimony that would be supported by many friends.

Donnica represented Surf Life Saving NSW in the state representative team in 2004, 2005 and 2006, and apart from the many branch medals, she won two National Championships and eight State Championships in beach events. Donnica's highlight came in 2005 when she won the under 15 beach sprint and beach flag double at the Australian Championships. She was an under 14 competitor at that time. This of course followed the similar doubles success at the NSW Age Championships in 2002, 2003 and 2004.

Donnica was a beautiful and vibrant young woman who lived for the beach. She is, and will always remain an angel.

Donnica will be missed, will always be remembered, and will never be forgotten.

## Director of Member Services Report

Terrigal Surf Club's membership hit the 1000 mark this year.....a great milestone presenting lots of challenges for the entire organisation. It's been another very busy year for the Member Services team, who work tirelessly to develop and improve the opportunities for members of our club.

This year we introduced a merchandise line into the club, which has proved very popular and provides us with many more opportunities for Terrigal members to identify with and proudly wear the royal blue. We will continue to expand our merchandise range and offer quality clothing at reasonable prices, thanks to Marc Gunasinghe and his team at Good Gear.

This year the Board and Membership team has worked extremely hard to improve communication methods with our members. Blues News is now our weekly published newsletter to keep you informed, available by email direct to members, on the website and printed on the notice board.

We have also gone through another website rebuild, with the new site being developed and hosted by another wonderful club sponsor, E-Biz Print. I would especially like to thank Peter Miller from E-Biz for his commitment to helping us develop the website. Our new site has much better functionality and is much easier for people to add to and edit the site. We are gradually training up a number of new website editors and will continue to develop and add content and value to the website with the assistance of all club members.

In 2006.07 a number of Terrigal members participated in leadership and development opportunities provided by surf life saving. We had four members, Mike Bridge, Amelia Cole, Clare Bunch and Jenna Harrod complete the Future Leaders Program provided by SLSCC for 18-25 year olds. This program includes both a personal development program including goal setting, time management etc and completion of a project that will benefit the club and our four representatives did a great job in their programs, they are definitely future leaders of our club.

Many other members participated in youth leadership programs at Branch, State and National level, and special mention should go to Amelia Cole who has been chosen to represent the Duke of Edinburgh program and Surf Life Saving Australia at the APEC summit in Sydney in September.

We also had several members take the surf life saving message to the bush in the SLSNSW Beach to Bush program including Cath Wilson, Lisa Quick, Cathy and Amelia Cole. These members volunteered for a week to travel throughout country NSW teaching water safety and surf life saving to hundreds of schoolchildren.

It was another big year for youth development in the club. I personally thank Cathy Cole for her years of service in this area, she has been an inspiration and fabulous mentor to many of our young members. Cathy is taking a break from this area next season and leaves very big shoes to fill. Our TROY's and Duke of Edinburgh program provide great opportunities for our young people find their pathway in surf lifesaving. Sarah Toh did a great job as youth committee spokesperson.

This year the club faced some financial challenges, with some of our business units not performing as well as previous years. This placed a great deal of pressure on the Board, who worked tirelessly to keep our club functioning and services to our members intact. It was a pleasure to be working with a team that worked so well together to provide services and opportunities to all Terrigal members. A special thanks to Laurie Whelan, Paul Rowe and the sponsorship and fundraising committees for their innovations, new partnerships and relationship development with a great range of businesses that bring and gain value from their association with Terrigal.

Lastly I'd like to thank the membership of Terrigal, who are diverse in their reasons for joining our club, but all possess great dedication, loyalty and pride in the royal blue of Terrigal. Each and every one of you contributes to the atmosphere and success of Terrigal and I thank each of you for your contribution to our club.

Mardi Love  
Member Services Director

## Director of Lifesaving Report

Another season gone by and again all the active members from Terrigal SLSC showed great *vigilance and service* whilst patrolling Terrigal beach. To put you in the picture of our worth and the real pressures put upon us all as lifesavers, think of these statistics from SLS Australia of drownings this season.

Australia – 62 people; NSW – 27 people; Central Coast – 4 people

It's real, it happens, but we *prevent* many more happening. This is proven by Terrigal SLSC patrol statistics for 2006-07.

Rescues -- 44	Preventative actions – 787
First aid – 556	Attendance of people – 141,440

Our members volunteered a huge **8,880 volunteer hours** of their time patrolling our beach to look after the community and visitors. **NO DROWNINGS RECORDED ON OUR BEACH WHILST WE WERE ON DUTY.**

Terrigal had increases in all areas of lifesaving this season:

- Huge number of new bronze holders and awards.
- Increase number of patrols to 17.
- Increase to over 300 active members
- Increase to now 8 RWC operators proficient.
- 115 members gained 100% patrol proficiency (includes 37 competitors).

All this would not be possible if not for those business partners that support Terrigal SLSC. We thank the 17 patrol sponsors listed in our Annual report. Thank you *Crowne Plaza* for your long term and invaluable support of our IRB resources. To *Gosford City council* and nationally *DHL*, thank you from our lifesaving area.

Congratulations to our worthy winners of the prestige's lifesaving awards this season.

Sarah Toh – Young Patrol person

Tracey Morris – Rookie Patrol person.

Cath Wilson -- Patrol Person of the Year.

A special mention to the following members who gave unselfishly of their time to do voluntary patrol on Christmas day. Without your help that special day would not have been made safe for all to enjoy. And to Kaye Kelly for organising Christmas lunch for the patrol.

Graham Baty, Joanna Baxter, Michael Baxter, Peter Baxter, Ross Bell, Chris Bunch, Claire Bunch, Gary Bunch, Amelia Cole, Cathy Cole, Josh Cole, Achim Drescher, Marc Gunasinghe, Richard Hudson, Rebecca Jaensch, Rodney Jaensch, Toni Jones, David Kelly, Kaye Kelly, Brett Larkin, Bob Lyons, Justin McDonald, Michelle Perry, Andrew Pryde, Paul Quick, Paul Rowe, Derek Stack, Julie Taylor, Peter Taylor.

Finally thank you to the executive committee members of our club for your support and work over the season. A final farewell to our outgoing president John Howick who has shown leadership and vision over his long term for the benefit and advancement of Terrigal SLSC to its members and the community.

Paul Quick  
Director of Lifesaving

## Director of Education and Training Report

I would like to welcome the new Bronze Medallion candidates to the club in their first year as active patrolling members. It is an honour to have you at Terrigal Surf Club and I know some of you have already gone on to complete other surf life saving awards. Please continue to do this throughout your surf life saving careers as you can never be over prepared for some of the rescues and first aid procedures surf lifesavers are asked to perform under arduous conditions. The more skills we have the greater chance of survival of the people we rescue.

We offered courses through TSLSC and SLSCC and many of you took the opportunity to learn the following:

Bronze Medallion	79
Silver Medallion IRB Drivers	7
Silver Medallion Patrol Captains	5
Surf Rescue Certificate	22
Radio Operator Certificate	10
Advanced Resuscitation	19
Defibrillator Certificate	7
Spinal Management	22
Senior First Aid Certificate	6
Training Officer (Training Small Groups)	1
Junior Surf Smart & Surf Awareness	260
IRB Crew Certificate	12
Advanced Emergency Care	1
RWC Operators	5

*Nipper Surf Education*

I would like to thank the many people who assisted me to deliver an incredible 451 awards for 06-07. Thanks to Joanne Jameson, who with Darren's help, delivered the junior programs, an SRC program and a Bronze Medallion program to carry our former SRC members through to the senior patrolling ranks.

Thanks to Beris for conducting ARC courses for the 06-07 season as she has does every season and for coordinating exams and examiners when we have needed them.

Thanks to Kaye Kelly, Cath Wilson, Scott Killalea, David Mansfield, Mardi Love for assistance with the delivery of Bronze Medallion programs. Chris Ward, John Bellatto, Steve Graham, Wayne Thomas and the IRB Racing Crew for assisting with IRB Crew and Driver training.

If I have forgotten anyone I apologise and thank you also. It was great to have an enormous amount of support this season.

Congratulations and thank you to Kaye Kelly –Trainer of the Year. In the middle of the 04-05 season I approached Kaye to assist in the delivery of bronze training programs. She reluctantly agreed stating a fear of delivering unfamiliar material to a bunch of new candidates. I have seen Kaye develop her own style and build confidence. She has enjoyed working with every group she has trained. Kaye coordinated trainers and candidates for this season. She has liaised with examiners and ensured things have run very smoothly.

As you have seen this season, this is a coordinated team effort.

This is my final report as Director of Training & Education as I will not be nominating for the 07-08 season. I took on this position 3 seasons ago with set goals and objective to achieve and for the most part these where reached.

We have dramatically raised the professionalism in delivery of programs through the introduction of presentation packages developed at TSLSC and from SLSC. Our trainers and assessors are highly qualified and the quality of lifesavers we are putting on the beach are amongst the best on the Central Coast. We have armed them with the skills to perform as part of a patrol team and instilled a sense of pride that goes with wearing a patrol uniform at Terrigal Surf Life Saving Club.

In the last 3 seasons I have lifted the quality of training at Terrigal to one of the best clubs in the state, this being confirmed with a high commendation for training from SLSNSW. This recognition comes from the development of a training team and program development which will continue into the future.

Thanks to the generosity of sponsors such as Toshiba Medical, Phillips, The Good Guy's, Haven Takeaway and Zoll we now have state of the art equipment to train our lifesavers.

When I look around the Club and see many people who we have trained and who have gained awards over the past few years and I personally feel a great sense of pride in what they have achieved as life savers.

Take care and look out for each other.

Greg Collins

### **Duke of Edinburgh Scheme Report**

The Duke of Edinburgh's Award is an international voluntary program of youth personal development for young people aged 14 to 25. Participants may work through Bronze, Silver and Gold level awards. There are four components to the award including Service, Skills, Physical Recreation and Adventurous Journey - all of which can be completed through involvement in Terrigal Surf Life Saving Club.

This year there have been seven Terrigal club members working towards their Bronze Duke of Edinburgh Award. They are:

Ellaina Andersson  
Josh Cole  
Rebecca Street

Demi Barclay  
Bonnie McIntosh

Chloe Batcheldor  
Megan Reid

They began the season with their adventure journey, choosing to complete a horse riding expedition at Glenworth Valley (including camping out in the middle of winter!). Most stayed on their mounts although by the end of the 2 days there were a few saddle sores!

There are 22 Terrigal members currently enrolled in the Dukes scheme....many of whom will be working towards completing awards in 2007. Planning is underway for an expedition to a Queensland Island for marine exploration later this year, which will be a fabulous and unique experience for those involved.

If you are a Terrigal Surf Club Member and between 14 and 25 yrs – the Dukes scheme is a fabulous way to be rewarded for your participation in surf life saving, and looks wonderful on a resume....so if you want to get involved please contact Mardi Love – Member Services Director.

## TROY Service Awards Report

The Terrigal Retention of Youth Scheme involves participants completing additional hours of service (apart from rostered patrol) and gaining skills and experience in one or more of the following areas; coaching, instruction, officiating, administration, event management, fundraising, carnival set up and close down, patrolling duties.

The young people involved get to experience a number of different pathways open to them in surf life saving, and the eventual aim is for the participants to achieve formal qualifications in their field(s) of endeavour.

This season's participants were:

### Bronze (25 hrs of additional service)

Jenna Batcheldor      Sinead Larkin      Bonnie McIntosh      Kiri Sieczkowski

### Silver (30hrs)

Emma Amies      Ellaina Andersson      Candace Batcheldor      Chloe Batcheldor  
Demi Barclay      Simone Parker      Meg Reid      Rebecca Street  
Sarah Toh

### Gold (40hrs)

Josh Cole

The participants in both Dukes and TROY's this season are a wonderful group of people to be involved with. They are enthusiastic, dedicated, have great leadership potential and above all, are really nice people. I thank you all for your participation and friendship this year and encourage you follow the paths you have chosen for your next season in lifesaving.

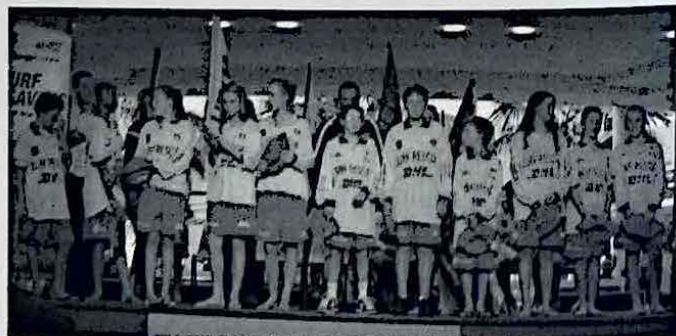

## Youth Committee Report

The Terrigal Youth Committee gives young people a voice in the club. The Youth Committee get together the first Sunday of every month to talk about the current issues and activities of the youth of the club and how we can keep and develop our youth members.

Since starting the Youth Committee we have had huge success. This year the Youth Committee targeted areas such as fundraising and coaching. Many of the Youth Committee members donated much of their free time towards water safety for nippers as well as Surf Life Saving events, Ocean Swims and coaching board training for the beginners. Many have put in hours of work into receiving TROYS Awards and Duke of Edinburgh Awards and as well as many other Surf Life Saving Awards. A great deal of time has gone into surf club sausage sizzle, chocolate fundraisers, Shopping Centre sausage sizzles and raffle ticket selling.

Through all these activities the Youth Committee has helped to promote a service based and community based program in which many of the young members of our club have whole-heartedly put in their time and effort while making friends and gaining new skills. The Youth Committee realise the importance of placing young people in the field of fundraising and management for the future benefit of the surf club. We would welcome any one else interested in joining.

## Director of Competition Report

It is a pleasure to report to you that the surf season for 2006/2007 was another very successful year for the Terrigal Surf Life Saving Club. Although our senior ranks and some senior surf events had lower numbers than in some previous years our results in IRB racing, Lifesaving, the boats, masters and board and ski were the best they have been.

I would like to thank all of our coaches both junior and senior, managers and support parents for their efforts throughout the season. I would also like to commend the assistance given through the year by all the competitors at the start and end of each carnival in setting up the area and making sure that the trailers were properly packed away and ready for transport back to the club. It was a great atmosphere and all involved certainly enjoyed the additional support and camaraderie. I think it is important to separately acknowledge the efforts of Paul Broadbent, Paul Stone and Paul Lemon as well as Daniel Lockwood and Jenna Harrod for their training services in the board and ski and junior areas. Also Bruce Thoroughgood, Cathy Cole and Steve Graham for their efforts in the boats, Lifesaving and the IRB racing. Lets see more senior competitors get involved in the coaching of our squads and juniors.

The club performed to the highest level in its board and ski and beach competition areas again coming second in the NSW Premiership, third in the NSW State Titles and tenth overall in the Australian Championships. We were successful in winning the Senior Branch Championships and had 19 Australian medalists for the season. There were 9 individual state gold medals including success in the lifesaving events.

This year saw us compete at Scarborough Beach in W.A. for the Australian titles and the trip and transport seemed to go well as we settle in for the next two years to come.

For the Terrigal Club to continue to be successful we require the efforts of all parents, competitors, managers, coaches and indeed the Management and Directors of the club in order to ensure the appropriate funding, the elite tuition, and the high standards of care are maintained in the future. I would like to thank the directors of the Terrigal SLSC for their commitment to the competition area last year and wish to acknowledge the efforts of everybody who provided assistance to get the competition teams to their events on time throughout what is often a long and arduous season. In this area of administration I would also like to thank our officials many of whom attended all carnivals ensuring we could compete. To those who assisted in the registration of individuals and teams – thank you Beris and Karin House a special thanks from us all.

As most are probably aware by now ADC Krone has decided not to extend their sponsorship of the board and ski team into the 07 season, after a very long and successful relationship with the Terrigal SLSC. The ADC Krone company through changes to its business ownership and management have decided to focus their sponsorship efforts elsewhere and we thank them very sincerely for the support they have given to us in previous years. The sponsorship committee and competition committees will endeavour to replace this sponsorship for the new season and the years beyond, I look forward to all members support of this initiative and the provision of any sponsorship contacts which may gain benefit from Terrigal Surf Life Saving exposure. In regards to our many remaining sponsors we know we couldn't continue without them please take every opportunity to let them know we appreciate their efforts and support.

Thanks again for all your help throughout the season I hope the next season is a successful one as we will continue to compete at the highest level but more importantly continue to support and nurture our club values in surf life saving, rescue and the tuition of valuable young Australians.

Mark Schofield

## IRB Report

This was a great season for Terrigal SLSC IRB Race Team. Congratulations to Debbie Graham and Di Diebert winning the IRB Person of the Year 2007.

Terrigal had new faces this year to boost our numbers and results. Welcome to John Kalos, Micky Dean, Alyse Luland, Craig Moran, Joel Collins, Robert Bellato.

Unfortunately the Carnival at Terrigal was cancelled due to huge surf. We will try for another Carnival next season.

The first Terrigal Female IRB Race Team performed very well this season making it to the finals on many occasions and finally finishing in the top 6 to gain our first Female Premiership point for the season.

We were so proud of Terrigal's under 21's, in the State Finals they finished 3<sup>rd</sup>. These are our future champions in IRB racing for Terrigal. Daniel Hudson, Robert Bellato, Joel Collins and Jamie Howell.

Terrigal finished 5<sup>th</sup> overall in the 2007 NSW IRB Premiership from 21 other clubs. The Under 21's finished 2<sup>nd</sup> in the Mass Rescue, 4<sup>th</sup> in the Team Rescue. The over 30's finished 4<sup>th</sup> in the Mass Rescue, 1<sup>st</sup> in the Team Rescue, 3<sup>rd</sup> and 5<sup>th</sup> in the Rescue.

Terrigal also competed at the Australian IRB Championships. We progressed through to the second day of competition. This is a very good result against the Qld teams.

We have now purchased a new motor and prop for next season. We look forward to having more new starters next season.

Steve Graham

## Boat Captain Report.

The Boaties had a great season as they moved into their 2<sup>nd</sup> year of a 5 year building phase. The teams comprised of 9 crews across all divisions and good depth in the younger ranks. The results after 8 rounds of the **Nestle Peters series** were;

- Womens – 6<sup>th</sup>. U/19 – 4<sup>th</sup>. Reserves – 4<sup>th</sup>. U/23 Men – 2<sup>nd</sup>.
- U/23 Women – 4<sup>th</sup>. 140yr Vets – 2<sup>nd</sup>. 160yr Vets 6<sup>th</sup>.

**Coffs Craft** carnival weekend of 2 days racing with 6 of our crews making the trip. The u/19's and u/23 women both made the final and the Vets placed 2<sup>nd</sup> in their final.

All crews went to the **Manly** carnival in February which was held over 2 days.

Terrigal had great results with the Opens (vets), U/19 and U/23 women making it thru to Sunday.

The vets, after knocking some Open crews out on Saturday made it to the quarter finals. The U/19 and U/23 women made the finals with the boys placing 4<sup>th</sup> and girls 3<sup>rd</sup>.

Terrigal had 3 boats on **Sydney Harbour for the Australia Day** celebrations rowing under the Harbour bridge to the Opera house and then the night time celebrations at Darling Harbour. All received a letter of thank you and certificate from SLISA.

**Branch championships** saw 8 crews compete and contest 7 of the 8 boat finals on the day. Gold winners were the U/19 men, Vets men and Vets women. Silver places to both the U/23 men and women crews with the reserves placing 4<sup>th</sup>.

**Pacific Palms** weekend in February saw the vets, U/23 men and women along with the U/19's make the finals.

**State Titles** threw up some challenging surf and surprise knockouts. Vets had a crowd pleasing backwards run on a wave with a magnificent rollover. All the younger crews rowed well thru the heats to just miss out on getting thru to Sundays finals.

**Aussie titles**, again starting off with atrocious conditions for the vets on Wednesday, saw them on the beach at 6.30am and after 5 races, contested the final at 5.30pm to finish 5<sup>th</sup>. After the reserves and U/23 men been knocked out on the first day of racing, the U/19's and U/23 women got thru to the Saturdays racing only to be both knocked out on the last race of the day, denying them a chance at Sundays finals.

The boaties celebrated the end of season with their "**pirate theme**" **presentation night** attended by 50 members. The night was a great success with the award winners

- Tsunami (most damage)- Scott Oades
- Mr Squiggle (best rollover)- Bruce Thoroughgood.
- Dummy Spit -Bec Knowles
- No guts –No glory crew Alana, Lisa, Cassie, Alex Katie.
- Most injuries -Bec Knowles
- Most Improved rowers – Michael Smart and Kristina O'Hagan
- Team Excellence –U/19 men
- Boat Rower of Year – Mel Coghlan.

A thank you to our sweeps for the season, Bruce, Scotty and Quicky.

All boaties appreciate and welcome the invaluable support from our sponsors The Terrigal Hotel and E-Biz Print and hope the relationships continue long into the future.

Peter Ives

## Director of Junior Activities Report

As this was my first year as Director of Junior Activities, you might say the term "steep learning curve" comes to hand. Involvement in our club forum in July 2006 established our club's Vision and Mission statements. Our Vision statement is "to create opportunities for our members to develop as people, as surf lifesavers and support the club's development as a community service" and our Mission statement "faithful to our core values of maintaining a safe beach and aquatic environment, having as much fun as we can in the process". Nippers at TSLSC fits well within these goals.

Surf lifesaving NSW Mission Statement for Nippers is that "Junior activities will enrich the lives of children through fun, involvement and the acquisition of personal, lifesaving and competition skills in an aquatic environment" I feel certain that we have come along way towards attaining these goals and I hope that we continue to strive and keep our focus on "why we are here" and why we encourage our kids to belong to this surf club.

Firstly I'd like to thank those dedicated people who have passed on the "how to" namely our past chairperson Stuart Bennett, past club recorder and definitely "doer of all things" Kerrie Clarke, the lady without whom I would have had "no idea" Ms Beris Meldrum and the Board of Directors who have helped me greatly. To Jenny and Clayton Schofield, Karina Brown, Brenda Wilson, Alan Troy and Paul Lemmon and to the supportive group of wonderful parents who do so much behind the scenes all the time without any thanks and spend countless hours performing so many tasks that without whom the club simply could not function.

Nippers strives :

**To Create opportunities to challenge our kids** – by providing skill based training, in a safe environment designed to develop core skill whilst having fun and by providing opportunities for individual and team participation and excellence in competition at local, branch and state levels, across a broad range of surf sports.

**To Encourage our kids** – by ensuring that all junior members interests are catered for each Sunday during our Nippers program, so that they keep coming back each week and come back again next season. And to attempt to increase our focus on the quiet achievers in our kids, the kids who will be the lifeblood of our Lifesaving Patrols in years to come.

**To Ensure that all our kids feel that they belong to TSLSC** – by encouraging all the nippers to participate each week at a level that they themselves are comfortable with, and providing opportunities for socialising at the club. Part of this goal was also to attempt to develop a greater sense of belonging to the community within our club and the greater community as a whole.

I think most of us would agree that these goals, although a work in progress, are exactly what we do here at Terrigal Nippers. Nippers provides such great opportunities for us to come to know our kids. To develop strengths within our kids in a safe, protective, mostly relaxed and fun surf culture. What more as a parent could we want.

Our **seasons highlights** include :

**Nippers Skills Mornings** – Our Nippers skills days continue to provide opportunity for our Junior members to be taught basic surf skills such as wave catching, swimming out through the swell and board riding. Beach Starts and sprints and flag turning and finishing to name just a few. We had a fantastic team of Age Managers who volunteered their time and energy to coordinate fun filled programs for 17 Sundays at the Beach. Joanne Jameson has again provided an incredible job running theory surf education programs every week for our Nippers.

**Surf Awareness Skills** such as identifying rips and dangerous swimming conditions for our youngest members through to DRABC and resuscitation for our older Nippers. These skills and certificate attainment are essential requirement of Nippers and ensure that each year our Members develop surf lifesaving skills and accreditation at the end of the season. This program ensure we have qualified and skilled lifesavers on the beach in the future and we are grateful to

Joanne for her commitment. Extra help will no doubt be needed next season as Jo awaits the birth of her first child.

Our **Formal Water Coaching program** continues to thrive with many of our Junior Members taking up water coaching on offer coordinated by our Head water coach Paul Lemmon. Commencing with a "Winter" Fun fitness training program and then culminating in skills based development program. Huge thanks should be given to our coaches Paul Lemmon, Steve Lee, Bruce Moy, Amelia Cole, Kelvin Sheehan and Cathy Cole as well as newcomers Daniel Lockwood and Jenna Harrod who joined our team bringing a new depth of skills and knowledge. Parents should remember that these coaches are all voluntary and their commitment to our Nippers continues to be the envy of all other clubs on the coast. We believe that our water coaching program is better than any other, for all junior members, because it focuses on; developing skills, building fitness, developing individual confidence, being enjoyable so the kids want to attend, promoting unity in the club and club spirit. Our program is designed to help competitors peak at the right time in the season but is not designed to over train or burn out our youngest members.

Unfortunately we still are in need of further developing of our **Beach Coaching Program**. We will be seeking expressions of interest in the next few months for a committed individual to take on this role and develop our Beach competitors in the same way as Paul and his team have developed our water competitors.

Our "**Mentoring Day**" where about 20 of our Senior members and Coaches came to Nippers to "Buddy – up " our Junior Members, teaching them skills on boards in the water and on the sand. Thanks especially to our fantastic coaches both Senior Coach Paul Broadbent ( Broady ) Assistant Coach Paul Stone and our Junior Head Coach Paul Lemmon for rallying our former Nippers and now senior competitors to assist us. Some of our kids told me it was the most fun they had ever had as Nippers and it provided a way for former Juniors to form friendships and stay involved with Nippers and hopefully inspire some.

"**Camp Lemmon**" provided many of our Under 14's a high performance training camp with the Seniors Water Competitors at Bonny Hills Surf Club, just out of Port Macquarie. This was a brilliant event, where our club developed such great camaraderie between Seniors and Juniors and will hopefully help to facilitate the transition of our 14's into the Senior Club next season and ensure the retention of our members. But perhaps even greater was that our Seniors provided training and mentoring of skills to the Bonny Hills Nippers who have never seen anything like the training programs our kids are offered. This was a great community spirited activity and Bonny Hills were thrilled to have us there and have already requested that we come back next season. Congratulations should go to both Paul Lemmon and Broady for their contributions in making this a success. Hopefully this will become an annual event.

We also demonstrated exceptional **competitive results** throughout the season, we have won all but one of our local carnivals, we won the Central Coast Branch titles at Avoca Beach and our competitive season climaxed when for the third year in a row, we gained second place at the Junior State Championships at Cronulla Beach with 10 Gold, 8 Silver and 8 Bronze Medals. This result was made all the more meaningful considering we were represented by a mere 87 competitors (obviously of huge talent) compared to the 232 competitors of the 1<sup>st</sup> placed Cronulla club. Terrigal Nipper competitors, coaches and age managers should be extremely proud of our successes. Our sponsors branding with Logo's on the beach, were well served by our outstanding competitive results and acknowledgement by all Clubs across NSW.

Our **standout performer** was our Sub Junior Zoe Hall in the Under 10's who had a "clean sweep" winning Gold in four events – Zoe was nominated for Junior competitor of the year at the NSW Awards of Excellence and was awarded this prestigious title at Central Coast Branch Awards of Excellence last week. Congratulations Zoe ! The future of our club is very good indeed. Brilliant individual results were also achieved by Karlee Nurthen, Cody –Leigh Callaghan, John Rippon, Robert and Amy Annabel, Maddie Sheppard and Scott Drinkwater. And our teams performed so well, winning many more medals and placing across so many finals.

It was especially pleasing to have our club receive a medal for the first time in 9 years in the 5 person R&R Lifesaving teams event at both local and Branch, by Emma Amies, Sinead Larkin, Simone Parker, Candice Batcheldor and Alyssa – May Pavett. These girls have a great future in Lifesaving and contribute so much to our club - Well Done to these Girls and congratulations to Cathy Cole for all the training provided !

Terrigal Nippers were also again **well represented outside of our Central Coast Branch**. Both at Interbranch and Interstate level. The Central Coast Interbranch competition was held at Crowdy Head on the 9th and 10th December 2006 and 11 of the 46 participants selected were from TSLSC Nippers representatives included; Cody - Leigh Callaghan, Robert Annabel, Kareena Lee, John Rippon, Luke Eltham. Also Congratulations to Kareena Lee, who then went on to be selected in the Winning NSW Interstate Team and competed in Middleton in South Australia with outstanding results.

Many of our **Under 14's** also competed up an age group in the Under 15's throughout the season in the premierships rounds and at the state titles this year and strongly contributed to Terrigal SLSC winning the U15 age group at Senior State. With the Luke Eltham and Michelle Schofield then taking the next big step and flying to Perth to compete up an age group into the U15's at the Australian Titles. Well Done !

To our young **March Past team and Colour party** under the direction of Cathy Cole this season Congratulations. You performed extremely well throughout the season earning the club precious points and looking great. This event is steeped in tradition and provides another opportunity for our Nippers to represent our club and enjoy being part of a team. Well done.

A sincere thanks to our sponsors this season who have provided much needed funds to operate Nippers throughout the season, provide post carnival celebrations and equipment on the beach for the Nippers to use.

Again this year we have had to focus on the requirements placed across all clubs with regard to providing officials and water safety personnel. As our number of competitors at local branch and state carnivals continues to increase so to does our requirement to have to provide large numbers of certified officials and water safety. To provide these functions we need parents and members to attend accreditation courses or become Bronze medallion holders. I would like to thank personally thank all the parents, club members and older brothers and sisters who stepped up and helped provide the numbers we needed at the carnivals this season allowing our nippers to compete. Also to those who helped out each Sunday morning at the beach. Going forward to next season Your club needs you!. Again we seek interested parents to take up the challenge over the winter and gain their Bronze so that they can assist with providing water safety next season, or undertake "official" training so that they can act as an official at carnivals. Without this commitment from our members Nippers can not continue to function.

A special thanks to Clayton who was our Water Safety Coordinator all season, with Clayton stepping up to a directors role and new Water Safety coordinator will be needed next season. Thanks also to Gary Bunch and Craig Rollins for setting up the beach each Sunday, to Daniel Hudson, Graham Baty, Kelvin Sheehan and Marc Gunasinghe, for manning the IRB to Hilton Farquhar and his helpers for looking after our Littlest Nippers at the beach each week. Hilton and his parent volunteers provided leadership and programming for over 70 of our littlest Nippers in the U6's and U7's and made sure the kids enjoyed themselves each week.

Thanks to Jenny Schofield for again looking after the rookies and encouraging representation throughout the coast at the season Launch and closure , as well coordinating the Westfield Rookie challenge. Many of our Rookies this season ( 13's and 14 year olds ) also contributed to our club by providing water safety at training sessions for our beginners. We are grateful for the help from all our volunteers and some contribution was acknowledged by our parents in the following excerpt.

*" congratulate and commend the wonderful trainers and the wonderful help each week from the young volunteers that commit their precious time to help other younger children learn about the*

*surf. Their involvement has certainly not gone unnoticed by the families who's children attend the Board training. It is a known fact that the youth usually leave their sports and are peer pressured into hanging out with their friends. This makes me more appreciative of the young adults precious time.*

*So please pass on to all of the young volunteers, from our family and other families, that they are very much appreciated and I hope that they continue with the community spirit as they mature"*

Thanks also to our Club captains Saxon Lumsden and Jessica Wright and Vice captains Jack Moyes and Michelle Schofield. These captains assisted in presentation evenings and received special note by our sponsors for their professionalism and maturity when representing the Terrigal Nippers on our sponsors appreciation evening. They have been exceptional role models and we wish all the U14's well as they move into the club's senior ranks. We also **farewell some families**, the Elthams, the Wrights, Wilsons, Clarkes, the Kings, the Lumsdens, the Amies, whose youngest children were in the Under 14's and have contributed a great deal of time and effort to the club now look to families of younger children to fill these gaps.

Our successes on the beach have also been tempered this season with both sudden serious illnesses and unexpected tragedy which rocked our club to the core, and opened our hearts to some of our closest members and friends. We will sadly Miss Donnica Clarke who was a fantastic Age manager to our Under 8 boys this last season. She has inspired us all at a time when other girls her age were out having fun or sleeping in – she instead devoted her Sunday mornings to volunteering her spare time to manager the Nippers when she herself was unable to compete due to injury. Her memory will live on in those boys she spent her time with and we will continue to be inspired by her competitive successes, her amazing generous spirit and her commitment to the sport she loved. Our response to these difficult times, has served to tighten the bond of friendship we feel and encircle our friends within the club with love and support and remind us of what is truly important.

If nothing else, the events of the past season, have reassured me that what we attempt to achieve here at TSLSC is unique and is very special. We are so fortunate to have our kids surrounded by sensible, caring, committed youth and adults who are like minded. I feel very fortunate to know that these club members will care for my kids when I am not looking and our core values have helped to direct their behaviour and pathways in the future. We are a community in the true sense of the word.

## Terrigal Ocean Swim – Saturday 14th April 2007

It was a fabulous day at the Oxigen Terrigal Ocean Swim 2007, our swimmer numbers are increasing each year and we were able to attract some fantastic new sponsors for this year's swim, resulting in a great fundraising event for Terrigal Surf Life Saving Club.

Over 250 swimmers entered the 1km and 2km ocean swim events, with fabulous racing in both events and some really tight finishes. It was rewarding to see Shaun Robertson take out his second successive 2km title, and his sister Erin took out the female 2km swim, less than 30 seconds behind him! Another Terrigal club member, Cody-Leigh Callaghan won her second consecutive 1km swim, at only 11 years of age, a fantastic effort.

But for the most part, people come to the Terrigal Ocean Swim because of it's great location, the organisation of the swim and to challenge themselves to beat a time, a rival from last year, or just to make the distance....and that's what we love about hosting the swim.....it's a great family and community oriented day.

Results were as follows:

### 1km Fun Swim – Results

Males	1st Scott Miers - 41	15min22sec
	2nd Steve Reid - 42	15:40
	3rd Andrew Leese -	16:12

Females	1st Cody-Leigh Callaghan	15min50sec
	2nd Karlee Nurthen - 11	15:56
	3rd Sue Kearney - 49	16:01

### 2km Swim - Overall Results

## LIFE MEMBERS REPORT

The financial report has disclosed that the Life Members Fund enjoys a credit balance of \$31,819.98 (Thirty One Thousand Eight Hundred and Nineteen Dollars and Ninety Eight Cents). These funds are held in account number 53-878-5225 with a balance of \$2,073.72 and Term Deposit 56-562-1509 of \$29,746.26. This Term Deposit will mature on 18.5.2007 and a further \$591.67 in interest will be received.

The fund has disclosed an increase of assets of \$7,184.83 over the past twelve months. The corresponding previous year was \$5,063.76. The past two years has shown an increase in excess of \$12,000.00. During this current period the fund has made further donations to the Senior Club of \$1,370.00. Donations to the Senior Club now exceed \$7,900.00 since the Fund was established.

The major fundraising was by way of the Melbourne Cup Function where almost \$3,000.00 was raised. The Christmas In July function raised \$2,500.00 and Lionel's car raffle netted \$2,020.00. The remaining increase in assets was due to interest received of \$1,161.66 on the Term Deposit.

The cash donations totaling \$1,150.00 to the Senior Club are considered to be substantial in view of the small overall amount of assets held. In addition to this, the Fund committed a further \$220.00 for the jackets presented on the "Awards of Excellence Night".

My thanks go to my wife, Heather, Lyn and Lionel Fargher, their daughter Kim, Beris Meldrum, Anne Henry, my brother Tim and his wife Genevieve, and also the members of the Tremblers Swimming Group for their assistance with the Melbourne Cup and Christmas In July functions. Thanks also to the "Boys Choir" and all others whose efforts ensured the success of all functions. All their assistance was greatly appreciated.

The Fund is already looking healthy for the next season with proceeds of this year's car raffle of \$2,980 still to be received and also interest is expected to be in excess of \$2,000.00 for the ensuing year.

The value of this Fund is now becoming quite evident. The Club continues to struggle with an effective mechanism to manage the Club's finances so as to enjoy further progress for growth. The Life Members Fund has been a vision since mid 1980 for a "Future Fund" which can only enhance the growth of the Club in the ensuing years.

The Life Members pass on our condolences to the Clarke family, Tony, Kerrie, Nathan and Bianca. Donnica's impact on the Club during her too short a period of life is immeasurable. Donnica will be missed by all who knew her and their numbers are many.

The present Trustees of the Life Members Fund are Paul Hawkins, Ron Stone and Mark Power.

## **AUDITORS' REPORT**

### **Scope**

We have audited the financial report, being a special purpose financial report, of TERRIGAL SURF LIFESAVING CLUB INC. for the year ended 30 April 2007 as set out on pages 3 to 15. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements, which form part of the financial report, are appropriate to meet the requirements of the Associations Incorporation Act (NSW) and are appropriate to meet the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of TERRIGAL SURF LIFESAVING INC. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act (NSW). We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

### **Audit Opinion**

In our opinion, the financial report of TERRIGAL SURF LIFESAVING CLUB INC. presents a true and fair view of the financial position of TERRIGAL SURF LIFESAVING INC. as at 30 April 2007 and the results of its operations for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

## **NOTE 1 - ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act (NSW) and the following Australian Accounting Standards:

AASB 1031	Materiality
AASB 110	Events Occurring After Reporting Date
AASB 117	Accounting for Leases

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

### **(a) Plant & Equipment Depreciation**

Plant and equipment are recorded at cost and are depreciated on a straight line basis over their estimated useful lives.

The depreciation rates used for each class of assets are:

Building improvements:	4% to 20%
Surf equipment:	33%
Function room plant & fittings	20%
Office equipment:	20%
Furniture & fittings canteen:	20%

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

### **(b) GST Units**

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

### **(c) Income Tax**

The Club is exempt from income tax and accordingly no liability is recorded.

### **(d) Inventories**

Inventories are measured at the lower of cost or net realisable value.

### **(e) Leases**

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Club will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

**(f) Revenue**

Revenue is recognised as follows:

- Members income, donations and sponsorship revenue is recognised on receipt and recording in the books of the Surf Club.
- Income from the sale of merchandise and product from the canteen is recognised when the merchandise or product from the canteen is supplied to the customer.
- Income from hire of the club house (hall hire) is recognised at the time the club house is provided to the customer.

**(g) First Time Inclusion of the Life Members Account**

The Life Members account was included as part of the Surf Club's financial report for the first time this year. In prior years it has been reported separately. Comparative numbers for the 2005 year have been changed to reflect this as follows:

- Life member's net contribution has increase income and profit from ordinary operations by \$5,063.
- Accumulated funds brought forward at 1 July 2005 has increased by \$19,572.
- Accumulated funds at 30 June 2006, total non-current assets and net assets have increased by \$24,635.

**NOTE 16 – COMMITMENTS AND CONTINGENT LIABILITIES**

The estimated maximum amount of commitments not provided for in the financial statements as at 30 April 2007 are:

**a) Operating Lease Commitments**

	2007	2006
	\$	\$
Being for lease of canteen catering and office computer equipment Payable as follows:		
Due not later than one year	10,534	8,770
Due later than 1 year but not later than 5 years	<u>27,489</u>	<u>14,453</u>
	<u>38,023</u>	<u>23,223</u>

**NOTE 16 – COMMITMENTS AND CONTINGENT LIABILITIES (Continued)****b) Insurance Coverage**

The Club is covered for all public liability claims under the public liability policy established by the NSW Surf Lifesaving Association. Policies covering damage to or theft of property and workers compensation have also been taken out directly by the Club. Accordingly the Committee believes that its insurance coverage is adequate to cover contingencies in these instances.

**c) Loan Commitments****Gosford City Council (Unsecured)**

During the 2002 year the Club entered into arrangements with the Gosford City Council regarding the financing of the shortfall in the Council's budget for the fittings of the new

clubhouse and for the installation of the clubhouse air conditioning system. In November 2002 these arrangements were finalised as an interest-free loan due to the Council of \$216,500.

The balance of the loan outstanding at 30 April 2007 is due as follows:
