PRESIDENTS REPORT

It is an honour to be presenting my President's report for Terrigal SLSC. Terrigal has had another very hectic and rewarding season for its members and the community. The season started off with once again Mother Nature having her way and taking most of the sand from our beach from the rock pool end up to the carpark. This exposed a bit of the Terrigal history along with concrete stairs and timber pilings. But as has happened over many years, the sand did come back to the beach and Terrigal was able to portray another great location for the summer season for our locals and visitors alike.

Over the course of the 2015-16 seasons, our club membership stands at approx. 1,040 members, plus around the surf club every day from dawn to dusk is a hive of activity with swimmers, exercise groups, coffee goers, walkers, joggers and members training, creating a large mix of people along Terrigal beach. Members volunteered over 8,700 patrol hours looking after Terrigal beach and beyond. This included 563 hours of water safety watching over our junior members. Rescues this season numbered 34, with a huge 3,786 preventative actions performed. Our skilled first aiders treated 3 major cases along with a further 950 people with minor injuries (the majority being stingers). Our patrol members not only looked after our immediate area on Terrigal beach, but also attended to many major incidents around the Terrigal business area, the Esplanade, north to Wamberal beach and around the Haven when called upon. We owe a huge gratitude to the time and effort of all our volunteer patrol captains, first aiders, educators and patrol members for a job well done.

Our junior members (numbering 369) once again had a busy season with their days at Terrigal learning their Surf education skills, training and attending carnivals. They have been involved in many activities around the central coast for our Branch and the community.

Once again our senior and masters competitors in every category of surf sports were hard at it training and competing up and down the east coast of Australia. As highlighted in this annual report Terrigal also had members gain great honours in representing not only our club, but NSW and Australia in SLS teams.

I congratulate our Terrigal SLSC winners from our season of the clubs major awards, the Branch awards and those that went onto State awards. Our Duke of Edinburgh participants also ventured to WA to gain their awards in this worthy movement for youth of Australia.

Terrigal beach has over the season provided many community activities such as the ANZAC Day Dawn service, Saturday markets, end of the 5 Lands walk as well as Ocean swims, junior carnivals, IRB carnivals, surf boat carnival and more. Thank you to all our club members who chip in and give of their time to make these events a success.

All our efforts could not be achieved if not for our major sponsors supporting Terrigal, namely Crowne Plaza Terrigal; Raine & Horne Terrigal and Domain. Our support from The Surf Café and continued support from Gosford City Council has been invaluable to our club. Thank you also to all our minor sponsors and supporters that believe in the work that Terrigal SLSC does for our community. The club is still working away at getting our DA approved and then chasing funding for the extension to the surf club that will enable us to provide better facilities for members, community groups, beach goers and visitors alike. This will hopefully allow the club to be more self-sufficient into the future and help us to plan for the inevitable cost of maintaining and up grading our facility. We will continue to provide a safe environment for

the education and activities for our juniors, watch over the community as they enjoy the ocean in and around Terrigal and be part of the wider community and businesses with a mutual partnership and involvement.

After some time consuming and long hours delving into our club history by our historian, Cathy Cole, it would appear that Terrigal SLSC is closing in on its centenary year in 2020. This will be exciting times and we look forward to providing a pictorial history of our club and celebration with past and present members.

Thank you to all our club directors for the time and effort they put in, to Beris as our staff administrator for her work and Linda for the great work she does in running our function centre and always striving to make it better.

Paul Quick - President

ADMINISTRATION REPORT

Another season has passed at Terrigal. If it were a blockbuster film (and every year normally seems that way) one could say sections of high drama, moments of extreme adrenaline, stretches of mind numbing boredom, some parts of tragedy etc. "Summer Bay" has nothing on the club. It would be a cast of epic size supported by a relatively small band on a non-blockbuster budget. Many thanks to all who played their respective parts. The credit list is in other parts of the Annual Report.

Special mention must go to the following though:

The newer people putting their hand up to help out with Club duties of all kinds. It must be daunting to try for something well out of the bounds of your previous experience, especially when such people also tend to have high expectations of themselves. This is a path many have been down before, and although at first the question is "why am I going this", the answer is that the experience is rewarding in itself. Because they are voluntary, Surf Clubs are an intense microcosm of the local society in general. It tends to bring out both the best and the worst in people. Sometimes simultaneously. They attract all different types of people from many backgrounds, but on a relatively non-political and social level playing field. When the patrol uniform is on, it doesn't matter if you are a Bank Manager, Local Member, Student or whatever. What matters is whether you can perform your Surf Club activities well.

The board who were once new guys too, but realised that more was required to preserve and grow something so valuable. This involves some hours of work, patience in dealing with anyone involved in their portfolio. Try doing that in your spare time! Although in itself it is not a big burden, these people also have families, careers, and other goals to achieve as well.

Meanwhile, back to more practical matters, administration has developed into a sort of maintenance orientation. The Club building has been open for 15+ years now and requires a lot more work than before. Some items you may notice, others you will not. If you are asking when the shower room ceilings will be rebuilt, the answer was that before the storm Council had agreed to do the work and was advanced in planning to do so! It has not been forgotten. This maintenance takes money, organisational time, and quite often someones expertise to get it done. An ongoing thing.

Last but not least thank you to Beris. No more needs to be said.

Roll on next season, and... ACTION!

LIFESAVING REPORT

Well another season has come and gone and I'd like to pass on my thanks to all of Terrigals' surf lifesavers, in all patrols, for a great season with zero lives lost between the flags.

This year saw the return of an inter patrol competition, based on internal patrol audits/inspections carried out to all patrols throughout the year. The audits carried out were based on real life scenarios, skills and first aid knowledge, as well as attitude and enthusiasm within the patrols

I'm pleased to say that all patrols performed outstanding throughout this period and thank them for their co-operation.

Congratulations to Patrol 13 (Andrew Reid – patrol Captain), and all the members of that patrol in winning the inaugural competition by 11 points from Patrol 5 (Dave Golightly- Patrol Captain), in a tight struggle for supremacy.

There were numerous days on the beach with extremely challenging conditions, and numerous rescues.

Thankfully all our lifesavers performed their volunteer duties with great success and made sure that the people that were having a bad day, ended up not being part of a tragic day!

We were also fortunate enough to win the Branch Lifesaving competition, further enforcing the ethos at our club of having the number 1 patrolling volunteer surf lifesavers on the Central Coast

A big thanks to Toni Jones and Alison Sharkey-Smith our deputy lifesaving directors in their assistance with the audits, and their involvement and professional attitude towards the general improvement of the lifesaving skills and standards, has gone a very long way in making Terrigal the number 1 club in lifesaving in our Branch.

Further thanks to Beris Meldrum, and Kim Petley who also helped in our patrol inspections as well.

But we are not resting on our laurels. Next season we will be upping the ante, with 3 rounds of inspections, and a mini patrols only lifesaving carnival, to further our members skills – but more about that later.

So once again, a huge thanks to all our Patrol Captains on a very successful year, and I look forward to working with you again in the upcoming season in providing the safest environment possible for the general public to enjoy our beautiful beach

See you on the beach, **Peter Ives**

OUR CLUB HISTORY REWRITTEN WITH NEW EVIDENCE

When researching what we believed was the 90th Anniversary in 2015, old newspaper articles have shown that Terrigal SLSC was, in fact, founded in the year 1920, not 1925 as we thought.

In this year the Terrigal Progress Association put a building application in to Erina Shire Council for the construction of a Clubhouse for Terrigal Surf Club. A grant of 90 pounds was received from the Erina Council to assist with the construction and approval was given in February 1920.

The first Patron of the Terrigal Surf Club, Mr W.M.Fleming was also appointed in the same month. In September of 1920 the building material had been purchased and was on site awaiting the final positioning advice from Council noting that "...the club will be in full swing this season". The fence had already been constructed, was being painted and the Surf Club Members were "...anxious to start work on the building and...to have everything complete...for the next season".

In February 1921 Council acknowledged they needed to nominate 'Trustees' for the Terrigal Surf Club building. Minutes from the AGM in February 1922 talk about the successful season (1921) just passed and "...great enthusiasm being shown at the future prospects of the club". Also that Royal Life Saving members had instructed the Terrigal members and it was hoped that they would be fully Certified in "land drill, resuscitation work and line work" within a month.

In the 1923/24 season, something happened (and may never know what!) and the decision was made, by the same President who had held that position since 1920, that the club be "reorganised". This took place with great media coverage in 1925 which is why that date has always been considered the founding date.

These facts, backed up by many more, show that Terrigal was a functioning club in 1920, active enough to gain financial support from the Council and to construct their own Surf Club premises.

As a result of this, our present Executive has altered the acknowledged formation date for Terrigal Surf Club to the season of 1920.....**which means that we celebrate our centenary in 2020!**

MEMBER SERVICES REPORT

2015-16 saw lots of activity in the Member Service area. In researching the club's history, Cathy Cole discovered our club was established some 5 years prior to when we had thought (see above) which means that we are now in planning mode to celebrate our club's Centenary in 2020.

Many of our members participated and were recognised for their achievements this season also including Annie Jones being named the Young Volunteer of the Central Coast at the NSW Volunteering Awards, Toni Jones completing the SLSA Masterclass, Rachelle King attending the SLSNSW 18-25 Leadership Program, several members completing their final expeditions and working towards their Gold Duke of Edinburgh Medal and the following members recognised with long service medals from SLSA.

Officials: Cathy Cole (10 yrs), Richard Hudson (10 yrs), Paul Quick (10 yrs)

Training Officer: Cathy Cole (10 yrs), Mardi Love (10 yrs), David Mansfield (15 yrs)

Coach: Paul Broadbent Level 1 & 2 (15 yrs), Paul Lemmon Level 1 (10 yrs)

100% Patrol Service: Adam Brierley (15yrs), Gary Bunch (13yrs), Amelia Cole (14yrs), Cathy Cole (19 years), Joshua Cole (11yrs), Greg Elfick (19yrs), Marc Gunasinghe (11yrs), Peter Ives (14yrs), Toni Jones (11yrs), Kaye Kelly (13yrs), Mardi Love (12 years), Lauren McNair (18yrs), David Mansfield (22 years), Beris Meldrum (16yrs), Mark Power (10yrs), Greg Smith (12yrs), Daniel Walsh (12yrs)

We also had several of our members attending the 13-14yrs Leadership Camp and the 15-18years Engagement Program, as well as the Rookies events and Junior Lifesaver of the Year award. Keep up the great work Terrigal members, there are many opportunities offered and it is great to see them embraced by our membership.

EDUCATION REPORT

Our Education Team completed numerous courses this season including Bronze Medallion, Surf Rescue Certificate and Advanced Resuscitation courses which were well attended by participants. We held an Adult Surf Rescue Certificate course for the first time this year which proved to be highly successful and we will continue to offer this course in the future. Thank you to all our trainers involved in giving up their valuable time to do run these courses.

DIRECTOR OF COMPETITION REPORT

Another competition year has flown quickly by.

As happens the IRB season is the first to kick off in May-July of each year. Our IRB team has continued to grow and is a huge asset to the club, helping to upskill our Lifesavers and provide highly trained drivers and crew people for each patrol. Thanks must be given to Roger Stimson and Bruce Moy who continue to drive this enthusiastic team.

Our Boat section is also continuing well with a number of "young" teams being put together, as well as our older or experienced teams, who continue to support them. Maybe the highlight of the year was the silver medal won in the Men's 160 crew, with Paul & Ryan Quick rowing together as father and son. Also in the team was Chris Jones who picked up his first State medal (and may now retire from the sport) This year Mark Shearan has taken the reigns as the Boat Captain for this past year, hopefully he continues on.

Masters continue to enjoy the sport with the promise of a cup of coffee together after training drawing most to the beach each Saturday & Sunday. The team travelled and competed in local and away carnivals as well as Branch, State & Aussies. Thanks to Richard Northey, Greg Elfick & Derek Taylor our Masters Coaches. You will see from the results section our "evergreen" Paul Lemmon continues to be an outstanding competitor, coach and role model for the whole of the club. Our oldest Master, Lionel Fargher has taken on all aspects of surf lifesaving throughout his career and has now added pool rescue to his repertoire, travelling with the young team to Aussies setting Australian records and impressing all of us along the way.

Our Board & Ski team – "Terrigal Tuggers", also travelled far and wide this season. Local carnivals and carnivals far away as well as Branch, State & then Aussies at Maroochydore. Thanks to Brady Casey, who again signed on for the role of Board & Ski Captain, again hoping he will continue this upcoming year.

This happy team continue to support one another whether in or out of the water. Very pleasing to watch water competitors rush from Maroochydore to Mooloolaba to cheer and support the beachies at Aussies.

We have a vast array of talent within the club. Congratulations to the many that were selected as representatives on various teams (listed elsewhere in the annual report), especially to Tim Schofield who Captained the Australian team to Japan to compete in the Sanyo Bussan Cup in July, the Australian Team in the International Surf Rescue Challenge in September on the Sunshine Coast, the Australian Life Saving Team to Germany in November and the NSW Interstate Team in January. Tim and Rachelle King Captained the NSW team in the Australian Pool Rescue Championships and together again Captained the Central Coast Interbranch team.

Congratulations to Tim Schofield who has again been selected to represent Australia in next seasons World Titles – Rescue2016 in the Netherlands, another huge achievement. This is Tim's 3rd World's Campaign with the Australian Open Men's team. This year has seen the formation of a "Board & Ski – supporters committee" with Michelle Johns leading. Michelle has been involved in carnival organising and is in the process of setting up next year's Terrigal Hydrothon. It is hoped that support for this continues and from it some much needed support to reintroduce such things as team camps, athlete support and the like.

Our team of Coaches continue to provide the club with a vast selection of training sessions.

Boats – Led by Dennis Gee and assisted by Mark Shearan & Paul Quick with Kim Petley behind the scenes. Kristina Skvorc cracking the whip on the juniors land training.

Board & Ski – Tim Schofield, Paul Lemmon & Michael Stone and a number of supportive coaches helping in the "background". Thanks also to the Athlete Leaders who help out and support our Coaches and Team along the way, Chris Mensforth, Luke Eltham, Paul Stone. Hoping Stoney will step back into a lead coaching role for the coming year.

Thanks again to our "behind the scenes helpers" – Beris in the office and her roles in officiating. Barb Van Dartel & Suzie Hayes competition secretaries, our many various helpers who official, provide water safety, IRB driving and gear transportation – again without these valuable supporters the competitors would be unable to compete. These include Mark Williams (packhorse), Jane Williams, Ants Cansick, Dave Smith, Mick Van Dartel, Barb Van Dartel, Michael Stone, Paul Stone, James Purcell. Michelle Johns, Mick Van Dartel, Mark Power, Wendy Walsh, Stuart Bennett, Richard Hudson, Cathy Scully, Jenny & Rebecca Schofield, Lyn Waters, Jacqui Donadel, Kim Petley and to Chris Jones for his seemingly endless officiating. Toni Jones & Allison Smith for First Aid. To anyone I have missed, your efforts are greatly appreciated.

IRB – Bruce Moy, Roger Stimson, John Robb and to Vicki Stimson as competition secretary.

Pool Rescue – Rachelle King, Paul Lemmon, myself and others who help out.

Rachelle King, Zak Van Dartel, Danielle Rippon for their coaching and support of our Juniors.

Also thanks to the various sponsors who support this section of the club. Of special thanks, Boats – Raine & Horne & Domain, IRB – COSI, Crowne Plaza, Freemasons and John Meldrum with his "umbrella hire". Also to Marc Gunnasinghe from Goodgear and Gunweb systems who continue to support the club.

Finally I am very proud to again support "Team Terrigal", our competition team that includes everyone in Board & Ski, Boats and IRB. All who compete with the ideals of sportsmanship, courage, team work and good humour.

Seniors and Masters in Action at the Board and Ski Series, which was very popular

TERRIGAL AWARDS OF EXCELLENCE AWARD WINNERS

MacArthur Onslow Memorial Clubperson of the Year – Kim Petley

Kim has been involved with our club for many years. He works consistently behind the scenes in many different areas. This season we often saw him on Sunday mornings assisting with our littlest nippers helping his grandchildren start their lifesaving journey. Most Saturdays are spent helping our boat crews participate in the Streets series by officiating and assisting in many ways, every weekday before and after work we will find him in the gym, keeping the equipment maintained, cleaned and keeping a close eye on the club as well. In all his years as a club member, we are not sure he has ever won a major award, but he definitely deserves one.

Richard Bridge Memorial Young Club Person of the Year – Aidan Reid

This year Aidan received an unprecedented 6 nominations for the awards. It seems that everyone who has come into contact with Aidan has only the highest regard for him. Despite only obtaining his bronze medallion this season, he has demonstrated leadership capabilities well beyond his years. Aidan has been an outstanding patrol member, also coordinating first aid and water safety for the nipper program. We cannot wait to see what this young man can produce in seasons to come.

Harry Vickery Memorial Patrol Person of the Year – David Smith

David has this season completed over 60 hours of patrol on Terrigal Beach as well as numerous hours as an RWC operator for branch. He is also a great mentor of all patrol members, taking them under his wing and increasing their confidence. David also participates and volunteers in many other capacities for our club, assisting with repairs and maintenance, other events and activities.

Richard Bridge Memorial Young Patrol Person of the Year – Annie Jones

Annie this season has 100% patrol attendance, is always an active participant as a patrol member, assisting with setup, packdown, first aids and rescues. She has also completed her IRB drivers course this season, and the Silver Medallion Aquatic Rescue course and has just applied for the RWC course and will be our first female RWC operator when completed. She is also a member of our IRB race team and our female boat crew.

John Burgess Memorial Volunteer of the Year – Beris Meldrum

Beris is involved in every aspect of our club, outside her paid role, she puts in hundreds of hours per year in a voluntary capacity. She is not paid to work on a weekend and yet never says no when people come to buy swimmers, register or pay for anything. This season alone she has officiated at 20 carnivals over both summer and winter, including implementing a new recording system for branch; she has also completed 101 hours of patrol, 100% of her own, plus about 15 subs for others; she has assisted with regals and patrol competition and also trained Advanced Resuscitation groups and assisted with numerous other training and assessments.

Gordon Lambert Memorial Club Rookie of the Year – Ema Charles

Ema has persevered in trying to obtain her bronze medallion for the past two seasons, working hard to improve her surf skills and swimming ability. Ema has been a role model to those thinking of completing their bronze or updating their skills, as she has shown that patience, perseverance and willingness to not settle for anything less than what you deserve is what it takes.

Instructor of the Year – Allison Sharkey Smith

Allison is involved in many aspects of training and assessing for our club and always strives for excellence and engagement of participants. They assist with patrol proficiencies, have run two lightning bronze courses this season, attend the branch board of education meetings and also assisted with the assessments during the intrapatrol competition.

Patrol of the Year – Patrol 13 captained by Peter Ives

Newcastle Permanent Rookie of the Year – Tahni DeAthe

Tahni has participated in all aspects of the Newcastle Permanent Rookie program which develops lifesaving skills necessary to become a successful lifesaver. This program involves patrol participation, 13/14 leadership camp, junior lifesaver of the year award and other events throughout the season including Ducks for Bucks, Raising of the Flags and Rookie Challenge.

Patrol Competition – 1st Place

JUNIOR ACTIVITIES

The 2015/16 season was one of the most difficult in recent times with our ability to effectively run junior activities impacted by lack of beach as well as struggling for volunteer assistance across a number of key areas. As a volunteer organisation Terrigal relies on the assistance of members and parents to act as age managers, coaches, officials, water safety, BBQ coordination, managing gear and many more behind the scenes job.

The season commenced with Terrigal again hosting the Round 1 of the Newcastle Permanent Junior Iron person for the U10- U17. Terrigal did well with Bailey Johns and Jackson O'Mara taking out round wins along with consistent top three finishes from Sam Cummins and Lucy Hayes. This season competitors finishing in the top 16 headed to Newcastle in December to compete as the curtain raiser for the Nutri Grain Ironman Series. This was a huge thrill for our nippers and thanks to SLSCC for making it happen as well as Michelle Johns as Chief Judge and Tony O'Mara as the series starter.

The first week in November, Terrigal was hammered by big surf in the lead up to hosting the first Central Coast Junior Carnival which seen all beach events located to the lagoon area. Things started well but it was apparent after the first water events that it was going to be a tough day. Unfortunately conditions worsened and after several delays water events were cancelled. The impact on the beach unfortunately remained for the season.

The resulting conditions seen the Under 6 and 7s located primarily to the Haven due to lack of beach whilst the rest of the crew got use to the long walk to set up beach areas at the Lagoon for Sunday nippers.

In looking back at the season we only had five nipper days where we were able to run at home. The impact of a disjointed season also seen our BBQ revenue down around 20% on previous seasons.

On a positive we welcomed Hogs Breath Café Terrigal as a sponsor which seen the provision of age and training flags as well as sponsorship of the Hogs Breath Award for each age group after Carnivals as well as the Junior Club Person of the Year which was awarded to Dylan Heinze. The Hogs Breath team also assisted with carnival catering and several junior events throughout the season as well as supplying members with frequent diner cards. Thanks to all our sponsors Hogs Breath Café Terrigal, Crown Plaza Terrigal, Chemist Outlet, Littles and Engine.

In 2015/16 a decision was made to cap the number of nippers in the U6 and U7 age groups. Whilst a number of families missed out on joining Terrigal, it had become apparent as had the numbers increased as in recent years our ability to manage and deliver quality outcomes for the nippers during their first years in surf lifesaving would have been impossible. Given the issues that we encountered throughout the season the feedback from the groups was positive.

Thanks to our junior Club Captains, Tahni DeAthe, Emmy Pettiford, Dylan Heinze and Oliver Robinson for their efforts throughout the season. On the representative front our U13's Harrison Williams and Sam Cummins gained selection in the Central Coast Branch Team and Tahni DeAthe and Dylan Heinze represented the Club in the Junior Life Saver the Year competition.

To our age managers and coaches - Paul, Luke, Joel, Richard, Rachelle, Danielle, Zak, Derek with Kylie and Kim on the beach thank you for your efforts throughout the season along with parents and siblings that assisted. Age managing and coaching are not easy tasks made harder by larger groups and varying levels of skills and surf confidence of nippers as well as finding the balance between fun and competition which is a constant challenge.

During the season Terrigal was fortunate to have surf stars, Ali Day, Tara Coleman and the King Shannon Eckstein involved in skills clinics for our nippers which were very well received.

The Rookies (U13/U14) stepped up with major fund raising including catering for the Nippers Disco, Ducks for Bucks and Cinema under the Stars. This season the Rookies raised over \$2,000 and thanks to Kate for her efforts as Rookies Coordinator and to the small band of Rookies that were on hand to assist in every fund raising event. It is also pleasing to see our Rookies once again participating and leading community events such as the ANZAC Dawn service for the fifth year. This year we committed to ensuring our relevance in the community. This was achieved by the actions of our nippers but also through our facebook page which seen over 30,000 individuals reached – thanks to all our members and friends that followed our journey.

As a club getting parents involved is critical and for the first time this season we conducted a Surf Rescue Certificate for parents. The aim was simple break down barriers and use the SRC as a stepping stone to having parents qualified for water safety and as the first step in achieving their Bronze. The course was a huge success and my thanks to Education

Team in particular Karen and Tim for their support of this important initiative. Thank you also to the parents that achieved their Bronze medallion this season as well as those that became officials and or IRB crew and drivers.

The season wrapped up with the Central Coast Branch and NSW State Carnivals, with Branch being our best Club result in many seasons. It was also great to see nippers competing in traditional events at Branch including March Past, R and R and Signals, with our 5 person R and R taking out silver and Dylan Heinze gold in signals. My thanks to Cathy Cole for her passion in bringing March Past and R and R back to Terrigal after many years absence, along with the nippers that participated.

The season concluded with the State Age Championship at Umina and Ocean Beach for the final time before heading to Swansea Belmont for 2017. This year competition was tough and unfortunately as a Club we didn't live up to our Branch results although many nippers achieved PB's and made state finals with fierce competition. Terrigal strength was again on the beach with Emmy Wheeler taking out two silver medals in flags and sprint with Joel Evans winning our only gold in the 12 boys Sprint. We also picked up Beach medals in the sprint relays to the 11 girls and 13 girls whilst Terrigal's sole medal in the surf went to the 13 girls Board Rescue team of Charlise Wheeler and Skye O'Mara with bronze.

In closing after eight years involvement with Terrigal as an Age Manager, Coach and JAC Deputy and Director for the last five years it is time to walk away and focus on my family and our three nippers. I would like to thank the core group of parents that have always given and assisted without question each and every time.

To Craig and Kim Pollington thank you for your efforts behind the scene and to Beris in the office who has worked tirelessly during my time to support all aspects of the Club, along with Mardi Love who has always been there to assist and lend some reason into many of the debates.

To all the nippers that have come through over the last eight years, thank you for your efforts and smiles. Thanks for turning up to training, nipper days and always aiming to do your best as that is what it is all about. Nippers is about the kids nothing more and nothing less.

Most of all thank you to my family for your support, passion and understanding in particular when Club came before you.

As Terrigal Nippers prepares for the 50th season in 2016/17 it is great to see many former nippers now coming through with the next generation of future lifesavers with three generations now members of Terrigal all proud to wear the royal blue.

Thank you and goodbye
Tony O'Mara

LIFE MEMBERS REPORT

The financial report has disclosed that the Life Members Fund enjoys a credit balance of \$66,963.97 (Sixty six thousand, nine hundred and sixty three dollars and 97¢). These funds are held at National Australia Bank A/c # 53878-5225 (\$1,175.30) and Term Deposit #12-236-0215 (\$65,787.67). This Term Deposit is due to mature on 27th August, 2016. The deposit and interest due to \$918.48 will be rolled over for a further term.

The Life Members fund has seen an increase of \$2,398.67 over the past year. The increase is Term Deposit interest of \$2,398.67.

Donations to the Surf Club have now exceeded \$17,700 since the Fund was established in 1983. The vision for the establishment of the Fund was to create a "Future Fund" for the enhancement of the Club's growth in the ensuing years. The fund is not there for the utilization by any committee or committees. The Fund is fully run by the Life Members and is conducted on a perpetual basis.

Below is a short summary of the history of the Life Members Fund –

- Foundation of the Life Members Fund during 1983. Foundation members were Life Member Mark Power and Life Member Peter Wyllie.
- Fund established for future members to receive the benefit of the past and present members of the Club.
- Fund to be conducted on a perpetual basis and continue to remain this way.
- Core assets to be retained to ensure the future of the Trust.
- An amount of up to 80% of the interest earned to be donated to the Club at the discretion of the trustees on an annual basis. Thus a minimum amount of the remaining 20% of interest income will be retained to ensure future growth of the Fund.
- The Fund will not intentionally impede on the Club's fund raising efforts and all funds raised in the name of the Fund to be retained by the Fund.
- Life Member Jack Tennent made a donation from his estate in 1989-1990 season of the sum of \$1,000.
- First objective target of the Fund was \$10,000 and this was achieved in the 1992/1993 season.
- Funds in excess of \$17,700 have been donated to the Club since the Fund was established in 1983. This amount has been made up of direct cash donations and the value of the jackets which are presented on the Awards of Excellence Night.
- The vision for this Fund is that in the future the Fund will be able to provide one or more scholarships/sponsorships for the members of the Club on an annual basis. These awards will take the form of educational funding or direct sporting cost funding. This, however, will not occur until the Fund achieves sufficient capital to make this possible.

The Trustees have received several enquiries with regard to legacies to the Fund. A Trust Deed is in the process of being prepared to meet the wishes of these donors.

Through the fund all donations are making a serious investment towards the training and resourcing of our volunteer lifesavers. Legacy gifts will ensure that the next generation of up and coming lifesavers will be prepared to take on critical lifesaving tasks in the future.

The Life Members are happy to answer any enquiries on the principal function and direction of the Fund at any time.

We will also be grateful for any meaningful input on future fund raising opportunities or direct contribution to the Fund.

It was a great pleasure to have Gregory Elfick and Paul Broadbent elected as Life Members of the club at the last Annual General meeting.

Each of these members have given many years of dedicated service to ensure the Club lives up to the motto of "Vigilance and service".

It is a credit to the Club to elevate both members to the status of Life Members and we welcome them to ensure their vast experience will continue to assist the Club to maintain the standard and respect that the Club holds in the community.

The present Trustees of the Life Members Fund are Mark Power, David Mansfield and Peter Wyllie.

The Life Members held a meeting and conducted an election for the 2016-2017 season. Life Members Mark Power, David Mansfield and Peter Wyllie were re-elected for a further term. These Life Members names will be forwarded for ratification at the forthcoming Annual General Meeting.

NOTE 1 - ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW). The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Plant & Equipment Depreciation

Plant and equipment are recorded at cost and are depreciated on a straight line basis over their estimated useful lives.

The depreciation rates used for each class of assets are:

Building improvements:	4% to 20%
Surf equipment:	33%
Function room plant & fittings	20%
Office equipment:	20%

Plant and equipment which has an estimated useful life of one year or less have been expensed at purchase and are shown as gear purchases in the Club's profit and loss account.

(b) GST Units

Under the provisions of GST legislation relating to non-profit bodies, the Club has established independent accounting units for its separate functions with differing GST treatments.

The accounts of each of these independent units have been amalgamated in the preparation of the Club's accounts.

(c) Income Tax

The Club is exempt from income tax and accordingly no liability is recorded.

(d) Inventories

Inventories are measured at the lower of cost or net realisable value.

(e) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Club, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over their estimated useful lives where it is likely that the Club will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

(f) Revenue

Revenue is recognised as follows:

- Members income, donations and sponsorship revenue is recognised on receipt and recording in the books of the Surf Club.
- Income from the sale of merchandise and product from the canteen is recognised when the merchandise or product from the canteen is supplied to the customer.
- Income from hire of the club house (hall hire) is recognised at the time the club house is provided to the customer.

c) Insurance Coverage

The Club is covered for all public liability claims under the public liability policy established by the NSW Surf Life Saving Association. Policies covering damage to or theft of property and workers compensation have also been taken out directly by the Club. Accordingly the Committee believes that its insurance coverage is adequate to cover contingencies in these instances.

NOTE 19 – EVENTS AFTER THE REPORTING DATE

The storms associated with the East Coast low that occurred on the weekend of 4-5 June 2016 caused minor damage to the Club premises. Preliminary advice from Council staff is that such damage will be covered by insurance.
